IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Progress Report on the working of the Public Service Rules in Mysore, during the year 1949-50.

READ—

Government Order No. E. 13375-454—R. & P. S. 24-50-2, dated 27th April 1950, reviewing the progress on the working of the Public Service Rules in Mysore, during the year 1948-49.

Letter No. 5161—52-53, P.S.C. dated 11th September 1952, from the Secretary, Public Service Commission, forwarding report on the working of the Public Service Rules for the year 1949-50.

ORDER No. E. 11757-800—R. & P. S. 5-52-2, DATED BANGALORE, THE 27TH NOVEMBER 1952.

The revised rules of recruitment issued in Government Order No. 6-105—C.R.B. 1-34-1, dated 3rd July 1934, have been in operation for over seventeen years. The Standing Committee for Recruitment continued to work during the period under report. Some of the proposals of the Public Service Commissioner relating to the defects in the working of the rules of recruitment were placed before this committee and the resolutions of the Committee in the matter were adopted by Government.

The representation of Backward Classes in the subordinate superior services of Government during the period under report showed better progress than that of the previous year, though the dearth for qualified candidates of the Backward classes

continued. Appendix II shows the position of candidates for recruitment to subordinate superior services of Government as on 31st March 1950.

Necessary steps were taken by Government to achieve progress to the extent possible in the recruitment of Backward Class candidates to the gazetted and non-gazetted ranks in the Public Service. Appendix VI shows the number and percentage of gazetted appointments held by the members of different communities in the State during the year under report. Appendix V shows the number and percentage of appointments held by the candidates of forward and backward classes in the non-gazetted service in the various unit offices for the year ending 31st March 1950.

The percentage of gazetted appointments held on 31st March 1950, by the candidates of the forward and the backward classes is 40·2 and 59·8 respectively, as against 41·29 and 58·71 on 30th June 1949. The percentage of non-gazetted appointments in superior service held on 31st March 1950 by members of the forward and backward classes is 33·3 and 66·7 respectively, as against 34·2 and 65·8 on 30th June 1949.

Government wish to place on record their appreciation of the services of the members of the Standing Committee for Recruitment.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

ues Addendum to G.O. No. A.D. 2251-351—G.14-52-1, dated 19th August 1952, regarding occupation of Guest Quarters.

ADDENDUM.

G.O. No. A.D. 7339-425—G. 14-52-3, DATED BANGALORE, THE 10TH DECEMBER 1952.

Please add "and charged accordingly. For a stay of 12 hours or less half the lodging charges will be levied; for a stay of more than 12 hours, full charges will be levied" in between "arrival" and "but" occurring in the penultimate para of the Appendix 'B' to the Government Order No. A.D. 2251-351—G. 14-52-1, dated 19th August 1952. The revised para will read as follows :—

"A day is reckoned as 24 hours from the time of arrival and charged accordingly; for a stay of 12 hours or less, half the lodging charges will be levied. For stay of more than 12 hours, full charges will be levied. However persons occupying rooms for the night irrespective of the number of hours of their stay shall pay full days rent."

N. PUTTARANGASWAMY,
Chief Secretary to Government.

1. Government Orders Nos. M. 7849-51—Med. 63-48-4, dated 7th August 1950 and M. 451-52—Med. 77-51-3, dated 14th April 1952, constituting a Committee with the following personnel to consider the question of revising the ward charges and charges fixed for various examinations such as X-ray, Pathological, etc., including operation in all the Government hospitals in the State, wherein fees are levied and leviable :—

(1) Sm. K. S. Captain, M.D.B.S., D.T.M., H.L.M., Superintendent, Vani Vilas Hospital. (Convener).
(2) The Superintendent, Victoria Hospital.
(3) Sri B. R. Ramalinga Reddy.
(4) Sri A. C. Devaraj, Superintendent, Bowring and Lady Curzon Hospitals.
(5) Sri S. Narayan Setty, Medical Officer, P. K. Sanatorium, Mysore.
(6) Sri B. Subbaramiah, District Medical Officer, Kolar.

2. Government Order No. M. 7972-74—Med. 242-48-6, dated 8th August 1950, requesting the committee constituted in Government Orders dated 7th August 1950 and 14th April 1952 referred to above, to suggest a procedure for recovering in-patient fees in the hospitals.

3. Letter No. G.C. 439-5, dated 14th June 1952, from the Senior Surgeon, forwarding for orders of Government the proceedings of the meeting of the Committee constituted in Government Orders dated 7th August 1950 and 14th April 1952 read above.

ORDER No. M. 16841-3—MED. 68-52-2, DATED BANGALORE, THE 14TH NOVEMBER 1952.

The Committee constituted in Government orders dated 7th August 1950 and 14th April 1952 read above have suggested the following procedure in regard to recovery of in-patient fees:

(i) An advance of 10 days' hospital stoppage charges should invariably be recovered at the time of admission from patients liable to pay such charges in the General and Special wards.

(ii) At the expiry of the 10 days' period another advance of 10 days' hospital charges should be recovered if the patient continues to remain in the hospital.

(iii) If a patient in a Special Ward does not pay the further advance, the Medical Officer will have powers either to discharge the patient according to rules or to transfer the patient to a general ward at his discretion.

(iv) At the time of admission of each paying patient, he or his guardian must give a declaration in writing to the effect that the ward and other charges shall be paid by them and that in default the same may be recovered as an arrear of land revenue.

(v) All hospital charges must be paid fully before the patient is discharged.

To work the rules more effectively and to realise all hospital charges the Committee resolved that Government be requested to treat the arrears of hospital charges as arrears of land revenue and to empower the Revenue Officers to collect the same as land revenue arrears and credit the amount to the Treasury under intimation to the Medical Officer concerned.

If the patients do not pay the Special Ward charges, the patient be discharged immediately on the expiry of the period for which the advance is paid and the patient should take his turn in the waiting list for admission to the general wards.

The procedure suggested by the Committee in regard to the recovery of in-patient fees in the hospitals is approved with the following modifications:

(*a*) The charges for operations have to be recovered in advance as also 10 days' ward charges.

(*b*) If the patient fails to deposit the charges, he will be admitted to general ward and if the case shows that he is able to pay the charges as per rules, the same may be recovered as an arrear of land revenue.

(*c*) The Medical Officer in-charge may exempt from the recovery of ward charges and operation and other charges in advance as also out-patient fee where he considers the person who has to pay is trustworthy and also executes an agreement agreeing to the recovery of the dues as an arrear of land revenue.

Reviews the Administration Report of the Medical Department for the calendar year 1951.

READ—

Letter No. G.C. 281, dated 25th September 1952, from the Senior Surgeon in Mysore, forwarding the Annual Report of the Medical Department for the year 1951.

ORDER No. M. 18811-2—MED. 75-52-1, DATED BANGALORE, THE 10—15TH DECEMBER 1952.

Recorded.

There were 493 Medical Institutions in the State at the end of the year 1951 as against 490 at the end of the previous year. Nine institutions were added during the year and six Military Medical Institutions were disbanded during the

year owing to the integration of the Mysore Military Forces. This gives an average of one institution per 59·8 square miles and 14,866 of population compared with 60·1 square miles and 14,957 of population at the end of the previous year. Out of the total number of Medical Institutions 94 are located in urban areas and 399 in rural areas. Dispensaries numbering four were transferred to the Public Health Department during the year bringing the total institutions thus transferred to 112.

The total number of beds in all the Institutions was 5,461 (5,671), of these 2,196 (2,355) were for men and 3,265 (3,316) were for women and children. The total number of fresh admission as in-patients in all the Institutions was 1,50,140 (1,41,933). Of these, 44,738 were men ; 86,989 women and 18,413 children. The total number of out-patients treated was 73,85,654 (76,91,372). Of these, 28,23,527 were men, 18,48,741 women and 27,13,386 children. The number of Surgical operations performed in all institutions was 1,63,602 (1,35,245). The total number of parturition cases conducted both in and outside the institutions was 68,333 (71,910). Of these, 34,905 received institutional treatment.

Finance :—The expenditure on medical services was Rs. 75,41,205 compared with Rs. 87,17,405 in the previous year. The contribution from local bodies including the Corporation of Bangalore amounted to Rs. 3,90,530 as against Rs. 4,85,300. The Hospital receipts amounted to Rs. 4,30,923 as against Rs. 4,47,894.

Mental Hospital:—The proposal to establish an All-India Institute of Mental Health at Bangalore and Upgrading of the Mental Hospital, Bangalore, are under consideration of Government.

The most outstanding event in the history of the Medical Department was the celebration of the Golden Jubilee of the Victoria Hospital, Bangalore, which function was inaugurated by His Highness the Maharaja of Mysore on 19th August 1951.

Donations:—Donations for medical relief amounting to nearly two lakhs of rupees were received during the year.

New Buildings :—Seven new buildings were constructed during the year.

B. C. G. Vaccination Scheme which was till recently functioning only in the City of Bangalore was extended to Mysore. A five-year plan for extension of Mass B. C. G. Vaccination throughout the State is now under consideration of Government.

Board of Visitors:—The Board of Visitors of the several major Institutions and District Hospitals paid periodical visits to the respective Institutions and evinced keen interest in their work and the recommendations made by them for the improvement of the Institutions were given effect to as far as possible.

The annual stock-taking in all the institutions was attended to.

The cadre of Surgeons was increased by five, that of Assistant Surgeons, Grade I by twenty-eight and Lady Assistant Surgeons, Grade I by six.

Dr. N. A. Aiengar, L.R.C.P. (Lond.), M.R.C.P. (Eng.), was in charge of the Department up to 31st March 1951 and Dr. V. Lakshmana Rao Padke, M.B.B.S., was in charge during the rest of the year.

The work of the Department was satisfactory.

Regarding introduction of Self-dieting in the Special Wards of the Hospitals.

READ—

1. Un-official Note No. Gc. 214-1, dated 16th August 1952 by the Senior Surgeon in Mysore, Bangalore, recommending that as an experimental measure self-dieting to patients may be introduced in the Special Wards of all the hospitals in the State to start with for a period of three months with effect from 1st September 1952.

2. Government Order No. M. 17693-4—Med. 68-52-3, dated 24th November 1952, revising the ward charges and charges fixed for various examinations such as X-Ray, Operation, etc., in all the hospitals in the State.

ORDER NO. M. 19364-5—MED. 68-52-5, DATED BANGALORE, THE 17TH DECEMBER 1952.

1. The Senior Surgeon states that as an experimental measure self-dieting to patients may be introduced in the Special Wards to start with and that the patients seeking admission to the special wards at the time of their admission, may be intimated that the charges they pay will not include diet charges, and they will be charged extra for the diet supplied to them, in case they require diet from the hospital instead of making their own arrangements for getting the prescribed diet. Thus the Special Ward patients will be at liberty to get the prescribed diet either from the hospital contractor on payment or otherwise at the option of the patients.

2. The Senior Surgeon has recommended that as an experimental measure self-dieting to patients may be introduced in the Special Wards of all the hospitals in the State for a period of three months with effect from 1st September 1952.

3. Government have considered the matter and it is ordered that proposals of Senior Surgeon be accepted subject to the following modifications until further orders :—

(1) Self-dieting to patients be introduced in the Special Wards of all hospitals including Ayurvedic and Unani Hospitals in the State ;

(2) The words "I Class or II Class Diet to be given" occurring against the Special Ward charges in Government Order No. M. 17693-4—Med. 68-52-3, dated 24th November 1952, read above may be omitted ;

(3) The Special Wards charges prescribed in Government Order dated 24th November 1952 read above will remain as such even after the introduction of self-dieting in the special wards.

Secretary to Government,
Home and Revenue Departments.

FINANCIAL SECRETARIAT

Issues certain instructions regarding the Contributions due to Government from Local Bodies towards the maintenance of Local Fund Dispensaries, etc.

READ—

Letter No. 131-134—B-TM., dated the 7th July 1952, from the Accountant-General, Mysore, Bangalore, stating that the practice of his office intimating the demands to the Local Bodies for contributions payable by them towards the maintenance of Local Fund Dispensaries, Veterinary Hospitals, etc., as per clauses (*a*) and (*b*) of Article 252, Mysore Civil Account Code, Volume I, will be stopped with immediate effect, and that the Heads of Departments may raise the demands direct against the Local Bodies concerned.

ORDER NO. FL. (B) 11009-14—C.R. 46-52-2, DATED BANGALORE, THE 13TH DECEMBER 1952.

According to the existing practice based on clauses (*a*) and (*b*) of Article 252, Mysore Civil Account Code, Volume I, the demands for the contributions payable by Local Bodies towards the maintenance of Local Fund Dispensaries, Veterinary Hospitals, etc., are being made by the Accountant-General, Mysore, on the basis of statements obtained from the Departmental Officers.

2. In future, the practice of the Accountant-General's Office intimating the demands to the Local Bodies will be discontinued, and the Heads of the concerned Departments will raise the demands direct against the Local Bodies concerned, and

will also maintain suitable registers for watching the recoveries. Copies of the demand statements may be sent to the Accountant-General's Office simultaneously with the sending of the original statements to the Local Bodies.

3. Annually, statements of outstandings due from defaulting Local Bodies should be sent by Heads of Departments to the Accountant-General through the Controller, State Accounts Department, who will forward them after check. The Accountant-General will, thereupon, issue instructions to the Treasury Officers for the recovery of the balances shown in these statements by reduction of the balances of the Local Bodies concerned in their deposit amount.

4. Necessary correction slip to the Mysore Civil Account Code, Volume I, will issue in due course.

M. SHAMANNA,

Distribution of Loans for the Water Supply Schemes to the several Municipalities in the State from out of '50 lakhs' during 1952-53.

READ—

Circular No. L. 5335-5456—Ml. 145-52-1, dated the 24th July 1952, to the Deputy Commissioners of Districts calling for information regarding funds required for (1) the water supply, (2) drainage and (3) other important and urgent works in the Municipalities in the State.

2. Letter No. L. 12390-401—Ml. 145-52-6, dated 7th November 1952, directing the Deputy Commissioners of Districts to forward specific resolutions of the Municipal Councils concerned, if the Municipal Councils are agreeable to take loan for the improvement of water supply in Municipalities in the State.

3. Letter No. L. 13971-14087—Ml. 145-52-7, dated 25th November 1952, directing the Municipal Councils to earmark the income from water-tax for the repayment of loan.

ORDER No. L. 16362-453—ML. 145-52-20, DATED BANGALORE, THE 26TH DECEMBER 1952.

Representations are being made to Government that the Municipal Councils in the State with their limited resources are unable to take up improvement works without the aid from Government by way of grants or loans. This question has also been discussed at successive sessions of the Legislature.

2. Government with a view to have a clear idea of the various improvement works which the Municipalities wanted to undertake, requested them in the Circular of 24th July 1952 through the Deputy Commissioners of Districts, to indicate the expenditure which they had to incur for (1) water supply (2) drainage and (3) other important and urgent works. According to the information furnished the funds required for the above works in the Corporation, the City and Town Municipalities aggregate to Rs. 5,27,29,196.

3. Government have examined these schemes and they have come to the conclusion that priority should be given to the execution of water supply schemes. With a view to implementing this decision, the matter was placed before the last session of the Legislature during October 1952. A supplemental grant of Rs. 50,00,000 has been voted for the above purpose. This additional allotment of Rs. 50,00,000 is proposed to be distributed during this year among the several Municipal Councils as a loan on the following basis :—

1.	Estimates amounting to Rs. 50,000 and below ...	Full amount of the estimate.
2.	Do exceeding Rs. 50,000 upto Rs. 1,00,000 ...	Half of the estimated cost.
3.	Do exceeding Rs. 1,00,000 and above ...	One-fourth of the estimated cost.

Government are pleased to order the distribution of the loan, as per statement appended, subject to the following terms, *viz* :—

1. That the loan is repayable within a maximum period of fifteen years.
2. That interest is payable at 5 (five) per cent per annum on the loan amount.
3. That provision should be made in the budgets of the municipalities for the repayment of the loan which will be a first charge on the Municipality.

4. The balance of the loan in respect of each Municipality will be sanctioned in the coming years as and when the work progresses.

5. The Accountant-General, Mysore, Bangalore, is requested to permit the Municipal Councils to draw the loan amount now sanctioned during the course of the year 1952-53, provided the Municipal Councils concerned agree by a specific resolution to abide by the terms enumerated above and such resolutions are countersigned by the Deputy Commissioners of the Districts.

6. The Chief Engineer of Mysore is requested to obtain technical sanction to the estimates for the water supply schemes within one month. In some cases only approximate estimates have been received. Detailed estimates should be prepared in such cases and technical sanction by competent authorities obtained. After technical sanction is accorded, tenders should be called for within 15 days from the date of technical sanction and all the works should be started during the first week of February 1953 without fail.

7. About the equipment necessary, the Chief Engineer is requested to work out the details regarding the requirements of machinery and pumps, etc., to take up the work from February 1953 and to complete all the schemes within the next three years. He is requested to submit suitable proposals to Government before the 15th of January 1953.

8. Government are anxious to complete the water supply schemes in the State as early as possible and the Chief Engineer is requested to see that there is no delay in the execution of the scheme. If there are delays resulting in revision

of estimates, Government would view the action of concerned officers with displeasure. The Chief Engineer is also requested to carefully examine in each case if avoidable items of work can be eliminated and the cost reduced.

9. This Order may be construed as an accordal of administrative sanction to the works listed in the enclosed statement, and this need not be referred to the Administrative Secretariat individually for approval.

10. The Commissioner for Local Self-Government and the Deputy Commissioners of Districts are requested to see that the loans sanctioned are drawn by the Municipal Councils and placed at the disposal of the Public Works Department for starting the work without delay and to take such action as is necessary for completing the works early. The Commissioner for Local Self-Government is requested to watch the progress of works done and intimate Government by the 10th of every month the progress achieved in the previous month. He is also requested to see that the Municipalities take effective action to improve their finances, manage their affairs with prudence, and repay the loan amount on the due dates.

G. V. K. RAO,
Secretary to Government,
Local Self-Government Department.

ADDENDUM.

G.O. No. A.D. 7339-425—G. 14-52-3, DATED BANGALORE, THE 10TH DECEMBER 1952.

Please add "and charged accordingly. For a stay of 12 hours or less half the lodging charges will be levied; for a stay of more than 12 hours, full charges will be levied" in between "arrival" and "but" occurring in the penultimate para of the Appendix 'B' to the Government Order No. A.D. 2251-351—G. 14-52-1, dated 19th August 1952. The revised para will read as follows :—

"A day is reckoned as 24 hours from the time of arrival and charged accordingly; for a stay of 12 hours or less, half the lodging charges will be levied. For stay of more than 12 hours, full charges will be levied. However persons occupying rooms for the night irrespective of the number of hours of their stay shall pay full days rent."

N. PUTTARANGASWAMY,
Chief Secretary to Government.

HOME AND REVENUE SECRETARIAT

Re: **Levy of In-patient fees, out-patient fees, fees for Pathological examinations, fees for anti-rabic treatment, X-ray charges fees for operations, fees for ophthalmic operations, etc., in the several hospitals in the State.**

READ—

Government Orders Nos. M. 789-51—Med. 68-48-4, dated 7th August 1950 and M. 451-52—Med. 77-51-3, dated 14th April 1952, constituting a committee with the following personnel to consider the question of revising the ward charges and charges fixed for various examinations such as X-ray, Pathological, etc., including operations in all the Government Hospitals in the State wherein fees are levied and leviable :—

1. Sm. K. S. Captain, M.D.B.S., D.T.M., H.L.M., Superintendent, Vani Vilas Hospital, *Convenor.*
2. The Superintendent, Victoria Hospital.
3. Sri B. R. Ramalinga Reddy.
4. Sri A. C. Devaraj, Superintendent, Bowring and Lady Curzon Hospitals.
5. Sri S. Narayana Setty, Medical Officer, Princess Krishnajammanni Sanatorium, Mysore.
6. Sri B. Subbaramiah, District Medical Officer, Kolar.

2. Letter No. Gc. 439-5, dated 14th June 1952, from the Senior Surgeon in Mysore, Bangalore forwarding for orders of Government the proceedings of the meeting of the Committee constituted in Government Orders dated 7th August 1950 and 14th April 1952 read above.

3. Letter No. G.C.T. 49, dated 14th July 1952, from the Senior Surgeon in Mysore, Bangalore, stating that an additional revenue of Rs. 25,000 can be realised from the Princess Krishnajammanni Sanatorium, Mysore, by slightly raising the fees of the I Class Special Wards from Rs. 2-8-0 to Rs. 3-0-0 per bed per day and opening of 36 II Class Special Ward beds in the first floor of the Administrative Block and by converting the non-paying Narayanaswamy Ward into that of a paying ward and requesting therefore sanction of Government for the following proposals :—

(*a*) Narayanaswamy Ward with a bed accommodation of 39, which was hitherto a non-paying General Ward may be converted into a paying ward levying a fee of Re. 0-8-0 (annas eight only) per bed per day.

(*b*) The fees for the fourteen I Class Special Wards may be raised from Rs. 2-8-0 (Rupees two and annas eight only) to Rs. 3-0-0 (Rupees three only) per bed per day.

(*c*) Thirty-six beds out of the 40 beds of the Administrative Block in the first floor may be used as II Class Special Wards and may be charged at Re. 1 (Rupee one only) per bed per day.

(*d*) The remaining four beds in the Administrative Block provide for four I Class Special Ward beds and may be charged at Rs. 2 (Rupees two) per bed per day.

ORDER No. M. 17693-4—MED. 68-52-3, DATED BANGALORE, THE 24TH NOVEMBER 1952.

It is stated that the members of the Committee were unanimously of opinion that the existing rule in regard to the levy of fees in hospitals require to be revised immediately as the charges now levied bear no comparison to the cost incurred by Government on diet and other hospital necessaries. The Committee have, therefore, suggested the levy of in-patient fees, out-patient fees, fees for pathological examinations, fees for anti-rabic treatment, X-ray charges, fees for operations, fees for Ophthalmic Operations, and etc., in the several hospitals in the State at the rates indicated in the statement appended hereto.

In suppression of all the previous orders in this behalf, the recommendations of the Committee in regard to levy of in-patient fees, out-patient fees, fees for pathological examinations, fees for anti-rabic treatment, X-ray charges, fees for operations, are approved, with the following modifications :—

(*i*) Admission fee of one rupee will be charged in case of patients seeking admission to wards of the Local Fund and Government Dispensaries in mofussil where in-patients wards are provided. This amount may be waived at the discretion of the Medical Officer in charge if he considers the patient is very poor.

(*ii*) The following scale of fees will be charged in case of out-patients in all Local Fund and Government Dispensaries in Municipal Towns and Cities of Bangalore, Mysore and Davangere :—

(*a*) Patients or their guardians with an income of less than Rs. 100 per mensem	One anna
(*b*) Patients or their guardians with an income of above Rs. 100 per mensem and below	Two annas
(*c*) Patients or their guardians with an income of above Rs. 200 per mensem	Four annas

These charges will have to be paid by the in-patients in the Local Fund Dispensaries also. Medical Officers in charge are authorised to waive the recovery of these charges in case of patients whom he considers to be too poor to pay.

(*iii*) Ward charges in respect of the Princess Krishnajammanni Sanatorium, Mysore, will be as proposed by the Senior Surgeon in his letter dated 14th July 1952 referred to above.

(*iv*) In case of other T.B. Hospitals, the ward charges will be as follows :—

Single bedded special ward.	Rs.	2	8	0 (Rupees two and annas eight only) per day.
Special Ward "A" Class.	Re.	1	0	0 (Rupee one only) per day.
Special Ward "B" Class.	Re.	0	8	0 (Annas eight only) per day.

In case of general ward also where the income exceeds Rs. 200 per month but is less than Rs. 300 per month, a fee of four annas per day will be charged and that no fee will be levied for general ward patients where income is below Rs. 200 per month.

Where the intention to escape levy of appropriate charges are manifest, double the usual charges will be levied at the discretion of the Medical Officer.

(*v*) Separate orders will issue regarding dieting charges and mode of recovery of ward and other charges from the patients.

G. N. NAGARAJA RAO,
Secretary to Government,
Home and Revenue Departments.

ANNEXURE.

Recommendations of the Committee constituted in Government Order No. M. 7849-51—Med. 68-48-4, dated 7th August 1950 and subsequent Government Order No. 451-52—Med. 77-51-3, dated 14th April 1952, to consider the question of revising the Ward charges and charges fixed for various examinations such as X-Ray, Pathological, etc., including operations in all the Government Hospitals.

IN-PATIENT FEES.

For purposes of levy of in-patient fees, the hospitals in the State were broadly divided into the following categories :—

NOTE.—(*a*) Patients occupying Single Bedded Rooms in Special Wards in any Hospital will be liable to pay full fee for X-Ray, Laboratory and Operation, irrespective of income.

(*b*) Patients occupying Double Bedded Rooms or Three Bedded Rooms will be liable to pay half the fee for X-Ray, Laboratory and Operation, irrespective of income.

Rest Houses attached to District Hospitals.

It was brought to the notice of the Committee that in some of the District Hospitals where rest house facilities are provided, the attendants on in-patients are allowed to remain in the rest houses indefinitely free of rent till the patients are discharged. The Committee felt that this practice should cease forthwith and that a rent of annas 8 per day may be charged to the attendants occupying the rest houses, discretion however being left to the Medical Officer to exempt attendants who are really poor and deserving, from paying the rent.

General Wards.

At present a fee of annas 8 per bed per day is being levied from patients whose income is above Rs. 50 per mensem. The Committee considers, having regard to the present day conditions, that the limit of income for levy of fees be raised to Rs. 100 and that an uniform rate of annas 8 per bed per day be levied in all the hospitals including the District Hospitals from patients whose income is Rs. 100 and above per month.

It was also resolved that the difference now existing regarding Mysoreans and non-Mysoreans in regard to the levy of in-patient fees *vide* Government Order No. 5204-6—Med. 56-39-3, dated 9th December 1939, should not hold good with the accession of the State to the Indian Union and that this difference may be abolished forthwith and that the uniform fee proposed above be recovered from all, irrespective of nationality.

OUT-PATIENT FEES.

It was decided that the levy of fees from out-patients receiving treatment in all the general and special hospitals in Bangalore and Mysore, be regulated as follows :—

Patients whose income is less than Rs. 100 per mensem	Anna one per day.
Patients whose income is Rs. 100 but below Rs. 200	Annas two per day.
Patients whose income is Rs. 200 and above	Annas four per day.

Exception.—The exemption from the levy of out-patient fee of one anna in the Women's Hospitals, *viz.*, the Vani Vilas Hospital, Bangalore, and Sri Cheluvamba Hospital, Mysore, sanctioned in Government Order No. 94427-9—Med. 79-39-4, dated 20th November 1939 will continue.

FEE FOR PATHOLOGICAL EXAMINATIONS.

The question of revising the fee for Pathological Examinations was then taken up. At present fees for these examinations are being levied only in the major institutions. It was decided that fee should be levied for such examinations even in the District Hospitals, Local Fund Hospitals and Combined Dispensaries where facilities exist for conducting these examinations. The scale of fees to be levied will be based on the income of patients as follows :—

1.	Persons whose income is below Rs. 100	Free.
2.	Persons whose income is between Rs. 100 and below Rs. 300 ...	Half the charges.
3.	Persons whose income is Rs. 300 and above	Full charges.

All diabetic patients receiving insulin injection in the Hospitals have to pay the fee only for the first examination according to the above scale and no fee shall be charged for subsequent examinations. This concession does not however apply to persons whose income is above Rs. 500 per mensem.

The existing and revised scale of fees for pathological examinations is noted as under :—

*G.O. No. G. 3384-9/Med. 56-39-2, dated 4th October 1939.

1. All patients occupying Single Bedded Special Wards shall be charged full fees for Pathological Examinations irrespective of income.

2. All patients occupying Double Bedded or Three Bedded Rooms are liable to pay 50 per cent of the prescribed Pathological charges irrespective of income or according to income whichever is advantageous to Government.

3. General Ward and Paying Ward patients shall pay Pathological Examination charges if they are liable to pay according to the Schedule.

LEVY OF FEES FOR ANTI-RABIC TREATMENT.

The proposal of the Superintendent, Victoria Hospital for the levy of fees from patients receiving anti-rabic treatment was then taken up for consideration and it was resolved that the existing rule of free treatment to all persons irrespective of income be revised and that the following scale of fee be levied :—

1.	Persons with an income below	Rs. 100 ...	...	Free.
2.	Do	Rs. 100 but below Rs. 200	...	Rs. 5 for the full course.

4.	Do	Rs. 500 but below Rs. 1,000	...	Rs. 15 do
5.	Do	Rs. 1,000 and above	...	Rs. 25 do

As regards the batta to be paid to the patient and his attendant receiving anti-rabic treatment it was resolved that the present scale of annas 6 per head per day may be raised to Re. 1 in the case of Hospitals in Bangalore and Mysore in keeping with the present day cost of living.

The scale of batta to be paid in the District Hospitals may be fixed at annas 12 per day as in the case of Government employees.

X-RAY CHARGES.

For purposes of levy of X-Ray charges, it was decided that the following rate of fee be levied based on the income of the patient:—

1.	Patients whose income is below	Rs. 200 ...	...	Free.
2.	Do	Rs. 200 and below Rs. 300	...	Half the rate.
3.	Do	Rs. 300 and above	...	Full rate.

It was also decided that all radiograms including Medico-legal Radiograms be the property of the Hospitals. It may however be left to the discretion of the Medical Superintendent whether to retain them in the hospital or to hand them over to the parties concerned.

Non-paying patients and patients who are liable to pay half rates based on income will be liable to pay full rate if they desire to take away the radiograms.

Cases referred by private practitioners for X-Ray examinations should be charged full rate irrespective of income.

The existing and the proposed scale of fee for the several X-Ray examinations is as noted below :—

FINANCIAL SECRETARIAT

Issues certain instructions regarding the Contributions due to Government from Local Bodies towards the maintenance of Local Fund Dispensaries, etc.

READ—

Letter No. 131-134—B-TM., dated the 7th July 1952, from the Accountant-General, Mysore, Bangalore, stating that the practice of his office intimating the demands to the Local Bodies for contributions payable by them towards the maintenance of Local Fund Dispensaries, Veterinary Hospitals, etc., as per clauses (*a*) and (*b*) of Article 252, Mysore Civil Account Code, Volume I, will be stopped with immediate effect, and that the Heads of Departments may raise the demands direct against the Local Bodies concerned.

ORDER No. FL. (B) 11009-14—C.R. 46-52-2, DATED BANGALORE, THE 13TH DECEMBER 1952.

According to the existing practice based on clauses (*a*) and (*b*) of Article 252, Mysore Civil Account Code, Volume I, the demands for the contributions payable by Local Bodies towards the maintenance of Local Fund Dispensaries, Veterinary Hospitals, etc., are being made by the Accountant-General, Mysore, on the basis of statements obtained from the Departmental Officers.

2. In future, the practice of the Accountant-General's Office intimating the demands to the Local Bodies will be discontinued, and the Heads of the concerned Departments will raise the demands direct against the Local Bodies concerned, and will also maintain suitable registers for watching the recoveries. Copies of the demand statements may be sent to the Accountant-General's Office simultaneously with the sending of the original statements to the Local Bodies.

3. Annually, statements of outstandings due from defaulting Local Bodies should be sent by Heads of Departments to the Accountant-General through the Controller, State Accounts Department, who will forward them after check. The Accountant-General will, thereupon, issue instructions to the Treasury Officers for the recovery of the balances shown in these statements by reduction of the balances of the Local Bodies concerned in their deposit amount.

4. Necessary correction slip to the Mysore Civil Account Code, Volume I, will issue in due course.

M. SHAMANNA,
Secretary to Government,
Finance Department.

The revised para will read as follows :—

"A day is reckoned as 24 hours from the time of arrival and charged accordingly; for a stay of 12 hours or less, half the lodging charges will be levied. For stay of more than 12 hours, full charges will be levied. However persons occupying rooms for the night irrespective of the number of hours of their stay shall pay full days rent."

N. PUTTARANGASWAMY,
Chief Secretary to Government.

REVENUE AND HOME SECRETARIAT

Reviews the Administration Report of the Excise Department for 1951-52.

READ—

Correspondence ending with letter No. B.3-583—52-53, dated the 15th September 1952, from the Excise Commissioner, forwarding the Annual Report on the administration of the Excise Department for the year 1951-52, together with the Statistical Statements.

ORDER NO. S.R. 5172-81—EX. 45-52-4, DATED BANGALORE, THE 19TH DECEMBER 1952.

Recorded.

2. In conformity with the policy of Government, Prohibition was extended to Belur and Saklespur Taluks of Hassan District from the 1st July 1951, and the enforcement of Prohibition in Ramanagaram and Channapatna Taluks of Bangalore District was transferred to the Police Department on the same date.

3. *Country Spirits.*—The Mysore Sugar Co., Ltd., Bangalore, continued to be the licensed manufacturers of liquors, required by the State. The rate of molasses arrack, packing charges and the transport charges payable to the Company were increased. The rate of duty on arrack was enhanced from Rs. 7-8-0 to Rs. 9-0-0 per gallon with effect from the 1st July 1951.

The number of shops licensed for the retail vend of molasses arrack was 105 (121) while that for the sale of bottled liquors was 9 (11).

The consumption of arrack of 35° U.P. was 3,13,713 gallons (3,27,662) while that of special liquors supplied in bottles was 15,503 gallons (18,632).

4. *Rectified and Denatured Spirits.*—The number of licenses issued to chemists, druggists, charitable institutions, industrial concerns, etc., to possess and use rectified spirit was 104 (83) 1,06,375 gallons (46,562½) of rectified spirit and absolute alcohol including 47,040 gallons (11,423¾) for export, were issued from the Distillery, Mandya, during the year under review.

A total quantity of 1,83,203 gallons (58,820·5 gallons) of denatured spirit, including 2,910 gallons (120) for export, was issued during the year. The reasons for the large increase in issue of both rectified and denatured spirits requires careful examination.

5. *Spirituous Medicinal and Toilet Preparations.*—The imports and exports of spirituous medicinal preparations, during the year were 837·347 proof gallons (1,118·428) and 34,561138·16. proof gallons (27,724·051), respectively.

6 *Toddy.*—The rate of tree-tax on date and cocoanut trees was raised by one rupee per tree from the 1st July 1951.

The number of shops licensed for the sale of date and cocoanut toddy was 565 (588) while that for the sale of Bagani toddy was 6 (76). The number of trees tapped for these shops was as follows :—

Date	1,00,446	(1,26,047)
Cocoanut	51,257	(54,265)
Bagani	34	(164)

7. *Malt Liquors.*—The number of shops licensed exclusively for sale of country Beer remained at nine and a quantity of 1,28,823 gallons (80,568) was consumed during the year.

8. *Foreign Liquors.*—During the year 67 licenses were renewed in favour of the existing licensees. A quantity of 57,600 gallons (52,966) was consumed during the year.

9. *Hemp Drugs.*—Ganja was grown on 45 acres of land. The number of shops licensed for the sale of ganja and the quantity sold during the year were 68 (74) and 5,829 seers (5,203), respectively. The issue price of ganja was raised from Rs. 7-8-0 to Rs. 10 per seer of 80 tolas with effect from the 1st July 1951.

10. *Opium.*—The quantity of opium sold through 34 (36) licensed shops during the year was 643 seers (703—24). A progressive reduction by 11 per cent in the consumption of Excise opium was given effect to from the beginning of the year under report.

11. *Offences.*—The number of offences against Excise and Opium Acts that were reported during the year was 1,213 (1,276) inclusive of 285 (250) heinous offences. Including 227 (136) pending at the beginning of the year, the number of cases for disposal was 1,440 (1,412). Of these 1,053 (999) were disposed of by the Department and 244 (186) were sent up for trial in Courts, leaving a balance of 143 (227).

The number of cases disposed of by the Magistracy was 247 out of 273, leaving 26 pending at the end of the year.

12. *Revenue and Expenditure.*—Including the arrears of Rs. 5,17,677-14-11 (Rs. 5,28,613-6-7) outstanding at the beginning of the year, the total demand of Excise Revenue amounted to Rs. 2,29,50,864-6-11 (Rs. 2,21,38,468-0-9). Of this amount a sum of Rs. 2,20,97,538-6-9 (Rs. 2,16,20,790-1-10) was collected leaving a balance of Rs. 8,53,325-15-4 (Rs. 5,17,677-14-11). The percentage of collections to the total demand was 96·3 per cent.

As there has been a progressive increase in the amount of arrears to be collected, the Excise Commissioner and the Deputy Commissioners of Districts are requested to take prompt action to recover the heavy balance very early.

The expenditure of the Department during the year amounted to Rs. 4,64,833-4-3 (Rs. 4,95,013-9-5).

13. *General.*—A Health Cess at the rate of one anna in the rupee has been levied on all items of Excise Revenue on which Education Cess is leviable, with effect from the 8th December 1951.

The work of the Department was generally satisfactory.

G. N. NAGARAJA RAO,
Secretary to Government,
Revenue and Home Departments.

LOCAL SELF-GOVERNMENT SECRETARIAT

Issues instructions for checking up of Vacant Sites in villages by the Village Panchayets.

READ—

Letter No. C. 3. 1567-51, dated 1st November 1951, from the Revenue Commissioner in Mysore, requesting orders to the effect that the village Panchayets should check up the measurements and checkbandi of Government unoccupied sites and be required to make a certificate of having done so in the concerned register.

2. Un-official Note No. R.D.R. 7. 1814—51-52, dated 28th October, 1952, from the Commissioner for Local Self-Government, on the subject.

ORDER No. L. B. 9204-14—V.P. 61-52-2, DATED BANGALORE, THE 31ST DECEMBER 1952.

Sites are being disposed of by the Revenue Department out of unoccupied Government land in gramathanas of villages for building purposes. The Village Panchayets also forward proposals for the acquisition of lands for providing building sites to the villagers. For the scrutiny of the need for compulsory acquisition of lands, a correct estimate of the extent of land available for disposal is necessary and the Village Panchayets should also be in possession of information of the kind having regard to the fact that immediately after the disposal of the sites as occupancies, they are subject to the payment of assessment to the Village Panchayet.

The Revenue Commissioner in Mysore has also brought to notice that in a number of cases where sites are disposed of on the ground that they are unoccupied and belong to Government, plea of private ownership in respect of such lands is set up by the appellants and a proper adjudication of the rival claims involves a thorough enquiry and prolonged correspondence and even then there are contributary causes which render it difficult to obtain clear and positive evidence.

With a view to avoiding these difficulties and facilitating the quick and easy disposal of building sites, it is directed that the Village Panchayet should be requested to examine and review at least once a year all the entries of village accounts relating to houses and sites and specially check up the measurements and checkbandi of the Government unoccupied sites. After this examination is done, the Chairman of the Village Panchayet with at least three members of the Village Panchayet and six leading persons of the village should record a certificate in the concerned register.

The Deputy Commissioners of Districts are requested to issue instructions to have the above check properly effected and instruct the Local Officers to see that the instructions are properly carried out during their tours, inspections and at the time of jamabandi.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and Planning Departments.

Revives the System of Book Adjustment in the case of supplies made or services rendered by other Departments of Government to the Public Works Department.

READ—

Government Order No. Fl. 3484-86—G.F. 90-50-2, dated the 21st July 1950, ordering that cash payments may be made by the Public Works Department in the case of supplies made or services rendered to the Public Works Divisions by other Departments.

2. Letter No. 467—WM. GC., dated the 30th October 1952, from the Accountant-General, Mysore, Bangalore, intimating that the procedure of making cash payments for supplies made or services rendered by other Departments of Government to the Public Works Department was necessary when there was a separate Public Works Department Audit Office exchanging accounts with the Ex-Comptroller's Office monthly and considerable delay was involved in making book adjustments and that after the merger of the Public Works Department Audit Office with the Accountant-General's Office with effect from 1st April 1951, there is no necessity to adopt the system of cash payment approved of in the Government Order dated the 21st July 1950, read above and as such the system of book adjustment, envisaged in Appendix X of the Mysore Civil Account Code, Volume I, be revived in supersession of the orders contained in the Government Order, dated the 21st July 1950.

ORDER NO. FL. (B) 11279-81—C.R. 47-52-2, DATED BANGALORE, THE 23RD DECEMBER 1952.

The proposal of the Accountant-General is approved.

Necessary amendments to the Mysore Public Works Account Code will issue in due course.

FOREST AND AGRICULTURAL SECRETARIAT

Review on the Administration Report of the Animal Husbandry Department for the year 1950-51.

READ—

Letter No. Misc. 410—51-2, dated 29th August 1952, from the Director of Animal Husbandry forwarding the Administration Report of the Animal Husbandry Department for the year 1950-51.

ORDER NO. A.F. 9004-96—A.H. 70-52-2, DATED BANGALORE, THE 24TH DECEMBER 1952.

1. Recorded.

2. *General Administration.*—Dr. P. M. Narainaswamy Naidu, B.SC., L.V.P., SC.D. (Ger.) F,F.A.S. (Fr.), was in charge of the Department during the year. He

continued to serve on the following committees. He represented the Government of Mysore on the Animal Husbandry Regional Committee Meeting of the Indian Council of Agricultural Research held at Bangalore and the Animal Husbandry Wing Meeting of the Indian Council of Agricultural Research held at Izatnagar :—

(*a*) Central Co-ordination Committee for Rural Development.
(*b*) Board of Studies in Agriculture, Agricultural College, University of Mysore.
(*c*) Managing Committee of Agricultural and Experimental Unions.
(*d*) Committee of Visitors to the Agricultural College, Bangalore.
(*e*) Committee for determining the breed of Hallikar and Amritmahal Breed of Cattle.
(*f*) Society for preventing of cruelty to Animal as President.
(*g*) As Veterinary Officer to Bangalore Race Club.

3. *Seasonal conditions.*—The seasonal conditions were fairly satisfactory during the year under report. The cost of fodder continued to be high.

4. *Veterinary Section.*—Rinderpest showed a tendency to spread especially in Shimoga and Chitaldrug Districts in which 81 outbreaks were registered. Altogether 243,102 inoculations and vaccinations were conducted against the disease.

Five hundred and eleven cases of Hæmorrhagic septicæmia were registered and necessary action to prevent the disease was taken in the matter. Seven hundred and thirty-two cases of Anthrax were registered, and 728 cases were attended to, protecting 42,139 cattle against the disease. Thirty thousand eight hundred and six vaccinations were conducted against the disease of sheep-pox. The incidence of Ranikhet disease was lowest during the year under report.

Six new Rural Veterinary Dispensaries were opened during the year under report bringing the total number to 193, having approximately one institution for every 25,858 heads of cattle in the State.

There were 45 cattle fairs held during the year under report wherein 507,190 heads of cattle had gathered and about 2,875 prizes were distributed to the best exhibits.

During the year under report the following persons were granted loans for the purpose of starting dairies :—

	Sriyuths.—	Rs.
1.	B. Nanjappa, Basavaghatta, Hassan Taluk	5,000
2.	A. B. N. Sharma and B. Alasingrachar, Hassan	2,000
3.	G. K. Narayan, Agriculturist, Melkote	2,000

During the year under report, 77 cases of cow slaughter were detected in the State, of which 31 culprits were punished.

Rural Development Work.—Eighty-nine stud bulls of different breeds were distributed free of cost under the 'Free Bull Scheme' and eight premium bulls were awarded the premia of Rs. 100 each on their completion of one year's period under the Livestock Improvement Scheme.

Intensive dosing was undertaken against Liver fluke infestation and 78,840 cattle were systematically dosed by the special staff employed under the scheme.

Training in Indian Veterinary Colleges.—As against 9 students studying in Madras Veterinary College, 6 candidates had passed, 2 being under Ordinance. In Jubbalpore Veterinary College as against 9 candidates studying, 5 candidates were promoted to the higher class under Ordinance. In Bengal Veterinary College, out of 6 candidates studying, 3 failed in the final year class. The progress of students deputed to Indian Veterinary Colleges was fairly satisfactory.

Post-war Schemes.—Scheme for distribution of Mineral Supplement for the improvement of malnad cattle.

The mineral food was distributed at 50 per cent concessional rates among the *bona fide* cattle owners at the several Taluk Headquarters of Shimoga, Hassan and Chikmagalur Districts.

Livestock Improvement Scheme.—Eighty-nine stud bulls were distributed in the State free of cost and the total number of coverings done by the bulls distributed under the scheme was 14,586.

Cattle Breeding Station, Ajjampur.—The work turned out at the Cattle Breeding Station, Ajjampur, was satisfactory.

Amritmahal Section.—The strength of the herds at the beginning of the year was 891 and there were 179 births and 104 deaths during the year under report.

As against a total demand of Rs. 2,93,171-3-7, a sum of Rs. 63,504-13-11, was collected leaving a balance of Rs. 2,29,666-5-8, at the close of the year. The heavy arrears was partly due to the inability of the lessees to pay their *gram gutta* on account of adverse seasonal conditions and same area being transferred from the Animal Husbandry Department to the Revenue Department. An extent of 4,350-17 acres of land was leased out during the year for temporary cultivation for a total gutta of 82,459¼ seers of horsegram, which accelerated the "Grow More Food" campaign.

Fishery Section.—Fishery conservation measures were enforced during the year under report in three divisions and the destructive methods of poisoning and use of explosives to catch fish by the local fishermen were largely prevented through the vigilance of the watchers and the staff of the section. During the year under report a collection of 71,915 Fry and Fingerlings were stocked.

Bee-keeping Section.—One new centre was opened during the year under report making the total to 12. There were 508 private bee-keepers in 257 villages of the State, maintaining 1,127 colonies which yielded 4,488 lbs. of honey.

Mysore Serum Institute.—As usual large scale production of several sera and vaccines required for combating the outbreak of contagious diseases among Livestock. The scheme for investigating the mastitis among cows and diseases among livestock, were started during the year under report. The Research Section attached to the Institute continued the investigation of various problems connected with the diseases of livestock, besides undertaking the laboratory examination of all pathological materials received from Veterinary Institutions in the State. Preparation of anti-rabic vaccine for animals and urine harmone was continued to be undertaken in the Research Section, 289,000 doses of vaccine were prepared and 39,867 birds were vaccinated. Ten lakhs seventy-one thousand and seventy-five doses of biologicals were prepared.

Indian Council of Agricultural Research and other Schemes.—The Poultry Disease Investigation Scheme, the Scheme for the Investigation of Sheep and Goats, the Scheme for the Control of Mastitis among cows and she-buffaloes, and the Scheme for the Investigation of Diseases among livestock, all being subsidised by Indian Council of Agricultural Research were in progress during the year under report.

Government Grants and Stud Farms at Hessarghatta.—The activities of the farm were confined to—

1. The Grass Farm,
2. The Stud Farm,
3. Dry Cattle Farm,
4. Goat Farm,
5. Sheep Farm
6. Poultry Farm, and
7. Dairy Farm.

The seasonal conditions were far from satisfactory resulting in severe scarcity of fodder to the Farm animals during summer months. The total revenue and expenditure on account of the Grass Farm during the year was Rs. 5,804 and Rs. 79,750, respectively. The expansion of pony breeding section with a foundation stock of 100 mares which was under consideration of the Government was sanctioned during the year under report. The animals of the rem and section, maintained satisfactory condition inspite of irregular supplies of concentrates, and scarcity of grazing during summer months. As against a total demand of Rs. 23,275 in Dry Cattle Farm, on account of boarding fees, a sum of Rs. 20,770 was collected. About 400 layers were maintained on the Poultry Farm during the year under report which produced 50,071 eggs. There were 1,443 birds on the farm at the close of the year. The total receipts and expenditure of the farm during the year was Rs. 28,469-14-4 and Rs. 30,027-7-7, respectively. During the year under report, the total quantity of milk yielded in Dairy Farm from 40 cows—67,772 lbs. and from 44 she-buffaloes—47,830·8 lbs. A sum of Rs. 73,035-12-4 was

spent under various heads including the purchase of cattle and a sum of Rs. 25,215-1-2 was realised as receipts by the sale of milk and of cattle from the farm.

Kunigal Stud Farm.—There were 4 stallions, 10 mares, and 4 young stock, during the year under report and two more mares were added to the farm. The total estimated value of stallions was Rs. 46,296, that of mare was Rs. 71,300 and the young stock Rs. 8,550. The total expenditure of the farm was Rs. 1,00,751-8-5 and the revenue realised was Rs. 80,792-2-9, during the year under report. In general, the working of the Department was satisfactory.

Temporary appointments of Qualified Typists and Stenographers through the Employment Exchange in Bangalore and Mysore.

OFFICIAL MEMORANDUM.

ORDER No. E. 12858-900—R. & P.S. 5-52-4, DATED BANGALORE, THE 7TH JANUARY 1953.

A recommendation has been made to Government by the Employment Advisory Committee connected with the Employment Exchanges in the State, to authorise the Heads of Government Departments to recruit qualified typists and stenographers for immediate employment through the Employment Exchange, if the Public Service Commission are unable to supply the required hands. Under the existing rules of recruitment, the appointing officers may, pending receipts of the approved lists of candidates, their appointment and joining duty, make temporary (interim) arrangements for conduct of urgent work by appointing locally or readily available candidates, strictly adhering to the standing rule that a Backward Community candidate only should be appointed in a 'special' vacancy and that all such appointments made by the Unit Officers by appointing local candidates, should be got approved by the Public Service Commission if the period for which such appointments are made, exceeds three months. The Heads of Departments and other Unit Officers may, subject to the above-mentioned rules of recruitment, appoint temporarily qualified typists and stenographers through the Employment Exchange in Bangalore and Mysore, pending issue of approved lists of typists and stenographers by the Public Service Commission. These temporary candidates may also apply for inclusion in the approved list of the Public Service Commission.

FINANCIAL SECRETARIAT

Issues further rules regarding Review of Measurements recorded in the Measurement Books of the Public Works Department by the Divisional Accountant and Check-measurements by the Public Works Officers.

READ—

Letter No. 373—W.M. G.C., dated the 20th August 1952, from the Accountant-General, Mysore, Bangalore, suggesting for the reasons mentioned, introduction of further rules regarding Review of Measurements recorded in the Measurement Books of the Public Works Department by the Divisional Accountants and Check-measurements by the Public Works Officers.

ORDER No. FL. (B) 12044-6—C.R. 50-52-2, DATED BANGALORE, THE 8TH JANUARY 1953.

The followinng rules, in addition to the rules already in force in respect of Review of Measurements recorded in the Measurement Books by the Divisional Accountants and Check-measurements by the Public Works Officers, are laid down :—

I. Review of Measurements by the Divisional Accountant.

In addition to the audit of measurements relating to final bills on running accounts and first and final bills which are invariably submitted to the Divisional Office for audit and payment, the Divisional Accountant should review not less than 25 per cent of other entries in measurement books on the basis of which payments are made. For this purpose, a register will be kept by the Divisional Accountant, showing the numbers of measurement books with pages in respect of 25 per cent of the bills (excluding final bills) paid during a month. The information should be collected from the paid bills direct before their transmission to the Audit Office.

In the following month, the measurement books referred to should be obtained in the Division Office and the entries reviewed. The arithmetical accuracy of the calculations in 50 per cent of the entries thus reviewed should be checked by the Divisional Accountant personally. The fact of completion of this review should be certified in the register referred to and also indicated in the accounts submitted to the Accountant-General for the following month in the form of certificate.

The payments based on the entries reviewed should be traced into the various accounts and verified. Similarly, supplies or issues of materials should be traced into the materials-at-site accounts, ledger, etc., and verified.

Every page of the measurement book reviewed should be initialled and dated by the Divisional Accountant with the remark "Reviewed" and a corresponding entry made in the register referred to above. The register should also be submitted to the Executive Engineer monthly and his initials taken.

II. Rules governing the Record of Measurements and Check-measurements by Public Works Officers.

(1) As a rule, measurements may be recorded by the subordinates in charge of the works concerned. When measurements are taken by two or more officers jointly the entries should always be recorded and signed by the seniormost officer.

Exception.—Final measurements of works costing more than Rs. 25,000 carried out by contract system should invariably be recorded by an officer not less in rank than a Sub-Engineer or Supervisor.

(2) Measurements of all works and repairs taken by the subordinates in charge should be checked by the Sub-Divisional Officers or the Executive Engineers in the manner defined below :—

(*a*) Sub-Divisional Officers should check-measure, before payment and in proper time, works in respect of the following :—

(i) All final bills on running accounts.
(ii) All first and final bills over Rs. 500.
(iii) Works (included in all kinds of bills over Rs. 25) which will not be susceptible of check-measurement after a certain stage, such as, works in channel, river or tank beds, foundations, etc.

(*b*) As regards (A) cases not pertaining to works of the kind mentioned in item (iii) above, (B) the intermediate bills of running account and (C) first and final bills over Rs. 25 and not over Rs. 500, the Sub-Divisional Officers should check-measure a large proportion of them. If in such cases, it is not possible for the Sub-Divisional Officers to check-measure such bills before payment owing to the pressure of work, then the reasons for not having done the check-measurement before payment should be recorded by him in the remarks column of the measurement books concerned and check-measurement should be done by him at the earliest opportunity after payment has been made.

Exception.—In the case of first and final bill for Rs. 200 or less pertaining to works of the kind mentioned in item (iii) above, if the Sub-Divisional Officer could not check-measure them in proper time owing to the pressure of work, etc., it is sufficient if the Sub-Divisional Officer enters in the measurement book, the reasons why the check-measurement could not be done in time and certifies that he is satisfied after inspection that the work has been done. On such certificates payments may be made.

(3) The Executive Engineers are required to check-measure frequently the works in progress and maintain a register of check-measurements. The number of check-measurements by each Executive Engineer should be not less than two per mensem.

The Executive Engineer should also check-measure final measurements of works costing more than Rs. 25,000 to the extent of 25 per cent of the total value of the work done.

(4) The fact of check-measurement by the Sub-Divisional Officers and Executive Engineers should invariably be noted in the measurement book at the time of check-measurement and the items check-measured should be indicated by the initials of the checking officer, which should be placed on the left side of the column "Particulars" in line with item check-measured.

(5) The Sectional Officers may also carry out check-measurements of works done, but the payments of the bills should be done only as per rules embodied in (2) (*a*) and (2) (*b*) above.

Necessary amendments to the Mysore Public Works Account Code will issue in due course.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Directs that Taluk Treasury Accounts relating to Local Bodies and Muzrai Funds be closed on the 25th of each month; except in March.

READ—

Government Order No. Fl. 2501-4—G.F. 28-51-5, dated the 27th July 1951, directing that th Taluk Treasury Accounts be closed by the 25th of each month except in March as in Part 'A' States

2. Letter No. 72—C.S.A., dated the 29—30th July 1952, from the Controller, State Accounts Department, Bangalore, regarding the consequential changes to be introduced in the accounts procedure of Local Bodies banking with Taluk Treasuries.

3. Correspo dence ending with U.O Note 230/A/T.M., dated the 2nd December 1952, from the Accountant-General, Mysore, Bangalore, on the subject.

ORDER No. FL. (B) 12271-97—L.F.A. 74-52-2, DATED BANGALORE, THE 13TH JANUARY 1953.

At present, the Local Bodies in the State, banking with Taluk Treasuries, close their accounts on the last day of each month, the Treasury Pass Book being also written up accordingly. As the Taluk Treasury Accounts now run from 26th of one month to the 25th of the following month except in March and April 1952, a reconciliation of the monthly closing balance between the books of the Local Body and the Treasury, has been rendered difficult. With a view to remedying this deffect, it is hereby directed that the accounts of the Local Bodies dealing with Taluk Treasuries be also closed on the 25th of each month except in March so as to be in conformity with the treasury arrangements. In March, however, the accounts will be closed on the last day of the month only as in treasuries. Local Bodies having dealings with both Taluk and District Treasuries should in respect of their transactions in Taluk Treasuries follow the above arrangement. The Treasury Pass Books will also be written up accordingly, in future.

The Controller, State Accounts Department, reports that the treasury chalans and vouchers relating to such Funds are not being received in his office regularly and that this has retarded the progress of work in his office. With a view to remedying this, the following instructions are issued :—

The Taluk Treasuries should send to the District Treasury along with their daily sheets, one copy of the subsidiary registers of transactions of each Local Fund with the chalans and vouchers duly stitched thereto. The District Treasury will incorporate such transactions in daily totals only as at present and forward one copy of the District Treasury subsidiary register relating to each fund to the Local Audit Circle concerned on the 5th of the following month duly accompanied by the daily extracts of the Taluk Subsidiary Registers and the supporting chalans and vouchers. Another copy of the District Treasury Subsidiary Register will of course be sent to the Accountant General, along with the Treasury accounts. The schedules (copies of subsidiary registers) in respect of Muzrai Funds will all be sent to the Controller, State Accounts Department, as the audit of the Muzrai Funds is conducted in the Head Office.

The Taluk Treasuries will also send to the District Treasury on or before the 30th of each month, a Plus and Minus Memo (in triplicate) in respect of each Local Fund duly agreeing the figures thereof with those in the Pass Book of the Local Body concerned. From these, the District Treasury will prepare a consolidated Plus and Minus Memo for each Local Fund for the whole District and after agreeing the figures thereof with those in the District Treasury accounts for the month, transmit the same to the Accountant General in duplicate along with the

Treasury accounts. In the Accountant-General's Office, the figures of the Plus and Minus Memo will be agreed with the treasury cash accounts and one copy passed on to the Controller, State Accounts Department.

The above procedure which will be followed in respect of Municipal Funds, District Board Funds, Village Panchayet Funds and the Muzrai Funds will come into force with effect from the 1st January 1953.

Abolishes the Grant of Cash Advances to Contractors in Public Works Divisions except in Special Divisions.

READ—

Letter No. 175, WM. Comp., dated the 17th July 1952, from the Accountant-General in Mysore Bangalore, stating that the system of granting cash advances to Contractors in Public Works Divisions may be reviewed with the conditions prevailing at present and orders communicated on the suggestions made by him in the matter.

ORDER No. FL. (B) 12713-25—C.R. 51-52-2, DATED BANGALORE, THE 19TH JANUARY 1953.

Under the existing rules in the Public Works Account Code (Exception 2 to paragraph 572) cash advances are granted to Contractors in Malnad Divisions subject to a limit of Rs. 400 to each contractor and Rs. 8,000 for each Division. This concession has been subsequently extended to Maidan Divisions and Minor Tank Restoration Ranges also in the orders noted below. The system of granting these advances was introduced in the past on the conditions existing then. The conditions at present do not warrant grant of such advances. It is, therefore, directed that the system of grant of cash advances to Contractors be abolished once for all, except in Special Divisions executing projects of big magnitude in which cases the advances will be accounted for under "R. Loans and Advances by State Government—Misc. Loans and Advances—Advances to Contractors" in the Treasury accounts instead of under the debt head "P. Deposits and Advances—Advances not bearing interest—(iii) Advances Repayable (h) Advances to Contractors" as is being done at present. The personal responsibility for recovery of advances and accounting thereof will, however, rest with the Divisional Officers as at present.

Government Order No. P.W. 1787-88, dated the 25th September 1944.
Government Order No. P.W. 5636-8—Irgn. 129-48-1, dated the 19th January 1949.

Necessary amendments to the Mysore Public Works Account Code will issue separately.

Lays down Rules relating to Payments to Courts of amounts recovered from Contractors in the Public Works Department under a Prohibitory Order of a Court.

READ—

Letter No. 421—W.M.G.C., dated the 19th September 1952, from the Accountant-General, Mysore, Bangalore, requesting in the circumstances explained; to frame definite rules prescribing the procedure to be followed in respect of payments to Courts of amounts recovered from Contractors in the Public Works Department under a Prohibitory Order of a Court.

ORDER No. FL. (B) 12784-7—C.R. 52-52-2, DATED BANGALORE, THE 21ST JANUARY 1953.

At present, there are no definite rules governing payments to Courts of amounts recovered from Contractors in the Public Works Department under a

Prohibitory Order of a Court. According to the existing procedure, the amounts withheld from contractors' bills by the Divisional Officers under a Prohibitory Order of a Court are initially taken to, "P.W. Deposits" and treated as Refunds of Deposits when they are subsequently remitted to Courts. But in practice, there appears to be some difficulty experienced by some Divisional Officers in obtaining acknowledgments from Courts on the Deposit Refund Bills for the amounts remitted. To obviate the difficulties, the following rules are laid down for the guidance of the Public Works Divisional Officers and Judicial Officers :—

"When money due to a contractor or other creditor is attached by a Prohibitory Order of a Court and is afterwards paid into that Court, the receipt (to be prepared by the Public Works Deparement) signed by the Court, should show that the payment is on account of an attached debt and should set forth, *inter alia*, the name and capacity of the actual creditor to whom the money is due by the department, on what account it is due and the number and date of the Court's Order in accordance with which the payment is made. This receipt should be attached to the contract certificate or other bill in which the particulars of the creditor's claims are recorded and should be enfaced in red ink by a reference to that bill, the bill being correspondingly enfaced by a reference to the attached receipt of the Court."

Necessary amendments will be issued to the Mysore Public Works Account Code, in due course.

IMPORTANT GOVERNMENT ORDERS

LOCAL SELF-GOVERNMENT SECRETARIAT

Issues orders regarding the assistance of Officers, etc., of other Departments in the Conduct of Election to the Mysore City Municipal Council.

ORDER No. L. 18241-340—C.M. 28-52-2, DATED BANGALORE, THE 23RD JANUARY 1953.

The elections for the reconstitution of the Mysore City Municipal Council will be held on 24th March 1953. As the municipal area is divided into 40 Single-member Constituencies, a large number of officers and officials are required for being appointed as Polling Officers or Polling Clerks to assist the Returning Officer (Municipal Commissioner, Mysore City) in the conduct of elections. The Heads of Departments are therefore requested to authorise the Heads of Offices and Institutions in Mysore City, to place at the disposal of the Municipal Commissioner, Mysore City Municipality—Returning Officer—the services of their subordinate officers and officials as may be selected for attending the election work on the day of election.

2. The services of Officers of the Palace, the Medical, Veterinary, Police and Electrical Departments will not, however, be available for the election work.

3. The school buildings and other public buildings, if any, required in the Municipal area for polling booths, etc., may also be made available therefor one day prior to the date of election to facilitate the necessary arrangements being made therein for the smooth and efficient conduct of elections.

EDUCATION SECRETARIAT

Reviews the Administration Report of Sericulture Department for 1951-52.

READ—

Letter No. Tech. C. 439—52-53, dated the 22nd August 1952, from the Director of Sericulture, forwarding the Administration Report of the Department of Sericulture for the year 1951-52.

ORDER NO. S.R. 5500-76—SERI. 141-52-2, DATED BANGALORE, THE 31ST DECEMBER 1952.

Recorded.

2. *Area under mulberry in the State.*—The total area under mulberry cultivation at the end of the year was about 1·05 lakhs acres against 90,500 acres during 1950-51. The extent of Government mulberry gardens was 58 acres. Preliminary work for planting mulberry was commenced in the area comprising 56 acres of land at Guduvanahalli, Devanahalli Taluk, set apart for establishing a seed cocoon farm.

In spite of the unfavourable seasonal conditions, the output of mulberry from the Government Gardens was fairly satisfactory.

3. *Silk-worm rearing in Government Farms.*—The output of basic seed cocoons of foreign races during the year was 21·68 lakhs against 23·48 lakhs in 1950-51. The two hill stations at K.R. Hills and B.R. Hills produced 1·53 lakhs of superior quality foreign race seed cocoons against 1·28 lakhs in 1950-51. The average seed cocoons per 100 D.F. layings was 18,500 as against 18,000 in 1950-51. The harvest of seed cocoons was slightly below that of the previous year due to low humidity during a greater part of the year.

4. *Seed supply.*—The total number of D.F. layings prepared and distributed free of cost to seed rearers was 25·10 lakhs as against 23·62 lakhs in 1950-51. There were 4,380 seed rearers against 3,892 in 1950-51. The total output of Mysore seed cocoons was 53·10 crores as against 46 crores in 1950-51; 26·88 crores of seed cocoons were utilised for seed against 23·62 crores in 1950-51 by Government and aided grainages and seed vendors. The Sericultural Department of Madras purchased a large quantity of seed cocoons.

Foreign-race D.F. layings to the extent of 4·06 lakhs were distributed free among 560 seed rearers as against 5·08 lakhs during 1950-51. The aggregate output of seed cocoons was 5·67 crores against 6·80 crores in 1950-51. Due to high temperature and low humidity, the average production per 100 layings during the year was 12,500 as against 15,000 in 1950-51. The two hill stations on B.R. Hills and K.R. Hills prepared 30,187 revitalised foreign race D.F. layings as against 25,300 in 1950-51.

The 22 Government and 135 aided grainages prepared and distributed 269·13 lakhs D.F. layings as against 211·06 lakhs in 1950-51. Against a total demand of 6 crores of layings 2·69 lakhs disease-free layings were made available, the supply being 45 per cent of the demand as against 35 per cent in 1950-51.

Following the fall in the cocoon price, the sale price of D.F. layings was reduced in June 1951 from Rs. 6 to Rs. 5 and Rs. 3 to Rs. 2-8-0 per 100 cross breed and Mysore race disease-free layings, respectively.

5. *Sericultural Education.*—Out of 16 students selected for training in mulberry cultivation, silk-worm rearing and grainage technique, 11 students completed the training and 5 continued under training at the end of the year. Of these 16 students, five were scholars deputed by the Government of Madhya Bharat, Uttar Pradesh, Assam and Ceylon who were also trained in Reeling Technique.

6. *Assistance to Sericulturists.*—One hundred cart loads of green mulberry cuttings, 2,200 saplings, 1,500 each of seedlings and grafts were supplied from the Government Farms free of cost to sericulturists. About 2¼ tons of cake-powder-manure on stock in the Farms were sold to sericulturists at controlled prices as against 80 tons during 1950-51 and though the demand from sericulturists for this manure was on the increase, supplies could not be made at controlled rates as this concession was to be given only to growers of food crops.

7. *Propaganda.*—The staff attached to 61 propaganda outposts at important sericultural centres in the State endeavoured to teach and demonstrate improved scientific methods in mulberry cultivation, silk-worm rearing and silk reeling. They collected essential sericultural statistics, ascertained the needs of the sericulturists in respect of disease-free layings and mulberry cuttings and arranged supply. They also supervised and guided the work of the aided grainages. The advantage of the improved cottage reeling unit was exhibited at Ramanagaram, Sidlaghatta and Mamballi.

8. *Silk Reeling.*—The aggregate production of filature raw silk for the year was 86,500 lbs. as against 63,929 lbs. during 1950-51. The over-all production of silk reeled in filatures and charakas was about 13·30 lakhs lbs. against 16 lakhs in 1950-51, the reduction being due to decrease in cocoon production.

9. *Sericultural Co-operation.*—There were five Sericultural Co-operative Societies at (1) Sidlaghatta, (2) Mellur, Sidlaghatta Taluk, (3) Mugur, T.-Narasipur Taluk, (4) Ummathur, Chamarajanagar Taluk and (5) Ganal, Ramanagaram Taluk, as against three during 1950-51, the last two being new. Aided grainages attached to these societies worked satisfactorily and prepared 2·52 lakhs D.F. layings. The services of a Sericultural Inspector continued to be made available to the society at Ganal, Ramanagaram Taluk, for organising and supervising technical work. The Mysore Handloom Weavers' Co-operative Society continued to assist weavers by purchase and sale of silk to members. Chandrikes were stocked and hired to sericulturists in two Multi-purpose Co-operative Societies in T.-Narasipur and Kunigal Taluks.

10. *Cocoon Markets.*—Out of the three voluntary cocoon markets at Ramanagaram (Channapatna Taluk), Melur (Sidlaghatta Taluk) and Santhemarahalli (Chamarajanagar Taluk) financed by the Central Silk Board, the Ramanagaram market transacted 40,257 lbs. of cocoons as against 9,325 lbs. in 1950-51. The other two markets did not avail of the facilities and were closed in August 1951.

11. *Research.*—Experiments on improving the Mysore multi-voltine races and the races imported before 1930 were conducted during the year in the Research Institute at Channapatna. Experiments on silk-worm nutrition were continued at the Indian Institute of Science, Bangalore.

12. *General.*—A continuous and steep fall occurred in 1951-52 in the prices of cocoons and silk mainly as a result of the tightening of credit facilities and lowering of the purchasing power. The price of filature silk moved round about Rs. 28 per lb. The departmental staff and officers attended the monthly meetings of the District and Taluk Development Committees. Loans to the extent of Rs. 3,250 were sanctioned to Sericulturists. At Government Silk Filatures, Kanakapura, 27,612 lbs. of raw silk and 1,600 lbs. of dupion were reeled as against 27,696 lbs. in 1950-51. Average renditta obtained was 16·9 as against 17·4 in 1950-51; and 145 silk and 135 cocoon samples were tested at Silk Conditioning and Testing House. An outpost was opened to render technical assistance to the Sericulturists in Manchenahalli Hobli, Goribidnur Taluk and Chandur, Gudibanda Taluk. About 121,135 lbs. of raw silk were imported from Japan for sale to Handloom Weavers at the instance of the Mysore Provincial Silk Handloom Weavers' Co-operative Society. A meeting of the Silk Advisory Committee held on 10th May 1951 discussed about 20 subjects of importance. The department participated in the Dasara Exhibition in Mysore and the Industrial and Fine Arts Exhibition held at Bangalore. The representatives of the Department attended the meeting of the Tariff Commission held in Bombay. A Seminar on Silk Industry was organised with the co-operation of all the silk interests at Nandi Hills in June 1951.

The conditions which prevailed during the year under report were not favourable for the Indian Filature Industry. The Government of India were requested to take definite measures for stabilising the prices of raw silk.

The total expenditure of the Department during the year was Rs. 5·17 lakhs against Rs. 4·82 lakhs in 1950-51. Remittances under "Sericulture Receipts" was Rs. 2·02 lakhs against Rs. 2·34 lakhs in 1950-51. Inclusive of the sale proceeds due from Messrs. Mysore Spun Silk Mills to the extent of Rs. 23,161-4-6, the sericulture receipts amounted to Rs. 2·25 lakhs. The Silk-worm Seed (Control of Distribution)

Bill, 1952, was introduced in the Legislative Assembly in July 1952 and passed. Sri K. Shamsuddin Khan continued to be the Director of Sericulture during the year under review.

The work of the Department was satisfactory.

ANNEXURE.

ANNUAL REPORT ON THE ADMINISTRATION OF THE WORKMEN'S COMPENSATION ACT FOR THE YEAR 1951-52 (FROM 1ST APRIL 1951 TO 31ST MARCH 1952).

The Government in their Notification No. L.S. 4370-80—L.W. 214-50-8, dated 5th February 1952, have appointed the Commissioner of Labour in Mysore as the Commissioner for Workmen's Compensation with jurisdiction over the whole of the State of Mysore and the Deputy Commissioners of Districts to be Commissioners for Workmen's Compensation with jurisdiction over the respective Districts.

Proceedings under this Act during the year are as follows :—

There were 108 cases pending disposal in the Courts of the Commissioners for Workmen's Compensation at the beginning of the year under report. During the year 1951-52, the number of cases filed were 422 of which 86 related to fatal accidents, 242 to non-fatal and 94 to memorandum of agreements as against 408 cases in the previous year (86 fatal, 88 non-fatal and 234 memorandum of agreements). The total number of cases for disposal during the year were 530 including the cases pending at the commencement of the year (fatal 129, non-fatal 307 and memorandum of agreements 94) of which 479 cases were disposed of (fatal 92, non-fatal 293 and memorandum of agreements 94).

Particulars of the cases filed, disposed of and pending during the year under review are furnished in Statement No. I.

Distribution of proceedings.—A sum of Rs. 89,215-1-9 was pending distribution at the commencement of the year 1951-52 and the sum deposited in the Courts of the Commissioners for Workmen's Compensation during the year amounted to Rs. 1,59,384-5-6 which totalled the amount for distribution during the year to

Rs. 2,48,599-7-3. The total amount distributed during the year was Rs. 1,37,338-8-0, the amount returned was Rs. 2,252-11-6 and thereby leaving a balance of Rs. 1,09,008-3-9 pending distribution at the end of the year. The figures in Statement II refer only to deposit made in the Courts of Commissioners for Workmen's Compensation. In all memorandum of agreements and non-fatal cases where deposits in Courts are not compulsory, the injured persons are paid directly by the employers.

Particulars of compensation, money deposited in the Courts of the Commissioners for Workmen's Compensation, sums distributed in fatal and non-fatal cases and the amount pending at the end of the year are furnished in Statement II.

COURT FEES.

The Court fees collected during the year in respect of proceedings in Courts amounted to Rs. 304-12-0 as against Rs. 216-11-0 in the previous year.

Compensation money invested in Savings Bank.—A sum of Rs. 47,321-12-1 was in deposit in Savings Bank at the beginning of the year and a sum of Rs. 25,735-4-9 was invested in the Savings Bank during the year, thus bringing the total amount of deposit to Rs. 73,057-0-10. The amount drawn and distributed to parties was Rs. 25,248-1-7 only leaving a balance of Rs. 47,808-15-3 in deposit at the end of the year.

Annual Return under Section 15 of the Workmen's Compensation Act is also sent herewith separately.

ANNUAL RETURN UNDER THE WORKMEN'S COMPENSATION ACT FOR THE YEAR 1951-52 (FROM 1ST APRIL 1951 TO 31ST MARCH 1952).

During the year under report, there were in all 3,880 cases of injuries by accident and industrial diseases as against 3,466 cases during the previous year, in respect of which compensation was paid under the Workmen's Compensation Act by the employers. Of these, the Kolar Gold Mining Companies exclusively have recorded as usual, the largest number of cases, *viz.*, 3,560 as against 3,347 in the previous year.

A sum amounting to Rs. 3,84,932-5-0 was paid as compensation under the Workmen's Compensation Act as against Rs. 3,32,773-4-0 in the previous year. The Gold Mining Companies have shared a good amount of the burden to the extent of Rs. 3,54,588-13-0 as against Rs. 3,22,226-2-0; Industrial concerns in Bangalore District, Rs. 11,676-14-0; Shimoga District, Rs. 7,800; Mysore District, Rs. 4,942-13-0 and the remaining Districts Rs. 5,923-13-0.

Details relating to the accidents and amount of compensation paid by the employers in the various Districts are furnished in Statement No. I appended hereto.

Out of the total number of 3,880 cases of accidents including industrial diseases registered during the year, compensation paid to the survivors of the deceased in 82 cases amounted to Rs. 1,36,037-4-6 as against Rs. 94,559-5-8 in 49 cases in the previous year.

The total number of permanent disablement cases were 119 as against 166 in the previous year. Out of these 81 belonged to the silicosis category, which numbered 128 in the previous year. Compensation paid to permanent disablement cases amounted to Rs. 1,63,956-11-6 as against Rs. 1,71,484-2-0 in the previous year. Of this, silicosis cases alone were compensated to the extent of Rs. 1,34,624 as compared to Rs. 1,42,058 in the previous year.

The total number of accidents resulting in temporary disablement was 3,678 as against 3,221 during the previous year involving a payment of Rs. 84,893-5-0 in respect of 3,411 cases as against Rs. 66,729-12-4 for 3,148 cases in the previous year.

The average amount of compensation paid during the year in respect of each fatal accident was Rs. 1,659, permanent disablement was Rs. 1,377·8 and temporary disablement was Rs. 23·1; the corresponding figures for the previous year being Rs. 1,929·8, Rs. 1,052·0 and Rs. 21·2, respectively, the particulars of which are furnished in Statement No. II appended hereto.

IMPORTANT GOVERNMENT ORDERS

LOCAL SELF-GOVERNMENT SECRETARIAT

Reviews the Administration Report of the Town Municipalities in the State for the year 1951-52.

READ—

Letter No. RD. R. 4C. 617-187—52-53, dated the 22nd December 1952, from the Commissioner for Local Self-Government, forwarding the Administration Report of the Town Municipalities in the State for the year 1951-52.

ORDER No. L. 18016-132—ML. 120-52-7, DATED BANGALORE, THE 21ST JANUARY 1953.

Recorded.

2. The report was not submitted in time and was received only after repeated reminders were issued. It is stated that the delay was in submission of the reports from the Presidents of Municipal Councils. The Deputy Commissioners of Districts are requested to make efficient arrangements for the proper compilation and punctual submission of reports, reviews and other statistics to the Commissioner for Local Self-Government. The Commissioner for Local Self-Government is requested to make prompt arrangements to get the reports in time and for submission to Government before the due dates.

3. At the end of the year there were 105 Town Municipalities in the State. The Mysore Town Municipalities Act, 1951, came into force from 6th July 1951. Elections were held in all the Municipalities during March 1952, on the basis of Adult Franchise under the new Act.

4. The total number of members of the several Municipalities in all the Districts at the end of the year was 1,772, out of whom 1,280 were elected, 294 nominated and 198 official members. The total number of meetings held by all the Municipal Councils during the year was 1,872.

5. Only Bye-laws in respect of Hotels, Octroi and Tolls framed by the Sidlaghatta Town Municipality were sanctioned during the year.

6. The year opened with a balance of Rs. 24,46,210, in all the Municipalities. The income and expenditure amounted to Rs. 98,15,172 and Rs. 79,10,610, respectively, the closing balance being Rs. 19,04,562. The financial position of several Municipalities was unsatisfactory and attempts should be made to augment the financial resources of the Municipalities. The incidence of taxation per head of population in the State was Rs. 3-3-10 and it ranged from Rs. 10-5-0 in Koppa Municipality to Re. 0-6-10 in Ramasamudra Municipality.

7. Out of the total demand of Rs. 53,66,042 in all the Municipalities including arrears under assessed taxes, a sum of Rs. 38,24,093 was collected during the year, leaving a balance of Rs. 15,19,949 to be collected. The collections were far from satisfactory in all the Districts except Tumkur and Chitaldrug Districts. Arrears were very heavy in Mysore District. Prompt and energetic action should be taken for the recovery of the arrears.

8. A sum of Rs. 4,43,720 was sanctioned as Water supply Grants and the entire allotment of five lakhs in the State Budget was sanctioned as Town Improvement Grants to various Municipalities in the State as noted below.

9. During the year, a sum of Rs. 21,93,264 was incurred by the Town Municipalities in the State in respect of Water Supply Improvement, Drainage Schemes, etc.

10. Accounts of some of the Municipalities were audited during the year. There was a case of embezzlement of Municipal Funds in Kadur Town Municipality. The matter is under investigation. The records of the Kanakapura Town Municipal Office are said to have been destroyed by accidental fire and this is also under investigation.

11. The working of the Municipalities during the year was fairly satisfactory. But there is a growing tendency to look to Government for grants for every small improvement work. This is not a healthy sign. Government hope that the Municipalities which are self-governing institutions also become self-supporting. They have to carefully examine all possible source of increasing their income, practise economy, and discharge their obligatory duties efficiently and satisfactorily. The Commissioner for Local Self-Government and the Deputy Commissioners of Districts are requested to keep continuous contact with the Municipalities by frequent inspection and assist them to maintain a high pitch of efficiency in the field of local administration.

G. V. K. RAO,
Secretary to Government,
Local Self-Government Department.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Transfer of Work relating to the Civil Supplies Department from the Director of Agriculture to the charge of the Director of Food Supplies.

READ—

Government Order No. 3621-81—C.B. 162-43-1, dated 6th April 1944, sanctioning the appointment of the Controller of Civil Supplies with the rank and status of a Deputy Commissioner for the administration and enforcement of control orders.

Government Order No. 2005-2104—C.B. 67-49-1, dated 10th September 1949, abolishing the separate post of the Controller of Civil Supplies and entrusting the Commissioner for Food Production with the duties of the Controller of Civil Supplies has been discharging.

Notification No. Ch. S. 8990—G.E. 17-51-15, dated 21st November 1951, appointing Sri M. K. Appajappa, Deputy Commissioner, doing duty as Commissioner for Food Production and *Ex-Officio* Controller of Civil Supplies, additionally as Acting Director of Agriculture in Mysore during the period of leave of Sri K. H. Srinivasan, Director of Agriculture in Mysore, or until further orders.

ORDER No. CH.S. 15736-39—G.E. 234-52-1, DATED BANGALORE, THE 3RD FEBRUARY 1953.

Till 10th September 1949, a whole-time officer of the grade of a Deputy Commissioner was in charge of the Department of Civil Supplies. In Government Order No. 2005-2104—C.B. 67-49-1, dated 10th September 1949, the separate post of the Controller of Civil Supplies was abolished and the work relating to the Department of Civil Supplies was entrusted to the Commissioner for Food Production. Later, the Commissioner for Food Production and *Ex-Officio* Controller of Civil Supplies was appointed additionally as Acting Director of Agriculture.

Thus, at present, a single officer is in charge of the following three appointments :—

(1) Commissioner for Food Production.
(2) Director of Agriculture.
(3) Controller of Civil Supplies.

This combined charge is too heavy for one officer and does not conduce to efficient administration. It is also considered that there is no homogeneity in the charges combined as above.

Sanction is therefore accorded for the transfer of the work relating to the Civil Supplies Department from the Director of Agriculture to the charge of the Director of Food Supplies.

Orders notifying the appointment of Director of Food Supplies as Controller of Civil Supplies are issued separately.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

Orders the fixation of Maximum Age limit in the case of Scheduled Castes and Scheduled Tribes as Thirty Years.

READ—

G.O. No. 6-105—C.R.B. 1-34-1, dated 3rd July 1934, fixing among other things, the maximum age limit for purposes of entry into service as 28 years in the case of candidates belonging to Backward Communities among whom are also included candidates belonging to Scheduled Castes and Scheduled Tribes.

2. Notification No. E. 6352—R. & P.S. 3-52-4, dated 7th August 1952, publishing the Resolution of the Government of India, received with their letter No. 42/19/51-N.G.S., dated 25th June 1952, in the matter of relaxing the maximum age limit to candidates belonging to Scheduled Castes and Scheduled Tribes for entry into non-Gazetted service.

3. Correspondence ending with letter No. 7003—52-3—P.S.C. 42-52-1, dated 22nd November 1952, from the Secretary, Public Service Commission, Bangalore, stating that since the Government of India have raised the maximum age limit for appointment to service to 30 years in the case of Scheduled Castes and Scheduled Tribes, the Public Service Commission are of opinion that the maximum age limit in the case of these communities for purposes of recruitment to State Services may be fixed as thirty years.

ORDER No. E. 13654-80—R. & P.S. 3-52-37, DATED BANGALORE, THE 22ND JANUARY 1953.

The proposal of the Public Service Commission is sanctioned.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

FINANCIAL SECRETARIAT

Directs that the Character Books of Government Officials should be treated as part of the personal file of the Government Official and should not be returned to him in any case.

OFFICIAL MEMORANDUM.

No. O.M. Fl. (B) 13249-349—C.R. 53-52-1, DATED BANGALORE, THE 9TH FEBRUARY 1953.

Subject:—Return of Character Books of officials to them after they retire from service.

A doubt has been expressed as to whether the character books of officials ma be returned to them on their retirement either voluntarily or at their request.

For the information of all concerned, it is hereby laid down that the character book which should be treated as a document forming part of a Government Servant's personal file should not be returned to him on his retirement either voluntarily or at his request.

7. The Secretary to Government, Finance Department, Bangalore.
8. The Commissioner of Sales-tax in Mysore, Bangalore.

Secretary.

The Assistant Secretary to Government in the Finance Department would be the Secretary to the Committee.

Terms of reference to the Committee.

(1) The Committee is requested to examine the working of the Sales-tax Act, and suggest remedies for defects, drawbacks and hardships, if any.

(2) The Committee is further requested to suggest alternative sources of income (except the abolition of prohibition which is a matter of high policy) which may facilitate the repealing of the present Sales-tax Act.

M. SHAMANNA,
Secretary to Government,
Finance Department.

REVENUE AND HOME SECRETARIAT

Re : **Levy of in-patient fees, out-patient fees, fees for Pathological examinations, fees for anti-rabic treatment, X-ray charges, fees for operations, fees for ophthalmic operations, etc., in the several hospitals in the State.**

READ—

(1) Government Order No. M. 17693-4—Med. 68-52-3, dated 24th November 1952, revising in-patient fees, out-patient fees, fees for pathological examinations, fees for anti-rabic treatment, X-ray charges, fees for operations, fees for ophthalmic operations, etc., in the several hospitals in the State.

(2) Government Order No. M. 19364-5—Med. 68-52-5, dated 17th December 1952, introducing self-dieting in the Special Wards of all the hospitals, including Ayurvedic and Unani Hospitals in the State.

ORDER NO. M. 24445-48—MED. 68-52-8, BANGALORE DATED THE 27TH FEBRUARY—3RD MARCH 1953.

The question of revising the levy of fees in case of treatment of patients in Government Hospitals and Laboratories attached to Government Hospitals has been under the consideration of Government for some time. Prior to Government Order No. M. 17693-4—Med. 68-52-3, dated Bangalore, 24th November 1952, the charges were not uniform and varied widely. In case of hospitals like Victoria Hospital and Bowring Hospital, Bangalore, out-patients whose income was Rs. 50 and below per mensem irrespective of their poverty were obliged to pay Re. 0-1-0 per day and out-patients whose income was between Rs. 50 and 100 per mensem had to pay Re. 0-2-0 per day and those whose income was above Rs. 100 per mensem had to pay Re. 0-4-0 per day. But the out-patients attending other Government Hospitals and well equipped local fund dispensaries as in Municipal Towns, were not required to pay any fee. Thus a distinction was made between out-patients attending certain major hospitals in the Cities and hospitals and dispensaries elsewhere. Similarly, while maternity charges were being levied in Lady Curzon Hospital in the former Civil Station, Bangalore, no such charges were being levied in other hospitals. As per old rules, distinction in the levy of fees was also made in the case of Mysoreans and Non-Mysoreans which is not warranted now. The standing orders in the matter of levy of fees, prior to 24th November 1952 were old and out of date. Categorically stated as per old orders, in almost all cases patients whose income was Rs. 50 and above per mensem had to pay fees and in some cases even patients whose income was below Rs. 50 had to pay fees.

Having regard for the present economic situation, in the Government Order of 24th November 1952 referred to above, certain general principles were laid down to secure uniformity. Broadly stated the principles are that in case of out- and in-patients who are poor, no fee will be charged, in case of those of the in-patients or their guardians with an income of more than Rs. 100 and less than Rs. 300 per mensem and concessional charges will be levied. In case of special hospitals like the T.B. hospital and Mental hospital where patients have to stay for months and even years, a concessional rate of levy was considered to be appropriate. But in order to prevent abuses and attempts to escape payment of appropriate charges, patients who occupied special wards were obliged to pay operation and other charges according to the prescribed scale. Further, as there were complaints of misuse of the concessions regarding issue of diet and as the special ward charges were, even after revision, less than ward charges in many similar hospitals outside the State, it was ordered that a system of self-diet should be introduced and that the patients occupying special wards must pay for the diets they ask for.

Thus it will be seen that the revision effected as per Government Order of 24th November 1952 referred to sought to prescribe uniform procedure in the matter of levy of hospital charges and exempted from the levy, persons who, under the present circumstances, were considered to be deserving of free treatment or treatment at concessional rate. Thus the charges were regularised so as to be in favour of persons getting lower income.

However, representations and suggestions have been made to Government not only for a second revision of charges prescribed as per Government Order of 24th November 1952 but also to restore *status quo* that prevailed before the issue of the order in question. Government, in response to the suggestions and representations made, have considered carefully the matter and have consulted the Director of Medical Services, Senior Medical Officers in the Department and Senior Medical Officers and Senior Surgeons of the Medical Department who have now retired and taken note of suggestions made by the leaders of various political parties. Broadly stated, the suggestions made are as follows :—

(1) To restore the *status quo* that existed prior to issue of the order in question ;

(2) To waive the recovery of out-patients fees in case of patients attending District Hospitals and Local Fund Dispensaries in Municipal Towns ;

(3) To reduce the ward charges in case of special and paying wards ;

(4) To reduce the scale of fees for Pathological and X-Ray examinations by 25 per cent to 50 per cent ;

(5) To reduce the operation charges and other charges similarly ;
(6) To abolish self-dieting and to introduce a basic diet and frame such rules so as to prevent improper use of the concessions given in the matter of diet ;
(7) To levy Pathological, X-Ray and other charges according to income, even in case of those who occupy special wards ;
(8) To abolish recovery of admission fees of Re. 1 in case of those seeking admissions to wards in Local Fund Dispensaries and Government Dispensaries in the mofussil where in-patient wards are provided.

Regarding proposal to restore *status quo ante*, Government wish to point out that such restoration of *status quo* will not be to the benefit of the poor as even those who get Rs. 50 and below per month will be liable to pay fees if they are residing in cities particularly. It is also not correct that there should be discrimination in the levy of charges and particularly in the levy of out-patient fees between hospital and hospital. So, it stands to reason that as far as possible some sort of uniformity in the levy of fees for Medical treatment should be adopted. The alternatives are either levy of fee in all case of out-patients or its abolition in all cases. Having considered all aspects, the Government are pleased to direct that no fee need be charged for treatment in case of all out-patients attending any Government or Local Fund Hospital or Dispensary in the State.

As regards admission fee of Re. 1 to be charged in case of patients seeking admissions to wards of the Local Fund and Government Dispensaries in the mofussil where in-patient wards are provided, it has been represented that in most cases the facilities provided in such in-patient wards are very meagre and that no admission fee may be levied for the present. Government are pleased to accept the suggestion and direct that the admission fee ordered in Government Order referred to, be abolished.

The Government are pleased to prescribe the following general principle in the matter of levy and collection of charges for treatment in hospitals and dispensaries :—

No fee of any kind will be levied in cases of :

(1) Accidents ;
(2) Medicolegal cases sent by the Police ;
(3) In case of all patients or their guardians whose income per month to the best knowledge of the Medical Officers in-charge of the Hospital is less than Rs. 100 per month. This concession is further liberalised in the following cases and is also subject to following limitations :—

(*a*) Persons who are treated free will be entitled for admission to only general wards.
(*b*) No fee will be charged in case of patients or their guardians whose income is below Rs. 200 per month in case of X-Ray and Electrotherapy treatments provided they are not patients in special wards.
(*c*) No fee will be charged in case of patients or their guardians whose income is below Rs. 200 per month in case of operations provided they are not patients in special wards.
(*d*) In case of Electrocardiogram examination, no fee will be charged in case of patients or their guardians whose income is below Rs. 200 per month.

Concessional rates of fee at the following rates will be levied in the following cases :—

(i) In case of in-patients or their guardians in special wards, only half the charges prescribed for Pathological or X-Ray examination or for treatment on the Pathological or X-Ray side will be levied ;
(ii) For Pathological examinations, only half charges will be levied in case of out-patients and paying ward patients or general ward patients if their income or the income of their guardians is between Rs. 100 and Rs. 500 per month.
(iii) In case of children under 12 years of age where charges are leviable from the guardians of such children, only half the prescribed charge will be levied.
(iv) All diabetic patients receiving insulin injection in the hospitals will have to pay a fee only for the first examination and no fee shall be charged for subsequent examinations. This concession applies only to persons whose income is below Rs. 500 per mensem.
(v) X-Ray and Therapy charges will be reduced to half the prescribed rate in case of patients or their guardians who get an income of Rs. 200 to 300 per month provided the patient is either an out-patient or general ward patient or a patient of Rs. 2-8-0 paying ward.
(vi) Only half the prescribed operation charges will be levied in case of persons whose income is between Rs. 200 and 300 provided they occupy only general ward or paying ward and not special wards.

(vii) In case of Refraction and Sight Testing the following concession rates will be charged :—

In case of patients or their guardians—

		Rs.
(i) where the income is Rs. 100 to 250 per mensem	...	2
(ii) where the income is Rs. 250 to 500 per mensem	...	5
(iii) where the income is above Rs. 500 per mensem	...	10

Concessional charges for Electrocardiogram are as follows :—

When the income of patient or the guardian is Rs. 200 and below per mensen	Free
When the income of patient or the guardian is between Rs. 200 to 300 per mensem	Rs. 5
When the income is above Rs. 300 per mensem ...	Rs. 10

Note.—(1) As regards the proposal to reduce ward charges, Government have carefully considered the matter and the ward charges are revised as in the Annexure to the Order.

(2) Government have, in case of T.B. and Mental Hospitals, reduced substantially the ward charges. Government further direct that the Government Order No. M. 19364-5—Med. 68-52-5, dated 17th December 1952, prescribing self-dieting be withdrawn and that a basic scale of diet to be prescribed for adoption for all in-patients without any extra charge. Director of Medical Services is requested to propose a basic scale of diet immediately.

(3) As regards the proposal to reduce charge for X-Ray, Pathological Examination, Operation, etc., suitable modifications based on the recommendations of the Director of Medical Services are sanctioned and included in the Annexure to this Order.

(4) Charges in detail payable for special wards, paying wards, general wards, maternity charges, rest houses, Pathological examinations, X-Ray examination and Therapy, Anti-rabic treatment, Radium therapy, operations, miscellaneous examinations and treatment as in the Annexure to the Government Order are approved.

(5) Government Order No. M. 17693-4—Med. 68-52-3, dated 24th November 1952, is superseded and the charges as in the Annexure to this order will be given effect to immediately.

By Order and in the name of the Rajpramukh,

G. N. NAGARAJA RAO,
Secretary to Government,
Revenue and Home Departments.

Letter No. L. 12390-401—Ml. 145-52-6, dated 7th November 1952, directing the Deputy Commissioners of Districts to forward specific resolutions of the Municipal Council concerned, if the Municipal Councils are agreeable to take loan for the improvement of water supply in Municipalities in the State.

3. Letter No. L. 13971-14087—Ml. 145-52-7, dated 25th November 1952, directing the Municipal Councils to earmark the income from water-tax for the repayment of loan.

4. Government Order No. L. 16362-453—Ml. 145-52-20, dated 26th December 1952, sanctioning loans for the improvement of water supply schemes in several municipalities in the State, subject to certain conditions.

ORDER NO. L. 19402-16—ML. 145-52-55, DATED BANGALORE, THE 9TH FEBRUARY 1953.

There is urgent need to improve the water supply of the various Municipalities in the State. Government have decided to aid the Municipal Councils who are too poor to execute these schemes themselves by sanctioning loans to them. Accordingly an additional sum of Rs. 50 lakhs was provided in the State Budget under "Advances and Loans" in the supplementary Budget Estimates for the year 1952-53. Out of 105 Town Municipalities in the State, Government in their Order No. L. 16362-453—Ml. 145-52-20, dated 26th December 1952, sanctioned loans to the extent of Rs. 45,31,108 for the schemes of 67 Town Municipalities which had sent up proposals. As regards the other Municipal Councils a few have declined to take up the schemes by obtaining loans and others have not sent up any proposals. Proposals in respect of 12 Municipalities agreeing to take loans have been since received. It is proposed to distribute the balance of the loan, *i.e.*, Rs. 4,68,892 amongst these twelve Municipalities on the same principle as specified in para 3 of the Government Order read above.

2. After a careful examination of the proposals Government are pleased to order the further distribution of the balance of the loan, as per statement appended, subject to the following terms, *viz.*—

1. That the loan is repayable within a maximum period of fifteen years;
2. That interest is payable at 5 (five) per cent per annum on the loan amount;
3. That provision should be made in the budgets of the Municipalities for the repayment of the loan which will be a first charge on the Municipality.

3. The balance of the loan in respect of each Municipality will be sanctioned in the coming years as and when the work progresses.

4. The Accountant-General is requested to follow the procedure laid down in para 5 of the Government Order dated 26th December 1952, read above, for making available the loan amount sanctioned to the Municipal Councils.

5. The Chief Engineer is requested to execute schemes in respect of these Municipalities also as directed in paras 6, 7, 8 and 9 of the above Government Order.

6. The Commissioner for Local Self-Government and the Deputy Commissioners of Districts are requested to see that the loans are drawn in time by the Municipal Councils and placed at the disposal of the Public Works Department immediately and to take such action as is necessary for completing the work very early. They are also requested to instruct the Municipal Councils to take the advantage of the facility offered to them to push through these water supply schemes without any delay.

Secretary to Government,
Local Self-Government and Planning Departments.

Issues directions regarding the Expenditure and Maintenance of Closing Balance by the Town Municipal Councils in the State.

CIRCULAR.

No. L. 19436-45—Ml. 4-52-71, dated Bangalore, the 10th February 1953.

There is a great tendency on the part of the Municipal Councils to be charitable in making contributions, grants, donations and other expenditures from out of the funds of the Municipality to all sorts of functions, organisations and institutions without due regard to the financial rules. They could do so only if their finances were sound and if they had satisfactorily discharged all their obligatory duties. In most cases both the criteria are not fulfilled. Such expenditure is being incurred in anticipation of sanction on the ground that the occasion was urgent, and that

immediate action was called for. In spite of several directions to the effect that the provisions of law and the financial rules should be adhered to, the position has not improved. Many Municipal Councils incur such expenditure on a large scale disregarding the Budget provision, and without maintaining the prescribed closing balance, and when they are also in default of contributions like Annual Maintenance Charges of Water Works, Medical Contributions and other dues to Government or Local Authorities.

2. If this question is analysed with reference to the Government Order No. L. 14771-886—Ml. 163-52-3, dated 26th November 1952, delegating certain powers of expenditure, the Council, the Deputy Commissioners and the Commissioner will exercise the delegated powers and accord sanctions to the expenditures in the following circumstances:—

(1) When there is a lumpsum provision in the sanctioned Budget;

OR

(2) When the expenditure has to be met out of the closing balance due to the unexpected nature of the expenditure in question.

3. In cases falling under category No. (1) there will be no objection as provision will have been made in the budget sanctioned by competent authority.

4. In cases falling under the second category the Act prescribes certain limitations to spending the money not budgetted for (*vide* Section 185 of the Mysore Town Municipalities Act, 1951). Section 187 lays down that if, in the course of the official year, the Municipal Council finds it necessary to modify the figures shown in the Budget with regard to its receipts or to the distributions of the amounts to be expended on the different services it undertakes, it may do so, provided that without the approval of Government—

(*a*) no reduction shall be made in the amounts allotted for the several items specified in clauses (*b*) and (*c*) of sub-section (3) of Section 186, and

(*b*) the closing balance shall not be reduced below the sum fixed under clause (*d*) of sub-section (3) of Section 186.

5. It is mandatory under sub-section (3) of Section 186 to—

(i) make adequate provision for the services as may be required for the fulfilment of the several duties imposed by this Act,

(ii) to provide for the repayment of loan and interest due to Government;

(iii) to provide for the payment of all sums to Government under Sections 201 and 202 and all contributions for the maintenance of water supply, dispensaries, schools, etc.; and

(iv) to allow for a balance at the end of the year for a sum equal to three months' pay of the staff.

6. Thus it is clear the Commissioner for Local Self-Government, Deputy Commissioners of Districts and the Town Municipal Councils can exercise the delegated powers of sanction of expenditures provided the contributions due to Government Departments and other institutions are paid and an amount equal to at least three months' pay of the staff is maintained as closing balance.

7. On a scrutiny of the proposals received it is seen that several Municipal Councils have not repaid the loans and interest due to Government, maintenance charges of the water works and have not maintained closing balances equal to three months' pay of the staff, but are still recommending payments to various other items from out of closing balance. In such cases, the Officers who have been delegated with additional powers are requested to see that the provisions of Sections 185, 186 and 187 of the Mysore Town Municipalities Act, 1951, are strictly enforced and recommendations contrary to the above provisions are turned down. In all such cases an enquiry should always be made whether Government dues have been paid and the minimum balance retained. If Government dues are not paid, action must be taken to adjust the dues out of closing balance.

8. In view of the fact that heavy loans are being advanced by Government for water supply schemes, every precaution should be taken to prevent extravagance and encourage economy to see that the money is properly spent and the loans due to Government are repaid.

9. The Commissioner for Local Self-Government, the Deputy Commissioners of Districts and the Presidents of Town Municipal Councils are requested to scrutinise all proposals involving finances in the light of the above directions before sanction is accorded in exercise of powers delegated by Government in their Order No. L. 14771-886—Ml. 163-52-3, dated 26th November 1952, read above or before recommendations are made to Government for sanction.

OFFICIAL MEMORANDUM.

No. O.M. FL. (B) 13249-349—C.R. 53-52-1, DATED BANGALORE, THE 9TH FEBRUARY 1953.

Subject:—Return of Character Books of officials to them after they retire from service.

A doubt has been expressed as to whether the character books of officials may be returned to them on their retirement either voluntarily or at their request.

For the information of all concerned, it is hereby laid down that the character book which should be treated as a document forming part of a Government Servant's personal file should not be returned to him on his retirement either voluntarily or at his request.

EAD—

Letter No. P. C. 156—CSA., dated 16th December 1952, from the Controller, State Accounts epartment, Bangalore, forwarding the Annual Report on the administration of the State Accounts epartment for the year 1951-52.

ORDER NO. FL. (B). 13592-95—L.F.A. 81-52-2, DATED BANGALORE, THE 17TH FEBRUARY 1953.

Recorded.

2. The Department was formed newly on the 20th December 1950 after the 'ederal Financial Integration to take up the audit of accounts of Local Bodies in ıe State which did not form part of the statutory functions of the Comptroller nd Auditor-General and was not therefore taken over by the Indian Audit Depart- ıent. The following other items of work were gradually transferred to the)epartment:—

(i) Audit of the Accounts of Municipal and District Board High Schools.
(ii) Do do Grain Depots run by Local Bodies.
(iii) Do do Government Food Depots under the control of Food Supply Department.
(iv) Do do the Kolar Gold Field Mining Companies.
(v) Do do the University Funds.
(vi) Do do the Bangalore and Mysore City Improvement Trust Boards.
(vii) Do do Muzrai Funds.

3. The Department started under an initial handicap as the work of audit of he accounts of the Local Bodies was heavily in arrears, as it had been suspended rom 1948. Added to this, there was a heavy deficiency in staff due to most of the rained men of the former Comptroller's Office having been taken over by the ndian Audit Department. As the Department was newly formed, there was the ıeed to evolve new rules of procedure in several cases to suit the altered conditions. All these undoubtedly placed very severe limitations on the progress of current vork.

4. In spite of the initial handicaps referred to, the Department made consider- ıble headway and was able to complete during 1951-52 the local audit of the ccounts of 72 Local Bodies, 8 University Institutions, 653 Food Depots. Nine cases)f fraud involving Rs. 57,621-12-2 were investigated and reports submitted to Government.

5. It is observed that there is still a good deal of arrears to be cleared, the ocal audit of 636 Food Depots and 120 Local Bodies (the latter relating to)eriods so old as 1944-45 and 1945-46) remaining to be taken up. In view of the nagnitude of the arrears to be cleared and the efflux of time, the Controller is 'equested to examine and report to what extent the audit work of the old periods ;an be simplified restricting it to essential requirements only so that the expendi- ıure on such audit may not be out of all proportion to the results to be achieved ınd the current audit may not suffer in the process.

6. The Controller is requested to furnish in future quarterly reports of)rogress to keep Government informed of the state of audit work under his control.

7. Shri D. K. Srinivasachar, B.Sc. (Hons.), was appointed as Examiner, Local Fund Audit (designation changed later as Controller, State Accounts Department))n the 20th December 1950 and continued till 26th December 1951, when he was ;ransferred as Deputy Commissioner, Shimoga. Sri B. R. Srinivasa Murthy, Gazetted Assistant, was in additional charge of the duties of the Controller for the :emaining period till the end of the year.

8. The work of the Department was satisfactory.

CHIEF SECRETARIAT

Issues instructions for absorption of Ex-servicemen and Retrenched Officials.

READ—

Government Order No. E. 925-1005—R. & P.S. 69-47-2, dated the 31st July 1948, issuing instructions in the matter of providing suitable posts for the retrenched officials of the Food and Civil Supplies Department.

2. Official Memorandum No. E. 1118-218—R.&P.S. 11-52-2, dated 30th April 1952, directing the Secretaries to Government, the Heads of Departments, Deputy Commissioners of Districts and the other Unit Officers not to fill up the vacancies of certain categories under their respective jurisdiction, pending issue of final orders regarding retrenchment in various Departments.

3. Government Order No. E. 9164-264—R. & P.S. 11-52-4, dated the 6th October 1952, issuing certain instructions regarding the absorption of Retrenched Officials and Ex-servicemen.

4. Letter No. 7658—52-53, P.S.C., dated 8th December 1952, from the Secretary, Public Service Commission, Bangalore, forwarding the observations of the Public Service Commission in respect of the instructions issued in Government Order dated 6th October 1952, read in para 3 above.

5. Government Letter No. E. 13718-22, dated the 23rd January 1953; constituting a committee consisting of the undermentioned officers to examine the observations of the Public Service Commission :—

(1) The Minister for Revenue and Public Works,
(2) The Chairman, Public Service Commission,
(3) The Financial Secretary to Government,
(4) The Chief Secretary to Government,
(5) The Revenue and Home Secretary to Government and
(6) The Education Secretary to Government.

ORDER No. E. 15677-773—R. & P.S. 11-52-8, DATED BANGALORE, THE 5TH MARCH 1953.

The Public Service Commission have observed that under the existing rules, local candidates are not entitled to any preference, whatever the length of their unapproved temporary service might be, that they are liable to be replaced or displaced without notice on the availability of approved or regular candidates, that the position of the retrenched local candidates mentioned in item 4 is not different from that of those in item 5 of the Government Order dated 6th October 1952, that both should be treated alike and are not entitled to any preference whatsoever, that they should get their names assigned in the approved list or apply for other individual vacancies when advertised, as the case may be, that while assigning their names in the approved list of applications received for advertised vacancies they may be shown preference by giving them higher serial numbers on account of official experience gained by them but that they should not be given preference for appointment in the existing or future vacancies over the approved list or regular candidates without observing the prescribed formalities and that the Ex-servicemen should be given the highest priority for appointments in other Departments over the retrenched officials also as they were thrown out much earlier than the latter officials.

After a careful consideration of the above observations made by the Public Service Commission, the Committee referred to in para 4 of the preamble have arrived at the decision that the Ex-servicemen should be given the highest preference for appointment in any Department, provided they possess at least the equal minimum qualification prescribed for the post and that the retrenched local candidates, irrespective of the length of unapproved service put in by them, are not entitled to any preference, that they may, however, be shown preference by giving them higher serial numbers while assigning their names in the approved list considering the merits of each case and that the Government Order dated 6th October 1952 may be suitably modified.

The above recommendations of the Committee are approved and the Government Order dated 6th October 1952 is modified as follows in respect of items 2 to 6 of the order portion :—

1. Ex-servicemen who have not yet been provided with alternate appointments in other Departments will have the highest preference for appointment in any Department, provided they possess at least the equal minimum qualification prescribed for the post.
2. Temporary officials who have been recruited as per rules and have put in at least one year's service when retrenched will have the next preference for appointment in other Departments.
3. Temporary officials who have been recruited as per rules and have put in less than one year's service at the time of retrenchment will next be preferred for appointments in other Departments.
4. Candidates waiting in the existing approved lists will have the next preference for appointments in the Departments to which their names have been assigned.
5. Temporary officials retrenched, not recruited as per rules (local candidates), whatever may be the length of unapproved service put in by them, will not be entitled to any preference for purposes of appointment in any Department in existing vacancies. They should first get their names assigned in the aproved list or apply for vacancies when advertised While assigning their names, they may, however, be shown preference over fresh candidates by giving them higher serial numbers considering the merits of each case.

It is ordered that the above said order of preference for appointing candidate should be strictly adhered to.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

Issues revised procedure relating to the Railway Cess Fund Works got executed through the agency of the Public Works Department.

READ—

Letter No. 408—WM. GC., dated the 6th September 1953, from the Accountant-General, Mysore, Bangalore, suggesting for the reasons explained, the estimated cost of works to be met out of the "Railway Cess Funds" may be required to be placed at the disposal of the Executive Engineers in advance.

ORDER NO. FL. (B) 13852-72—C.R. 55-52-2, DATED BANGALORE, THE 3RD MARCH 1953.

According to the procedure followed at present, expenditure is incurred out of "Railway Cess Fund" by the Public Works Department in accordance with a programme included in the Budget of the District Board and sanctioned by Government and is debited directly to the Fund head in the monthly accounts of the division. It is reported that this procedure is found to be defective in as much as the Executive Engineers of Divisions, who are not the administrators of the Railway Cess Fund have been incurring expenditure debitable to the fund, irrespective of whether there was sufficient balance at the credit of the fund or not. This has led in some cases, owing to want of adequate balances at the credit of the fund, to overdrawals resulting in debit balances. It is, therefore, directed that, in future the estimated cost of works to be met out of the "Railway Cess Fund." to be got executed through the agency of the Public Works Department, be placed at the disposal of the Executive Engineers in advance and kept under "Public Works Deposits," as in the case of works executed on behalf of the Local Bodies.

Necessary amendments to the Mysore Public Works Account Code will issue in due course.

Levy of Local Cess in the Bangalore District.

READ—

Letter No. C2-4-13—52-53, dated 23rd January 1953, from the President, District Board, Bangalore, requesting sanction to the resolution of the District Board, dated 31st December 1952, proposing to levy a consolidated cess at one anna and three pies (Re. 0-1-3) in the rupee on all items of Land Revenue and Forest Revenue in lieu of the existing local and special cesses levied in the Bangalore District at one anna and at three pies in the rupee, respectively.

ORDER NO. L.B. 11316-22—V.P. 64-52-4, DATED BANGALORE, THE 19TH FEBRUARY 1953.

In exercise of the powers conferred by Section 106 A (1) of the Village Panchayet and District Board Act, IV of 1952, as amended, Government of Mysore are pleased to approve of the resolution of the District Board, Bangalore, and to direct the levy of a local cess at the rate of Re. 0-1-3 in the rupee on all items of land revenue and forest revenue collected in the Bangalore District.

The levy and collection of this cess will be in the same manner as heretofore.

By Order and in the name of the Rajpramukh,

Revised Orders regarding permission to Government Servants to study in Schools and Colleges.

READ—

G.O. No. E. 6090-6190—Uni. 27-52-3, dated 31st July 1952, directing that no Government servant, while in service, should be allowed to study in Schools and Colleges except on taking leave as per rules for the purpose.

ORDER NO. E. 14814-900—UNI. 27-52-4, DATED BANGALORE, THE 20TH FEBRUARY 1953.

After a reconsideration of the question it is directed that the provisions of the Government Order dated 31st July 1952 read above need not be applied retrospectively to those who took to study while working in Government Offices prior to the issue of that Government Order and may be applied strictly in all future cases.

LAW SECRETARIAT

Reviews the Administration Report on the working of the Jails and Lock-ups in the State during the calendar year 1951.

READ—

Letter No. 103-77, dated the 1st October 1952, from the Inspector-General of Prisons in Mysore, forwarding the report on the working of the Jails and Lock-ups in the State for the calendar year 1951.

ORDER No. H.B. 9331-43—PRIS. 57-52-2, DATED BANGALORE, THE 5—9TH FEBRUARY 1953.

Recorded.

Dr. N. A. Iyengar, Senior Surgeon, was the *Ex-officio* Inspector-General of Prisons from 1st January 1951 to 31st March 1951 and he was succeeded by Dr. V. Lakshmana Rao Padke from 1st April 1951 till the end of the year.

At the beginning of the year there were 935 prisoners of all classes in jails, 5,799 prisoners were admitted, 5,645 were discharged from all classes and 1,089 remained at the end of the year. The average number during the year was 1,033 against 932 in the previous year.

The expenditure in the jails during the year under report was Rs. 3,62,420-12-6 against Rs. 3,68,275-8-0 during the previous year. The average cost per head for the maintenance of prisoners during the year was Rs. 350-13-5 against Rs. 395-2-5 in the previous year.

The total value of the articles manufactured during the year in the manufactories of both the jails at Mysore and Bangalore was Rs. 40,323-13-10 against Rs. 30,743-8-5 for the previous year. The total amount of outstanding bills due to the manufactories of the two jails was Rs. 1,43,200-1-9 as on the 1st January 1951 and it increased to Rs. 1,91,723-12-8 as on the 31st December 1951. The Inspector-General of Prisons is requested to arrange for the adjustment of the outstanding bills due to the jail well in time and to discontinue credit sales as far as possible.

At the beginning of the year there remained in the lock-ups 466 prisoners of all classes, 7,879 were admitted, 7,843 were discharged from all classes and 502 remained at the close of the year. The average number for the year was 421.25 against 582.06 for the previous year.

The gross expenditure in the lock-ups for the year under report was Rs. 2,09,855-6-0 against Rs. 1,45,312-3-1, for the previous year. The average cost of maintaining a prisoner for the year in the lock-ups was Rs. 498-2-5 as against Rs. 249-10-4 in the previous year.

Religious ministers of the jails at Bangalore and Mysore continued to visit the respective jails regularly once a week to impart religious and moral instructions to the prisoners. In the two schools (Kannada and Urdu) which continued to work, the curriculum prescribed by the Department of Public Instruction was followed.

The Minister for Law and Labour visited the jails on more than one occasion and several wholesome reforms have been effected on the suggestions made by him. Dr. Walter C. Reckless, an expert in Criminology and Correctional Methods, whose services were lent to the Government of India by the United Nations, visited the two jails at Bangalore and Mysore during the month of November 1951.

Among the non-official visitors, only one had visited the Central Jail, Bangalore, on two occasions and action was taken by the jail authorities on his suggestion to improve the conditions of the prisoners. In the Mysore Jail, none of the non-official visitors visited the jail to offer suggestions to improve the conditions of prisoners. It is desirable that all the non-official visitors of the jails and lock-ups take more interest in visiting the respective jails and lock-ups regularly and offer their valuable advice to improve the life of the convict confined in the jails. The Inspector-General of Prisons is directed to issue suitable instructions to the officers-in-charge of the jails and lock-ups to draw the attention of the non-official visitors to the rules of the Mysore Jail and Lock-up Manuals and enlist their co-operation.

The health, discipline and conduct of the prisoners during the year were satisfactory.

General.—The policy of Government with regard to administration of jails and lock-ups is aimed at training the prisoners for a useful life on release. With this object in view, several ameliorative measures providing more amenities to the prisoners and establishing jail industries with modern machines to improve the tons of production have been undertaken during the year. A few of the measures undertaken in the new direction are—

1. Installation of Japanese Garabo Spinning Plant;
2. Visual Education Scheme;
3. Introduction of Textile Power-looms;
4. Introduction of Wage-earning Scheme.

The question of separation of youthful delinquency by opening a Borstal School in Bangalore is under consideration of Government. The financial aspect of this question is being examined as well as the preparation of plans and estimates for its construction.

There has been a delay of 5 months in submitting the Administration Report of the Prisons Department to Government. The Inspector-General of Prisons is requested to prepare the Administration Report quite well in time and forward it to Government within the time limit prescribed under the rules.

The administration of the Department during the year under review was satisfactory.

M. SADASIVAYYA,
Secretary to Government,
Law Department.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Accords sanction to the creation of the post of a Special Officer of the rank and status of a Deputy Commissioner for examining the issues involved on the proposed transfer of certain Taluks of Bellary District to Mysore State.

ORDER NO. CH.S. 20239-339—G.E. 279-52-1, DATED BANGALORE, THE 29TH MARCH 1953.

Sanction is accorded to the creation of the post of a Special Officer of the rank and status of a Deputy Commissioner for the purpose of collecting information and examining issues involved on all matters arising out of the proposed transfer of certain Taluks of Bellary District to Mysore State.

2. Orders will issue separately regarding the posting of an officer as Special Officer.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

FINANCIAL SECRETARIAT

Passes orders *re.* Discontinuance of premature closing of State Provident Fund Accounts and grant of Non-repayable advances.

OFFICIAL MEMORANDUM.

O.M. NO. FL. 3-153—G.F. 213-51-7, DATED BANGALORE, 1ST APRIL 1953.

Under the State Provident Fund Rules, the amount at the credit of the subscribers to the fund is repayable at the time of quitting service or death, whichever event happens earlier. Government servants who are subscribing to the Fund, on their

own volition, are, however, being permitted, under the special order of Government, to close their accounts even before their quitting service where the subscribers desire to have the amount at their credit to meet unforeseen liabilities incurred by them. In certain cases, they are also permitted to take non-repayable advances from their deposits in the fund for some purpose specified by them in writing.

2. The validity of the order with reference to the provisions of the Provident Fund Act of 1925 has been examined by the Accountant-General who has held that the grant of a non-repayable advance amounts to an outright repayment of a part of the "Compulsory deposit". Under Section 2 (*a*) of the Provident Fund Act, a "Compulsory deposit" is one, the whole of which is repayable on the happening of some specified contingency under the rules of the Provident Fund. A partial repayment of a deposit in the Provident Fund thus deprives the deposits of the character of the "Compulsory deposits" as defined by Section 2 of the Provident Fund Act and therefore the immunity provided in Section 3 (1) is lost. That is, the deposit will become liable to attachment under any decree or order of any Civil Revenue or Criminal Court in respect of any debt or liability incurred by the subscriber or the depositor.

3. Accepting the views of the Accountant-General on the subject, it is decided to discontinue the system of permitting the premature closing of accounts by the subscribers to the State Provident Fund. Opportunity has also been taken to discontinue the practice of allowing the subscribers to take non-repayable advances from their deposits in the State Provident Fund for some purpose specified by them in writing, as such a practice is not supported by the existing provisions of the State Provident Fund Rules.

M. SHAMANNA,
Secretary to Government,
Finance Department.

DEVELOPMENT SECRETARIAT

Reviews the Administration Report on the Working of Textile Section of the Department of Industries and Commerce for the year 1951-52.

READ.—

Letter No. Tex E. 17—52-53, dated 8—14th November 1952, from the Director of Industries and Commerce, forwarding a report on the working of the Textile Section of the Department of Industries and Commerce in Mysore, Bangalore, for the year 1951-52.

ORDER No. C. & D. 4511-13—COM. 129-52-2, DATED BANGALORE, THE 17TH JANUARY 1953.

Recorded.

The distribution of yarn to the Handloom Weavers was taken over by the Mysore Provincial Cotton Handloom Weavers' Co-operative Society during the year.

The Handloom Industry faced a crisis owing to a great slump in the market for handloom fabrics. As a result of high prices of cotton and other articles, the output of yarn and khadi also fell below the level of the preceding year.

The working of the Department, however, continued to be satisfactory on the whole.

R. J. REGO,
Secretary to Government,
Development Department.

PUBLIC WORKS SECRETARIAT

Reviews the Administration Report on the working of the Public Works Department for the year 1951-52.

READ—

Correspondence ending with letter No. 2677-8—S., dated 17th September 1952, from the Chief Engineer of Mysore, forwarding the Administration Report on the working of the Public Works Department for the year 1951-52.

ORDER No. P.W. 9315-9413—B. 3-52-2, DATED BANGALORE, THE 13TH JANUARY 1953.

1. Recorded.

2. Sri N. Neelakantappa, B.A., B.E., continued as the Chief Engineer for the year under report.

The post of Special Chief Engineer was created during August 1951, with a view to tackle the important and urgent problems connected with the development of irrigation in place of the post of Advisor in-charge of major irrigation works and Sri D. S. Venkanna, B.SC., B.E., was appointed as Special Chief Engineer and he continued in that post throughout the year. While the Chief Engineer was the Administrative head of the Public Works Department, the Special Chief Engineer was in-charge of all the major irrigation works including the works connected with the implementation of the recommendations of the Planning and Policy Committee on Major Irrigation Works. Details regarding the several administrative changes and transfers of officers of the Public Works Department have been furnished under Chapter I of the report.

3. A list of important major works sanctioned and major works that were under progress during the year is furnished under Chapter II of the report.

4. *Grant and outlay.*—The major service heads under which the cost of the several works undertaken by the Public Works Department are shown hereunder:

(i) XVII. Irrigation—Navigation—Embankment and Drainage—A. Irrigation Works.
(ii) 18. Other Revenue Expenditure—A. Irrigation Works.
(iii) 19—Irrigation—Navigation—Embankment and Drainage—B. Irrigation Works.
(iv) 40 Agriculture
(v) 40-A Rural Development
(vi) 43 Industries—Sericulture
(vii) 47 Miscellaneous Department—Flying School
(viii) 50 Civil Works
(ix) 68 Irrigation—Navigation—Embankment and Drainage—A. Irrigation Works.

The final grant for the year under report under all the service heads and debt heads put together stood at Rs. 4,94,46,937 against which the expenditure was Rs. 4,27,47,995.

The total grant for the year under all the service heads put together was Rs. 4,58,13,401 against which the outlay booked was Rs. 3,89,34,620. There has been thus a lapse of Rs. 68,78,781 during the year.

5. *Irrigation.*—The final grant and outlay for original works and repairs under the several service heads are shown below:—

Service Heads	Original Works and Repairs	
	Grant	Outlay
	Rs.	Rs.
XVII. Irrigation—Navigation—Embankment and Drainage—A. Irrigation Works.	20,41,600	19,06,529
18—Other Revenue Expenditure—A. Irrigation Works ...	57,07,800	51,73,451
19—Irrigation—Navigation—Embankment and Drainage—B. Irrigation Works.	26,25,000	18,70,349
68—Irrigation—Navigation—Embankment and Drainage—A. Irrigation Works.	1,16,09,000	1,00,59,932

Apart from the three special projects, *viz.*, Bhadra Reservoir at Lakkavally, Tunga Anicut at Sacrebyle and Nugu Reservoir near Birwal, about 39 other major irrigation works were under progress during the year. The works connected with the three special projects were executed according to the drawn up plan. The progress on Bhadra Reservoir Works was hampered on account of the insufficient grant provided. The Central Government have been approached to help the completion of the work with adequate financial aid. The details regarding the progress secured on the several works during the year under report are furnished in the report.

6. *50. Civil Works—(a) Buildings.*—The final grant on original works and repairs together was Rs. 73,58,000 against which the outlay booked was Rs. 41,60,334. The several building works that were completed, nearing completion and under progress during the year are as shown below :—

		Number completed	Number nearing completion	Number under progress	Total
1.	Administration Buildings	2	2	4	8
2.	Police Buildings	6	5	1	12
3.	Education Buildings	6	2	11	19
4.	Industr al Scho ls	...	...	3	3
5.	University Buildings	4	1	2	7
6.	Medical Buildings	14	6	11	31
7.	Misc llaneous Buildings	6	2	9	17
8.	Military Buildings	7	...	...	7

The details regarding estimate cost, grant and outlay booked on these building works are furnished in the report.

7. *50. Civil Works—Communications—(a) Roads.*—The final grant and outlay for the year on Original Works and Repairs stood at Rs. 60,37,015 and Rs. 60,74,040.

Under formation of new roads details regarding ten works are furnished in the report of which one work was completed, another work was nearing completion and the rest were under progress. Four works have been taken up under cement concreting of roads and they were under progress.

Under asphalting of roads about 27 works were taken up out of which two works have been completed, two works were nearing completion and the rest were under progress. Details regarding the estimate cost, grant and outlay booked on these works have been furnished in the report. It is seen that progress on a number of works was hampered on account of the non-availability of asphalt.

(*b*) *Bridges.*—The final grant and outlay under bridges, original works and repairs for the year stood at Rs. 10,44,985 and Rs. 7,86,184, respectively. Of the thirteen important bridge works under construction, five works have been completed, one work was nearing completion and the rest were under progress.

8. *Water Supply.*—The three major water supply works of Bangalore, Mysore and Kolar Gold Fields were continued to be under the control of the Water Supply Division. The demand for water supply in Bangalore City was on the increase on account of the increase in the population and establishment of new industries.

The following table shows the revenue collected during the year against the total demand for the year under the above three water supply works :—

Names of water supply works	Total demand for the year	Revenue collected for the year	Balance at the close of the year
	Rs.	Rs.	Rs.
1. Bangalore Water Supply	5,37,177	4,01,469	1,35,708
2. Mysore Water Supply	2,77,286	2,18,246	59,040
3. Kolar Gold Fields Water Supply	2,83,536	2,74,403	9,133

A Special Water Supply Sub-Division to undertake the works connected with laying the distribution system in Jayanagar extension and laying 24″ cast iron main from Kethamaranahally Hillock to Mount Joy and laying 15″ cast iron main from Mount Joy to Byrasandra Hillock was constituted in March 1950. The works connected with the above were under progress.

Besides, the maintenance of the water supply installations in mofussil towns was attended to during the year. Nine works connected with providing water supply to important towns like Chikballapur, Anekal, Madhugiri, Koratagere, Shimoga, Hassan, Nanjangud, etc., were under progress during the year.

9. *Drainage.*—Seven drainage works in towns like Tumkur, Bhadravathi, Channarayapatna, Hunsur, Nanjangud, Hole-Narsipur and Mandya were under progress during the year.

10. *Central Stores.*—The Central Stores under one Controller of Central Stores was formed with the idea of catering to the needs of all the Public Works Divisions in the State in a quick and effective manner. Purchase of store articles worth Rs. 10,40,421 was made by the Central Stores during the year and supplies to the several divisions were maintained as and when requisitions were received.

11. *Borewell Section.*—The work of this section continued to be under the Controller of Central Stores. Twelve drills belonging to this section were under operation and execution of 27 borewell works was taken up during the year. The report does not furnish information regarding the progress secured during the year on these borewell works. This should be furnished in the future reports.

12. *Government Architect Section.*—The preparation and supply of type designs to the various departments were attended to by this section. About 35 type designs for Education buildings, Medical buildings, Residential and Public buildings and Miscellaneous buildings were got up during the year. Besides this, about 70 special type designs were prepared for Medical, Educational, Public and Miscellaneous buildings. Apart from this about 35 layouts were also prepared during the year under report.

13. *Grow More Food Schemes.*—The year under report was the third year of operation of the Grow More Food drive in Mysore. Grants and loans to the extent of Rs. 5·5 lakhs and Rs. 34 lakhs were sanctioned by the Central Government for 1951-52 for the schemes connected with the Grow More Food drive against a programme of Rs. 135 lakhs drawn up for the purpose. The several schemes eligible for the above grants and loans come under (1) Lift irrigation, (2) Construction of big tanks, (3) Restoration of minor tanks, desilting of tanks, (4) Improvements to feeder channels and pick-ups and (6) Land Improvement Schemes.

14. *Lift Irrigation.*—Two schemes, one at Neelsoge in T.-Narsipur Taluk and the other at Gollarahalli in Honnali Taluk, were in progress during the year and a third one in Maragowdanahalli Village in Malavalli Taluk was sanctioned during the year.

15. *Restoration of Minor Tanks.*—The combined programme for the restoration of minor tanks and desilting for the year was for Rs. 15 lakhs, Rs. 10 lakhs for restoration and Rs. 5 lakhs for desilting. Against this the outlay was Rs. 11,86,953 under restoration and Rs. 5,42,307 under desilting. Out of 847 tank works in progress in the several divisions, the works connected with the restoration of 124 tanks were completed and about 58 tank works have reached a stage of utility. Under desilting 285 works were in progress, out of which 113 have been completed.

16. *The First Five-ear Plan.*—The plan as accepted by the Planning Commission of the Government of India for Mysore was finalised during October 1951. The target of expenditure for 1951-52, 1952-53 and the five-year total under (1) Agriculture, (2) Major Irrigation and Power Projects and (3) Transport including Malnad Development all put together was Rs. 274·03 lakhs, Rs. 281·43 lakhs and Rs. 1,289·55 lakhs. By the time the plan was got finalised, the State budget was passed and so provisions to the extent contemplated in the plan were not available for the year 1951-52 and so the target for the first year could not be achieved.

17. *Anti-malaria Engineering Works and formation of Inter-village Roads in the irrigated area.*—A length of 642 furlongs of Class I roods and 383 furlongs of Class III roads was metalled and consolidated during the year. Eight hundred and forty-one furlongs of new Class III roads were formed during the year. About 78 villages were shifted and dry belts for 80 villages were formed during the year.

18. *Irrigation Cess Fund.*—The grant and outlay under this for the year under report stood at Rs. 3,64,930 and Rs. 3,44,027, respectively.

19. *Loans for the Restoration of Tanks.*—An expenditure of Rs. 49,879 was booked during the year against the amount of Rs. 61,000 available.

20. *Charges recoverable from Raiyats under Tank Maintenance.*—The amount available under this was Rs. 80,093 against which the expenditure for the year was Rs. 77,136.

21. *Revenue.*—The revenue realised by the Department as rent for buildings, sale proceeds, etc., for the year was Rs. 6,70,528.

22. *Establishment.*—The total charges for establishment under both service heads and debt heads put together was Rs. 42,59,607 against a grant of Rs. 38,35,460.

23. *Donations.*—A statement showing the amounts received during the year as donations for the construction of the several buildings has been furnished under Chapter XII of the report. A total sum of Rs. 6,37,233 has been received as donation during the year.

24. *General.*—Periodical inspections of the works and offices were made by the officers of the Public Works Department. The accounts in most of the divisions have fallen into arrears. The Inspection Reports, Audit Reports, O.I. Statements, Completion Reports and certificates pending in the Division Offices were very many. The reasons putforth for this unhealthy state of affairs are the inadequacy of accounts staff and posting of raw hands. But this state of affairs should not be continued any longer. The Chief Engineer is requested to take immediate steps to remedy the defects noticed and to bring the accounts of the several divisions up-to-date.

25. The work of the Department for the year under report was satisfactory.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Permission to Government servants to join Bharat Sevak Samaj.

OFFICIAL MEMORANDUM.

O.M. No. CH.S. 12278-378—MISC. 106-52-1, DATED BANGALORE, THE 28TH NOVEMBER 1952.

The Bharat Sevak Samaj is a nation-wide, non-official and non-political organisation recently started at the instance of the Planning Commission with the object of enabling individual citizens to contribute in the form of an organised co-operative effort to the implementation of the National Development Plan.

2. In view of the non-political and non-sectarian character of the Samaj and the nature of work in which it will be engaged, Government servants should, if they so wish, be encouraged to join the organisation and to participate in its activities provided this can be done without detriment to the proper discharge of their normal official duties. The following instructions are laid down for observance in this connection :—

(1) Government servants wishing to join the Bharat Sevak Samaj should obtain prior permission from the appropriate Head of the Office or Department concerned.

(2) Permission should be freely granted, provided the Head of the Office or Department satisfies himself in each case that participation in the Samaj's activities will not interfere with the due discharge by the Government servant concerned of his official duties. If actual experience in any individual case or class of cases shows that this condition cannot be satisfied, the permission already granted may be revoked.

(3) It should be made clear to all Government servants concerned that permission to participate in the activities of the Bharat Sevak Samaj will not absolve them from the due observance at all times of all the rules and instructions relating to the conduct and behaviour of Government servants, etc.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

REVENUE AND HOME SECRETARIAT

Reviews the Administration Report of the Muzrai Department for the year 1951-52.

READ—

The Report on the working of the Muzrai Department during the year 1951-52, received with the Muzrai Commissioner's letter No. N1-Per. A. 1—52-53, dated the 30th December 1952 (printed as annexure).

ORDER No. R. 16377-98—MUZ. 235-52-3, DATED BANGALORE, THE 7TH MARCH 1953.

Recorded.

2. *Important Events.*—Important Utsavams, Jatras and Car Festivals and Urus of Nawab Hyder Alikhan and Nawab Tippu Sultan at Gumbaz were held according to the schedule. The Sringeri Mutt and its properties continued under Government management. The Special Research Committee constituted for the conservation of Sri Gomateswara image at Sravanabelagola was engaged in examining the condition of the image in order to take measures necessary for the conservation of the idol.

For the celebration of Mahamasthakhabhisheka to Sri Gomateswaraswamy at Sravanabelagola in March 1953, action was taken to constitute Secular Committees to make preliminary arrangements. For the Panchalinga darsan at Talkad held on 17th November 1952, action was also taken to make preliminary arrangements.

The Fourth Annual Conference of Agamatraya Mahamandala was conducted at Nanjangud from 10th December 1951 to 12th December 1951. His Highness the Maharaja of Mysore opened the conference and His Holiness Sri Swamigalu of Sri Pejavar Mutt, Udipi, presided on the occasion.

His Highness the Maharaja of Mysore visited Tirumalai Thirupathi devastanams on 8th August 1951 and necessary arrangements were made for the offering of the Royal Honours at the time of his visit to the temple.

The Government relaxed the restrictions regarding the admission of students to the Agama classes of Sri Chamarajendra Vedamahapatasala, Bangalore, and the Maharaja's Sanskrit College, Mysore.

Proposals for construction of buildings in Shankara Park and lower gardens of Shankar Mutt at Bangalore costing nearly six lakhs were sanctioned, the execution of the work being taken up in stages and spread over a period of six years through the Agency of a Special Committee with the Chief Engineer as Chairman. The work is in progress.

3. *Muzrai Institutions.*—There were 192 major institutions, 1,245 minor institutions and 13,320 village institutions during the year, as against 167 major, and 1,216 minor institutions in the year previous.

4. *Grants from State and Muzrai Funds for construction and repairs of Muzrai Institutions.*—A sum of Rs. 1,81,849-2-0 was spent on 223 old and new works sanctioned during the year. Seven hundred and eight works costing Rs. 11,16,250-13-4 were pending at the close of year. The delay in the completion of the works is due to the rise in the cost of building materials and the difficulty in securing materials like steel, etc., in large quantities and also due to the rice in the cost of labour resulting in the revision of the estimates.

Fresh grants to the extent of Rs. 1,75,000 were sanctioned out of the Budget allotment for the year.

The construction of 55 residential buildings in the Shankara Park and the lower garden in front of Shankara Mutt, Bangalore City, at an estimated cost of Rs. 6,00,000 and construction of two car sheds to Sri Narayana Swami Temple at Melkote at an estimated cost of Rs. 11,050 and reconstruction of the western gopuram of Sri Ranganathaswamy Temple at Tirumale at an estimated cost of Rs. 45,000 and repairs and improvements to the jewels and vahanams gifted to Sri Venkataramanaswami Temple at Thirupathi were the important works sanctioned during the year.

5. *Muzrai Funds.*—The financial position of the several Muzrai Funds during the year was as follows :—

Name of Fund	Opening Balance	Receipts	Total
1	2	3	4
	Rs. a. p.	Rs. a. p.	Rs. a. p.
1 Muzrai Establishment Fund ...	62,347 10 3	56,975 6 0	1,19,323 0 3
2 General Muzrai Fund ...	35,988 11 10	27,793 5 2	63,782 1 0
3 Chattram Savings Fund ...	98,667 11 6	70,319 7 0	1,68,987 2 6

Name of Fund	Expenditure	Closing Balance
	5	6
	Rs. a. p.	Rs. a. p.
1 Muzrai Establishment Fund	69,385 0 0	49,938 0 3
2 General Muzrai Fund	37,000 0 0	26,782 1 0
3 Chattram Savings Fund	88,219 13 3	80,767 5 3

The main source of income to the Funds is the interest on investments besides contributions received from Muzrai Institutions in respect of the Muzrai Establishment Fund, transfer of balances at the credit of defunct institutions to the General Muzrai Fund, and Tasdik grants of abolished chattrams to the Chattram Savings Fund.

6. *Income and Expenditure of Muzrai Institutions.*—The total income and expenditure of Muzrai Institutions during the year amounted respectively to Rs. 56,51,394-9-9 (inclusive of the opening balance of Rs. 38,63,728-14-8) and Rs. 14,34,521-12-3, leaving a closing balance of Rs. 42,16,872-13-6, against Rs. 38,82,431-13-1, during the previous year.

7. *Loss of Properties of Muzrai Institutions.*—Properties worth about Rs. 6,410-9-9, belonging to Muzrai Institutions are reported to have been lost by theft during the year and steps have been taken to trace the culprits and recover the value of the lost article.

8. *Endowments.*—Fresh endowments of a total value of Rs. 1,07,598 were made by private individuals during the year for the benefit of institutions or for religious or charitable purposes, as against Rs. 97,550 received during the previous year.

9. *Jatras and Cattle Shows.*—Jatras and Cattle Shows were conducted successfully during the year except the following places for the reasons noted against each :—

(i) The Jatra of Sri Venkataramana Swamy at Tirupathi in Arasikere Taluk was not conducted due to water scarcity.
(ii) The Cattle Show at Gorur in Hassan Taluk was not conducted due to prevalence of epidemic diseases.
(iii) The congregation of people during Vairamudi at Melkote was prohibited on account of the prevalence of cholera.
(iv) The Jatra and Cattle Fair of Sri Narasimhaswamy temple at Maddur were not conducted on account of cholera infection in the taluk.
(v) The Cattle Fair in connection with the rathotsawam of Sri Mallikarjunaswamy at Togersi Village, Shikaripur Taluk, was not held on account of the prevalence of cholera in the neighbouring villages of the taluk.

An aggreate sum of Rs. 159,770-10-7 was realised during the year and a a sum of Rs. 24,461-15-3 spent for sanitary and other arrangements. The amount spent on cattle shows was Rs. 4,594-3-6. A net sum of Rs. 1,09,689-7-10 was credited to the Funds of the respective institutions .

10. *Puduvat Loans.*—Total sum of Rs. 92,712-4-6 (including Rs. 1,124-8-5, added on during the year) was outstanding in respect of 1,158 cases of puduvat loans and out of this, a sum of Rs. 15,524-0-11 was collected during the year including remissions, leaving a balance of Rs. 77,188-3-7, at the end of the year. The arrears are heavy and systematic action for recovery of the arrears is called for.

The collections made during the year were very poor in Mysore, Mandya, Hassan and Tumkur Districts. Loans outstanding recovery are heavy in the Districts of Hassan (Rs. 21,230-10-0), Mysore (Rs. 16,013-11-9) and Chickmagalur (Rs. 12,482-12-9). The Deputy Commissioners should issue strict instructions to the subordinate officers to see that the heavy arrears are reduced appreciably during the currect year and watch the progress made during their inspections.

11. *Defunct Institutions.*—To the 34 cases pending at the beginning of the year, seven cases were added, bringing the total number of cases to 41. Out of these, 2 cases were disposed of leaving a balance of 39 cases at the end of the year.

In the Districts of Shimoga and Tumkur, the cases pending are heavy being 18 and 9 respectively. The Deputy Commissioners are requested to see that these cases are disposed of expeditiously.

12. *General.*—During the year under report, sanction was accorded to a building programme for the construction of houses in Sri Shankara Mutt Park in front of Sri Shankara Mutt, Bangalore, at an estimated cost of Rs. 6,00,000, the work being spread over a period of six years and executed through the Agency of a special Committee with the Chief Engineer as Chairman. The buildings after construction are expected to yield as annual rent of Rs. 35,000 to the Mutt. The works have been taken on hand.

The feeding of non-Brahmin pilgrims at the Mysore State Charities, Thirupathi and the State Chattram at Benares was continued during the year as usual.

The working of the Department was on the whole satisfactory. Greater attention, has, however, to be paid by the Muzrai Officers towards inspection of muzrai institutions and particularly of major muzrai institutions.

Grant of Pay to Steno-Typists and Typists on obtaining Proficiency in Shorthand and passing in Shorthand and passing in the Senior Typewriting Examination.

READ—

Government Order No. Fl. 6297-6397—S. & A. 115-49-2, dated the 6th February 1950, directing that such of the Steno-typists as have secured the qualifications of Proficiency in shorthand and a pass in the Senior Grade Typewriting Examination on 1st January 1947 and thereafter be given the special starting pay of Rs. 100 in First Grade.

2. Letter No. H. A. J. 275, dated 28th August 1952, from the Accountant-General, Mysore, Bangalore, suggesting the modification of Government Order dated the 6th February 1950, read above, so as to restrict the payment of initial pay of Rs. 100 to qualified Stenographers in the Second Grade only, *viz.*, Rs. 45-3-60-4-100 instead of in the First Grade as hitherto.

3. Correspondence ending with unofficial note No. 133—52-53—P.S.C., dated the 22nd January 1953, from the Secretary, Public Service Commission, forwarding the views of the Commission in the matter of giving higher initial starting pay to Steno-typists and Typists passing the Proficiency Examination in Shorthand.

ORDER NO. FL. 8520-8720—S. & A. 109-52-3, DATED BANGALORE, THE 9TH MARCH 1953.

In modification of the Government Order No. Fl. 6297-6397—S. & A. 115-49-2 dated the 6th February 1950, read above, it is directed that the Steno-typists and

Typists employed in the Second Grade, *viz.*, Rs. 45-3-60-4-100 may be allowed a pay of Rs. 100 on their obtaining Proficiency qualification in Shorthand and a pass in the Senior Typewriting Examination.

The benefit of higher initial pay of Rs. 100 will, however, continue as hitherto to those employed in or to be recruited to the First Grade, provided they possess the requisite qualification for the same.

This Order will come into effect from 1st March 1953.

Passes orders regarding the qualifications required of Hindi Teachers in High Schools.

READ—

The undermentioned Government Orders prescribing, among others, qualifications for Hindi Teachers in High Schools :—

1. G.O. No. E. 5066-7—Edn. 159-47-15, dated 18th November 1949.
2. G.O. No. E. 346-7—Edn. 159-47-19, dated 12th April 1950.

2. Letter No. 6294—52-53, dated 24th October 1952, from the Secretary, Mysore Public Service Commission, in the matter of prescribing the minimum general educational qualification for the posts of Hindi teachers in High Schools.

3. Correspondence ending with letter No. H2. 1029-94—52-53, dated 29th November 1952 from the Director of Public Instruction, submitting proposals for the modification of the qualifications required of Hindi teachers for High Schools.

ORDER NO. E. 16073-6—EDN. 73-52-39, DATED BANGALORE, THE 13TH MARCH 1953.

In the Government Order dated 18th November 1949, read above, S.S.L.C. was prescribed as the general educational qualification for Hindi teachers in High Schools. The Secretary, Public Service Commission, states that there is dearth for qualified candidates for the posts of Hindi teachers in High Schools, particularly those belonging to Backward communities and that it would ease the recruitment situation if the general educational qualification, *viz.*, S.S.L.C. is not insisted upon in the case of Hindi teachers in High Schools. The General Secretary, Mysore Hindi Prachara Parishat, Bangalore, has also made a representation that, for the time being, S.S.L.C. qualification need not be insisted upon for Hindi teachers in High Schools.

The Director of Public Instruction who was consulted in the matter has recommended that the qualifications required of Hindi teachers for High Schools may be modified as follows :—

I. (*a*) S.S.L.C.

(*b*) Rashtra Bhasha Visharada Degree of Dakshina Bharat Hindi Prachara Sabha, Madras, or
"Visharad" of Sahitya Sammelan, Allahabad, or
"Kovid" of Kashi Vidya Peeth, or
"Hindi Vidwan" of Madras University, or
"Hindi Rathna" Examination of Mysore Hindi Prachar Parishat, Bangalore, which has been recognised as equal to the other examinations as per Government Order dated 12th April 1,950 read above.

II. In order to be confirmed and placed in the grade, the teachers should qualify themselves by passing "Praveena" of Dakshina Bharat Hindi Prachar Sabha, Madras and undergo the Pracharak Training Course.

The Director states that the question of modification of the qualifications required of Hindi teachers for High Schools was considered at a meeting of the Board of Hindi Studies and Examinations held on 7th October 1952, and that the Board also resolved that it is quite necessary to insist upon the teachers possessing the S.S.L.C. qualification. He is of opinion that it is quite necessary to insist, in the case of Hindi teachers, on the general qualification of S.S.L.C. in addition to their Proficiency in Hindi.

As a large number of Hindi Teachers are required and as it is reported that there is dearth of qualified candidates, it is directed that for the present the general educational qualification, *viz.*, S.S.L.C. need not be insisted upon in the case of Hindi teachers in High Schools in addition to their Proficiency in Hindi. This concession will be in force for a period of one year from the date of this order and will be made applicable to the Hindi teachers already in service. While selecting fresh candidates for the posts of Hindi teachers in High Schools, preference may be shown to candidates possessing S.S.L.C. general qualification in addition to the required qualification in Hindi.

Secretary to Government,
Education Department.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Sanctions the distribution of the Town Improvement Grants to the several Town Municipalities in the State.

READ—

D. O. Letter No. L. 17682-90—Ml. 184-52-1, dated 16—17th January 1953 from the Secretary to Government, Local Self-Government and Planning Departments, calling for proposals from the Deputy Commissioners of Districts for distribution of Town Improvement Grants during 1952-53 for improvement works in the Municipalities.

ORDER NO. L. 21437-21554—ML. 184-52-3, DATED BANGALORE, THE 12TH MARCH 1953.

A sum of Rs. 4,00,000 (four lakhs) has been provided in the current year's State Budget under the head "50. Civil Works—Grants-in-aid—Improvement of Town and Minor Municipalities". Out of this amount, a sum of Rs. 1,82,698 has been distributed already as per details in Annexure I.

After reviewing the position, it was considered desirable to distribute the balance of grant of Rs. 2,17,300 for improvement works which are of urgent nature. Proposals were accordingly called for from the Deputy Commissioners of Districts.

Government have examined the proposals received on the basis of importance and priority in each case and they are pleased to distribute the amount available under the budget head "50. Civil Works—Grants-in-aid—Improvement of Town and Minor Municipalities", to the Municipalities noted in Annexure II to the extent noted against each for improvement works.

The Accountant-General, Mysore, Bangalore, is requested to place the amount at the disposal of the concerned Town Municipal Councils immediately. The Deputy Commissioners of Districts are requested to see that the amounts are drawn and adjusted to the funds of the Municipal Councils and that the improvement works are taken up without delay.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and
Planning Departments.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Fixes 31st May 1953 as dead line for reporting all cases of irregularities committed by the Unit Officers so far.

OFFICIAL MEMORANDUM.

ORDER No. E. 15065-165—R. & P.S. 14-52-28, DATED BANGALORE, THE 24TH FEBRUARY 1953.

It has come to the notice of Government that in practice the revised rules of recruitment prescribed in G. O. No. 6-105—C.R.B. 1-34-1, dated 3rd July 1934 for subordinate services as modified from time to time are not being strictly adhered to by several Unit Officers and that in some cases the Unit Officers are violating the rules. The Public Service Commission have reported that the following are the types of irregularities usually committed by the Unit Officers and their subordinate officers :—

"(1) The appointment of—

(i) over-aged persons,

(ii) unqualified or under-qualified candidates,

(iii) Brahmin candidates in special vacancies.

(2) The promotion of—

(i) candidates from the lower class or grade to the next higher class or grade without regard to seniority and qualification,

(ii) candidates to direct recruitment vacancies,

(iii) inferior persons to superior service.

(3) Transfer of persons from ministerial to executive cadre and *vice versa* without proper procedure,

(4) The continuance of local candidates for a period exceeding three months in respect of ministerial and executive appointments and one school or academic year in the case of tutorial appointments without previous concurrence of the Public Service Commission.

(5) Appointment and continuance of local candidates in the presence of candidates on the approved lists,

(6) Appointment of local candidates in advertisable vacancies without reporting them for advertisement within 15 days from the date of occurrence, and their continuance even after the receipt of applications.

The Public Service Commission have further observed that the number of cases relating to irregular appointments and promotions are on the increase in the Departments like Public Works, Electrical, Medical, Public Health, Education and Revenue, that a large number of cases have also come up for consideration in respect of tutorial appointments in the District Boards and Municipalities and that in spite of repeated and timely instructions pointing out the procedure and the existing rules to the Unit Officers, the position has not improved. They feel that there may be many more such cases which are still latent and not come up to their notice. They therefore consider that instead of dealing with individual cases as and when they come up for consideration which involve unnecessary correspondence and waste of time to the Government, Commission and the Offices concerned, it is desirable to effect wholesale rectification of these irregularities immediately so that there may be no more of such instances thereafter. For this purpose, they have suggested that the Unit Officers may be requested to report, without any exception, all cases of irregular appointments, promotions and transfers so far made in all offices under their control for consideration of the Commission before 31st March 1953.

While agreeing with the suggestions of the Commission, it is directed that all the Unit Officers should report to the Commission before 31st May 1953 all cases of irregularities so far committed by the Unit Officers or their subordinate Officers and that in future the rules of recruitment should be rigidly and scrupulously followed in making appointments, promotions and transfers. Should there be any contravention of the rules by the Unit Officers or their subordinate Officers, their conduct will be seriously noticed. Failure to report within 31st May 1953 the cases of irregularities referred to above will also be seriously noticed by Government.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

Directs that Control of Government Guest Houses and Government Hotels in Mysore be vested with the Chief Secretary to Government of Mysore instead of the Private Secretary to His Highness the Maharaja of Mysore with effect from 1st May 1953.

ORDER No. A.D. 214-300—G. 1-53-1, DATED BANGALORE, THE 6TH APRIL 1953.

The Government are maintaining a number of Guest Houses both at Bangalore and Mysore for the entertainment of State Guests and for the accommodation of other distinguished Guests and Officers of Government of India and of other States who happen to visit the State either on invitation or for official purposes. All the charges in respect of State Guests are met by Government whereas the Paying Guests are charged for Board, Lodge and Conveyance. Government Parties, At Homes and Dinners are also arranged at these Guest Houses in honour of various persons. In the circumstances, a consistent Government policy has to be followed in running these Government Guest Houses and to do so, all of them have to be under a unified control and organisation.

The Government Guest House at Bangalore, *viz.*, the Residency, the Crescent House, the Carlton House and the Park House and the Official residences of Ministers, *viz.*, Race View, Race View Cottage and Vimala Prabha are under the control of the Chief Secretary to Government, who is assisted by the Registrar, Mysore Government Secretariat and the Superintendent, Guest Houses. But, in Mysore, only a few of the Government Guest Houses, *viz.*, the Old and New Indian Guest Quarters and the Secretariat Staff Quarters are under the control of the Chief Secretary, the local officer in charge being the Superintendent, Indian Guest Quarters. All the Official Residences of Ministers at Mysore, except "Jaladarshini" are similarly under the control of the Chief Secretary. However, the other important Government Guest Houses at Mysore, *viz.*, Government House, Staff Quarters and Lalitha Mahal as also the Government Hotels—Hotel Metropole, Hotel Krishnarajasagar, are in charge of the Private Secretary to His Highness the Rajpramukh of Mysore. It is now considered desirable to vest all Government Guest Houses and Hotels directly under the control of the Chief Secretary to Government, with effect from 1*st May* 1953.

The Chief Secretary or the Registrar, Mysore Government Secretariat, will inspect all these Guest Houses and Hotels as frequently as may be necessary to ensure uniformity both with regard to treatment of Guests as also the administration of these institutions.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

FINANCIAL SECRETARIAT

Authorises the Deputy Commissioners of Districts to order the destruction of the Time Expired Records of the Taluk and District Treasuries.

READ—

Letter No. 64/E./T.M., dated the 22nd December 1952, from the Accountant-General, Mysore, requesting that Article 324 of M.C.A.C., Volume II, relating to destruction of time expired records of District and Taluk Treasuries, may be suitably amended.

ORDER NO. FL. (B) 14648-58—C.R. 10-52-3, DATED BANGALORE, THE 27TH MARCH 1953.

The Accountant-General has reported that it is unnecessary to obtain the certificate prescribed from him before the records of Taluk and District Treasuries enumerated in Appendix XXVI of the M.C.A.C., Volume II, are destroyed, when they become time-barred and that the Deputy Commissioners themselves may be authorised to order the destruction of the time-expired records after satisfying themselves that they will no longer be required, a reference being made to his office only in cases of doubt.

The proposals of the Accountant-General are accepted.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Continues the maximum limit of Advance for purchase of a bicycle, until further orders.

READ—

Government Order No. Fl. 6768-6868—G.F. 251-51-2, dated the 16th February 1952, directing, among other things, that the maximum limit of advance of Rs. 300 permissible to Government servants intending to purchase bicycles be in force for a period of one year from 1st April 1952.

ORDER NO. Fl. 9175-9325—G.F. 249-52-1, DATED BANGALORE, THE 28TH MARCH 1953.

As the conditions of the market continue to be same as before, it is directed that the maximum limit of advance of Rs. 300 for the purchase of a bicycle sanctioned in the Government Order dated the 16th February 1952, read above, be continued until further orders.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Issues certain instructions regarding the preparation of Establishment Returns in respect of Temporary Establishments.

CIRCULAR.

ORDER NO. FL. (B) 14857-957—C.R. 57-52-1, DATED BANGALORE, THE 31ST MARCH 1953.

According to Article 232 of the Mysore Service Regulations as amended by Government Order No. Fl. (B) 6194-6274—C.R. 3-51-2, dated the 10th March 1952, "half the period of continuous temporary service in all the Departments will count for pension, provided such service is followed by a substantive appointment, and if the continuous temporary service prior to confirmation extends to five years or more, the full period will count for pension."

In view of the above provision, the preparation of establishment returns in respect of temporary establishments also has become necessary and establishment returns in respect of temporary establishments in which service rendered would eventually count for pension should be prepared and forwarded to the Accountant-General's Office for purpose of check as in the case of permanent establishments.

The first return may show the establishments as they stood on 1st April 1952 and may be sent to the Accountant-General's Office so as to reach that office before the 30th April 1953.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Regulates the grant of Travelling Allowance and other Allowances to non-official members attending various Committees.

READ—

Government Order No. Fl. (B) 6924-33—C.R. 1-52-12, dated the 23rd September 1952, issuing orders regarding the grant of Travelling Allowance and other Allowances to the members of the State Legislature whenever they are appointed to Committees or other bodies, other than the Committees of the Legislature constituted under the executive orders of Government.

ORDER NO. FL. (B) 14971—C.R. 1-52-27, DATED BANGALORE, THE 31ST MARCH 1953.

With a view to securing uniformity in the rules regulating the Travelling Allowance to non-official members attending various Committees (*vide* Article 494), the following rules have been laid down, and these rules shall replace the existing rules contained in Appendix 'M', which is deleted.

Prescribes a revised Procedure for Payments to be made Outside the State in respect of Trust Boards and all the Local Bodies for Payments above Rs. 500.

READ—

Government Order No. Fl. (B) 3475-6—C.R. 16-52-6, dated the 16th July 1952, approving the proposal of the Accountant-General, Mysore, to discontinue the pre-audit of bills of firms relating to the Public Works Department and directing that in such cases the Divisional Officers should arrange payment to the firms direct.

2. Government Order No. Fl. (B) 4007-4096—B. & T. 11-52-3, dated the 25th July 1952 laying down the procedure to be followed (1) for settlement of collection memos of local Banks on the State Huzur Treasury, and (2) for obtaining Bank Drafts by Government officers for payments to be made outside the State.

3. Official Memorandum No. Fl. (B) 11722-52—B. & T. 11-52-4, dated the 30th December 1952, directing the drawing officers in Mysore City, Mandya and Shimoga towns to arrange their payments outside the State by means of Reserve Bank of India Drafts.

4. Letter No. 152—C.S.A., dated the 22nd September 1952, from the Controller, State Accounts Department, recommending in the circumstances explained, that the procedure laid down in Government Order dated the 25th July 1952, read above be extended to the Trust Boards and all the Local Bodies in the State.

ORDER NO. FL. (B) 146-246—B. & T. 11-52-7, DATED BANGALORE, THE 3RD APRIL 1953.

The Controller, State Accounts Department, reports that the new procedure sanctioned in the order dated 25th July 1952, read above is found to be convenient and suitable to Local Bodies and Trust Boards also for arranging payments to firms outside the State promptly and recommends the extension of the facilities to those Bodies also in respect of their payments above Rs. 500.

2. Sanction is accorded to the provisions of the order dated the 25th July 1952 being extended to the Trust Boards and all the Local Bodies also in respect of payments above Rs. 500, payments amounting to Rs. 500 and below being sent by Money Order or Insured Post, whichever works out cheaper.

3. This arrangement will not, however, apply to institutions in Mandya, Mysore and Shimoga Districts where Reserve Bank Drafts can be obtained from District Treasuries concerned.

4. The Controller, State Accounts Department, is requested to issue necessary modifications to the Municipal Accounts Manual and the District Board Accounts Manual.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Permits the Grant of Second Advance to Government Servants for building or purchase of house.

ORDER NO. FL. 375-525—G.F. 3-53-1, DATED BANGALORE, THE 7TH APRIL 1953.

Under the existing provisions of the Mysore Financial Code, not more than one advance is to be given to a Government servant during his entire service either for purchase or construction of a house.

2. The above provisions, while rendering assistance to a Government servant to own a house, do not however, provide relief to persons, who, due to causes beyond their control, are obliged to dispose of the house. It is, therefore, directed that the rules relating to the grant of advances to construct or purchase houses be modified as under :—

(i) Advance for construction or purchase of a house will be given to a Government servant not more than twice during the entire service.

(ii) The grant of the second advance is however subject to the condition that the Government servant is obliged, for reasons beyond his control, to dispose of the house constructed or purchased out of the first advance and that the first advance has been completely repaid by deductions from the salary or out of the sale realisations of the house which had to be sold by the Government servant or partly by the former and partly by the latter.

(iii) The Government servant selling the house should specifically indicate to the satisfaction of the sanctioning authority the reasons for selling the house.

3. The advance will carry interest at 5 per cent per annum for the first as well as for the second advance.

4. The existing procedure regulating the grant of advance, the mode of recovery, etc., will however remain unaltered.

5. Necessary amendment to the Mysore Financial Code, Volume I, will issue separately.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Utilisation of unforeseen recoveries.

OFFICIAL MEMORANDUM.

ORDER NO. FL. (B). 411-511—BUD. 70-52-2, DATED BANGALORE, THE 7TH APRIL 1953.

It has been brought to the notice of the Government by the Accountant-General that in several grants unanticipated credits have been utilised to cover excess under the grants. Such a procedure is highly irregular, against the rules and should be avoided. The following procedure is, therefore, prescribed to secure that Controlling Officers do not utilise savings due to unforeseen recoveries for financing expenditure not approved by the Legislature.

(*a*) Savings in the sub-heads of grants accommodating recoveries will not be available for re-appropriation to cover excess under other sub-heads except sub-heads accommodating other recoveries. The unutilised savings in these sub-heads will be allowed to lapse and suitably explained in the Appropriation Accounts.

(*b*) The approval of the Legislative Assembly to any additional expenditure over the amount voted by it for the gross expenditure in a grant will be taken by means of a supplementary grant. The supplementary grant will take into account the unforeseen additional recoveries in the course of the year and will be taken for the net excess over the total grant, details of the gross expenditure and of the recoveries being placed before the Assembly. If the net effect of the additional recoveries is to reduce the total expenditure against the grant to a figure less than the original grant or to reduce it to a minus figure, the Assembly's approval to the increase in the gross expenditure will be taken by means of a token grant.

2. The excess under the sub-heads for gross expenditure which would have been covered by re-appropriation of savings but for the prohibition in sub-paragraph (*a*) will be suitably explained in the Appropriation Accounts.

3. The procedure set out in paragraph 1 will apply *mutatis mutandis* to non-voted expenditure. These provisions will be incorporated in the Budget Manual which will be issued separately.

M. SHAMANNA,
Secretary to Government,
Finance Department.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Approves the rate of the levy of a Consolidated Local Cess at one and a half annas (Re. 0-1-6) in the Rupee on all items of Land Revenue and Forest Revenue in the Mandya District.

READ—

Correspondence ending with letter No. B2. P.R. 38—52, dated 16th February 1953 from the President, District Board, Mandya, requesting sanction to the resolution of the District Board, dated 4th February 1953 proposing to levy a consolidated local cess at one and a half annas (Re. 0-1-6) in the Rupee on all items of Land Revenue and Forest Revenue in lieu of the existing local and special cesses levied in the Mandya District at Re. 0-1-0 and Re. 0-0-3 in the Rupee respectively.

ORDER No. L.B. 12543-49—V.P. 64-52-8, DATED BANGALORE, THE 30TH MARCH 1953.

In exercise of the powers conferred by Section 106 A(1) of the Mysore Village Panchayet and District Board Act IV of 1952 as amended, the Government of Mysore are pleased to approve of the resolution of the District Board, Mandya, and to direct the levy of a local cess at the rate of one and a half annas (Re. 0-1-6) in the Rupee on all items of Land Revenue and Forest Revenue collected in the Mandya District.

The levy and collection of this Cess will be in the same manner as heretofore.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Publishes Rules for the Accommodation of Guests at the Hyderabad Government Houses at Delhi, Bombay and Ooty.

OFFICIAL MEMORANDUM.

O.M. No. CH.S. 18669-769—MISC. 162-52-1, DATED BANGALORE, THE 10TH MARCH 1953.

A copy of the Rules of the Hyderabad Government for accommodation in the Guest Houses at Delhi, Bombay and Ooty, is appended herewith.

2. The Government of Hyderabad have agreed to accommodate Mysore Government officers in accordance with these rules, subject to the availability of accommodation.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

ANNEXURE.

RULES FOR THE ACCOMMODATION OF THE GUESTS AT THE HYDERABAD GOVERNMENT HOUSES AT DELHI, BOMBAY AND OOTY.

1. (i) *Reservation*.—Accommodation at the Government Guest Houses is intended for the Hon'ble Ministers and officers of the Hyderabad Government, visiting Delhi, Bombay and Ootacamund on duty. An advance intimation to the Chief Secretary regarding Ministers, and permission from the Chief Secretary in writing, will be necessary. Accommodation will also be provided for Ministers and officers of other Governments, if available, by special request to the Chief Secretary.

(ii) Reservation in favour of a Gazetted officer on duty usually carries the right to occupy. Such reservation may, however, be cancelled by the controlling officer (*i.e.*, the Chief Secretary to Government) in favour of some other officer or Minister with a higher priority. The requisition for reservation should be made to the controlling officer in advance, say eight days before the date from which the accommodation is required, and unless instructions to the respective Superintendents of the Guest Houses are issued, it should not be taken for granted that the reservation is acceded to. However, in special cases, where notice of one week cannot be given for unavoidable reasons, four days' notice is inevitable.

Accommodation will be provided, if available and if not required for higher priority purposes. The Hyderabad Ministers and officers will get priority over Ministers and officers of other States.

2. Stay of over six days in case of Hyderabad officers and four days in case of other State Officers, will not normally be permitted. However, the Chief Secretary may permit extensions on prior notice if accommodation is available.

3. *Charges.*—

(A) BOARD.—

	I.G. Rs. 4 per day

The above rates shall also be applicable to casual guests, if any, of occupants. Twelve hours' notice should be given by the occupant to the Superintendent in writing, in case entertaining of guests in the Guest Houses is intended. Normally there shall be no large entertainments without previous permission.

4. *Breakages and Losses.*—Those occupying the Guest Houses will be responsible for the breakages and losses caused by them, their family members, guests, their staff or servants. In cases of breakages, recovery will be made from the party concerned at 100 per cent of the original book value or the market value, whichever is higher.

5. *Government Cars.*—The cars of the Guest Houses will be provided on request if available, and if not already booked for some other guest, by the Superintendent. Charges will be levied at the rate of Re. 0-7-0 per mile irrespective of the size of the car. An additional charge of Re. 0-6-0 per hour or part of an hour (after the 1st hour) will be levied as waiting charges.

If full details regarding the time of arrival at the respective Railway Station or Airport are given in advance and if so desired the Superintendents will arrange for a Government car to meet a guest at the Railway Station or Airport. This, however, cannot be guaranteed as the car may have been booked earlier for another engagement. Both for receiving and transporting a guest, at or to the Station or Airport, charges will be made for journey by car both ways.

6. *Deposits.*—Every guest will have to deposit in advance an amount calculated at 75 per cent of the approximate total charges for the stay for each of the members of the party with the Superintendent of the Guest House. At the time of his leaving the Guest House final payments will be made, and the balance, if any, out of the initial deposit will be returned.

7. *Trunk Calls.*—No trunk call will be made without the knowledge of the Superintendent, and signature of the guest in the Register kept for the purpose. Charges in this respect will be paid by the party before making the call; a schedule of rates will be kept at the Guest House and charges made accordingly.

8. *General.*—(i) A register will be kept in charge of the Superintendent of the Guest Houses in which all the guests should enter the names, designation, date and time of arrival as soon as they arrive at the Guest House. Similarly at the time of departure, entries should be made in the Register about time of departure and the amounts paid.

(ii) Guests are requested to enter complaints or suggestions in the Register maintained at the Houses at respective places or communicate by letter to the Chief Secretary to Government, General Administration Department.

9. A copy of these rules together with a list of furniture and crockery, etc., available in Guest rooms will be hung in every room of all the Guest Houses for the information of the visitors.

10. The co-operation of the guests is earnestly solicited.

K. SRINIVASAN,
Chief Secretary to Government.

Dated 20th January 1953.

REVENUE AND HOME SECRETARIAT

Reviews the Administration Report on the working of the Revenue Department during the year ending with 30th June 1952.

READ—

Report on the working of the Revenue Department during the year ending with 30th June 1952, received from the Revenue Commissioner, with his Letter No. C. Per. A. 1—51-52, dated 31st December 1952.

ORDER No. R. 17313-87—L.R. 538-52-3, DATED BANGALORE, THE 25TH MARCH 1953.

1. Sri K. Srinivasan, I.A.S., continued to be in charge of the Department during the year under review.

2. *District and Sub-Division Charges.*—There were changes in the personnel of the Deputy Commissioners of all Districts except Mysore. There were no changes of officers during the year in the Sub-Divisions noted below :—

1. Bangalore.
2. Ramanagaram.
3. Tumkur.
4. Madhugiri.
5. Pandavapura.
6. Hassan.
7. Saklespur.
8. Shimoga.
9. Chitaldrug.
10. Davangere.

The posts of the Special Acquisition Officers, Bangalore, Krishnarajasagar Works, Mysore, Visvesvaraya Canal Works, Mandya, and Shimoga and the Additional Assistant to the Deputy Commissioner, Bangalore, were continued during the year. The posts of the Special Land Acquisition Officer, Bangalore and Shimoga, (Lakkavalli and Tunga Anicut Projects) were abolished at the end of the year as a measure of economy.

Neither Probationary Assistant Commissioners nor Revenue Probationers were entertained during the year under report.

3. *Rainfall and Seasonal conditions.*—There was a decrease in the average rainfall for the State both during the official year and the Calendar year as compared with the preceding official and Calendar year respectively. The rainfall for the State during the year 1951-52 was also less than the average of 35 years. The actual average rainfall was more in the Districts of Chikmagalur and less in other Districts than the 35 years' average. It was less than that of the previous year in all the Districts.

Similarly, the rainfall during the Calendar year 1951 was less than that of 1950 in all the Districts except Bangalore, Kolar, Mandya and Chitaldrug Districts where it was more. The actual average rainfall in the Mandya District, during the Calendar year was more than that of 35 years' average also.

Though the season commenced very well with a strong south-west monsoon, rains totally failed during the period of agricultural operations. The result was that throughout the State, sowing operations were impeded and tender shoots from early sowings withered away. In certain places, sowings had to be put off until late in September and in some other places, there were no sowings at all. In the District of Mysore, Mungar Jola which forms the mainstay of the people of at least four to five Taluks in the District, was affected badly.

4. *Distress.*—Belated and uneven rains affected the agricultural operations in the State. The result was that large sections of the agricultural population was thrown out of employment. There was dearth for fodder and drinking water. In the Districts of Kolar, Tumkur and Chitaldrug, signs of distress appeared as early as in July 1951 as in these Districts drought conditions had prevailed in the previous year also, and the economic conditions of the ryot-class in these parts had been affected in that year. Later, as Winter and Summer approached, the dry parts of the Districts of Mandya, Mysore and Bangalore also developed distress conditions.

Crops, both wet and dry, were affected in general and particularly in the dry areas. The purchasing power of the agricultural class was greatly reduced and at the same time, the price of foodgrains and of the essential commodities rose. The livestock in the affected parts faced a shortage of fodder and water.

5. *Relief Works.*—In addition to the execution of the normal programmes of works of the Departments of Public Works and Rural Development, relief works were taken up, out of the Famine Reserve Fund as noted overleaf, to provide employment to the needy persons.

Sl. No.	Name of District	Nature of works	Works completed	Outlay incurred

		Opening of approach roads ...	...	...
5	Chitaldrug ...	Works including Road works ...	...	15,382

Rates of wages for adults, women and boys above 12 years of age were fixed at 10 annas and 8 annas respectively for $1\frac{1}{2}$ cubic yards of earthwork per day per adult.

II. Fodder.—Hay from Mandya and Mysore Districts and Ajjampur Farm was moved on Government account into the Districts of Kolar, Tumkur and Chitaldrug for distribution in the scarcity areas at a subsidised rate of Rs. 70 per ton in the first instance and it was subsequently reduced to Rs. 47 per ton. The total quantity of hay supplied was 1,780 tons and 35 maunds. Special staff had been entertained for the receipt and distribution of hay in the scarcity areas.

In addition to the above 3,480 bags of wheat bran were made available at a concession rate for use of cattle in the Kolar District and the State Forests were also thrown open for grazing.

III. Gratuitous Relief.—(i) *Kolar District.*—Out of Rs. 20,000 sanctioned out of the Assam Earthquake Relief Fund, a sum of Rs. 17,400 was spent for providing free grain and cloth to registered destitutes numbering 3,388. Nine hundred and seventy-six yards of cloth, 307 clothes, 12,456 lbs. of bread, 8,200 tons of Multi-vitamin tablets and 1,630 lbs. of Milk powder were supplied to the needy people. A sum of Rs. 10,000 was allotted to this District out of the Chief Minister's Relief Fund and a sum of Rs. 20,000 was donated by His Highness the Maharaja. Two tank works—Ramaswamiah's Tank for Rs. 20,000 and Devastanada Hosahalli Tank for Rs. 2,500 were taken up out of these funds.

Seventeen Milk Centres were opened by the Red Cross Society and milk and milk powder were distributed to the children and sick persons.

(ii) *Bangalore District.*—One thousand Multi-vitamin tablets and 2 barrels of milk powder were supplied by the Red Cross Society and were distributed among children invalids and expectant mothers. A sum of Rs. 5,000 was sanctioned out of the Assam Earthquake Relief Fund for affording relief to the needy.

(iii) *Tumkur District.*—A sum of Rs. 10,000 was allotted to this District out of the Assam Earthquake Relief Fund. Foodgrains and cloth were purchased out of these funds and were distributed to the needy. Cash doles were also given.

(iv) *Mysore District.*—Out of Rs. 2,500 allotted to this District, out of the Assam Earthquake Relief Fund, a sum of Rs. 1,713-2-0 was spent for the purchase of cloth for distribution among the needy in the affected parts and a sum of Rs. 100 was spent for running a gruel centre at Kalkunda, Nanjangud Taluk.

Seasonal Remissions.—Owing to the low outturn of crops, remission of one-half of the wet assessment amounting to Rs. 1,80,212 and dry assessment amounting to Rs. 3,48,271 and the postponement of the collection of wet assessment amounting to Rs. 11,768 and dry assessment amounting to Rs. 3,48,271 were sanctioned in these affected parts.

6. *Cultivation of fresh lands.*—Out of an extent of 644,888 acres 7½ guntas of land available for cultivation at the beginning of the year, an extent of 34,048 acres 34 guntas with an assessment of Rs. 38,670 was taken up for cultivation during the year as against 38,346 acres 11 guntas with an assessment of Rs. 41,393-6-6 in the year 1950-51.

Relinquishments.—The total area relinquished during the year was 3,645 acres 36 guntas with an assessment of Rs. 2,402-5-9 as against 4,715 acres 27 guntas assessed at Rs. 3,330-10-0 in the previous year. There was a net increase of 30,402 acres 38 guntas with an assessment of Rs. 36,267-10-3 in the extent granted for cultivation during the year.

Amritmahal Kaval Lands.—An extent of 87,525 acres was available at the beginning of the year 1951-52, and an extent of 986 acres was surrendered during the year, making a total of 88,511 acres. Out of this, an extent of 3,786 acres has been disposed of, leaving a balance of 84,725 acres at the end of the year.

A sum of Rs. 9,215 was realised by the disposal of the above land, the assessment levied thereon being Rs. 1,672. The disposal of Amritmahal Kaval lands for cultivation is not satisfactory. Necessary steps may be taken to expedite disposal of the surrendered Amritmahal Kaval lands for cultivation.

Date Reserve lands.—An extent of 2,81,887 acres 30½ guntas of land was available at the beginning of the year and an extent of 161 acres 19 guntas was surrendered during the year, bringing the total extent available for disposal during the year to 2,82,048 acres 9½ guntas. Out of this, an extent of 2,557 acres 23 guntas of land was disposed of during the year, leaving a balance of 279,490 acres 26½ guntas for disposal at the end of the year. A sum of Rs. 36,668 was realised by the disposal of the said extent of land during the year, the assessment levied thereon being Rs. 694-5-0.

7. *Area under occupation and area cropped.*—The total area under occupation during the year was 8,597,061 acres as against 8,457,803 acres in the previous year, showing a net increase of 139,258 acres.

The net area cropped during the year was 6,759,064 acres as against 6,854,835 acres in the preceding year, showing a net decrease of 95,771 acres. The percentage of fallow lands compared with the area under occupation for the State was 21·37 as against 18·95 in the previous year. The percentage of lands allowed to lie fallow was the highest in the Hassan District, being 34·5 and the lowest in the Bangalore District, being 5·56.

8. *Darkhasts.*—The number of darkhasts pending at the beginning of the year 1951-5 was 10,353 and the number received was 20,441, making a total of 30,794. Out of these, 20,955 have been disposed of during the year, leaving a balance of 9,839 at the end of the year.

The total extent of land disposed of during the year was 65,631 acres and the amount realised being Rs. 7,08,415. The assessment levied on this extent was Rs. 79,528.

Subsidisation of Irrigation Wells.—The scheme for the grant of subsidies for the construction of irrigation wells continued to be in force during the year with certain modifications.

Out of 3,897 applications received for the grant of subsidy, 1,189 applications were disposed of by grant and 1,314 by rejection, leaving a balance of 1,394 pending at the end of the year. Number of cases still to be disposed of is heavy.

Out of Rs. 6,34,500 allotted for the year, a sum of Rs. 3,27,218 was actually disbursed to the grantees.

9. *Irrigation under Special Projects.*—(i) The total extent of land to be irrigated under the Vani Vilas Sagar, Channels had been limited to 10,180 acres and this extent has now been increased to 11,001 acres and 18 guntas. During the year under report, an extent of 670 acres 28 guntas was included and an extent of 22 acres 23 guntas was excluded from the block area of the Vani Vilas Sagar Channels.

The total area under occupation was 10,651 acres 14 guntas as against 9,371 acres 2 guntas during the previous year.

(ii) *Marconahalli Reservoir* (*Kunigal Taluk*).—Out of the net irrigable extent of 8,868 acres, an extent of 8,500 acres was under occupation during the year, as in the previous year.

A sum of Rs. 8,85,086-15-5 was outstanding recovery at the beginning of the year under contribution, water rate and cesses. During the year under report, a sum of Rs. 70,047-1-1 was taken on demand making a total of Rs. 9,55,134-0-6 Out of this, a sum of Rs. 1,01,933-14-6 was collected during the year, leaving a balance of Rs. 8,53,200-2-0 at the close of the year. Arrears are heavy and vigorous steps will have to be taken to expedite recovery of the arrears.

(iii) *Bhadra Right Bank Channel.*—The area irrigated under the Bhadra Right Bank Channel was 5,103 acres 26 guntas as against 2,750 acres 22 guntas during the previous year.

A sum of Rs. 11,000-6-3 was outstanding recovery under water rate on 1st July 1951, a sum of Rs. 36,871-6-6 was taken on demand, making a total of Rs. 47,871-12-9. Out of this, a sum of Rs. 39,131-1-1 was collected, leaving a balance of Rs. 8,740-11-8 at the close of the year.

A sum of Rs. 2,891-6-7 was outstanding recovery under contribution at the beginning of the year. A sum of Rs. 1,425-0-5 was collected, leaving a balance of Rs. 1,466-6-2 at the close of the year.

(*iv*) *Anjanapur Reservoir and Channels* (*Shikaripur Taluk*).—During the year under review, an extent of 17,074 acres 29 guntas was irrigated as against an extent of 15,680 acres 25 guntas during the previous year.

A sum of Rs. 10,171-11-1 was outstanding recovery at the beginning of the year under water rate, a sum of Rs. 56,481-2-9 was taken on demand, making a total of Rs. 66,652-13-10. Out of this, a sum of Rs. 56,477-4-1 was collected, leaving a balance of Rs. 10,175-9-9 at the end of the year. The percentage of collection was 87·02 as against 78·8 during the previous year.

A sum of Rs. 11,050-14-10 was outstanding recovery on 1st July 1951, under contribution, and a sum of Rs. 41,156-5-0 was taken on demand, making a total of Rs. 52,207-3-10. Out of this, a sum of Rs. 37,316-6-7 was collected, leaving a balance of Rs. 14,890-13-3 at the end of the year. The percentage of collection was 83·6 as against 78·2 during the previous year.

(*v*) *Visvesvaraya Canal.*—The entire channel lengths of Visvesvaraya Canal Main, Maddur, Keragode, Cauvery Branches and the several distributary channels, *viz.*, Lokasara, Hebbakavadi, Nidaghatta, Turuganur, Shimsha and Cowdley Sub-Branches continued to be in service during the year under review.

Demand, Collection and Balance of Contribution, Water Rate, etc., under the Visvesvaraya Canal.—Against a demand of Rs. 93,06,509-12-7 (Rs. 88,27,180-4-9) including the arrears of previous years, a sum of Rs. 16,21,184-5-1 (Rs. 12,82,987-13-6) was collected during the year. The percentage of collection to the demand was 17·4 as against 14·5 during the previous year.

Timely action was taken to sanction remissions, writes off of contribution and water rate, etc., taken on demand in respect of lands coming within the extended dry belt of the villages and in respect of Medu and Marshi lands.

Block System of Cultivation.—The triennial system of rotation of crops was continued during the year, relaxation being allowed in the system of water supply, in favour of raiyats owning large extents to enable them to raise crops other than those allowed under certain distributaries.

A Pilot Training *cum* Development Project at the Visvesvaraya Canal at a cost of Rs. 8,52,500 was established in accordance with Government Order No. A.F. 1143-48—Agri. 187-51-5, dated 18th March 1952. The training centre

has been sanctioned for a period of three years and the extension project for a period of five years, the expenditure on the training scheme being borne entirely by the Ford Foundation.

The arrears under contribution, water rate, etc., continued to be very heavy. It is hoped that the special staff recently sanctioned, will speed up the collections and reduce the arrears appreciably during the coming years.

10. *Demand, Collection and Balance of Land Revenue inclusive of Land Revenue Miscellaneous.*—The total demand with arrears under Land Revenue inclusive of Land Revenue Miscellaneous for the year under review was Rs. 1,64,94,192 as against Rs. 1,61,71,342 in the preceding year. A total sum of Rs. 1,37,33,320 inclusive of remission of Rs. 1,96,259 was collected during the year as against Rs. 1,47,28,788 including a remission of Rs. 2,92,149. There was a decrease of Rs. 9,95,468 in the collection due to distress conditions and as a result of suspension of assessment. The percentage of collection to total demand during the year under review was 82 per cent as against 91·8 per cent in the preceding year.

11. *Coercive Processes.*—The total number of processes of all kinds served was 74,006 and the amount realised thereby was Rs. 7,73,185 during the year under review as against 81,475 and Rs. 8,74,616 during the preceding year.

12. *Co-operative Society Decrees.*—As many as 3,286 decrees involving a sum of Rs. 5,24,473-8-10 were pending at the beginning of the year, and 1,406 decrees involving a sum of Rs. 4,30,383-9-7 were received during the year, making a total of 4,692 decrees involving a sum of Rs. 9,54,857-2-5 for disposal.

Out of these, 2,191 decrees were disposed of during the year and a sum of Rs. 3,77,328-1-8 was recovered, leaving a balance of 2,501 decrees involving a sum of Rs. 5,77,529-0-9.

13. *Takrar Taktas.*—Out of 49,521 takrar taktas that came up for disposal during the year, 39,545 were disposed of, leaving a balance of 9,976 at the close of the year. The percentage of disposal was 80·77. The number of takrar taktas pending at the close of the year was heavy in the Districts of Bangalore, Mandya, Tumkur and Chitaldrug and the percentage of disposal was poor in the Bangalore District.

14. *Land Improvement and Takavi Loans.*—A sum of Rs. 3,00,000 under Land Improvement Loans, Rs. 5,00,000 under Takavi Loans and Rs. 5,000 under Fruit Cultural Loans, were provided in the Budget for the year 1951-52 for grant and these amounts were distributed among the several districts. A sum of Rs. 5,13,305 was actually distributed during the year.

(*i*) *Land Improvement Loans.*—During the year under review, 1,807 applications for a loan of Rs. 15,40,740 were dealt with and 507 applications for a sum of Rs. 1,57,425 were sanctioned and 682 applications for a sum of Rs. 7,06,105 were pending sanction at the close of the year.

The total demand for the year including the arrears of previous years amounted to Rs. 2,45,407-6-2. A sum of Rs. 1,05,573-9-0 was recovered during the year, leaving a balance of Rs. 1,39,833-13-2 at the close of the year. The percentage of collection to the demand was 46·5 as against 46·88 during the previous year. It is seen that there is no improvement in the recovery of the arrears of loan and it is hoped that better attention will be devoted for collection of heavy arrears.

(*ii*) *Takavi Loans.*—There were 3,635 applications for a loan of Rs. 13,50,893 during the year. 1,272 applications for a loan of Rs. 3,22,870 were sanctioned. 1,203 applications for a sum of Rs. 4,33,601 remained undisposed of at the close of the year.

Out of the total demand of Rs. 4,71,889-10-7, a sum of Rs. 2,27,463-4-0 was actually collected, leaving a balance of Rs. 2,44,426-6-7 at the end of the year. The percentage of collection to the demand was 48 as against 51·39 during the previous year.

The arrears outstanding recovery are heavy in the Districts of Kolar, Tumkur and Chitaldrug. Necessary instructions have been issued to the local officers to improve the collections.

(*iii*) *Loans for Digging Irrigation Wells.*—There were 63 applications in Tumkur District for a sum of Rs. 55,550 during the year under review. Of these, 45 applications have been disposed of, 2 by grant of a sum of Rs. 750 and the remaining 45 by rejection, leaving a balance of 16 applications for a sum of Rs. 14,500 at the end of the year. Against a sum of Rs. 8,398-2-6 outstanding recovery, a sum of Rs. 509 was recovered.

15. *Tanks.*—There were in all 2,652 major tanks and 21,082 minor tanks in the State during the year under review. 42 major tanks and 358 minor tanks were restored during the year with an outlay of Rs. 1,46,811 and Rs. 5,74,014, respectively, and the earthwork estimated to cost Rs. 15,551 and Rs. 67,615 was done by the raiyats during the year to the major and the minor tanks, respectively. There were 400 major tanks and 3,044 minor tanks which are reported to be in urgent need of repairs.

16. *Record of Rights Scheme.*—The Scheme of Land Record of Rights has been introduced to all the Government villages as well as to some of the Inam villages which have been surveyed and settled, and it may take some more years before all the Inam villages are surveyed and settled and the Record of Rights Scheme introduced into these villages.

Mutation cases.—There was an opening balance of 127,108 cases, 195,361 fresh cases were received during the year, making a total of 322,469 cases. Out of these, 190,501 cases have been disposed of, leaving a balance of 131,968 cases for disposal at the end of the year. As there has been no improvement in the disposal of mutation cases, special measures are necessary to speed up disposal of mutation cases.

Demand, Collection and Balance of Mutation Fees.—There was a total demand of Rs. 24,68,148 and the collection for the year 1951-52 was Rs. 2,53,545 and the collection up to the end of June 1952 was Rs. 22,24,398, leaving a balance of Rs. 2,43,760 still unrecovered. Arrears are heavy.

Demand, Collection and Balance of Record of Rights Fees.—There was a total demand of Rs. 48,12,746 from the inception of the scheme up to the end of June 1952, the collection for 1951-52 was Rs. 85,592, the total collections from the inception of the scheme up to the end of June 1952 was Rs. 42,40,049, leaving a balance of Rs. 5,72,697 still to be recovered. Arrears are heavy.

Accidental fires as usual are taking a heavy toll of life and property. During the year under report, there were 901 accidental fires resulting in the death of 22 human lives and loss of property valued at Rs. 17,33,242-8-0. As in most cases, accidental fires are preventable. Local Revenue Officers may be instructed to take suitable steps to minimise such fires.

17. *Tours and Inspections.*—The Revenue Commissioner toured for 92 days and inspected all the District Offices, 6 Sub-Division Offices, 17 Taluk Offices and 18 Muzrai Institutions during the year.

The Deputy Commissioners of Mysore, Kolar, Chitaldrug and Chikmagalur Districts toured for the largest number of days, *viz.*, 271, 250, 233 and 230, respectively. The Deputy Commissioners of Kolar, Mysore and Tumkur inspected the largest number of roadside and interior villages, *viz.*, 1,633, 971 and 947, respectively.

The Sub-Division Officer, Madhugiri, camped out for the highest number of days, *viz.*, 123. The Sub-Division Officer, Pandavapura, toured for the highest number of days, *viz.*, 269. The highest number of roadside villages inspected was 936 by the Sub-Division Officer, Mysore, and the highest number of interior villages inspected was 401 by the Sub-Division Officer, Bangalore.

The Revenue Commissioner has reported that though the year under report was in many respects a very strenuous one for the Revenue Department, both the officers and the staff rose to the occasion and bore willingly the heavy and multifarious duties devolving on them.

Government note that arrears in respect of various miscellaneous demands like the loans, mutation fees, record of rights fee, tank contribution, etc., are heavy and hope that there will be a perceptible improvement in the collection of these arrears.

18. Government are glad to note that the working of the Department was, on the whole, satisfactory.

FINANCIAL SECRETARIAT

Issues certain instructions regarding the preparation of Establishment Returns in respect of Temporary Establishments.

CIRCULAR.

ORDER NO. FL. (B) 14857-957—C.R. 57-52-1, DATED BANGALORE, THE 31ST MARCH 1953.

According to Article 232 of the Mysore Service Regulations as amended by Government Order No. Fl. (B) 6194-6274—C.R. 3-51-2, dated the 10th March 1952, "half the period of continuous temporary service in all the Departments will count for pension, provided such service is followed by a substantive appointment, and if the continuous temporary service prior to confirmation extends to five years or more, the full period will count for pension."

In view of the above provision, the preparation of establishment returns in respect of temporary establishments also has become necessary and establishment returns in respect of temporary establishments in which service rendered would eventually count for pension should be prepared and forwarded to the Accountant-General's Office for purpose of check as in the case of permanent establishments.

The first return may show the establishments as they stood on 1st April 1952 and may be sent to the Accountant-General's Office so as to reach that office before the 30th April 1953.

Utilisation of Unforeseen recoveries.

OFFICIAL MEMORANDUM.

O.M. No. FL. (B). 411-511—BUD. 70-52-2, DATED BANGALORE, THE 7TH APRIL 1953.

It has been brought to the notice of the Government by the Accountant-General that in several grants unanticipated credits have been utilised to cover excess under the grants. Such a procedure is highly irregular, against the rules and should be avoided. The following procedure is, therefore, prescribed to secure that Controlling Officers do not utilise savings due to unforeseen recoveries for financing expenditure not approved by the Legislature.

(*a*) Savings in the sub-heads of grants accommodating recoveries will not be available for re-appropriation to cover excess under other sub-heads except sub-heads accommodating other recoveries. The unutilised savings in these sub-heads will be allowed to lapse and suitably explained in the Appropriation Accounts.

(*b*) The approval of the Legislative Assembly to any additional expenditure over the amount voted by it for the gross expenditure in a grant will be taken by means of a supplementary grant. The supplementary grant will take into account the unforeseen additional recoveries in the course of the year and will be taken for the net excess over the total grant, details of the gross expenditure and of the recoveries being placed before the Assembly. If the net effect of the additional recoveries is to reduce the total expenditure against the grant to a figure less than the original grant or to reduce it to a minus figure, the Assembly's approval to the increase in the gross expenditure will be taken by means of a token grant.

2. The excess under the sub-heads for gross expenditure which would have been covered by re-appropriation of savings but for the prohibition in sub-paragraph (*a*) will be suitably explained in the Appropriation Accounts.

3. The procedure set out in paragraph 1 will apply *mutatis mutandis* to non-voted expenditure. These provisions will be incorporated in the Budget Manual which will be issued separately.

M. SHAMANNA,
Secretary to Government,
Finance Department.

ELECTRICAL SECRETARIAT

Reviews the Administration Report of the Electrical Department for the year 1951-52.

READ—

Correspondence ending with letter No. 33462, dated the 29th October 1952, from the Chief Electrical Engineer forwarding the Administration Report of the Electrical Department for the year 1951-52.

ORDER No. E.D.S. 5762-862—ELECL. 183-52-9, DATED BANGALORE, THE 12TH MARCH 1953.

As against the demand of Rs. 1,97,41,614 during the year under review, the collection actually made amounted to Rs. 1,96,23,604 and there were an arrears of Rs. 18,00,410 as against Rs. 16,82,400 during the previous year. It is reported

that the arrears were due mainly to certain Government Industrial Concerns not having paid the surcharge on the consumption of power levied by the Department, awaiting the decision of Government and also to the rates for power supply to be fixed for Mysore Chemicals and Fertilizers at Belagola, Ferro Silicon Plant at Bhadravathi and minor arrears due from Government Departments, Municipalities and Private concerns. The Chief Electrical Engineer is requested to make arrangements for the collection of the arrears.

2. The Working Expenses during the year under review amounted to Rs. 96,40,072 as against Rs. 86,76,956 during last year.

3. The net receipts during the year amounted to Rs. 99,83,532 resulting in an increase of Rs. 25,66,425 over that of previous year.

4. The total Capital outlay during the year under review amounted to Rs. 1,71,51,697. Out of this expenditure a sum of Rs. 34,29,225 represented the Outlay incurred exclusively on power supply to Irrigation Pumping Sets from the Loan of Rs. 50 lakhs granted by the Government of India.

5. The total expenditure incurred during the year on the scheme of power supply to towns and villages amounted to Rs. 15,76,061. This outlay is due to the concentration on power supply to irrigation pumping sets during the year.

6. The number of irrigation pumping sets serviced during the year under review was 1,002 bringing the total to 3,387 at the end of the year and the expenditure incurred was Rs. 34,29,225. Attempts have been made to supply to more and more irrigation pumping sets in the several parts of the State in order to tide over the food crisis in the State. Priority is also being given to this category of applications.

7. The number of towns and villages electrified during the year was 38 and the miles of transmission line run were 1,671. The total number of power and lighting installations at the end of the year was 13,223 and 1,05,008, respectively.

8. The total expenditure incurred under "Depreciation Fund Account" was Rs. 8,50,964.

9. The total value of the stores purchased during the year both under Local and Foreign amounted to Rs. 2,10,00,831 as against Rs. 1,73,60,500 spent during last year.

10. The expenditure incurred on the Watch Camp at Mekedatu Site amounted to Rs. 1,074.

11. An expenditure of Rs. 5,40,968 was incurred mainly on Frequency Conversion Works proceeding in Hassan District and Bangalore and Mysore Cities.

12. There were 24 interruptions lasting for a total period of 1 hour and 49 minutes and 10 pre-arranged shut-downs lasting for 21 hours and 46 minutes throughout the different systems. All the interruptions, shut-downs were on Kolar and Mysore systems only.

13. There were 46 fatal accidents to persons, of whom 15 were departmental men and 31 others. Out of this 39 deaths were due to electrocution and the rest on other causes of slips and fall while on duty.

14. The expenditure incurred on Mahatma Gandhi Hydro-Electric Project Works at Jog including Civil Engineering Works and the Receiving Station at Bhadravathi and the Transmission Line linking these two amounted to Rs. 42,64,325.

15. The work of the Department continued to be satisfactory.

PUBLIC WORKS SECRETARIAT

Reviews the Administration Report of the Public Works Department for the year 1950-51.

READ—

Correspondence ending with U.O. No. 247 dated 28th August 1952, from the Chief Engineer forwarding the Adiministration Report of the working of the P.W.D. for the year 1950-51.

ORDER No. P.W. 8629-8730—B. 3-52-1, DATED BANGALORE, THE 22ND DECEMBER 1952.

Recorded.

2. Sri M. N. Lakshmana Rao, B.A., B.E., continued as Chief Engineer of Mysore till 18th December 1950, when he proceeded on leave preparatory to retirement. Sri B. S. Narasinga Rao, B.A., B.E., continued as Special Chief Engineer and Secretary to Government, Public Works Department, till 13th December 1950, when he proceeded on leave for a period of one month. It was then considered necessary to have a whole time officer possessing technical knowledge and experience in the line as Adviser in charge of Major Irrigation Works including Krishnaraj Sagar Works. The post of Special Chief Engineer was abolished and the post of Adviser was created. Sri B. S. Narasinga Rao, B.A., B.E., was appointed as Adviser in charge of Major Irrigation Works including Krishnaraj Sagar Works with effect from 13th January 1951 and he continued to be Adviser throughout the rest of the year under review.

Sri N. Neelakantappa, B.A., B.E., Superintending Engineer, Cauvery Circle, was appointed to act as Chief Engineer on 18th December 1950. He continued to be the Chief Engineer during the remaining part of the year under review. Sri S. Biligiri Rao, B.E., continued as Deputy Chief Engineer till 18th December 1950, when he was promoted as acting Chief Engineer and posted as Secretary to Government, Public Works and Electrical Departments. Sri K. S. Venkataramanan, B.A., B.E., Superintending Engineer, Shimoga Circle, was appointed as Deputy Chief Engineer with effect from 18th December 1950 and he continued in that post throughout the year.

3. The administration and working of the Department were as per directions contained in G.O. No. 2793-2892—C.B. 93-49-1, dated 27th September 1949, sanctioning the re-organisation of the Public Works Department. The Bureau of Sanitary Engineering, which continued to exist till the end of July 1950, was abolished and that Division was amalgamated with the office of the Controller of Central Stores. Out of the 7 Sub-Divisions which were attached to the Sanitary Bureau, 5 were abolished on 30th June 1950 and the works transferred to the respective Public Works Divisions. Two Sanitary Sub-Divisions were newly formed under the Controller of Central Stores and they began to function from 4th January 1950. The Well Boring Section, which was attached to the Bureau of Sanitary Engineering, was transferred to the Controller of Central Stores on 1st August 1950. A Special Office was sanctioned for the compilation of a P.W.D. Handbook containing up-to-date P.W. specifications and schedule of rates for the guidance of officers in the Department and the services of Sri B. Krishna Rao, retired Superintending Engineer who volunteered himself for the purpose, were availed of for this work.

4. *Grant and Outlay.*—The final grant under all the service heads and debt heads put together for works carried out by the Department for the year under review stood at Rs. 3,47,68,660 and the expenditure booked against this was Rs. 4,39,14,892. The details regarding the grant and outlay under each Service Head and Debt Head are shown in Appendix I to the report.

The final grant under all the Service Heads including grants under Establishment and Tools and Plant stood at Rs. 3,14,11,700 and the total expenditure booked against that was Rs. 3,51,73,130. The expenditure was in excess of the grant provided by Rs. 37,61,430.

5. *Irrigation—(a) General.*—The following are the sources from which funds required to meet the cost of irrigation in the State have been found during the year:—

(i) 23 Irrigation Charged to Revenue.
(ii) Capital from Loan Funds.
(iii) Irrigation Development Fund.
(iv) Irrigation Cess Fund.
(v) 22 (*e*) Charges recoverable from ryots.
(vi) 30 (*b*) Loans under restoration of tanks.

23. *Irrigation.*—The final grant under 23 Irrigation stood at Rs. 73,62,000 and the expenditure incurred by the Department under this Service Head was Rs. 1,04,72,806 including expediture under establishment and tools and plant. The outlay was in excess by Rs. 31,10,806.

A list of 42 important major irrigation works that were under progress during the year under review is furnished under Chapter II of the Report,

(*b*) *Grow More Food Scheme.* —Details regarding important tank and channel works under progress were shown under the heading 'Grow More Food Scheme' in Chapter IV of the report. It is seen that outlay for the year on each work under this heading has been furnished without showing the corresponding grant provided for each work during the year. The progress made on such works during the year could not therefore be gauged. It is reported that an additional extent of 7,958 acres of new lands have been brought under irrigation while water supply has been assured to 812 acres of old atchkat. A further extent of 10,616 acres will be brought under irrigation bringing the total to 18,574 acres under new lands and old lands. Supply will be assured to 1,112 acres. From the statement showing the grant and outlay on big tank works furnished in the report it is seen that the progress on most of the works during the year was satisfactory.

(*c*) *Special projects.*—Details on the progress under the three major projects, Bhadra Reservoir at Lakkavalli, Tunga Anicut works at Sakrebyle and the Nugu Reservoir works near Birwal are furnished in the report under this heading. A Three Man Committee was appointed to go into the question of slowing down the progress of the Lakkavalli Project and according to the recommendations of this Committee a programme was drawn up slowing down the progress and spreading it over a period of six years. This programme was approved and the works were being executed accordingly. An outlay of Rs. 48,78,929 was booked against a grant of Rs. 49,50,000 for all the three special projects put together. The total outlay booked for Bhadra Reservoir, Tunga Anicut and Nugu Reservoir to end of March 1951 was Rs. 73,12,542, Rs. 52,99,218 and Rs. 29,06,793 against the estimated cost of Rs. 20 crores, Rs. 2 crores and Rs. 2·20 crores respectively.

(*d*) *Lift Irrigation in River Valleys.*—The lift irrigation scheme at Harihar was given up as the ryots were not eager for the same. The schemes at Gollahalli and Neelasoge were in progress.

(*e*) *Restoration of Minor Tanks.*—A statement showing the number of tanks in progress during the year, and number restored so far in each District is given in the report. It is seen that 723 tanks were in progress during the year 1950-51, out of which 86 tanks were restored during the year. Besides, about 142 tanks have been brought to a stage so as to afford full irrigation facilities. Desilting work in 4 tanks was completed.

(*f*) *Improvements to river, tank and feeder channels.*—Some of the important works connected with improvements to pick-up channels that were in progress during the year are—

(i) Hebbahalla pick-up channel,
(ii) Keelara pick-up,
(iii) Huluhalla pick-up,
(iv) Gowdagere pick-up,
(v) Mangala pick-up,

Central Government grant to the extent of Rs. 23·75 lakhs was secured during the year for the different schemes under Irrigation like construction of big tanks, restoration of minor tanks, desilting of tanks and improvements to river channels.

Details regarding the progress of major irrigation works are furnished in the report. In some cases the outlay incurred has been noted without giving the corresponding grant. When furnishing the outlay on each work the grant provided for the year for such work should also be noted so as to gauge the progress made during the year.

6. *Krishnarajasagar and Allied Works.*—The main items of works coming under the above heading were—

(i) Maintenance of Krishnarajasagara Dam and Channels.
(ii) Regulation of water due to Madras.
(iii) Protective works under waste weir valleys.
(iv) Execution of Anti-malaria Engineering works.
(v) Maintenance of Visvesvaraya Canal and its branches.

The outlay booked under the major service head "38 Krishnarajasagar" for both dam works and irrigation works for the year under review stood at Rs. 15,44,260 against a grant of Rs. 24,73,060 resulting in a lapse of Rs. 9,28,800. The final grant under "XXV Krishnarajasagar Reservoir and Allied Works and Visvesvaraya Canal Works" stood at Rs. 6,27,200 against which the expenditure was Rs. 6,73,232. The expenditure was in excess of the total grant by Rs. 46,032.

A table showing the working of the Reservoir during the year is shown in the report. Due to failure of monsoon during 1949 the reservoir level went very low and an unprecedented situation developed calling for utmost vigilance and care for protecting the irrigation lower down and for meeting the requirements for power generation.

The Visvesvaraya Canal and its branches were maintained satisfactorily and water supply to an extent of 85,118 acres under the main and several branches of the canal was given.

The demand under water rate, contribution, etc., under Visvesvaraya Canal was Rs. 77,51,369 against which the amount collected was Rs. 1,36,894 leaving a balance of Rs. 76,14,475 at the end of the year. This is far short of the collection made in the previous year and no explanation is furnished in the report for the fall in the collection. The percentage of collection to the demand made for the year is insignificant, and immediate action is called for to improve the collections.

The special establishment sanctioned for shifting of the villages was continued during the year. A separate P.W. Division was formed with 3 Sub-Divisions exclusively to attend to the improvements of Inter-village Roads in the aggregate area under Visvesvaraya Canal. A detailed programme of works amounting to Rs. 62·5 lakhs spread over a period of 5 years has been drawn up to be executed by the above Division.

7. *Water Supply.*—The three major water works of Bangalore, Mysore and K.G.F. were continued to be under the Water Supply Division, Bangalore. The final grant and outlay for the year under review under the several Service Heads stood as under.—

Service Heads	*Grant Rs.*	*Outlay Rs.*
(i) 39 Industrial Works:		
Chamarajasagar Water Works ...	6,00,000	4,88,695
K.G.F. Water Works	25,000	Nil.
(ii) XXVIII. K.G.F. Water Works working expenses.	1,51,000	1,66,334
(iii) XXX. Chamarajsagar Reservoir and Water Works—old and new.	9,72,900	11,42,278
Total ...	17,48,900	17,97,307
Debt Heads.		
(i) K.G.F. Water Works Depreciation Fund.	90,800	78,196
(ii) Chamarajsagar Water Works Depreciation Fund.	56,200	13,433
Total ...	1,47,000	91,629

A list of 14 important capital works that were under execution is furnished in the report.. The grant available during the year for each of the works shown in the list should have been furnished to gauge the progress secured during the year. Under Bangalore water supply the revenue collected was Rs. 12,89,037-8-7 against a total demand of Rs. 27,73,653-11-0 leaving a balance of Rs. 14,84,616-2-5. Action to collect the heavy balance outstanding should be taken immediately.

The Bureau of Sanitary Engineering continued to maintain the water supply installations in the several towns in the State till the end of July 1950 when that was abolished and that Division was amalgamated with the Office of the Controller of Central Stores. The water supply and drainage works in progress were transferred to the other P.W.D. Divisions. The Well Boring Section that was under the Bureau of Sanitary Engineering was brought under the charge of the Controller of Central Stores. All the 12 drills under the charge of the Well Boring Section were engaged throughout the year in putting up bore wells. Works connected with 14 new bore wells were taken up during the year.

8. *Drainage and water supply works.*—Underground drainage works in Chitaldrug Town, Nanjangud Town and Mandya Town and works connected with the improvements to water supply to Tiptur Town, Koratagere Town, Nanjangud Town and water supply to Bellara Gold Mines, were under progress during the year.

9. *Acreage Cess.*—The maintenance of 15 tanks were attended to during the year out of the above cess.

10. *Irrigation Cess Fund.*—The expenditure under this head was Rs. 1,80,126 against a grant of Rs. 51,000.

11. 22 (*a*) *Charges recoverable from ryots.*—The expenditure under this was Rs. 70,885 against the amount of Rs. 58,000 available.

12. 30 (*b*) *Loans for the Restoration of Tanks.*—The amount available was Rs. 2,00,000 against which the expenditure booked was Rs. 10,835.

13. *Buildings.*—24 *Civil Works.*—The final grant under this service head stood at Rs. 66,39,950 and the expenditure for the year was Rs. 81,76,243. The expenditure was in excess over the grant available by Rs. 15,36,293.

The final grant and expenditure for buildings under other service heads for the year under review were as under :—

Service heads	*Grant*	*Expenditure*
	Rs.	Rs.
24 B. Flying School	68,000	22,896
26 Education 11 (*a*) Buildings	7,55,175	4,22,332
28 Industries and Commerce	3,10,000	3,55,353
30 Grants for Public Improvements ...	39,000	1,38,432
31 Army 11 Military Works	47,000	48,459
University Funds	4,27,605	4,57,001
Elementary Education Fund	7,00,000	8,11,582

Details regarding the progress on important building works undertaken as per requirements of the several departments of Government are furnished in the report. The number of important building works that were completed or under progress during the year are classified as hereunder :—

.....	No. of works	No. of works completed	No. nearing completion	No. in progress	Number deferred
Police Buildings	14	6	2	5	1
Education Buildings	25	4	4	16	1
University Buildings	8	2	3	3	...
Medical Buildings	38	19	5	13	1
Military Buildings	9	9	...	...	...
Miscellaneous Buildings ...	28	9	2	16	1

14. *Government Architect Section.*—The working of this section continued to be as usual throughout the year. Type designs and drawings for buildings were

got up and supplied as per requirements of the several departments. It is seen that 44 type designs and 77 special designs for buildings were prepared and supplied by this section. Besides 40 layouts were also prepared and supplied during the year as per requisitions received.

15. *Central Stores proper.*—Stores articles to the extent of Rs. 5,88,681 were purchased and supplied to all the P.W.D. Divisions all over the State as and when indents were received.

16. *Donations.*—A total sum of Rs. 95,136 was received as donation or contribution towards the construction of buildings for the Maternity Hospital at Hadya and Combined Hospital at Sagar.

17. *Revenue.*—The revenue realised during the year by way of rent and sale of buildings and Tools and Plant articles amounted to Rs. 4,96,967.

18. *Communications.*—(*i*) 24 *A. Communications—Roads and Bridges.*—The final grant under this Service Head stood at Rs. 52,29,000 against which the expenditure incurred during the year was Rs. 53,59,738. The expenditure under roads—Original and Repair works together was Rs. 41,60,912 against the grant of Rs. 37,19,000. The outlay under Bridges, Original and Repairs together was Rs. 5,59,827 against the grant of Rs. 8,37,500.

(ii) 28 B. *Rural Development.*—The grant and outlay for works undertaken during the year under this Service Head stood at Rs. 11,62,415 and Rs. 12,83,143 respectively.

(iii) *Roads—Formation, improvements and re-conditioning.*—Out of 18 important works under execution one work was transferred to Mysore District Board and another was not taken up owing to high tender. Out of the balance of 16 works, 7 works were completed, one work was nearing completion and the rest under progress.

(iv) *Cement Concreting of Roads.*—Seven works were under execution, out of which one work was deferred and another work was changed to asphalting. Out of the remaining, 3 works were under progress and 2 works were completed during the year.

(v) *Asphalting of roads.*—17 works were under execution, out of which 5 works were completed, 2 works were almost completed and the remaining 10 works were under progress.

Details regarding the grant and outlay incurred on the above road works are furnished in the report. Besides the above works, about 630 miles were either opened or improved in the Visvesvaraya Canal area.

(vi) *Bridges.*—Of the 27 bridge works of which details are furnished in the report, 4 works were not taken up during the year. Out of the remaining works under execution, 10 works were completed, one work was nearing completion and 12 works were under progress during the year.

19. *Railway Cess Fund.*—The expenditure booked under this head during the year was Rs. 2,91,851 against the amount of Rs. 2,53,855 available.

20. *Sugarcane Cess Fund.*—The expenditure under this head during the year was Rs. 5,81,223 against the amount of Rs. 5,00,000 available.

21. *General.*—It is seen from Appendix I of the report that the charges under establishment under all the Service Heads put together stood at Rs. 44,27,533 against a grant of Rs. 29,71,672. The expenditure under establishment was in excess over the grant by Rs. 14,55,861. No explanation has been furnished for this excess expenditure.

The Accounts in the Division Offices were reported to be in arrears during the year. What action was taken to get the arrears cleared by posting experienced staff has not been reported.

There has been inordinate delay in the submission of the report under review to Government in spite of several reminders pointing out the importance of the matter. The Departmental Officers have failed in respect of keeping up the time scheduled for the submission of the report. The grant and outlay figures furnished in the report, that was submitted first, were not agreeing with the figures in the books of the Accountant General's Office and there has been a lot of delay in getting the difference in the figures reconciled. This would not have taken place if the

periodical grant and outlay statements that were being received from the Accountant General's Office were properly kept and the figures required for the report taken from those statements. While complying with the request for verification of figures, the Accountant General has clearly pointed out, that verification of figures required for the Administration Reports is not one of the normal functions of the Audit Department. It is therefore necessary to arrange for regular reconciliation of departmental figures with the Audit Office figures. Proposals for sanctioning and posting an Accounts Assistant with necessary staff for maintaining correct grant and outlay figures in the Central Office are separately under consideration. The Chief Engineer is requested to insist on the correct maintenance of the grant and outlay figures in the registers of his office as well as in the subordinate offices. Any delay in the submission of future Administration Reports will be seriously noticed.

The work of the Department for the year under report, in general, has been satisfactory.

Secretary to Government,
Public Works Department.

IMPORTANT GOVERNMENT ORDERS

FINANCIAL SECRETARIAT

Issues certain instructions regarding the preparation of Establishment Returns in respect of Temporary Establishments.

CIRCULAR.

ORDER NO. FL. (B) 14857-957—C.R. 57-52-1, DATED BANGALORE, THE 31ST MARCH 1953.

According to Article 232 of the Mysore Service Regulations as amended by Government Order No. Fl. (B) 6194-6274—C.R. 3-51-2, dated the 10th March 1952, "half the period of continuous temporary service in all the Departments will count for pension, provided such service is followed by a substantive appointment, and if the continuous temporary service prior to confirmation extends to five years or more, the full period will count for pension."

In view of the above provision, the preparation of establishment returns in respect of temporary establishments also has become necessary and establishment returns in respect of temporary establishments in which service rendered would eventually count for pension should be prepared and forwarded to the Accountant-General's Office for purpose of check as in the case of permanent establishments.

The first return may show the establishments as they stood on 1st April 1952 and may be sent to the Accountant-General's Office so as to reach that office before the 30th April 1953.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Utilisation of Unforeseen recoveries.

OFFICIAL MEMORANDUM.

O.M. No. FL. (B). 411-511—BUD. 70-52-2, DATED BANGALORE, THE 7TH APRIL 1953.

It has been brought to the notice of the Government by the Accountant-General that in several grants unanticipated credits have been utilised to cover excess under the grants. Such a procedure is highly irregular, against the rules and should be avoided. The following procedure is, therefore, prescribed to secure that Controlling Officers do not utilise savings due to unforeseen recoveries for financing expenditure not approved by the Legislature.

(*a*) Savings in the sub-heads of grants accommodating recoveries will not be available for re-appropriation to cover excess under other sub-heads except sub-heads accommodating other recoveries. The unutilised savings in these sub-heads will be allowed to lapse and suitably explained in the Appropriation Accounts.

(*b*) The approval of the Legislative Assembly to any additional expenditure over the amount voted by it for the gross expenditure in a grant will be taken by means of a supplementary grant. The supplementary grant will take into account the unforeseen additional recoveries in the course of the year and will be taken for the net excess over the total grant, details of the gross expenditure and of the recoveries being placed before the Assembly. If the net effect of the additional recoveries is to reduce the total expenditure against the grant to a figure less than the original grant or to reduce it to a minus figure, the Assembly's approval to the increase in the gross expenditure will be taken by means of a token grant.

2. The excess under the sub-heads for gross expenditure which would have been covered by re-appropriation of savings but for the prohibition in sub-paragraph (*a*) will be suitably explained in the Appropriation Accounts.

3. The procedure set out in paragraph 1 will apply *mutatis mutandis* to non-voted expenditure. These provisions will be incorporated in the Budget Manual which will be issued separately.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Directs that report of Transfer of Charge of Gazetted Officers should be sent to the Accountant-General without delay.

CIRCULAR.

No. FL. (B) 615-715—C.R. 2-53-1, DATED BANGALORE, THE 10TH APRIL 1953.

As per Article 142, Mysore Financial Code, Volume I, "every transfer of charge of a Gazetted Government Servant proceeding on leave or on transfer or returning from leave should, without fail, be reported by post on the same day to the Accountant-General."

The Accountant-General, Mysore, has brought to notice several cases of breach of the above provisions.

All the Heads of Departments are requested to follow the Code Rules strictly, and issue suitable instructions in this regard to all subordinate Gazetted Officers for their guidance and avoidance of delays.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Directs that the Physical Fitness Certificates need not be attached to the Establishment Pay Bills in the case of persons in inferior service, in future.

CIRCULAR.

No. FL. (B) 801-901—C.R. 3-53-2, DATED BANGALORE, THE 13TH APRIL 1953.

According to Article 158 of the Mysore Financial Code, Volume I, the names of all inferior Government servants may be omitted in the pay bills, and consequently the audit conducted in the Accountant-General's Office in respect of this *class of officers* is only a number audit which has no reference to names.

It is, therefore, directed that in future, the Physical Fitness Certificates of inferior Government servants, which are not required in the Accountant-General's Office for purposes of audit, need not be attached to the Establishment Pay Bills sent to his office for audit.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Directs that a copy of the Report of Transfer of Charge of Gazetted Officers sent to the Accountant-General should, in future, be simultaneously sent to the Treasury Officer and the Head of the Department concerned.

CIRCULAR.

No. FL. (B) 1127-237—C.R. 2-53-2, DATED BANGALORE, THE 16TH APRIL 1953.

As per Article 142 of the Mysore Financial Code, Volume I, every transfer of charge of a Gazetted Government servant proceeding on leave or on transfer or returning from leave, should, without fail be reported by post on the same day to the Accountant-General.

Copies of the report of transfer of charge sent to the Accountant-General, should, in future, be *simultaneously* sent to the Treasury Officer and the Head of the Department concerned.

In the copies of the reports sent to the Accountant-General, Mysore, and the Head of the Department, a certificate to the effect that "a copy of the report of transfer of charge has been sent to the Treasury Officer,..... Treasury, on....." should invariably be recorded thereon.

M. SHAMANNA,
Secretary to Government,
Finance Department.

FOREST AND AGRICULTURAL SECRETARIAT

Reviews the Administration Reports of the Department of Agriculture, the Department of Food Production and the Agricultural College and Research Section for the year 1951-52.

READ—

Correspondence ending with letter No. T.A. 51—51-52, dated the 19th September 1952, from the Director of Agriculture in Mysore, the Commissioner for Food Production and the Principal, Agricultural College, forwarding the Administration Reports of the Department of Agriculture, the Department of Food Production and the Agricultural College and Research Section for the year 1951-52.

ORDER NO. A.F. 13243-340—AGRI. 33-52-6, DATED BANGALORE, THE 31ST MARCH 1953.

Recorded.

Sri K. H. Srinivasan, M.A., B.SC. (Edin.), was in charge of the Agricultural Department till 3rd December 1951, when he proceeded on long leave of seven months and twenty-three days. Thereafter Sri M. K. Appajappa, B.A., continued to

be in charge of the Department in addition to his duties as Commissioner for Food Production during the remaining part of the year. Sri M. Mallaraj Urs continued to be in charge of the Agricultural College. With the inauguration of the Pilot Training *cum* Development Project financed by Ford Foundation, Dr. B. T. Narayanan was appointed as Joint Director of Agriculture and Extension Services from 23rd January 1952.

Agricultural Season.—The agricultural season of 1951-52 was generally very poor throughout the State and particularly in the low rainfall districts of Kolar, Tumkur and Chitaldrug. Distress conditions began to be noticed in all these districts at the end of the year due to the poor monsoons in 1951. Except in Shimoga District, the seasonal conditions in all the districts were below normal.

Agricultural Education.—The four Kannada Agricultural Schools, *viz.*, (1) S.K.V.D. Patasala in Sira Taluk, (2) R.K. Sala, Anekal Taluk, (3) Agricultural School, Somanahalli, Maddur Taluk, and (4) the Agricultural School at Garudapalya, Kolar Taluk, continued to train candidates in agriculture. The combined strength of these schools was 100 but the response from the agricultural classes has been very poor. With a view to making available further facilities in these institutions, a new scheme was launched to give an intensive practical course in agriculture to a few sons of farmers who were illiterate and whose age ranged between 18 and 25, there being no examination at the end of the course but a certificate issued for having undergone practical training in agriculture. But response to this scheme also was poor and only three applicants availed themselves of this opportunity.

Agricultural Farms.—With a view to improving the status and emoluments of the Heads of Agricultural Farms commensurate with the responsibilities attached to them, the posts of Superintendents of the Farms were abolished and Assistant Directors of Agriculture were placed in charge of the Visvesvaraya Canal, Hebbal and Babbur Farms. The administrative control of all Agricultural Farms was entrusted to the Joint Director of Agriculture.

Soil Survey.—Comprehensive data on soils, crops, live-stock implements, current agricultural practices, existing facilities for irrigation, etc., have been collected and suitable proposals on alignment of distributaries, dry belt reserves, cropping programme, wet, garden and semi-dry zones, etc., have been drawn up by the Department.

Plant Protection Measures.—The plant protection service and supplies were given free of charge wherever there was severe infestation of pests and diseases. The service protected nearly 80,000 acres by mass spraying and dusting. Severe outbreaks on about 6,500 acres of paddy and jowar were controlled fairly satisfactorily except for a severe outbreak of earhead bug (Calocoris angustatus) on jowar in five taluks of the Mysore District and minor incidence of Loptispa beetle on paddy in the Malnad, the year was free from major diseases and pests. Paddy blast was again in evidence in Kolar District and of the 20,000 acres surveyed nearly 2,000 acres were treated. Vegetables and plantation crops over an area of about 1,000 acres were protected against 'Anabe' disease of cocoanut. Epilachna beetle on potato, mango horner, etc., seed grain in departmental godowns were dusted with D.D.T. or Germexane. Presowing treatment of paddy with Agrosan G.H. was demonstrated in about 200 centres.

Multiplication and Distribution of Improved Paddy Strains and Cotton.—Twenty-five thousand and six hundred pallas of paddy, 2,500 pallas of ragi and an equal quantity of jowar were procured for distribution. Nine hundred and thirty-two plots covering 2,400 acres were subsidized for seed production and 24,000 pallas of seed grown in these holdings under departmental supervision were procured by the Department on payment of a premium of 10 per cent over the market rate.

As a result of the cotton seed distribution scheme sponsored and aided by the Indian Central Cotton Committee, multiplication and distribution of varieties sel (medium staple) and M.A.V. (long staple) was undertaken in a systematic manner. As a result of this scheme very good progress has been made in replacing inferior varieties of cotton. The acreage under improved cotton recorded an increase 29,681 (23,609) M.A.V. and 25,600 (9,787) under sel 69.

As a result of extension of acreage under cotton by developing the existing cotton regions and also by introduction of M.A.V. to other districts of the State, the increase in production may be estimated at 10,000 bales against an average production of 17,500 bales of 400 lbs. up to 1950-51.

Compost Manufacture.—Forty thousand and sixty-seven (36,098) tons of compost under Urban Compost Scheme and 3,30,494 (2,43,624) tons of compost under Rural Waste Compost Scheme were prepared during the year.

Agricultural Extension Services.—The Pilot Training *Cum* Development Project comprising Training and Extension Centres was sanctioned in Government Order No. A.F. 11433-38—Agri. 187-51-5, dated 18th March 1952. The Training Centre is located at the Visvesvaraya Canal Farm, Mandya, and Extension Centre at Malavalli with a group of 100 villages lying in Kasaba Hobli and Boppagowdanapura and Kirugaval Hoblies of that taluk. The Training Centre has its objective of giving practical education in all aspects of Rural Extension to technically qualified personnel with special emphasis on agricultural knowledge and the Extension Centre comprising 100 villages is to demonstrate in practice the lesson of the training centre. The Extension Centre has to act as a clinical theatre for the trainees of the Training Centre.

In the Extension Centre, one trained Agricultural Officer is posted to cover every five or six villages and a group of 25 villages is placed under immediate attention and supervision of an Extension Officer. These again came under the control and supervision of the Training Centre. These centres have the advantage of the assistance of two Extension Specialists, *viz.*, Mr. Dick V. Fagan and Mr. Hans Emil Kardel who have been placed at the disposal of the State Government by the Technical Co-operation Administration of the U.S.A. under the Point Four Programme. The cost of the Training Centre is borne wholly by the Ford Foundation and that of the Extension Centre wholly for the first two years by the Ford Foundation and during the third year out of the Ford Foundation's grant and the funds to be made available by the Government of India and the Mysore Government in equal proportions and during the 4th and 5th years out of the funds of the Government of India and Mysore Government on 50 : 50 basis.

To co-ordinate and direct the several aspects of Extension Programme both at the Centre and throughout the State, the post of a Joint Director of Agriculture and Extension Services was sanctioned in Government Order No. Ch.S. 10049-10065—G.E. 141-51-1, dated 19th January 1952 and Dr. B. T. Narayanan has been appointed to the post.

Tours and Inspections.—The Director of Agriculture toured 59 days during the year and inspected the several farms, the Agricultural Depots and Agricultural Schools.

Agricultural College and Research Institute.—Sri M. Mallaraj Urs, B.Sc., B.Sc. (Agri.) (Edin.), continued to be in charge of the Agricultural College. In the College there were 32 students in the I Year, 21 students in the II Year and 41 students in the Final Year B.Sc. class. Out of 34 students that appeared for examination, 26 students were successful and 10 out of 22 and 22 out of 45 that appeared for examinations in the II and III year respectively, were successful. In the school section, 12 students passed out of 13 in the Final Year Examination.

Department of Food Production.—The G.M.F. Campaign in the State was started during the latter part of the year 1942. The main lines of action between 1942 and 1947 were to reduce the commercial crops as far as possible in favour of the foodcrops to intensify cultivation of foodcrops through better farming practices and to encourage extensive cultivation of waste lands, etc.

The movement was placed on a planned basis only from the year 1949 in pursuance of a decision taken by the Government of India for attaining self-sufficiency in food within a period of three years ending with March 1952. G.M.F. schemes were prepared and the sanction of the Government of India was obtained to implement the scheme. The campaign was changed during the year as an "Integrated Production Programme" which included the production of not only food but also jute and cotton. In order to enable the States to implement the programme of food production, Government of India extended their financial assistance in the shape of grants and loans since the year 1949-50.

Mysore has all along been following the policy pursued by the Government of India from time to time with regard to Food Production. A separate Department of Food Production was organised during the year 1949. The food deficit of the State was estimated to be 2,41,544 tons when the G.M.F. schemes were launched in the State. The additional production realised from the "G.M.F." schemes during the years 1949-50 and 1950-51 was estimated to be 43,440 tons and 69,828 tons, respectively. The same schemes were continued during the year also.

The grant and loan of Rs. 20,00,000 sanctioned for Lift Irrigation in River Valleys was not drawn since the schemes were not executed in the State during the year. Further, out of the loan of Rs. 20 lakhs sanctioned for the purchase of pumpsets a sum of Rs. 10 lakhs only was utilised.

Out of 18 works originally taken up under the scheme of construction of major irrigation work, six works were practically completed during the years 1949-50 and 1950-51, the remaining 12 works, one fresh work newly sanctioned and certain balance of works in respect of 3 works which were completed in previous years—16 in all—were taken up during the year. Five works were completed out of them. The new area brought under Irrigation under this scheme during the year was 1,686 acres besides benefiting an old atchkat of 340 acres yielding an estimated additional production of 900 tons. The total outlay incurred during the year under the scheme amounted to Rs. 22,73,414.

The restoration of 171 minor tanks was completed during the year benefiting an area of 5,000 acres under old atchkat. The outlay incurred on all these works during the year amounted to Rs. 15,08,608. The estimated additional production as a result of the works was 833 tons.

The programme of deepening tanks and strengthening their bunds both by mechanical means (bulldozers) and by manual labour was undertaken. The tanks were deepened by using bulldozers and 120 by manual labour, assuring water supply to an old area of 3,439 acres. The additional production derived during the year as a result of deepening of tanks is estimated to be 573 tons.

Construction of Irrigation Wells.—The scheme of granting a subsidy of Rs. 500 and a loan not exceeding Rs. 500 (wherever applied for) for each well sunk was in operation during the year. Nine hundred and thirty-two wells were sunk and deepened during the year irrigating about an area of 1,864 acres, the estimated additional production realised under the scheme being 932 tons.

Construction and Improvement of River, Tank and Feeder Channels.—Due to long neglect, the river, tank and feeder channels were not functioning efficiently affecting production considerably thereby. A large number of improvement works had to be undertaken in order to assure water supply to the lands at the tail ends of the channels. Three hundred and eighty-nine works were completed at an outlay of Rs. 38,28,798. The estimated additional production derived during the year as a result of these works was 2,150 tons.

Land Improvement Schemes.—Under Land Improvement schemes, land reclamation works by means of bulldozers and tractors of the Department and land improvement works such as construction of pick-ups, etc., by the Public Works Department were undertaken during the year. The works taken up by the Public Works Department during the year were mostly concentrated in the Visvesvaraya Canal area in Mandya District where various improvements were effected. The total area reclaimed by tractors and bulldozers of the Department was 5,005 acres.

The supply of service schemes consists of the following :—

(*a*) Distribution of seeds and manures.
(*b*) Preparation of rural and urban compost.
(*c*) Supply of Agricultural implements.
(*d*) Tractor and Bulldozer services.
(*e*) Supply of Tractors, Diesel oil and Electrical pumpsets and Persian Wheels under H.P. System.

Under the double cropping Programme, an extent of 10,835 acres in the Visvesvaraya Canal area was given with the kar ragi and paddy resulting in an estimated additional production of 5,418 tons of foodgrains.

A total extent of 77,220 acres of Government land was granted to the raiyats for cultivation during the year and this was estimated to have yielded about 7,122 tons of foodgrains.

Financial Assistance to Agriculturists.—A sum of Rs. 5,31,471 was granted by way of Land Improvement and Takavi loans to the raiyats during the year to help them in their agricultural operations.

All possible encouragement was given to the raiyats in general in the production of subsidiary food crops—Educative films on Food Production and improved methods of agriculture were screened at important meetings and conferences.

Crop Competitions.—At the instance of the Government of India a competition was held for judging the highest yield of paddy produced by the agriculturists of the State. There were 1,308 participants from seven Districts excluding Bangalore and Kolar. The maximum number of entrants was from Shimoga District, *i.e.*, 987. The highest yield of paddy recorded was nearly 32 pallas per acre in the area coming under the competition scheme.

The additional production derived during the year 1951-52 from all the schemes put together works up to 40,114 tons as against 69,828 tons during the previous year. This additional production is exclusively from the area benefited by the several schemes during the year 1951-52. While the seasonal conditions were fairly normal in 6 Districts of the State, *viz.*, Bangalore, Mandya, Mysore, Hassan, Chikmagalur and Shimoga, they were not quite satisfactory in the remaining three Districts of Kolar, Tumkur and Chitaldrug where practically drought conditions prevailed throughout the year owing to the inadequacy of rainfall. This caused a severe set-back to the progress of campaign. In spite of the above set-back considerable progress has been achieved during the year towards the goal of covering the State's food deficit. The works undertaken in respect of the several schemes are of a permanent nature and have conferred permanent benefits to the lands involved.

General.—The working of the Departments was on the whole satisfactory.

A. S. KHALEEL,
Secretary to Government,
Forest and Agriculture Departments.

Constitutes a Committee to examine the question of rate for water supplied to the Corporation of the City of Bangalore from Government Water Supply Department, etc.

Letter No. A5. P.R. 14—52-53, dated the 1st September 1952, from the Commissioner, Corporation of the City of Bangalore, forwarding the resolution dated 28th July 1952 of the Corporation recommending—

(i) the immediate taking up of the scheme for the development of Chamarajasagar Pumping Station, and

(ii) the constitution of a Committee to consider the rate to be charged for the supply of filtered water to the Corporation,

and requesting orders on the recommendation for the constitution of the Committee.

ORDER No. L. 21667-76—C.M. 91-52-4, DATED BANGALORE, THE 14TH MARCH 1953.

A Conference of the Minister for Public Works, Chief Engineer, President of the erstwhile Bangalore City Municipality and the Chairman of the Bangalore City Improvement Trust Board was held in the (then) Dewan's Chambers on 5th September 1946 to consider the adequacy of the water supply system for Bangalore City in the light of the possible future expansion of the City and the growth of its population. Following the deliberations of this meeting, a scheme for the development of the Chamarajasagar Station to its full capacity was prepared at an estimated cost of Rs. 39,00,000 which was approved by the Standing Technical Committee for Bangalore Water Supply. Financial considerations proved a bottleneck to put through this expensive scheme so far. The enormous amount spent by the Government for the Chamarajasagar Water Work necessitated an enhancement of the rate for water to be charged to the Corporation to at least ten annas uniformly to justify further investment on such developmental projects. A suggestion was accordingly made to the Corporation.

2. The Corporation which considered the matter at its meeting held on 28th July 1952 has recommended—

(i) to press upon Government the taking up the scheme of developing the installation of the Chamarajasagar Pumping Station reserving the question of the rate of supply for separate consideration, and

(ii) to constitute a Committee consisting of the members noted below* to go into the matter of—

(iii) (*a*) taking up the distribution of water supply by the Corporation from the Government Water Supply Department and maintaining it at their cost, and

(*b*) working out the rate at which water supply to the Corporation should be made.

3. Government agree to the constitution of he Committee with the recommended personnel.

4. The Chief Engineer of Mysore, the Chief Electrical Engineer, the Executive Engineer, Water Supply Division and the Corporation Engineer are permitted to attend the meetings of the Committee and tender their technical advice.

5. The Commissioner, Corporation of the City of Bangalore, is requested to forward the recommendations of the Committee to Government immediately with a resolution of the Corporation thereon.

6. As regards the technical sanction for the execution of the scheme, the Public Works Secretariat will separately examine this question further.

REVENUE AND HOME SECRETARIAT

Accords sanction to raise the maximum limit of Sale of General and Court Fee Stamps through the Licensed Vendors and Co-operative Societies vending stamps in Mysore State.

READ—

Government Order No. S.R. 4767-69—St. 18-52-5, dated the 24th November 1952, permitting the Bangalore Legal Practitioners' Co-operative, Society, Ltd., Bangalore, to sell stamp papers of all denominations up to Rs. 1,000 for a single transaction.

2. Representation dated the 21st January 1953, from the Licensed Stamp Vendors of Bangalore City, praying for the grant of similar concessions as above to them also.

3. Correspondence ending with letter No. C. 7—51-52, dated the 26th February 1953, from the Commissioner of Stamps in Mysore, furnishing a report in the matter.

ORDER NO. S.R. 185-201—ST. 18-52-10, DATED BANGALORE, THE 11TH APRIL 1953.

It is brought to the notice of Government that in view of the increasing demand for General and Court Fee Stamps, the existing restriction to sell stamps only up to a certain limit is causing much inconvenience and delay to the public. The Commissioner of Stamps has, in consultation with the Deputy Commissioners of Districts, recommended the following proposals, and adds that this arrangement would be of great help to the public and also to the Stamp Vendors or any licensed Co-operative Society, that consequentially there will be loss to the Government in the form of discount as direct sale of stamps in the Treasury will be reduced and that in order to make up this loss, the rates of discount may be revised to 1 1/8 per cent in the District and Taluk Headquarters, and to 3 per cent in other places in respect of General Stamp Papers only and the rate of 1 1/8 per cent allowed on Court Fee Stamps at all places continued.

1. To raise the maximum limit of sale of General and Court Fee Stamps through the Licensed Vendors and Co-operative Societies vending stamps ; and
2. To revise the rates of discount that is being paid to the vendors, as detailed in the Appendix to the Government Order.

2. The above proposals of the Commissioner of Stamps are sanctioned. A statement showing the limit of fixation of the value of stamp papers to be sold by Stamp Vendors for a single transaction and the rates of discount allowed at present and as sanctioned is appended to this order.

3. It is further directed that as in the case of the Bangalore Legal Practitioners' Co-operative Society, Ltd., Bangalore, the Bar Association Co-operative Society, Ltd., Mysore City, is also permitted to sell both the General and Court Fee Stamps up to Rs. 1,000 (Rupees one thousand) only, for a single transaction, as a special case, the revised rates of discount being allowed to the above-mentioned Associations also.

4. The Commissioner of Stamps is requested to take necessary further action in the matter.

G. N. NAGARAJA RAO,
Secretary to Government,
Revenue and Home Departments.

Prescribes modified procedure for deduction of income-tax at source for Rent-Free residences occupied by Government Servants.

READ—

Government Order No. Fl. (B) 3870-90—T.S. 2-52-1, dated the 23rd July 1952, prescribing the procedure for deductions of income-tax at source for Rent-Free Residences occupied by Government servants.

2. Letter No. F. 35 (38)-I-T.—52, dated the 27th December 1952, from the Secretary to the Government of India, Ministry of Finance (Revenue Division), suggesting certain modifications in the matter of levying income-tax from officers occupying Rent-Free Residences.

ORDER NO. FL. (B) 1238-348—T.S. 2-52-3, DATED BANGALORE, THE 16TH APRIL 1953.

It was directed in the Government Order dated 23rd July 1952, that the disbursing officers should take into account the value of rent-free accommodation occupied by Government officers for the purpose of computation of income-tax to be deducted at source at the time of payment of salary and that the value of such residences (excluding value of rent-free furniture, water, electric power and other services) should not ordinarily be taken more than 10 per cent of the salary of the officer.

The Government of India now consider that a distinction should be made between furnished and unfurnished residences. It is accordingly directed that value of rent-free residences provided by an employer should be taken (i) in the case of an unfurnished residence at 10 per cent of the employees salary, and (ii) in the case of a furnished residence at 12½ per cent of the salary, subject always to the right of the employee to claim the adoption of the actual rental value of the perquisite should it be less than the above percentages. For this purpose, the term salary shall be taken to include—

(*a*) Pay and Pensions;
(*b*) Payments and fees, if such payments or fees are received in the shape of a fixed addition to the monthly pay and allowances as part of the authorised remuneration of a post;
(*c*) Compensatory allowances, other than Travelling allowance and Dearness allowance;
(*d*) Exchange compensation allowance.

The change will take effect from the financial year 1952-53, *i.e.*, in respect of salaries and perquisites due after 31st March 1952.

The Accountant-General has since brought to the notice of Government that the information required in pursuance of the Government Order dated the 23rd July 1952 has not been furnished to him so far. As income-tax will have to be deducted in the salary bills of Government servants, early action may be taken by the officers in charge of Government buildings to furnish the required information immediately to the Accountant-General as well as to the concerned Disbursing Officers.

Secretary to Government,
Finance Department.

FOREST AND AGRICULTURE SECRETARIAT

Passes review on the Administration Report of the Marketing Department for the year 1950-51.

READ—

Letter No. M.D.N. 3—51-2, dated 26th December 1951, from the Chief Marketing Officer, forwarding the Administration Report of the Marketing Department for the year 1950-51.

ORDER No. A.F. 10819-910—MART. 24-52-2, DATED BANGALORE, THE 6TH FEBRUARY 1953.

Recorded.

1. Sri N. S. Hirannayya, M.A., Commissioner for Rural Development and Depressed Classes and Registrar of Co-operative Societies in Mysore, was in charge of the Marketing Department during the year under report. The total cost on account of the administration for the year was Rs. 55,400 as against Rs. 27,100 in the previous year, the increase being due to the transfer of the Weights and Measures Establishment to this Department from the Industries and Commerce Department.

2. *Administration of Special Acts.*—(*a*) The Mysore Weights and Measures Act was in force in 100 places in the State. During the period under report 74,602 units of weights and measures were presented as against 52,048 in the previous year and out of which 70,127 units were certified for correctness. A sum of Rs. 6,900-2-9 was realised as testing fee as against Rs. 3,065-13-3 in the previous year.

One hundred and sixty-seven prosecutions were launched during the year, out of which 153 cases ended in conviction; one case was discharged, another was withdrawn and 12 cases were pending at the end of the year. A sum of Rs. 2,480-8-0 was realised as fines as against Rs. 1,335 in the previous year.

(*b*) (i) *Regulated Markets.*—Under the Mysore Agricultural Produce Market Act, the Regulated Markets at Tiptur, Davangere and Mysore worked satisfactorily during the year, the amounts collected as Market Cess and Licence fee on the several commodities sold being Rs. 11,333-13-9, Rs. 50,961-12-3 and Rs. 28,300-0-0, respectively.

(ii) *Other Regulated Markets.*—Schemes for the establishment of Regulated Market at Chitaldrug, Shimoga, Arsikere and Tiptur were sanctioned during the year. The question of establishing Regulated Markets at Sira and Santhemarana-halli for Tobacco and Silkworm cocoons, respectively, was pursued.

(*c*) *The Mysore Agricultural Produce Grading and Marking Act.*—The grading of eggs at the five Egg Grading Stations and of Oranges at the Coorg Orange Growers' Marketing Co-operative Society both at Bangalore and Mysore was continued.

(*d*) Under the Mysore Co-operative Societies Act, there were 89 Marketing Societies with a total membership of 13,663 with a share capital of Rs. 3,57,862 and working capital of Rs. 35,64,256. The total turnover was Rs. 5,12,51,776 yielding a net profit of Rs. 87,802 on the various commodities in which the societies dealt during the year.

3. Nine Marketing Survey Reports on the following Commodities were got printed :—

(1) Honey and Bees wax
(2) Root vegetables
(3) Cole crops
(4) Animal Fats and Products
(5) Melons, Water melons, Lichies, Papaya and Custard apples
(6) Turmeric
(7) Meat
(8) Poultry
(9) Chillies

4. The Department attended to a number of enquiries relating to Rice, Millets, Pulses, Fruits, Vegetables, Milk, Meat, Poultry and Oil seeds, etc.

5. Arrangements were made for the collection of daily market rates in respect of agricultural commodities and livestock products from Bangalore and other mofussil Markets and broadcasting the same through the All-India Radio, Mysore, as well as publishing the information in some of the local daily newspapers.

Information regarding availability and market rates of fruits and their products, vegetables and other food articles was furnished to the Military authorities and Military Contractors.

6. *General.*—The Cotton Marketing Committee set up by the Ministry of Agriculture, Government of India, to inquire into the present conditions of cotton cultivation and marketing in the country, visited the State on 30th May 1950 and discussed problems relating to cotton marketing in India.

The working of this Department during the year was fairly satisfactory.

Secretary to Government,
Forest and Agriculture Departments.

Review on the Annual Administration Report of the Animal Husbandry Department for 1951-52.

READ—

Letter No. Misc. 53-1012—52-53, dated 17th September 1952, from the Director of Animal Husbandry forwarding the Annual Administration Report of the Animal Husbandry Department for the year 1951-52.

ORDER NO. A.F. 10911-13—A.H. 70-52-4, DATED BANGALORE, THE 6TH FEBRUARY 1953.

Recorded.

General Administration.—Dr. P. M. Narainswamy Naidu, B.Sc., L.V.P., Sc.D. (Ger.), F.F.A.S. (Fr.), continued to be in charge of the Department during the year under report. He continued to serve on the following Committees and Organisations during the year under report :—

(*a*) Animal Breeding Committee and the Advisory Board of Indian Council of Agricultural Research.
(*b*) Committee for Regionalisation of Research in Animal Husbandry of I.C.A.R.
(*c*) Central Co-ordination Committee for Rural Development.
(*d*) Board of Studies, Agricultural College, University of Mysore.
(*e*) Managing Committee of Agricultural and Experimental Union.
(*f*) Society for Prevention of Cruelty to Animals as President.
(*g*) Bangalore Race Club as Hon. Veterinary Officer.
(*h*) Committee to Prohibit the use of Natural Milk in Catering Establishments in the Urban Areas.

Seasonal Conditions.—Seasonal conditions were fairly satisfactory. The cost of fodder continued to be high.

Veterinary Section.—Rinderpest appeared to be less widely prevalent than during the previous year. The diseases reported were checked by conducting 77,660 inoculations and vaccinations during the year under report. Two thousand one hundred and seven outbreaks of Blackquarter were registered and 2,109 were attended to during the year under report, protecting 3,33,681 animals against the disease by vaccination. Five hundred and twenty-eight cases of Hæmorrhagic Septicæmia were reported and dealt with protecting 1,10,115 animals against the disease. Five hundred and thirty-two cases of Anthrax were attended to protecting 60,597 cattle and sheep against the disease. Seventy-six thousand six hundred and eighty-three vaccinations were conducted against Sheep-pox. Two thousand and thirty-five birds were vaccinated against Fowl Cholera and 87,698 birds against Ranikhet disease during the year under review. There was an increase of 20·7 per cent under total livestock over the figures of 1945.

Twelve new Rural Veterinary Dispensaries were opened during the year under report, bringing the total number of institutions to 205 at the close of the year under report, thus one institution for every 28,197 heads of cattle in the State.

Cattle Fairs.—Eighty-eight cattle fairs were held during the year under report, wherein 6,38,330 heads of cattle had gathered and 6,362 prizes to the best exhibits were distributed. A one-day cattle show was also arranged during the year at the Bangalore City Veterinary Hospital in connection with the visit of the Hon'ble Sri K. M. Munshi, Union Minister for Food, whereat calves born as a result of artificial insemination were exhibited.

It is very essential in the larger interests of public health that meat inspection should be made an obligatory responsibility of each municipality. The Director of Animal Husbandry is requested to submit separate proposals in this connection for the consideration of Government.

Rural Development Work.—Thirty-six stud bulls of different breeds were distributed free of cost under the "Free Bull" Scheme and 5 of the premium bulls selected last year were awarded the premia of Rs. 100 each on their completion of one year's period. Sixteen stud rain and bucks, 2,666 fertile eggs, 18 pullets and cockerels were distributed to the selected villages. Three breeding bulls were supplied to the Village Panchayets at subvention rates.

Training in Indian Veterinary Colleges.—Out of the 7 State stipendiaries of Bombay Veterinary College, only two have passed in the final and pre-final year classes. This was not satisfactory. So also, out of 9 stipendiaries of Madras Veterinary College, only 4 had passed.

Artificial Insemination of Cattle.—During the year under report, 1,096 animals were inseminated at Mysore and 2,752 at the City Veterinary Hospital, Bangalore. The noteworthy feature of the year was the import of semen from pedigreed bulls from U.K. and its use for inseminating local cattle. Four hundred and forty-one cows in Bangalore and Mysore were inseminated with imported semen and the number of non-returns was 52·2 per cent of the inseminated.

Cattle Breeding Station, Ajjampur.—The strength of the cattle in the farm was 1,257 at the end of the year under report. Seventy-two bulls and bullocks were either distributed to accredited breeders or sold in auction. The total quantity of milk produced was 49,469 lbs. and the total revenue of the Dairy was Rs. 7,862-1-9. The total receipts and expenditure of the farm from all sources was Rs. 35,698-5-11 and Rs. 96,152-13-0, respectively. The decrease under receipt was due to the fact that amounts due from other Departments for the supply of bulls had yet to be adjusted. An extent of 532-1 acres of land was leased for temporary cultivation for a gutta of 21,467½ seers of horsegram during the year under report.

Amritmahal Section.—The age-old servegari or ranching system of rearing the breed of Amritmahal cattle was abolished during the year under report. Consequently, 4 Cattle Breeding Stations at Hebbanaghatta, Birur, Kyrodu and Ulavarthy were opened during the year under report. As against a total demand of Rs. 2,95,406-13-11, a sum of Rs. 58,945-13-3 was collected leaving a huge arrears of Rs. 2,36,460-15-8. The heavy arrears is stated to have been due to the inability of lessees to pay their gutta as a result of adverse seasonal conditions and a major portion of kaval land being transferred to Revenue Department. An extent of 4,466-15 acres of land was leased out during the year for temporary cultivation. The total receipts and expenditure was Rs. 85,825-15-1 and Rs. 37,907-2-3, respectively during the year under report.

Fishery Section.—Fishery conservation measures were enforced as usual during the year in 3 divisions, comprising Mysore, Mandya, Shimoga and Kolar Districts. The destructive methods of poisoning and use of explosives to catch fish by the local fishermen were largely prevented through the vigilance of the watchers and other staff of the section. A sum of Rs. 31,668-9-0 was realised as revenue consequent on the issue of fishery licenses.

Game fishing.—Conservation work at the game fishing pools at Bammanamadu and Doddanamadu of the Cauvery River in Srirangapatna Division was continued. Deep water fishing was continued at Markandeya, Bethamangala and Krishnarajasagara Reservoirs.

Mysore Serum Institute.—The Disease Investigation (Sheep and Goat), the Mastitis Scheme and the Disease Investigation Scheme were continued during the year under report, under the financial assistance of the I.C.A.R. In addition, the Poultry Disease Investigation Scheme, the Scheme for the Control of Parasitic Diseases among Livestock in the State were continued, financed fully by the State Governments.

Research Section.—The investigation of various problems connected with disease of livestock besides undertaking the laboratory examination of all pathological materials received from different veterinary institutions in the State was continued. Detailed investigations and survey of the contagious diseases of bovines, *viz.*, Hæmorrhagic Septicæmia, Anthrax, Blackquarter and obscure diseases peculiar to Malnad were undertaken. The designation of the Officer-in-charge of Parasitology Section was changed from "Helminthologist" to that of "Parasitologist." Seventy-eight thousand eight hundred and forty heads of cattle were dosed against Liver Fluke disease. During the year under report 2,35,000 doses of vaccine under Ranikhet Vaccine Production Scheme were prepared, of which 2,34,000 doses were used at the different sub-centres and 50,000 doses were used for protecting the birds brought to the laboratory. A revenue of Rs. 9,507-14-0 was got during the year by the sale of Anthrax Vaccine. There was a balance of 1,61,795 doses of biologicals at the commencement of the year and 11,27,585 unit doses were prepared during the year and 10,31,150 doses were issued within the State and 1,13,230 doses were sold to places outside the State. The total expenditure for the year under report including all items amounted to Rs. 1,60,333-9-7 and the revenue realised by sale of biologicals and done animals amounted to Rs. 2,26,430-4-3.

Government Grass and Stud Farms, Hessarghatta.—The seasonal conditions were generally satisfactory during the year under report. The activities of the Farms were confined to four sections, *viz.* (1) the Grass Farm, (2) the Stud Farm, (3) the Dry Cattle Farm, (4) the Dairy Farm. The total revenue and expenditure on account of the Grass Farm during the year was Rs. 36,700 and Rs. 1,07,380 respectively. The amounts of the Pony Breeding Unit and the Remount Breeding Section maintained fairly satisfactory condition in spite of irregular supplies of concentrates and scarcity of grazing during summer months. As against a total demand of Rs. 16,873 on account of boarding fees towards the dry cattle, a sum of Rs. 16,379 was collected, having incurred an expenditure of Rs. 15,808-7-6.

Poultry Farm.—Six hundred and fifty layers on an average were maintained on the Farm throughout the year, which produced 89,356 eggs. The total receipts and expenditure of this farm, worked out to Rs. 32,532-9-9 and Rs. 38,544 respectively.

Dairy Farm.—The total quantity of milk yielded by the cows was 64,063 lbs. and 66,817½ lbs. by she-buffaloes. A sum of Rs. 1,17,534 was spent under various heads including the purchase of cattle and a sum of Rs. 32,963-10-0 was realised from the sale of milk.

Kunigal Stud Farm.—There were 5 stallions, 13 mares and 6 young stock on the strength of the Farm as on 1st April 1952. The total expenditure of the Farm amounted to Rs. 1,29,494-15-8 and the revenue realised was Rs. 1,19,344 during the year under report.

The working of the Department was on the whole fairly satisfactory during the year under report.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions Age and Fee Concessions to displaced persons from Pakistan.

READ—

Government Order No. E. 6354-454—R. & P.S. 20-52-2, dated 7th August 1952, directing that qualified Refugees may be absorbed in Government Offices, wherever they are found suitable and empowering the Public Service Commission to assign them to several units according to their qualification by granting domicile and age restriction exemption in suitable cases on receipt of the names of qualified refugees from the Commissioner for Refugees.

2. Letter No. 135—52-Ests., dated 7th November 1952 from the Assistant Secretary to the Government of India, Ministry of Home Affairs, New Delhi, regarding the continuance of age and fee concessions to displaced persons from Pakistan.

3. Un-official Note No. 210—52-53—P.S.C., dated 28th March 1953, from the Secretary, Mysore Public Service Commission, Bangalore, in the matter.

ORDER No. E. 945-1029—R. & P.S. 20-52-5, DATED BANGALORE, THE 24TH APRIL 1953.

The Government of India, Ministry of Home Affairs, stated in their Press Note No. 135—52 Ests., dated 7th November 1952, that in order to help such of the displaced persons as are not in a position to pay the application fees prescribed

for posts advertised by the Union Public Service Commission or for admission to competitive examinations conducted by them, the Commission could, at their discretion remit the prescribed application or examination fees where they were satisfied that the applicant was a *bona fide* displaced person and was not in a position to pay the prescribed fees, that the existing age and fee concessions should remain in force for a further period up to the end of December 1953, that, thereafter, these concessions would be admissible during the year 1954 only to such displaced persons as came out to India after the end of December 1950 and that the position would be reviewed in 1954 in order to decide whether the concessions should be extended beyond the end of December 1954.

The Mysore Public Service Commission recommended that the concessions regarding age and domicile sanctioned in Government Order No. E. 6354-454—R. & P.S. 20-52-2, dated 7th August 1952 read in para 1 above may be extended to the Refugees till the end of December 1953 and that the fee concession referred to by the Government of India may be given to them till 31st December 1953 since the *bona fide* Refugee candidates who seek employment in the State services are very few.

The recommendation of the Mysore Public Service Commission is sanctioned.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Sanctions the Rules for the Levy and Collection of Duty in the form of surcharge on transfers of immoveable properties in Belur Town Municipality.

READ—

Letter No. R4. C. 2260-1084—52, dated 25th March 1953, from the Commissioner for Local Self-Government, requesting sanction to the draft rules framed in regard to the levy and collection of duties in the form of surcharge under Sections 46 (1) (h) and 61 (xiii) read with Section 65 (1) and (3) of the Mysore Town Municipalities Act, 1951, on transfers of immoveable properties in Belur Town in accordance with the resolution of the Municipal Council dated 29th November 1952 and stating that the prescribed formalities have been observed and no objections have been received in this behalf.

ORDER No L. 406-412—ML. 91-52-86, DATED BANGALORE, THE 15TH APRIL 1953.

The proposal of the Belur Town Municipal Council is sanctioned. The rules are approved and appended to this order.

The above levy will come into force with effect from 15th May 1953.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and
Planning Departments.

ANNEXURE.

Rules framed by the Belur Town Municipal Council under Sections 46 (1) (h) and 61 (xiii) read with section 65 (1) and (3) of the Mysore Town Municipalities Act, 1951, for regulating the levy and collection of the duty on transfers of immoveable property in the form of a Surcharge to be levied by the Belur Town Municipal Council.

1. (i) The transfer duty imposed under sub-clause (xiii) of clause (*b*) of Section 61 and Section 65 of the Mysore Town Municipalities Act, 1951 on the instruments of sale, gift and mortgage of immoveable property situated within the limits of the Belur Town Municipality where the levy of surcharge has been sanctioned by Government, executed after the introduction of the above duty, shall be paid and recovered in the same manner and under the same procedure as the ordinary duty imposed on such instruments by the Mysore Stamp Act, 1900.

(ii) A rate of one per cent on the amount of consideration, the value of the property or the amount secured by the mortgage as set forth in the instruments shall be levied.

2. (i) Whenever any instrument referred to in Rule 1 is presented before the Registering Officer, he shall see whether the particulars referred to in section 27 of the Mysore Stamp Act, 1900, are set forth separately in the instrument in respect of the property situated within the limits of the Belur Town Municipality as required by Section 65 of the Mysore Town Municipalities Act, 1951.

(ii) If the said particulars be not so separately set forth in any such instruments, the said officer must impound it and forward it to the nearest officer exercising powers of a Deputy Commissioner under Section 40 of the Mysore Stamp Act, 1900, calling his attention to Section 64 of the Mysore Stamp Act, 1900, as extended by Section 65 of the Mysore Town Municipalities Act, 1951.

3. (i) Every Registering Officer who registers any instrument referred to in Rule 1 shall keep an account of the duty paid in respect of each such instrument, showing separately the duty imposed by the Mysore Stamp Act, 1900 and the transfer duty imposed by the Mysore Town Municipalities Act, 1951. If the Registering Officer has jurisdiction over more than one Municipality, separate account shall be maintained for each Municipality. In these accounts, the duty recovered by other Registering Officers in respect of properties situated in this Municipality, shall also be included.

(ii) The said accounts shall be consolidated quarterly, under the orders of the Inspector-General of Registration and each quarterly consolidated account shall be sent by him to the Accountant-General, Mysore, Bangalore, within two months after the close of the quarter.

4. If, in any case, it be impossible to recover the full duty payable on any instrument referred to in Rule 1, then only such portion of the duty realised on such instrument as is in excess of duty imposed by the Mysore Stamp Act, 1900, shall be treated in the said accounts as duty imposed by Section 65 of the Mysore Town Municipalities Act, 1951.

5. The Accountant-General, Mysore, Bangalore, shall, within three months after the close of each quarter, arrange to pay the President of this Municipal Council so much of the duty shown in the said consolidated accounts as represents the transfer duty imposed by Section 65 of the Mysore Town Municipalities Act, 1951.

6. A commission of one per cent shall be paid to the State Government for the collection of transfer duty and the same shall be deducted before the payment of the amount due under these rules to this Municipal Council.

LAW SECRETARIAT

Accords sanction to the Raising of the Maximum Marks and Duration of some Question Papers of the Mysore Local Service and Pleaders' Examinations.

READ—

Letter No. 571, dated 26th December 1952, from the Secretary, Mysore Local Service and Pleaders' Examinations Board, requesting sanction to the resolution of the Board of Management, Mysore Local Service and Pleaders' Examinations Board, in the matter of raising the maximum marks of some question papers and also their duration.

ORDER No. 6071-81—L.E. 17-52-2, DATED BANGALORE, THE 4TH FEBRUARY 1953.

Under the existing rules relating to the Mysore Local Service and Pleaders' Examinations, question papers set for the examinations conducted by the Board, carry maximum number of marks varying from 80 to 150 and the duration of the papers also varies from 1½ hours to 3 hours.

2. It is reported that the Board of Management, Mysore Local Service and Pleaders' Examinations, are of opinion that there should be only two categories of papers, both in regard to the hours of duration and the maximum number of marks allotted and accordingly the following Resolution was passed by the Board at their meeting held on 11th November 1952 :—

> "Such of the papers which have got a maximum of 80 marks should be upgraded to papers of 100 marks each and that papers of 1½ hours duration may be converted into papers of 2 hours duration."

3. The Secretary, Mysore Local Service and Pleaders' Examinations Board, has solicited sanction of Government to the above Resolution of the Board.

4. Sanction is accorded to the above Resolution of the Board.

5. Sanction is also accorded to the consequential amendments to the Rules relating to the Mysore Local Service and Pleaders' Examinations as detailed below :—

On page 2, under "3.	Criminal Examination (Higher and Lower Grades)", substitute '100' for the figure '80' occurring under the column 'Maximum number of marks for each subject' against (*a*) Evidence.
On page 3, under "4.	Excise Examination", substitute '2 hours' for '1½ hours' occurring under the column 'Time allowed.'
On page 4, under "7.	Forest Examination", substitute '2 hours 'for' 1½ hours' occurring under the column 'Time allowed.'
On page 5, under "11.	Sales Tax Examination (Higher and Lower Grades)", substitute '100' for the figure '80' occurring under the column 'Maximum number of marks for each subject' against the paper on "Allied Acts and Rules thereunder."

REVENUE AND HOME SECRETARIAT

Accords sanction to raise the maximum limit of Sale of General and Court Fee Stamps through the Licensed Vendors and Co-operative Societies vending stamps in Mysore State.

READ—

Government Order No. S.R. 4767-69—St. 18-52-5, dated the 24th November 1952, permitting the Bangalore Legal Practitioners' Co-operative, Society, Ltd., Bangalore, to sell stamp papers of all denominations up to Rs. 1,000 for a single transaction.

2. Representation dated the 21st January 1953, from the Licensed Stamp Vendors of Bangalore City, praying for the grant of similar concessions as above to them also.

3. Correspondence ending with letter No. C. 7—51-52, dated the 26th February 1953, from the Commissioner of Stamps in Mysore, furnishing a report in the matter.

ORDER NO. S.R. 185-201—ST. 18-52-10, DATED BANGALORE, THE 11TH APRIL 1953.

It is brought to the notice of Government that in view of the increasing demand for General and Court Fee Stamps, the existing restriction to sell stamps only up to a certain limit is causing much inconvenience and delay to the public. The Commissioner of Stamps has, in consultation with the Deputy Commissioners of Districts, recommended the following proposals, and adds that this arrangement would be of great help to the public and also to the Stamp Vendors or any licensed Co-operative Society, that consequentially there will be loss to the Government in the form of discount as direct sale of stamps in the Treasury will be reduced and that in order to make up this loss, the rates of discount may be revised to 1½ per cent in the District and Taluk Headquarters, and to 3 per cent in other places in respect of General Stamp Papers only and the rate of 1½ per cent allowed on Court Fee Stamps at all places continued.

1. To raise the maximum limit of sale of General and Court Fee Stamps through the Licensed Vendors and Co-operative Societies vending stamps; and
2. To revise the rates of discount that is being paid to the vendors, as detailed in the Appendix to the Government Order.

2. The above proposals of the Commissioner of Stamps are sanctioned. A statement showing the limit of fixation of the value of stamp papers to be sold by Stamp Vendors for a single transaction and the rates of discount allowed at present and as sanctioned is appended to this order.

3. It is further directed that as in the case of the Bangalore Legal Practitioners' Co-operative Society, Ltd., Bangalore, the Bar Association Co-operative Society, Ltd., Mysore City, is also permitted to sell both the General and Court Fee Stamps up to Rs. 1,000 (Rupees one thousand) only, for a single transaction, as a special case, the revised rates of discount being allowed to the above-mentioned Associations also.

4. The Commissioner of Stamps is requested to take necessary further action in the matter.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions payment of Remuneration to Patels and Shanbhogs for work connected with procurement of foodgrains during 1952-53.

READ—

1. G.O. No. S.D. 9763-74—C. 83-51-2, dated 13th March 1952, sanctioning the payment of 25 per cent of the enhanced Potgi to Shanbhogs for scriptory work and stationery and commission of one anna each to the Patels and Shanbhogs per palla of foodgrains delivered to Government during 1951-52, as in previous years.

2. Letter No. H1. C. 7376—52-53, dated 4th February 1953, from the Director of Food Supplies requesting that, as the services of Patels and Shanbhogs have, as usual, been engaged for the preparation of accounts and for the procurement of paddy during the current harvest (52-53), sanction may be accorded for the payment of 25 per cent (twenty-five per cent) of the enhanced Revenue Potgi to the Shanbhogs and a commission of one anna each to the Patels and Shanbhogs per palla of paddy delivered to Government during 1952-53.

ORDER NO. S.D. 737-52—C. 44-52-4, DATED BANGALORE, THE 29TH APRIL 1953.

Sanction is accorded to the payment of only 5 per cent (five per cent) of the enhanced Potgi to Shanbhogs for scriptory work and stationery and commission of one anna each to the Patels and Shanbhogs per palla of paddy delivered to Government during 1952-53.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

REVENUE AND HOME SECRETARIAT

Accords sanction to raise the maximum limit of Sale of General and Court Fee Stamps through the Licensed Vendors and Co-operative Societies vending stamps in Mysore State.

READ—

Government Order No. S.R. 4767-69—St. 18-52-5, dated the 24th November 1952, permitting the Bangalore Legal Practitioners' Co-operative, Society, Ltd., Bangalore, to sell stamp papers of all denominations up to Rs. 1,000 for a single transaction.

2. Representation dated the 21st January 1953, from the Licensed Stamp Vendors of Bangalore City, praying for the grant of similar concessions as above to them also.

3. Correspondence ending with letter No. C. 7—51-52, dated the 26th February 1953, from the Commissioner of Stamps in Mysore, furnishing a report in the matter.

ORDER NO. S.R. 185-201—ST. 18-52-10, DATED BANGALORE, THE 11TH APRIL 1953.

It is brought to the notice of Government that in view of the increasing demand for General and Court Fee Stamps, the existing restriction to sell stamps only up to a certain limit is causing much inconvenience and delay to the public. The Commissioner of Stamps has, in consultation with the Deputy Commissioners of Districts, recommended the following proposals, and adds that this arrangement would be of great help to the public and also to the Stamp Vendors or any licensed Co-operative Society, that consequentially there will be loss to the Government in the form of discount as direct sale of stamps in the Treasury will be reduced and that in order to make up this loss, the rates of discount may be revised to 1½ per cent in the District and Taluk Headquarters, and to 3 per cent in other places in respect of General Stamp Papers only and the rate of 1½ per cent allowed on Court Fee Stamps at all places continued.

1. To raise the maximum limit of sale of General and Court Fee Stamps through the Licensed Vendors and Co-operative Societies vending stamps; and
2. To revise the rates of discount that is being paid to the vendors, as detailed in the Appendix to the Government Order.

2. The above proposals of the Commissioner of Stamps are sanctioned. A statement showing the limit of fixation of the value of stamp papers to be sold by Stamp Vendors for a single transaction and the rates of discount allowed at present and as sanctioned is appended to this order.

3. It is further directed that as in the case of the Bangalore Legal Practitioners' Co-operative Society, Ltd., Bangalore, the Bar Association Co-operative Society, Ltd., Mysore City, is also permitted to sell both the General and Court Fee Stamps up to Rs. 1,000 (Rupees one thousand) only, for a single transaction; as a special case, the revised rates of discount being allowed to the above-mentioned Associations also.

4. The Commissioner of Stamps is requested to take necessary further action in the matter.

G. N. NAGARAJA RAO,
Secretary to Government,
Revenue and Home Departments.

ANNEXURE.

A REPORT ON THE WORKING OF THE INDIAN BOILERS ACT OF 1923 IN MYSORE STATE DURING THE YEAR ENDING 31ST MARCH 1952.

The administration of the Boilers Act, which till then vested with the Director of Industries and Commerce, was at the close of the year transferred to the Commissioner of Labour, as per Government Order No. L.S. 4920—L.W. 304-51-1, dated 8th March 1952.

Boilers in Commission:—There were at the beginning of the year 343 Boilers in commission, in the State. Twenty-five Boilers were registered during the year and three more, which were out of commission, were put into commission and another three were transferred into the State from outside, seven Boilers were put out of commission during the period, grant of license was refused in respect of one and two Boilers were condemned. Thus, there were 364 Boilers in commission at the close of the year. Of these 364 Boilers; 76 are in Bangalore Division, 89 in Mysore Division, 100 in Shimoga Division and the remaining 99 in Special Division.

Inspections:—In an aggregate, 370 Boiler inspections were conducted during the year involving 319 Boilers as against 289 during the previous year and Licenses were issued in respect of 299 Boilers. Of the 319 Boilers inspected, 68 were inspected by the Inspector of Boilers, Bangalore Division, 68 were inspected by the Inspector of Boilers, Mysore Division, 108 were inspected by the Inspector of Shimoga Division and 75 Boilers were inspected by the Inspector of Boilers of the Special Division, comprising of the City of Bangalore, Bangalore Retroceded area and the Kolar Gold Fields. Surprise inspections were also made by the Inspectors in respect of the several Boilers in their jurisdiction to verify if the Boilers were being worked in conformity with the pressure and other conditions laid down in the licenses issued.

Revenue realised by levy of Fees on Inspections:—The Boiler Registration and Inspection Fees collected during the year amounted to Rs. 13,530, as against Rs. 13,971 during 1950-51. Particulars of Fees collected in the Four Divisions are furnished below:—

	Rs.
(1) Bangalore Division	1,985
(2) Mysore Division	2,915
(3) Shimoga Division	3,980
(4) Special Division	4,650
Total ...	13,530

Accidents:—No accidents were reported from any of the Divisions during the year.

Prosecutions:—There were no prosecutions launched and no convictions obtained during the year under report.

Holding of Temporary Appointments.

OFFICIAL MEMORANDUM.

ORDER No. FL. (B) 1756-856—C.R. 4-53-4, DATED BANGALORE, THE 5TH MAY 1953.

As per Note to Article 55, Mysore Service Regulations, "a temporary post can be held either substantively or in an officiating capacity."

It is noticed that in some instances, the term "temporary tenure" has been used in respect of incumbents who have no substantive appointments appointed against permanent posts. This is not correct.

Officers with or without substantive tenures may, however, be appointed substantively against temporary posts under the provisions of the above Article, and in such cases there is no objection to note the tenures as "temporary."

Letter No. G. A. Genl. 14—Dt., dated 1st May 1953 from the Accountant-General, Mysore, Bangalore, stating that certain certificates in regard to maintenance of conveyances may be printed in the Gazetted Officer's salary bill forms.

ORDER NO. FL. (B) 2305-405—C.R. 5-53-2, DATED BANGALORE, THE 16TH MAY 1953.

The following additional certificates should be furnished by Gazetted Government servants in their monthly salary bills presented for payment :—

"I certify that I have spent not less than the amount of Conveyance Allowance claimed in this bill towards conveyance charges in connection with Government work."

Note :—This certificate is required only when the claim for conveyance allowance is based on the amount spent.

"I certify that an extract of the expenditure account due from me for the previous month under Government Order No. Fl. (B) 2503-87—Bud. 8-52-2, dated the 17th June 1952 was forwarded to my superior officer in my Memo No....., dated .....".

Until new forms are printed, these certificates should be furnished in the salary bills in manuscript.

Accords sanction to the Changes in treasury arrangements in Bangalore necessitated by the establishment of a branch of the Reserve Bank at Bangalore.

READ—

Notification No. Fl. (B) 12016—B. & T. 34-52-1, dated the 7th January 1953, appointing the Reserve Bank of India as the sole Banker to Government with effect from 1st January 1953.

2. Correspondence ending with letter No. Cy. 1976—Gen. 54-513, dated 19th May 1953, from the Reserve Bank enumerating the several items of work that will be taken over by the Bank as from 1st July 1953 on the opening of its branch at Bangalore and suggesting, among others, that the several treasuries functioning at the place may be amalgamated so that only one treasury may be linked to the Bank.

ORDER NO. FL. (R) 272-372—B. & T. 4-53-1, DATED BANGALORE, THE 4TH JUNE 1953.

The Reserve Bank of India which is opening a branch at Bangalore from 1st July 1953, is taking over the cash work of the treasuries at the place as from that date, agreeably to clause 3 (1) of the agreement with it. As it is not convenient for the Bank to deal with more than one treasury in the same place and as the work of the treasuries will also get reduced after their cash work is taken over by the Bank, it has become necessary to reconstitute the treasuries so that there may be only one District Treasury and one Taluk Treasury in Bangalore. With this purpose in view, the following changes and consequential arrangements are ordered which will have effect from 1st July 1953 unless indicated otherwise :—

(i) The Civil Station Treasury and the Bangalore District Treasury will be abolished by transferring the transactions handled there to the State Huzur Treasury.

(ii) The Bangalore South Taluk Treasury will be abolished by transferring its work partly to the North Taluk Treasury and partly to the State Huzur Treasury.

(iii) The cash transactions of the Civil Station Treasury now conducted at the Imperial Bank, Bangalore, and of the other four treasuries now conducted at the treasuries themselves will, with the exceptions mentioned in (iv) below, be conducted at the Reserve Bank located in 'Canara Mutual' Buildings, Residency Road, Bangalore.

(iv) The cash transactions connected with the following items of work wil be conducted at the treasuries themselves as indicated there-against. The payers of money or the payees as the case may be, need not in such cases go to the Bank for finalising their transactions :—

(*a*) Treasury Savings Bank deposits and withdrawals, issue and discharge of Government Savings Certificates and Treasury Fixed Deposits.	At the reconstituted State Huzur Treasury.
(*b*) Civil Pensions excluding those now paid at the Mysore Bank ...	Do
(*c*) Military Pensions now paid at the State Huzur Treasury ...	Do
(*d*) Collections of Land and Excise Revenue, transactions of Muzrai Funds, Village Panchayet Funds, etc., connected with the Taluk accounts.	At the Bangalore North Taluk Treasury.
(*e*) Any other item of work to be specified by Government ...	Do

A permanent advance of Rs. 25,000 is santiconed to the Treasury Officer, State Huzur Treasury, for the purpose. The expenditure out of the advance should be recouped daily, the receipts being remitted to the Bank and the expended amounts drawn from the Bank separately for each class of transactions.

Should a demand be presented at the treasury which cannot be met out of the balance of the Permanent Advance, the Treasury Officer may draw the amount required from the Reserve Bank on a receipt indicating the purpose for which money is required and furnishing a pay order thereon.

(v) After the abolition of the Civil Station Treasury, the pay, travelling allowance, contingent and other bills now presented at that treasury, will have to be tendered at the State Huzur Treasury for payment authorisation. As the Pre-audit Pay Department of the Accountant General's Office is functioning close by and since confusion would arise if the Civil Station bills, which are not subject to

pre-audit, are received side by side with the bills of city offices, subject to pre-audit of the Accountant General, the pre-audit of the latter kind of bills will be discontinued. This will not, however, apply to bills which under the general rules laid down in the Mysore Financial Code, Volume, I have to be submitted to the Accountant General for audit before payment at the treasuries. Detailed circular instructions in this behalf will be issued by the Accountant General, separately.

(vi) Pensioners now drawing their pensions at the Civil Station Treasury, the Bangalore District Treasury, the Bangalore North and South Taluk Treasuries will, on and after 1st July 1953, be paid at the State Huzur Treasury. To avoid inconvenience to the pensioners, arrangements will be made to disburse the pensions at the treasury itself. To cope with the rush on the first two days and on the last day (working days) of each month, the State Huzur Treasury will work from 8 A.M. and disbursements of pensions will commence by 10-45 A.M. on such days. The Reserve Bank has been requested to depute its shroffs with sufficient cash to the State Huzur Treasury for the purpose, on the days referred to.

Pensioners attending the treasury in person to receive payment on the three days referred to may present their bills along with their halves of the Pension Payment Orders to the treasury two days in advance, to ensure expedition.

(vii) Taxes on motor vehicles now collected at the Civil Station Treasury will, after 30th June 1953, be collected at the Reserve Bank direct. The licenses will be issued by the State Huzur Treasury on the parties surrendering one copy of the chalan in form M.F.C. 3 duly receipted by the Bank for credit of the tax.

(viii) General, Court Fee, Postal and other stamps including Postal Stationery will be issued only at the State Huzur Treasury after 30th June 1953.

(ix) Cases where remittances into and drawals from the Bank may be arranged directly without obtaining an authorisation from the Treasury Officer, State Huzur Treasury, are specified in the Annexure. In other cases, the documents on which money is presented or claimed at the Bank should have an authorisation from the Treasury Officer, State Huzur Treasury. The chalans or bills so authorised if not presented to the Bank within 10 days of their authorisation require revalidation by the Treasury Officer.

The form of the chalan to be used for remittances into the Bank (where no special form is prescribed) is appended. For monies received at the Bank, the Bank itself will grant acknowledgments which will be as valid as those granted by the treasuries doing cash work. The printed chalan forms will be supplied by the State Huzur Treasury.

Cheques for drawing money from the Bank should be addressed to the Reserve Bank and not to the Treasury Officer, State Huzur Treasury, wherever the cheques can be presented to the Bank direct. Until new forms are printed, the required correction may be made in the existing forms in manuscript or by rubber stamp. Such alterations do not require attestation.

(x) The non-gazetted staff attached to the Civil Station Treasury and the Bangalore District Treasury will in its entirety be transferred to the State Huzur Treasury along with the duty and other allowances attached to their respective posts. The staff of the South Taluk Treasury excluding the Sheristedar will also be transferred to the State Huzur Treasury. Separate orders will issue regarding the treasury personnel who are rendered surplus as a result of these changes.

(xi) The Government's current account with the Bank of Mysore will be closed. In respect of the undermentioned transactions which will be continued to be conducted at the Mysore Bank and its branches even after 30th June 1953 until further instructions, the following accounting procedure will be adopted:—

RECEIPTS.

(1) Receipts on behalf of the Government Insurance Department.
(2) Cheques sent by Government Departments for collection in Bangalore from 1st July 1953 to 31st July 1953.
(3) Cheques sent by Government Departments for collection in the mofussil from 1st July 1953 until further instructions.
(4) Transactions of Government Offices in K.G.F. area.

PAYMENTS.

(5) Interest on State Loans.
(6) Payment of pensions of pensioners drawing Rs. 25 and above.
(7) Transactions of Government Offices in K.G.F. area.

Amounts of (1), (2) and (4) will be credited to State Huzur Treasury by the Bank of Mysore by cheque daily accompanied by a list of receipts in duplicate. Amounts of item (3) will be credited by the branches of the Bank by cheques to the treasuries concerned as soon as practicable with the relevant chalans to be received from the remitters. For this purpose, cheques tendered by private parties also will be received at the branches of the Mysore Bank *Direct*, without the intervention of Treasury Officers. The credits will be taken in the treasury accounts to the final heads when the branches send cheques in settlement of cheques realised (along with the relevant chalans). Such cheques (of the Mysore Bank) will be remitted to the State Huzur Treasury for realisation and credit to the head "Remittances by cheques."

In the case of (5) to (7), the Bank will present at the State Huzur Treasury lists of payments made by it or its branches, in duplicate, and obtain reimbursement daily.

The Bank will neither receive nor make payment in any other case on Government account without specific instructions from the Finance Department.

(xii) Cheques on Banks presented at Bangalore in payment of Central or State Government dues or in settlement of other transactions with Government, should be remitted to the Reserve Bank, direct, with effect from 1st August 1953. Such cheques should be endorsed in favour of the Reserve Bank in all cases. Pending realisation of the amounts thereof, a receipt for the actual cheque only will be given in the first instance as is done at present in the case of cheques remitted to the District Treasuries. The preliminary acknowledgment of the receipt of the cheque issued by the Reserve Bank will be in the following form :—

Received Cheque No..... ..... for Rs..... drawn on..... .....on account of..... as per chalan No.....

The final receipt will, if so required, be despatched to the party after the realisation of the amount.

There will be a daily clearance of cheques accepted and the transactions will be included in the daily account rendered to the State Huzur Treasury after the cheques have been cleared.

Note :—(1) The Reserve Bank reserves to itself the right to refuse to accept cheques the collection of which, in its opinion, cannot reasonably be undertaken and which it would not accept on behalf of its own constituents.

Note.—(2) From 1st July to 31st July 1953 the cheques (collected at Bangalore) will all be remitted to the Mysore Bank only (*vide* xi).

Note.—(3) No cheques should be presented for collection on Government Account to the Imperial Bank, Bangalore, on and after 1st July 1953 and to the Bank of Mysore, Bangalore, after 31st July 1953.

(xiii) The system of drawing cheques on Banks by the Treasury Officer, State Huzur Treasury will be discontinued with effect from 1st July 1953. Cheques drawn prior to that date but pending payment on 1st July 1953 will be cashed at the Reserve Bank, if in order.

(xiv) Issue of cheques on the Bank of Mysore, the Imperial Bank, Bangalore, the State Huzur Treasury, and the Bangalore District Treasury by Government Officers should be discontinued with effect from 1st July 1953. Such cheques should be drawn on the Reserve Bank from that date. Cheques issued prior to 1st July 1953 but pending payment on 1st July 1953 will be cashed at the Reserve Bank direct subject to the rules of currency, etc. The information required by the Reserve Bank in this behalf will be furnished by the Banks and the treasuries concerned as indicated at (xvi) below.

(xv) Remittance Transfer Receipts and Treasury Cash Orders on the treasuries in the mofussil, applied for at Bangalore, will be issued by the State Huzur Treasury on presentation of a duplicate copy of the application (chalan) containing the acknowledgment of the Reserve Bank for receipt of money. For this purpose, the applications or chalans for such bills are permitted to be presented in duplicate at the Reserve Bank direct. Such bills will not be issued by the North Taluk Treasury nor any bill should be drawn on that treasury by any other treasury in the State on and after 1st July 1953.

(xvi) The Treasury Officers, State Huzur Treasury and the Bangalore District Treasury, the Manager, Bank of Mysore, and Agent, Imperial Bank of India, Bangalore, are requested to make over to the Reserve Bank, Bangalore, on or before 30th June 1953, the specimen signatures of the Government Officers authorised to operate on the personal deposit and other accounts at their treasuries or Banks. Copies of standing instructions, if any, kept with them and intimation of the outstanding balances, if any, in the assignment or personal deposit accounts together with the correspondence files relating thereto may also be furnished to the Reserve Bank on or before 30th June 1953.

(xvii) The procedure for obtaining Imperial Bank drafts for making payments by Government Departments and Local Bodies outside the State laid down in the Government Orders noted below is modified as follows with effect from 1st July 1953 :—

G. O. No. Fl. (B) 4007-4096—B. & T. 11-52-3, dated 25th July 1952.
O. M. No. Fl. (B) 11722-52—B. & T. 11-52-4, dated 30th December 1952.
G. O. No. Fl. (B) 146-246—B. & T. 11-52-7, dated 3rd April 1953.

(*a*) The payments should be made by Reserve Bank Drafts.

(*b*) The requisitions for drafts should be addressed to the Treasury Officer, State Huzur Treasury and not to the Imperial Bank, Bangalore.

(*c*) The Remittance Transfer Receipts sent to cover the cost of the drafts should include Reserve Bank's commission as noted below for each draft :—

Up to Rs. 5,000	...	... 1/16 per cent (Minimum annas four).
Over Rs. 5,000	—	... 1/32 per cent (Minimum Rs. 3-2-0).

(*d*) The drafts will be despatched to the payees by the State Huzur Treasury, advices thereof being sent to the offices concerned.

NOTE :—Offices which can themselves obtain the drafts (such drafts can be purchased from the Reserve Bank or at the District Treasuries at Mandya, Mysore and Shimoga) should not avail of this arrangement.

(xviii) The Taluk Treasuries in Bangalore District will be transferred to the control of the State Huzur Treasury. The accounts of these treasuries from 26th June 1953 will be incorporated in the accounts of the State Huzur Treasury.

(xix) The old records of the State Huzur Treasury including those of the Civil Station and the Bangalore District Treasury will be located in the Mayo Hall in the space to be released by the Civil Station Treasury, until further instructions.

(xx) To cope with the heavy work devolving on the reconstituted State Huzur Treasury, a Gazetted Treasury Assistant in the grade of Rs. 200-20-300 is sanctioned with effect from 15th June 1953.

To cope with the rush of work relating to audit of pay bills in the first few days, the deputation of six clerks from the Accountant General's Office to the State Huzur Treasury for a period of 15 days from 24th June 1953 is also sanctioned.

(xxi) A sum of Rs. 1,000 is placed at the disposal of the Deputy Commissioner, Bangalore District, to defray the expenses connected with the shifting of records, furniture, stamps, etc., from the abolished treasuries to the State Huzur Treasury or to the Mayo Hall, as the case may be, and to make urgent purchases, if any, in connection with these changes. The expenditure may be drawn by the Treasury Officer, State Huzur Treasury, on abstract contingent bills, subject to submission of detailed bills countersigned by the Deputy Commissioner, subsequently. The expenditure will be debited to the head 'Contingencies' under "25 General Administration—, F. District Administration (*a*) Treasury Establishment".

(xxii) The reconstituted State Huzur Treasury will be under the administrative charge of the Deputy Commissioner, Bangalore District. The reconstituted North Taluk Treasury will be under the Amildar, North Taluk; but separate registers should be kept for the transactions of the South Taluk to facilitate reconciliation with the Taluk accounts.

2. In other respects, the rules laid down in Chapter X, Mysore Treasury Code, will apply.

3. The detailed procedure to be followed by the treasuries on the eve of their abolition and the general procedure to be followed by the State Huzur Treasury from 1st July 1953 as a Bank Treasury linked to the Reserve Bank will also be indicated by the Accountant General.

4. The Bangalore District Treasury and the Bangalore South Taluk Treasury will be closed for public business on 30th June 1953 in connection with these changes.

5. The Deputy Commissioner, Bangalore District, is requested to see that the changes are effected smoothly without hindrance to normal work of the treasuries concerned.

6. The Director of Government Printing, Stationery and Publications in Mysore, is requested to treat all requisitions for forms and stationery of the State Huzur Treasury as urgent and comply with them before the 20th of June 1953.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Accords sanction to the introduction of 'Personal Ledger System' in respect of Civil and Criminal Courts Deposits from 1st July 1953.

READ—

Correspondence ending with letter No. R.O.C.—D.Dis. 883—52-53, dated the 26th February 1953, from the Registrar, High Court of Mysore, conveying the concurrence of the High Court to the introduction of the "Personal Ledger System" in respect of the deposit transactions of Civil and Criminal Courts at the State Treasuries.

2. Letter No. 17-Dep.—D.H.I., dated the 6th May 1953, from the Accountant-General, Mysore, furnishing his remarks on the draft rules proposed by the Finance Department.

ORDER NO. FL. (R) 377-98—B. & T. 5-53-3, DATED BANGALORE, THE 5TH JUNE 1953.

At present, each item of Judicial Deposit (except petty items relating to cash expenses) is separately paid into or drawn from the Treasury upon documents, passed by the presiding officer of the Court and setting forth the particulars necessary for entry into the deposit registers kept at the Treasury. Under this arrangement, the registers of receipts and repayments are kept both at the Courts and in the Treasuries while the monthly and annual returns including the lists of lapsed deposits are forwarded to the Audit Office by the Treasury Officers themselves in the manner prescribed for Revenue Deposits. With a view to eliminate the duplication of work involved under the existing procedure and to ensure quick despatch of work, the following changes will be introduced with effect from the 1st of July 1953.

1. The Civil Courts and the Magistrates will merely bank with the Treasuries *i.e.*, they remit without detail their general deposit receipts for credit in a personal ledger and make repayments by cheques on the Treasury against the balance in the personal ledger account, as is done at present in respect of petty items of deposits (*vide* Article 352, Mysore Financial Code, Volume I). These personal ledgers and the corresponding accounts and returns must be kept by the Treasury Officers in the form prescribed for Personal Deposits (but quite separate from those of Personal Deposits proper) under the designation "Civil" or "Criminal Courts Deposits."

2. The object of the new arrangement is simply to relieve the Treasury Officers of the responsibility for the details of the deposit transactions and confine the detailed record to the Courts in which the registers of receipts and repayments must be kept in the same form and be worked on the same principle as applicable to Revenue Deposits. The Civil Courts or the Magistrates will be responsible for sending to the Account General through the District Judge or the District Magistrate concerned, the monthly detailed returns (the paid cheques are sent by Treasuries), the quarterly certificates and the annual clearance registers and the statements of lapses.

3. The District Judge in the case of Civil Courts and the District Magistrate in the case of Criminal Courts will be responsible to obtain the returns referred to in the Annexure from the subordinate Courts and send them to the Accountant General on or before the due date with an abstract for the whole District in the following form for each kind of return :—

Courts	Opening Balance*	Receipts*	Repayments*	Closing Balance*	Remarks*
District Court—1. General Deposits.					
2. Petty Items.	...				
Sub-Court—A 1. General Deposits.					
2. Petty Items.					
,, B 1. do ...					
2. do ...					
,, C 1. do ...					
2. do ...					
Total for the District ...					

*Such of the columns as are not required will be struck out. In the case of statements of lapses and clearance registers, the columns should be altered suitably.

4. The detailed procedure to be followed is explained in the Annexure.

5. With effect from 1st July 1953 the Treasuries will keep for each Court two personal ledgers, one for general deposit items under this order and the other for petty items as in the past.

6. A list of the Judicial Deposit items outstanding on 1st July 1953 in respect of each Court will be furnished to the Courts concerned by the District Treasury on 1st July 1953 in the same form as the Register of Receipts of Judicial Deposits (Form 58, Mysore Financial Code, Volume I) after crediting by transfer the aggregate amount thereof to the "Personal Ledger of General Deposits" (to be opened in the name of the Court) by *per contra* debit to "Judicial Deposits". The Courts should with reference to this list arrange refunds of old deposits, *i.e.*, those deposited prior to 1st July 1953 and furnish clearance registers and the statements of lapsed deposits due to the Accountant General after 31st March 1954 as if the detailed accounts of the old deposits had been kept by the Courts themselves.

7. The registers in forms 56 and 58, Mysore Financial Code, Volume I, will replace the register of receipts and payments of general deposits, prescribed in Rule 620 of the Civil Rules of Practice and Circular Orders, from 1st July 1953.

8. Fines creditable to final heads should be credited to the revenue or other head concerned and not to deposits. Refunds of such amounts will be made in the manner prescribed in Article 234, Mysore Financial Code, Volume I.

9. The Treasuries will classify the deposit transactions taken to the personal ledgers of Civil Courts under the minor head "Civil Courts Deposits" and those of Criminal Courts, under the minor head "Criminal Courts Deposits" under the major head "Civil Deposits" in the Treasury Accounts. The transactions should not be classified under the head "Judicial Deposits" as done now.

10. The personal ledger accounts of the Courts in Bangalore City and Civil Station will be kept at the Reserve Bank to facilitate remittances into the Bank and payments on cheques without the intervention of the Treasury Officer in each case.

11. In matters not specifically mentioned in this order, the rules in the Mysore Financial Code, Volume I, and in the Mysore Treasury Code will apply.

12. The Director of Government Printing, Stationery and Publications in Mysore, is requested to supply to each District Judge within a fortnight the followinbooks and forms :—

EACH DISTRICT COURT AND EACH DISTRICT MAGISTRATE'S COURT.

(1) Register of Receipts of Judicial Deposits	Form M.F.C.	58 (Jud.)	... 50 Registers
(2) Register of Repayments of Judicial Deposits	do	56 (Jud.)	... 50 „
(3) Deposit Repayment Voucher	do	58 (Jud.)	... 50 pads
(4) Carbon sheets	...		... 10 quires
(5) Copying pencils	...		... 50 pencils

He is also requested to supply 200 copies of this order to the Registrar, High Court of Mysore, in advance and to comply on an urgent basis with indents for extra books and forms from the District Judges and indents for these books and forms sent by the District Magistrates.

M. SHAMANNA,
Secretary to Government,
Finance Department.

ANNEXURE.

GENERAL DEPOSITS.

Deposits falling under this head may be caused to be remitted to the treasury through the parties themselves as at present. As detailed accounts of deposits will not be maintained at the treasuries, the acknowledgment of the treasury in the Receipt Order will be merely to the effect that the amount specified therein has been received and credited to the "Personal Ledger of General Deposits" of the Court.

N.B.—In Bangalore, the amounts will be remitted to the Reserve Bank, direct, for being credited into the Personal Ledger of General Deposits of the Court kept at the Bank.

2. On the basis of the Receipt Order acknowledged by the treasury or the Bank, each deposit should be entered in the register of receipts of Judicial Deposits (Form 58- M.F.C., Vol. I) kept at the Court furnishing the relevant particulars in the following columns :—

(1) Date of receipt.
(2) Number of each deposit.
(3) From whom received.
(4) Nature of deposit.
(5) Amount of each deposit.

Every entry made in this register shall be attested by the Judge or the Magistrate or by some Government Officer duly authorised in this behalf with reference to the Receipt Order acknowledged by the treasury (or the Bank).

3. Payments to decree holders and others should be made as at present on cheques drawn in favour of the payees. Such cheques will be cashed by the treasuries under the rules applicable to Personal Deposits.

N.B.—At Bangalore, the cheques will be drawn on the Reserve Bank.

4. Before a deposit is repaid by cheque, the payee should fill in a bill in Form 57-M.F.C.—Vol. I, furnishing particulars of the original deposit. After verifying credit in the register of receipts, the presiding officer signs the order of refund if the claim is in order. The payee should then furnish in the form, his acknowledgment, stamped where necessary, for the receipt of the amount. The cheque is then drawn, repayment entered in the register of repayments of deposits, Form 56 M.F.C., Vol I, and the date of repayment and the amount repaid simultaneously noted in the register of receipts (Form M.F.C. 58) against the original entry under the initials of the officer ordering the refund. The vouchers should be filed carefully for transmission to the Accountant General with the monthly accounts.

Note 1.—These two registers (Forms 56 and 58 M.F.C.) will replace the register of receipts and payments of deposits prescribed in Rule 620 of the Civil Rules of Practice and Circular Orders.

Note 2.—The account to which the amounts of Receipt Orders or the amounts of cheques should be credited or debited in the treasury (or Bank) accounts should be prominently indicated by rubber stamp on the documents concerned until revised forms are printed.

PETTY ITEMS OR CASH EXPENSES.

5. Such items will be accounted for as at present. The personal ledger account kept at the treasury (or Bank) for such items will be styled as "Personal Ledger of Petty Items".

AGREEMENT WITH THE TREASURY ACCOUNTS.

6. Transactions in the personal ledger of general deposits will be intimated to the Court concerned by the treasury (or Bank) weekly by means of a copy of the treasury (or Bank) subsidiary register which will be written with carbon. In respect of the ledger account of petty items, the existing procedure of advising the transactions through the pass book will continue.

7. Each Court should prepare a list of cheques issued but remaining unpaid at the end of the month with the help of the information furnished in the copy of the subsidiary register referred to above in the case of general deposits and the pass book in respect of petty items and show the amount thereof as a deduction below the total of repayments, "Deduct amount of uncashed cheques", in its extract registers of repayments of general deposits and petty items for the month to be sent to the Accountant General.

ACCOUNTS TO BE RENDERED TO THE ACCOUNTANT GENERAL.

8. (i) *Extract Register of Receipts of Judicial Deposits for each month.*—This is a copy of the register of receipts but contains also monthly columns for note of repayments in the Accountant General's Office and will be prepared by carbon process. The extract after agreement with the credits in the treasury accounts as recorded in the copy of the treasury (or Bank) subsidiary register should be forwarded to the Accountant General through the District Judge or the Magistrate so as to reach him on or before the 10th of the following month.

(ii) *Extract Register of Repayments of Judicial Deposits for the month.*—This is merely a copy of the Register of Repayments (Form 56, M.F.C.) and should be prepared by carbon process. This extract together with the repayment vouchers for the deposit items refunded should be forwarded along with the extract register of receipts for the month.

(iii) *Statement of Receipts and Repayments of Personal Ledger Account of Petty Items.*—Only monthly totals may be furnished in this statement.

(iv) *Plus and minus memo.*—A plus and minus memo showing the opening balance, receipts and repayments of the month and the closing balance should be furnished monthly with the receipt and repayment schedules of each Court. The figures relating to the personal ledger account of petty items also should be furnished in this memo but separately. As the balance shown in this memo should always equal the aggregate of repayable deposit balances upon the registers, it has to be reduced in April return by the amount reported for lapse.

(v) *Quarterly Certificate.*—After the close of each quarter, a certificate should be furnished after necessary scrutiny by the immediate superior officer of each Court that he has examined the deposit registers personally and that the entries are made with the utmost care and regularity.

This examination is not intended to be mechanical and to secure only that all necessary entries are made and initialled without fail at the time of the transaction but also that no moneys are unnecessarily placed in deposit or allowed to remain without good cause (*Vide* Article 338, M.F.C., Vol. I).

(vi) *Clearance Register.*— This will be prepared by the Courts annually in the manner indicated in Article 339, M.F.C., Vol. I and forwarded to the Accountant General through the District Judge or the Magistrate.

(vii) *Statement of Lapses.*—These statements will be prepared by the Courts concerned under the rules prescribed in Article 342, M.F.C., Vol. I, and forwarded to the Accountant General on the due date through the District Judges or Magistrates. A notice of the amount to be lapsed must be sent to the Treasury Officer (or the Bank) by the Court concerned to enable the former to deduct the amount in the Personal Ledgers.

(viii) The District Judge in the case of the Civil Courts and the District Magistrates in the case of Criminal Courts will be responsible to see that the returns due from the subordinate courts are obtained punctually and completely and that they are forwarded to the Accountant General on or before the due dates prescribed as noted below with an abstract for the whole district including figures of the District Court.

1.	Monthly Returns ...	9th of the following month.
2.	Quarterly certificate of examination by the higher authority.	9th of the following month (to be recorded on the extract register of receipts to be sent to the Accountant General for the last month of the quarter then Closing).
3.	Clearance Register ...	15th April.

Of this, a sum of Rs. 90,660 was spent on award of scholarships to students going to foreign countries, while the balance was utilised for award of scholarships to pupils in all grades of institutions and stages of education.

Medical Inspection.—During the year, Medical Inspection of school boys was in force in 65 High Schools. Medical Inspection was also conducted in 117 Middle and 160 Primary Schools for boys.

Bharat Scout and Guides.—An important landmark in the History of Scouting was the merger of the Boy Scout Association and Hindusthan Scout Association under the name of "Bharat Scouts and Guides" while the Girl Guides' Association merged with the Bharat Scouts and Guides on 15th August 1951.

There were 36,112 scouts of all ranks in the State. A number of Rover Crews rendered valuable service under the Rural Development Scheme.

Four scouters were deputed to attend the Seventh World Jamboree held in Austria during August 1951. There were 15 District Scout Councils and they were working satisfactorily.

Encouragement to Authors.—Subventions were paid to 34 authors and editors of books and publishers of journals out of the provision of Rs. 2,500 made for the purpose.

General.—Hindi as a compulsory non-examination subject was introduced in the III year class of all High Schools during the year, thus providing the teaching of this subject in all classes of all High Schools. Hindi as a second language in the existing framework of Middle School syllabus was sanctioned and introduced in certain Middle Schools.

The scheme of full compulsion already in operation in nine taluks of the State was continued during the year.

In view of the growing importance of Educational Statistics in the present set up, sanction was accorded to the formation of a Statistical Section in the Office of the Director of Public Instruction.

The work of the Department continued to be satisfactory.

Government Order No. R. 7945-48—L.R. 70-52-16, dated 6th October 1952, fixing the pay of Sri S. R. Gurumurthy, Second Division Clerk, District Office, Tumkur, at Rs. 60 (Rs. 59 *plus* Re. 1 Personal Allowance) per mensem in grade Rs. 40–2–50–3–80 since he became a graduate subsequent to his appointment as a Second Division Clerk.

2. Letter No. 7473—52-3—P.S.C. 39-52-2, dated 2nd December 1952, from the Secretary, Public Service Commission, Bangalore, requesting to clarify whether the Government Order, dated 6th October 1952 read above is applicable to all Second Division Clerks in service as have become graduates subsequent to their appointment as per the resolution of the Public Service Commission conveyed to Government in his letter No. 4279—52-53—P.S.C., dated 12th August 1952 or to the case of Sri Gurumurthy only.

ORDER No. E. 3157-256—R. & P.S. 38-52-2, DATED BANGALORE, THE 22ND MAY 1953.

The Government Order No. E. 7945-48—L.R. 70-52-16, dated 6th October 1952 applies only to the case of Sri S. R. Gurumurthy.

After further consideration it is ordered that as recommended by the Public Service Commission in their letter dated 12th August 1952 referred to above, the pay of all the Second Division Clerks in service as have become graduates subsequent to their appointment be fixed at Rs. 60 per mensem in the Second Division Grade itself, in consideration of their higher qualification subject to the condition that their relative seniority in the Second Division remains the same, unaffected by this concession and that eligible officials working in the Second Division are promoted to promotional vacancies in class I in the order of seniority, irrespective of educational qualifications and communal consideration. This concession of fixing their pay at Rs. 60 per mensem will have effect only from the date of this Order.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

REVENUE AND HOME SECRETARIAT

Continuance of the Scheme for granting Subsidy for Construction of Irrigation Wells during the year 1953-54.

READ—

Government Order No. R. 6349-62—R.M. 37-45-152, dated 12th March 1946, introducing the scheme for the grant of subsidy for sinking Irrigation Wells.

2. Government Order No. R. 4137-49—R.M. 36-52-9, dated 19th—21st July 1952, sanctioning the continuance of the Scheme for the year 1952-53 subject to certain conditions.

3. Letter No. C5. 3520—52-53, dated 2nd May 1953, from the Revenue Commissioner in Mysore, requesting sanction of Government to the continuance of the Scheme during 1953-54 with an enhancement of the limit of subsidy per well from Rs. 250 to Rs. 500 in the case of Kolar, Tumkur and Chitaldrug Districts only and to provide the necessary increased provision in the current year's budget.

ORDER No. R. 3151-64—R.M. 35-53-3, DATED BANGALORE, THE 30TH MAY 1953.

The Scheme of subsidising the sinking of Irrigation Wells, originally introduced in the year 1946 has been continued from time to time. Government, in their Order dated 19th—21st July 1952 read above, directed among other things, that the outright grant of subsidy payable should be Rs. 250 per well subject to the condition that it should not exceed 25 per cent of the total cost and that a loan not exceeding Rs. 750 per well, may be sanctioned wherever necessary so as to conform to the All India Policy in the matter.

2. In view of the increased cost of sinking an irrigation well in the distress-stricken areas and the need to encourage sinking of such wells, the Government of India have, on the recommendations of the team of officers deputed by them to tour the distress areas of the State, agreed to the continuance of the Scheme for 1953-54 also, subject to certain modifications in the existing rules. Government accordingly are pleased to sanction the continuance of the Scheme for the Construction of the Irrigation Wells during the year 1953-54, subject to the rules prescribed in the Government Order dated 19th—21st July 1952 with the modification that the limit of subsidy allowed per well be enhanced from Rs. 250 to Rs. 500 in the distress taluks of the Districts of Kolar, Tumkur and Chitaldrug only. The subsidy in case of the other Districts and in non-distress taluks of Kolar, Tumkur and Chitaldrug will remain at Rs. 250 per well.

3. The Revenue Commissioner in Mysore is requested to issue necessary subsidiary instructions to the Deputy Commissioners of Districts in the matter. The Revenue Commissioner is requested to report to Government for approval as to which of the taluks in the Districts of Kolar, Tumkur and Chitaldrug have to be treated as Distress Taluks for the special rate of subsidy.

G. N. NAGARAJA RAO,
Secretary to Government,
Revenue and Home Departments.

FINANCIAL SECRETARIAT

Holding of Temporary Appointments.

OFFICIAL MEMORANDUM.

ORDER NO. FL. (B) 1756-856—C.R. 4-53-4, DATED BANGALORE, THE 5TH MAY 1953.

As per Note to Article 55, Mysore Service Regulations, "a temporary post can be held either substantively or in an officiating capacity."

It is noticed that in some instances, the term "temporary tenure" has been used in respect of incumbents who have no substantive appointments appointed against permanent posts. This is not correct.

Officers with or without substantive tenures may, however, be appointed substantively against temporary posts under the provisions of the above Article, and in such cases there is no objection to note the tenures as "temporary."

M. SHAMANNA,
Secretary to Government,
Finance Department.

Regulates the enhanced rates of daily allowance and mileage to the non-official members of the various Committees whose Travelling Allowance is regulated as per Government Order dated 31st March 1953 so long as such enhanced rates are in force.

Government Order No. Fl. (B) 14791—C.R. 1-52-27, dated the 31st March 1953, issuing orders regarding the grant of travelling and other allowances to non-official members attending various Committees.

ORDER NO. FL.(B) 1935—C.R. 1-53-29, DATED BANGALORE, THE 7TH MAY 1953.

The enhanced rates (by 33 1/3 per cent) of Daily Allowance and Mileage are admissible to the non-official members of the Committees whose Travelling Allowance is regulated according to Government Order No. Fl. (B) 14971—C.R. 1-52-27, dated the 31st March 1953, so long as such enhanced rates are in force.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Accords sanction to the Changes in treasury arrangements in Bangalore necessitated by the establishment of a branch of the Reserve Bank at Bangalore.

READ—

Notification No. Fl. (B) 12016—B. & T. 34-52-1, dated the 7th January 1953, appointing the Reserve Bank of India as the sole Banker to Government with effect from 1st January 1953.

2. Correspondence ending with letter No. Cy. 1976—Gen. 54-513, dated 19th May 1953, from the Reserve Bank enumerating the several items of work that will be taken over by the Bank as from 1st July 1953 on the opening of its branch at Bangalore and suggesting, among others, that the several treasuries functioning at the place may be amalgamated so that only one treasury may be linked to the Bank.

ORDER NO. FL. (R) 272-372—B. & T. 4-53-1, DATED BANGALORE, THE 4TH JUNE 1953.

The Reserve Bank of India which is opening a branch at Bangalore from 1st July 1953, is taking over the cash work of the treasuries at the place as from that date; agreeably to clause 3 (1) of the agreement with it. As it is not convenient for the Bank to deal with more than one treasury in the same place and as the work of the treasuries will also get reduced after their cash work is taken over by the Bank, it has become necessary to reconstitute the treasuries so that there may be only one District Treasury and one Taluk Treasury in Bangalore. With this purpose in view, the following changes and consequential arrangements are ordered which will have effect from 1st July 1953 unless indicated otherwise :—

(i) The Civil Station Treasury and the Bangalore District Treasury will be abolished by transferring the transactions handled there to the State Huzur Treasury.

(ii) The Bangalore South Taluk Treasury will be abolished by transferring its work partly to the North Taluk Treasury and partly to the State Huzur Treasury.

(iii) The cash transactions of the Civil Station Treasury now conducted at the Imperial Bank, Bangalore, and of the other four treasuries now conducted at the treasuries themselves will, with the exceptions mentioned in (iv) below, be conducted at the Reserve Bank located in 'Canara Mutual' Buildings, Residency Road, Bangalore.

(iv) The cash transactions connected with the following items of work will be conducted at the treasuries themselves as indicated there-against. The payers of money or the payees as the case may be, need not in such cases go to the Bank for finalising their transactions :—

(*a*) Treasury Savings Bank deposits and withdrawals, issue and discharge of Government Savings Certificates and Treasury Fixed Deposits.	At the reconstituted State Huzur Treasury.
(*b*) Civil Pensions excluding those now paid at the Mysore Bank ...	Do
(*c*) Military Pensions now paid at the State Huzur Treasury ...	Do
(*d*) Collections of Land and Excise Revenue, transactions of Muzrai Funds, Village Panchayet Funds, etc., connected with the Taluk accounts.	At the Bangalore North Taluk Treasury.
(*e*) Any other item of work to be specified by Government ...	Do

A permanent advance of Rs. 25,000 is sanctioned to the Treasury Officer, State Huzur Treasury, for the purpose. The expenditure out of the advance should be recouped daily, the receipts being remitted to the Bank and the expended amounts drawn from the Bank separately for each class of transactions.

Should a demand be presented at the treasury which cannot be met out of the balance of the Permanent Advance, the Treasury Officer may draw the amount required from the Reserve Bank on a receipt indicating the purpose for which money is required and furnishing a pay order thereon.

(v) After the abolition of the Civil Station Treasury, the pay, travelling allowance, contingent and other bills now presented at that treasury, will have to be tendered at the State Huzur Treasury for payment authorisation. As the Pre-audit Pay Department of the Accountant General's Office is functioning close by and since confusion would arise if the Civil Station bills, which are not subject to

pre-audit, are received side by side with the bills of city offices, subject to pre-audit of the Accountant General, the pre-audit of the latter kind of bills will be discontinued. This will not, however, apply to bills which under the general rules laid down in the Mysore Financial Code, Volume I, have to be submitted to the Accountant General for audit before payment at the treasuries. Detailed circular instructions in this behalf will be issued by the Accountant General, separately.

(vi) Pensioners now drawing their pensions at the Civil Station Treasury, the Bangalore District Treasury, the Bangalore North and South Taluk Treasuries will, on and after 1st July 1953, be paid at the State Huzur Treasury. To avoid inconvenience to the pensioners, arrangements will be made to disburse the pensions at the treasury itself. To cope with the rush on the first two days and on the last day (working days) of each month, the State Huzur Treasury will work from 8 A.M. and disbursements of pensions will commence by 10-45 A.M. on such days. The Reserve Bank has been requested to depute its shroffs with sufficient cash to the State Huzur Treasury for the purpose, on the days referred to.

Pensioners attending the treasury in person to receive payment on the three days referred to may present their bills along with their halves of the Pension Payment Orders to the treasury two days in advance, to ensure expedition.

(vii) Taxes on motor vehicles now collected at the Civil Station Treasury will, after 30th June 1953, be collected at the Reserve Bank direct. The licenses will be issued by the State Huzur Treasury on the parties surrendering one copy of the chalan in form M.F.C. 3 duly receipted by the Bank for credit of the tax.

(viii) General, Court Fee, Postal and other stamps including Postal Stationery will be issued only at the State Huzur Treasury after 30th June 1953.

(ix) Cases where remittances into and drawals from the Bank may be arranged directly without obtaining an authorisation from the Treasury Officer, State Huzur Treasury, are specified in the Annexure. In other cases, the documents on which money is presented or claimed at the Bank should have an authorisation from the Treasury Officer, State Huzur Treasury. The chalans or bills so authorised if not presented to the Bank within 10 days of their authorisation require revalidation by the Treasury Officer.

The form of the chalan to be used for remittances into the Bank (where no special form is prescribed) is appended. For monies received at the Bank, the Bank itself will grant acknowledgments which will be as valid as those granted by the treasuries doing cash work. The printed chalan forms will be supplied by the State Huzur Treasury.

Cheques for drawing money from the Bank should be addressed to the Reserve Bank and not to the Treasury Officer, State Huzur Treasury, wherever the cheques can be presented to the Bank direct. Until new forms are printed, the required correction may be made in the existing forms in manuscript or by rubber stamp. Such alterations do not require attestation.

(x) The non-gazetted staff attached to the Civil Station Treasury and the Bangalore District Treasury will in its entirety be transferred to the State Huzur Treasury along with the duty and other allowances attached to their respective posts. The staff of the South Taluk Treasury excluding the Sheristedar will also be transferred to the State Huzur Treasury. Separate orders will issue regarding the treasury personnel who are rendered surplus as a result of these changes.

(xi) The Government's current account with the Bank of Mysore will be closed. In respect of the undermentioned transactions which will be continued to be conducted at the Mysore Bank and its branches even after 30th June 1953 until further instructions, the following accounting procedure will be adopted :—

RECEIPTS.

(1) Receipts on behalf of the Government Insurance Department.
(2) Cheques sent by Government Departments for collection in Bangalore from 1st July 1953 to 31st July 1953.
(3) Cheques sent by Government Departments for collection in the mofussil from 1st July 1953 until further instructions.
(4) Transactions of Government Offices in K.G.F. area.

PAYMENTS.

(5) Interest on State Loans.
(6) Payment of pensions of pensioners drawing Rs. 25 and above.
(7) Transactions of Government Offices in K.G.F. area.

Amounts of (1), (2) and (4) will be credited to State Huzur Treasury by the Bank of Mysore by cheque daily accompanied by a list of receipts in duplicate. Amounts of item (3) will be credited by the branches of the Bank by cheques to the treasuries concerned as soon as practicable with the relevant chalans to be received from the remitters. For this purpose, cheques tendered by private parties also will be received at the branches of the Mysore Bank *Direct*, without the intervention of Treasury Officers. The credits will be taken in the treasury accounts to the final heads when the branches send cheques in settlement of cheques realised (along with the relevant chalans). Such cheques (of the Mysore Bank) will be remitted to the State Huzur Treasury for realisation and credit to the head "Remittances by cheques."

In the case of (5) to (7), the Bank will present at the State Huzur Treasury lists of payments made by it or its branches, in duplicate, and obtain reimbursement daily.

The Bank will neither receive nor make payment in any other case on Government account without specific instructions from the Finance Department.

(xii) Cheques on Banks presented at Bangalore in payment of Central or State Government dues or in settlement of other transactions with Government, should be remitted to the Reserve Bank, direct, with effect from 1st August 1953. Such cheques should be endorsed in favour of the Reserve Bank in all cases. Pending realisation of the amounts thereof, a receipt for the actual cheque only will be given in the first instance as is done at present in the case of cheques remitted to the District Treasuries. The preliminary acknowledgment of the receipt of the cheque issued by the Reserve Bank will be in the following form :—

Received Cheque No..... ..... for Rs..... drawn on..... .....on account of..... ... as per chalan No.....

The final receipt will, if so required, be despatched to the party after the realisation of the amount.

There will be a daily clearance of cheques accepted and the transactions will be included in the daily account rendered to the State Huzur Treasury after the cheques have been cleared.

Note :—(1) The Reserve Bank reserves to itself the right to refuse to accept cheques the collection of which, in its opinion, cannot reasonably be undertaken and which it would not accept on behalf of its own constituents.

Note.—(2) From 1st July to 31st July 1953 the cheques (collected at Bangalore) will all be remitted to the Mysore Bank only (*vide* xi).

Note.—(3) No cheques should be presented for collection on Government Account to the Imperial Bank, Bangalore, on and after 1st July 1953 and to the Bank of Mysore, Bangalore, after 31st July 1953.

(xiii) The system of drawing cheques on Banks by the Treasury Officer, State Huzur Treasury will be discontinued with effect from 1st July 1953. Cheques drawn prior to that date but pending payment on 1st July 1953 will be cashed at the Reserve Bank, if in order.

(xiv) Issue of cheques on the Bank of Mysore, the Imperial Bank, Bangalore, the State Huzur Treasury, and the Bangalore District Treasury by Government Officers should be discontinued with effect from 1st July 1953. Such cheques should be drawn on the Reserve Bank from that date. Cheques issued prior to 1st July 1953 but pending payment on 1st July 1953 will be cashed at the Reserve Bank direct subject to the rules of currency, etc. The information required by the Reserve Bank in this behalf will be furnished by the Banks and the treasuries concerned as indicated at (xvi) below.

(xv) Remittance Transfer Receipts and Treasury Cash Orders on the treasuries in the mofussil, applied for at Bangalore, will be issued by the State Huzur Treasury on presentation of a duplicate copy of the application (chalan) containing the acknowledgment of the Reserve Bank for receipt of money. For this purpose, the applications or chalans for such bills are permitted to be presented in duplicate at the Reserve Bank direct. Such bills will not be issued by the North Taluk Treasury nor any bill should be drawn on that treasury by any other treasury in the State on and after 1st July 1953.

(xvi) The Treasury Officers, State Huzur Treasury and the Bangalore District Treasury, the Manager, Bank of Mysore, and Agent, Imperial Bank of India, Bangalore, are requested to make over to the Reserve Bank, Bangalore, on or before 30th June 1953, the specimen signatures of the Government Officers authorised to operate on the personal deposit and other accounts at their treasuries or Banks. Copies of standing instructions, if any, kept with them and intimation of the outstanding balances, if any, in the assignment or personal deposit accounts together with the correspondence files relating thereto may also be furnished to the Reserve Bank on or before 30th June 1953.

(xvii) The procedure for obtaining Imperial Bank drafts for making payments by Government Departments and Local Bodies outside the State laid down in the Government Orders noted below is modified as follows with effect from 1st July 1953 :—

G. O. No. Fl. (B) 4007-4096—B. & T. 11-52-3, dated 25th July 1952.
O. M. No. Fl. (B) 11722-52—B. & T. 11-52-4, dated 30th December 1952.
G. O. No. Fl. (B) 146-246—B. & T. 11-52-7, dated 3rd April 1953.

(*a*) The payments should be made by Reserve Bank Drafts.

(*b*) The requisitions for drafts should be addressed to the Treasury Officer, State Huzur Treasury and not to the Imperial Bank, Bangalore.

(*c*) The Remittance Transfer Receipts sent to cover the cost of the drafts should include Reserve Bank's commission as noted below for each draft :—

Up to Rs. 5,000	...	... 1/16 per cent (Minimum annas four).
Over Rs. 5,000	—	... 1/32 per cent (Minimum Rs. 3-2-0).

(*d*) The drafts will be despatched to the payees by the State Huzur Treasury, advices thereof being sent to the offices concerned.

NOTE :—Offices which can themselves obtain the drafts (such drafts can be purchased from the Reserve Bank or at the District Treasuries at Mandya, Mysore and Shimoga) should not avail of this arrangement.

(xviii) The Taluk Treasuries in Bangalore District will be transferred to the control of the State Huzur Treasury. The accounts of these treasuries from 26th June 1953 will be incorporated in the accounts of the State Huzur Treasury.

(xix) The old records of the State Huzur Treasury including those of the Civil Station and the Bangalore District Treasury will be located in the Mayo Hall in the space to be released by the Civil Station Treasury, until further instructions.

(xx) To cope with the heavy work devolving on the reconstituted State Huzur Treasury, a Gazetted Treasury Assistant in the grade of Rs. 200-20-300 is sanctioned with effect from 15th June 1953.

To cope with the rush of work relating to audit of pay bills in the first few days, the deputation of six clerks from the Accountant General's Office to the State Huzur Treasury for a period of 15 days from 24th June 1953 is also sanctioned.

(xxi) A sum of Rs. 1,000 is placed at the disposal of the Deputy Commissioner, Bangalore District, to defray the expenses connected with the shifting of records, furniture, stamps, etc., from the abolished treasuries to the State Huzur Treasury or to the Mayo Hall, as the case may be, and to make urgent purchases, if any, in connection with these changes. The expenditure may be drawn by the Treasury Officer, State Huzur Treasury, on abstract contingent bills, subject to submission of detailed bills countersigned by the Deputy Commissioner, subsequently. The expenditure will be debited to the head 'Contingencies' under "25 General Administration—, F. District Administration (*a*) Treasury Establishment".

(xxii) The reconstituted State Huzur Treasury will be under the administrative charge of the Deputy Commissioner, Bangalore District. The reconstituted North Taluk Treasury will be under the Amildar, North Taluk; but separate registers should be kept for the transactions of the South Taluk to facilitate reconciliation with the Taluk accounts.

2. In other respects, the rules laid down in Chapter X, Mysore Treasury Code, will apply.

3. The detailed procedure to be followed by the treasuries on the eve of their abolition and the general procedure to be followed by the State Huzur Treasury from 1st July 1953 as a Bank Treasury linked to the Reserve Bank will also be indicated by the Accountant General.

4. The Bangalore District Treasury and the Bangalore South Taluk Treasury will be closed for public business on 30th June 1953 in connection with these changes.

5. The Deputy Commissioner, Bangalore District, is requested to see that the changes are effected smoothly without hindrance to normal work of the treasuries concerned.

6. The Director of Government Printing, Stationery and Publications in Mysore, is requested to treat all requisitions for forms and stationery of the State Huzur Treasury as urgent and comply with them before the 20th of June 1953.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Accords sanction to the introduction of 'Personal Ledger System' in respect of Civil and Criminal Courts Deposits from 1st July 1953.

READ—

Correspondence ending with letter No. R.O.C.—D.Dis. 883—52-53, dated the 26th February 1953, from the Registrar, High Court of Mysore, conveying the concurrence of the High Court to the introduction of the "Personal Ledger System" in respect of the deposit transactions of Civil and Criminal Courts at the State Treasuries.

2. Letter No. 17–Dep,—D.H.I., dated the 6th May 1953, from the Accountant-General, Mysore, furnishing his remarks on the draft rules proposed by the Finance Department.

ORDER NO. FL. (R) 377-98—B. & T. 5-53-3, DATED BANGALORE, THE 5TH JUNE 1953.

At present, each item of Judicial Deposit (except petty items relating to cash expenses) is separately paid into or drawn from the Treasury upon documents, passed by the presiding officer of the Court and setting forth the particulars necessary for entry into the deposit registers kept at the Treasury. Under this arrangement, the registers of receipts and repayments are kept both at the Courts and in the Treasuries while the monthly and annual returns including the lists of lapsed deposits are forwarded to the Audit Office by the Treasury Officers themselves in the manner prescribed for Revenue Deposits. With a view to eliminate the duplication of work involved under the existing procedure and to ensure quick despatch of work, the following changes will be introduced with effect from the 1st of July 1953.

1. The Civil Courts and the Magistrates will merely bank with the Treasuries *i.e.*, they remit without detail their general deposit receipts for credit in a personal ledger and make repayments by cheques on the Treasury against the balance in the personal ledger account, as is done at present in respect of petty items of deposits (*vide* Article 352, Mysore Financial Code, Volume I). These personal ledgers and the corresponding accounts and returns must be kept by the Treasury Officers in the form prescribed for Personal Deposits (but quite separate from those of Personal Deposits proper) under the designation "Civil" or "Criminal Courts Deposits."

2. The object of the new arrangement is simply to relieve the Treasury Officers of the responsibility for the details of the deposit transactions and confine the detailed record to the Courts in which the registers of receipts and repayments must be kept in the same form and be worked on the same principle as applicable to Revenue Deposits. The Civil Courts or the Magistrates will be responsible for sending to the Account General through the District Judge or the District Magistrate concerned, the monthly detailed returns (the paid cheques are sent by Treasuries), the quarterly certificates and the annual clearance registers and the statements of lapses.

3. The District Judge in the case of Civil Courts and the District Magistrate in the case of Criminal Courts will be responsible to obtain the returns referred to in the Annexure from the subordinate Courts and send them to the Accountant General on or before the due date with an abstract for the whole District in the following form for each kind of return :—

Courts	Opening Balance*	Receipts*	Repayments*	Closing Balance*	Remarks*
District Court—1. General Deposits.					
2. Petty Items.					
Sub-Court—A 1. General Deposits.					
2. Petty Items.					
,, B 1. do ...					
2. do ...					
,, C 1. do ...					
2. do ...					
Total for the District ...					

*Such of the columns as are not required will be struck out. In the case of statements of lapses and clearance registers, the columns should be altered suitably.

4. The detailed procedure to be followed is explained in the Annexure.

5. With effect from 1st July 1953 the Treasuries will keep for each Court two personal ledgers, one for general deposit items under this order and the other for petty items as in the past.

6. A list of the Judicial Deposit items outstanding on 1st July 1953 in respect of each Court will be furnished to the Courts concerned by the District Treasury on 1st July 1953 in the same form as the Register of Receipts of Judicial Deposits (Form 58, Mysore Financial Code, Volume I) after crediting by transfer the aggregate amount thereof to the "Personal Ledger of General Deposits" (to be opened in the name of the Court) by *per contra* debit to "Judicial Deposits". The Courts should with reference to this list arrange refunds of old deposits, *i.e.*, those deposited prior to 1st July 1953 and furnish clearance registers and the statements of lapsed deposits due to the Accountant General after 31st March 1954 as if the detailed accounts of the old deposits had been kept by the Courts themselves.

7. The registers in forms 56 and 58, Mysore Financial Code, Volume I, will replace the register of receipts and payments of general deposits, prescribed in Rule 620 of the Civil Rules of Practice and Circular Orders, from 1st July 1953.

8. Fines creditable to final heads should be credited to the revenue or other head concerned and not to deposits. Refunds of such amounts will be made in the manner prescribed in Article 234, Mysore Financial Code, Volume I.

9. The Treasuries will classify the deposit transactions taken to the personal ledgers of Civil Courts under the minor head "Civil Courts Deposits" and those of Criminal Courts, under the minor head "Criminal Courts Deposits" under the major head "Civil Deposits" in the Treasury Accounts. The transactions should not be classified under the head "Judicial Deposits" as done now.

10. The personal ledger accounts of the Courts in Bangalore City and Civil Station will be kept at the Reserve Bank to facilitate remittances into the Bank and payments on cheques without the intervention of the Treasury Officer in each case.

11. In matters not specifically mentioned in this order, the rules in the Mysore Financial Code, Volume I, and in the Mysore Treasury Code will apply.

12. The Director of Government Printing, Stationery and Publications in Mysore, is requested to supply to each District Judge within a fortnight the following books and forms :—

EACH DISTRICT COURT AND EACH DISTRICT MAGISTRATE'S COURT.

(1)	Register of Receipts of Judicial Deposits—Form	M.F.C. 58 (Jud.)	... 50 Registers
(2)	Register of Repayments of Judicial Deposits	do 56 (Jud.)	... 50 ,,
(3)	Deposit Repayment Voucher	do 58 (Jud.)	... 50 pads
(4)	Carbon sheets	...	... 10 quires
(5)	Copying pencils	...	... 50 pencils

He is also requested to supply 200 copies of this order to the Registrar, High Court of Mysore, in advance and to comply on an urgent basis with indents for extra books and forms from the District Judges and indents for these books and forms sent by the District Magistrates.

M. SHAMANNA,
Secretary to Government,
Finance Department.

ANNEXURE.

GENERAL DEPOSITS.

Deposits falling under this head may be caused to be remitted to the treasury through the parties themselves as at present. As detailed accounts of deposits will not be maintained at the treasuries, the acknowledgment of the treasury in the Receipt Order will be merely to the effect that the amount specified therein has been received and credited to the "Personal Ledger of General Deposits" of the Court.

N.B.—In Bangalore, the amounts will be remitted to the Reserve Bank, direct, for being credited into the Personal Ledger of General Deposits of the Court kept at the Bank.

2. On the basis of the Receipt Order acknowledged by the treasury or the Bank, each deposit should be entered in the register of receipts of Judicial Deposits (Form 58-M.F.C., Vol. I) kept at the Court furnishing the relevant particulars in the following columns :—

(1) Date of receipt.
(2) Number of each deposit.
(3) From whom received.
(4) Nature of deposit.
(5) Amount of each deposit.

Every entry made in this register shall be attested by the Judge or the Magistrate or by some Government Officer duly authorised in this behalf with reference to the Receipt Order acknowledged by the treasury (or the Bank).

3. Payments to decree holders and others should be made as at present on cheques drawn in favour of the payees. Such cheques will be cashed by the treasuries under the rules applicable to Personal Deposits.

N.B.—At Bangalore, the cheques will be drawn on the Reserve Bank.

4. Before a deposit is repaid by cheque, the payee should fill in a bill in Form 57-M.F.C.—Vol. I, furnishing particulars of the original deposit. After verifying credit in the register of receipts, the presiding officer signs the order of refund if the claim is in order. The payee should then furnish in the form, his acknowledgment, stamped where necessary, for the receipt of the amount. The cheque is then drawn, repayment entered in the register of repayments of deposits, Form 56. M.F.C., Vol I, and the date of repayment and the amount repaid simultaneously noted in the register of receipts (Form M.F.C. 58) against the original entry under the initials of the officer ordering the refund. The vouchers should be filed carefully for transmission to the Accountant General with the monthly accounts.

Note 1.—These two registers (Forms 56 and 58 M.F.C.) will replace the register of receipts and payments of deposits prescribed in Rule 620 of the Civil Rules of Practice and Circular Orders.

Note 2.—The account to which the amounts of Receipt Orders or the amounts of cheques should be credited or debited in the treasury (or Bank) accounts should be prominently indicated by rubber stamp on the documents concerned until revised forms are printed.

PETTY ITEMS OR CASH EXPENSES.

5. Such items will be accounted for as at present. The personal ledger account kept at the treasury (or Bank) for such items will be styled as "Personal Ledger of Petty Items".

AGREEMENT WITH THE TREASURY ACCOUNTS.

6. Transactions in the personal ledger of general deposits will be intimated to the Court concerned by the treasury (or Bank) weekly by means of a copy of the treasury (or Bank) subsidiary register which will be written with carbon. In respect of the ledger account of petty items, the existing procedure of advising the transactions through the pass book will continue.

7. Each Court should prepare a list of cheques issued but remaining unpaid at the end of the month with the help of the information furnished in the copy of the subsidiary register referred to above in the case of general deposits and the pass book in respect of petty items and show the amount thereof as a deduction below the total of repayments, "Deduct amount of uncashed cheques", in its extract registers of repayments of general deposits and petty items for the month to be sent to the Accountant General.

ACCOUNTS TO BE RENDERED TO THE ACCOUNTANT GENERAL.

8. (i) *Extract Register of Receipts of Judicial Deposits for each month.*—This is a copy of the register of receipts but contains also monthly columns for note of repayments in the Accountant General's Office and will be prepared by carbon process. The extract after agreement with the credits in the treasury accounts as recorded in the copy of the treasury (or Bank) subsidiary register should be forwarded to the Accountant General through the District Judge or the Magistrate so as to reach him on or before the 10th of the following month.

(ii) *Extract Register of Repayments of Judicial Deposits for the month.*—This is merely a copy of the Register of Repayments (Form 56, M.F.C.) and should be prepared by carbon process. This extract together with the repayment vouchers for the deposit items refunded should be forwarded along with the extract register of receipts for the month.

(iii) *Statement of Receipts and Repayments of Personal Ledger Account of Petty Items.*—Only monthly totals may be furnished in this statement.

(iv) *Plus and minus memo.*—A plus and minus memo showing the opening balance, receipts and repayments of the month and the closing balance should be furnished monthly with the receipt and repayment schedules of each Court. The figures relating to the personal ledger account of petty items also should be furnished in this memo but separately. As the balance shown in this memo should always equal the aggregate of repayable deposit balances upon the registers, it has to be reduced in April return by the amount reported for lapse.

(v) *Quarterly Certificate.*—After the close of each quarter, a certificate should be furnished after necessary scrutiny by the immediate superior officer of each Court that he has examined the deposit registers personally and that the entries are made with the utmost care and regularity.

This examination is not intended to be mechanical and to secure only that all necessary entries are made and initialled without fail at the time of the transaction but also that no moneys are unnecessarily placed in deposit or allowed to remain without good cause (*Vide* Article 338, M.F.C., Vol. I).

(vi) *Clearance Register.*—This will be prepared by the Courts annually in the manner indicated in Article 339, M.F.C., Vol. I and forwarded to the Accountant General through the District Judge or the Magistrate.

(vii) *Statement of Lapses.*—These statements will be prepared by the Courts concerned under the rules prescribed in Article 342, M.F.C., Vol. I, and forwarded to the Accountant General on the due date through the District Judges or Magistrates. A notice of the amount to be lapsed must be sent to the Treasury Officer (or the Bank) by the Court concerned to enable the former to deduct the amount in the Personal Ledgers.

(viii) The District Judge in the case of the Civil Courts and the District Magistrates in the case of Criminal Courts will be responsible to see that the returns due from the subordinate courts are obtained punctually and completely and that they are forwarded to the Accountant General on or before the due dates prescribed as noted below with an abstract for the whole district including figures of the District Court.

1. Monthly Returns	...	9th of the following month.
2. Quarterly certificate of examination by the higher authority.		9th of the following month (to be recorded on the extract register of receipts to be sent to the Accountant General for the last month of the quarter then Closing).
3. Clearance Register	...	15th April.
4. Statement of Lapses	...	Do

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Delegation of Powers to Heads of Major Departments.

READ—

Government Order No. C.S. 18629-18728—C.B. 29-50-3, dated 28th March 1951, passing orders regarding proposals for expediting despatch of Government Business.

ORDER NO. CH.S. 2472-572—MISC. 18-53-2, DATED BANGALORE, THE 4TH JUNE 1953.

Against item 19 on page 5 of the Government Order read above, power is delegated to the Heads of Major Departments to purchase furniture, instruments, etc., up to Rs. 200 in case of each article. Doubts have been expressed whether the maximum limit of purchase is to be construed with reference to each variety or kind of article or whether it is to be construed with reference to each article. It is, therefore, clarified that the limit is to be construed as the maximum amount up to which the Head of a Department can incur expenditure either in respect of one article or one kind or variety of article.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

Orders that the Service of a Candidate rendered as a Local Candidate cannot be counted as approved service.

OFFICIAL MEMORANDUM.

No. E. 3338-438—R. & P.S. 13-53-3, DATED BANGALORE, THE 22ND MAY 1953.

Since some doubts have arisen with regard to the grant of increments to candidates on account of the service rendered by them as local candidates, it is hereby ordered that the service of a candidate rendered as a local candidate cannot be counted as approved service for the purpose of granting increments.

By Order and in the name of the Rajpramukh,

N. PUTTARANGASWAMY,
Chief Secretary to Government.

FINANCIAL SECRETARIAT

Holding of Temporary Appointments.

OFFICIAL MEMORANDUM.

ORDER NO. FL. (B) 1756-856—C.R. 4-53-4, DATED BANGALORE, THE 5TH MAY 1953.

As per Note to Article 55, Mysore Service Regulations, "a temporary post can be held either substantively or in an officiating capacity."

It is noticed that in some instances, the term "temporary tenure" has been used in respect of incumbents who have no substantive appointments appointed against permanent posts. This is not correct.

Officers with or without substantive tenures may, however, be appointed substantively against temporary posts under the provisions of the above Article, and in such cases there is no objection to note the tenures as "temporary."

Accords sanction to the changes in treasury arrangements in Bangalore necessitated by the establishment of a Branch of the Reserve Bank at Bangalore.

READ—

Notification No. Fl. (B) 12016—B. & T. 34-52-1, dated the 7th January 1953, appointing the Reserve Bank of India as the sole Banker to Government with effect from 1st January 1953.

2. Correspondence ending with letter No. Cy. 1976—Gen. 54-513, dated 19th May 1953, from the Reserve Bank enumerating the several items of work that will be taken over by the Bank as from 1st July 1953 on the opening of its branch at Bangalore and suggesting, among others, that the several treasuries functioning at the place may be amalgamated so that only one treasury may be linked to the Bank.

ORDER NO. FL. (R) 272-372—B. & T. 4-53-1, DATED BANGALORE, THE 4TH JUNE 1953.

The Reserve Bank of India which is opening a branch at Bangalore from 1st July 1953, is taking over the cash work of the treasuries at the place as from that date, agreeably to clause 3 (1) of the agreement with it. As it is not convenient for the Bank to deal with more than one treasury in the same place and as the work of the treasuries will also get reduced after their cash work is taken over by the Bank, it has become necessary to reconstitute the treasuries so that there may be only one District Treasury and one Taluk Treasury in Bangalore. With this purpose in view, the following changes and consequential arrangements are ordered which will have effect from 1st July 1953 unless indicated otherwise :—

(i) The Civil Station Treasury and the Bangalore District Treasury will be abolished by transferring the transactions handled there to the State Huzur Treasury.

(ii) The Bangalore South Taluk Treasury will be abolished by transferring its work partly to the North Taluk Treasury and partly to the State Huzur Treasury.

(iii) The cash transactions of the Civil Station Treasury now conducted at the Imperial Bank, Bangalore, and of the other four treasuries now conducted at the treasuries themselves will, with the exceptions mentioned in (iv) below, be conducted at the Reserve Bank located in 'Canara Mutual' Buildings, Residency Road, Bangalore.

(iv) The cash transactions connected with the following items of work will be conducted at the treasuries themselves as indicated there-against. The payers of money or the payees as the case may be, need not in such cases go to the Bank for finalising their transactions :—

(*a*) Treasury Savings Bank deposits and withdrawals, issue and discharge of Government Savings Certificates and Treasury Fixed Deposits.	At the reconstituted State Huzur Treasury.
(*b*) Civil Pensions excluding those now paid at the Mysore Bank ...	Do
(*c*) Military Pensions now paid at the State Huzur Treasury ...	Do
(*d*) Collections of Land and Excise Revenue, transactions of Muzrai Funds, Village Panchayet Funds, etc., connected with the Taluk accounts.	At the Bangalore North Taluk Treasury.
(*e*) Any other item of work to be specified by Government ...	Do

A permanent advance of Rs. 25,000 is sanctioned to the Treasury Officer, State Huzur Treasury, for the purpose. The expenditure out of the advance should be recouped daily, the receipts being remitted to the Bank and the expended amounts drawn from the Bank separately for each class of transactions.

Should a demand be presented at the treasury which cannot be met out of the balance of the Permanent Advance, the Treasury Officer may draw the amount required from the Reserve Bank on a receipt indicating the purpose for which money is required and furnishing a pay order thereon.

(v) After the abolition of the Civil Station Treasury, the pay, travelling allowance, contingent and other bills now presented at that treasury, will have to be tendered at the State Huzur Treasury for payment authorisation. As the Pre-audit Pay Department of the Accountant General's Office is functioning close by and since confusion would arise if the Civil Station bills, which are not subject to

pre-audit, are received side by side with the bills of city offices, subject to pre-audit of the Accountant General, the pre-audit of the latter kind of bills will be discontinued. This will not, however, apply to bills which under the general rules laid down in the Mysore Financial Code, Volume I, have to be submitted to the Accountant General for audit before payment at the treasuries. Detailed circular instructions in this behalf will be issued by the Accountant General, separately.

(vi) Pensioners now drawing their pensions at the Civil Station Treasury, the Bangalore District Treasury, the Bangalore North and South Taluk Treasuries will, on and after 1st July 1953, be paid at the State Huzur Treasury. To avoid inconvenience to the pensioners, arrangements will be made to disburse the pensions at the treasury itself. To cope with the rush on the first two days and on the last day (working days) of each month, the State Huzur Treasury will work from 8 A.M. and disbursements of pensions will commence by 10-45 A.M. on such days. The Reserve Bank has been requested to depute its shroffs with sufficient cash to the State Huzur Treasury for the purpose, on the days referred to.

Pensioners attending the treasury in person to receive payment on the three days referred to may present their bills along with their halves of the Pension Payment Orders to the treasury two days in advance, to ensure expedition.

(vii) Taxes on motor vehicles now collected at the Civil Station Treasury will, after 30th June 1953, be collected at the Reserve Bank direct. The licenses will be issued by the State Huzur Treasury on the parties surrendering one copy of the chalan in form M.F.C. 3 duly receipted by the Bank for credit of the tax.

(viii) General, Court Fee, Postal and other stamps including Postal Stationery will be issued only at the State Huzur Treasury after 30th June 1953.

(ix) Cases where remittances into and drawals from the Bank may be arranged directly without obtaining an authorisation from the Treasury Officer, State Huzur Treasury, are specified in the Annexure. In other cases, the documents on which money is presented or claimed at the Bank should have an authorisation from the Treasury Officer, State Huzur Treasury. The chalans or bills so authorised if not presented to the Bank within 10 days of their authorisation require revalidation by the Treasury Officer.

The form of the chalan to be used for remittances into the Bank (where no special form is prescribed) is appended. For monies received at the Bank, the Bank itself will grant acknowledgments which will be as valid as those granted by the treasuries doing cash work. The printed chalan forms will be supplied by the State Huzur Treasury.

Cheques for drawing money from the Bank should be addressed to the Reserve Bank and not to the Treasury Officer, State Huzur Treasury, wherever the cheques can be presented to the Bank direct. Until new forms are printed, the required correction may be made in the existing forms in manuscript or by rubber stamp. Such alterations do not require attestation.

(x) The non-gazetted staff attached to the Civil Station Treasury and the Bangalore District Treasury will in its entirety be transferred to the State Huzur Treasury along with the duty and other allowances attached to their respective posts. The staff of the South Taluk Treasury excluding the Sheristedar will also be transferred to the State Huzur Treasury. Separate orders will issue regarding the treasury personnel who are rendered surplus as a result of these changes.

(xi) The Government's current account with the Bank of Mysore will be closed. In respect of the undermentioned transactions which will be continued to be conducted at the Mysore Bank and its branches even after 30th June 1953 until further instructions, the following accounting procedure will be adopted :—

RECEIPTS.

(1) Receipts on behalf of the Government Insurance Department.
(2) Cheques sent by Government Departments for collection in Bangalore from 1st July 1953 to 31st July 1953.
(3) Cheques sent by Government Departments for collection in the mofussil from 1st July 1953 until further instructions.
(4) Transactions of Government Offices in K.G.F. area.

PAYMENTS.

(5) Interest on State Loans.
(6) Payment of pensions of pensioners drawing Rs. 25 and above.
(7) Transactions of Government Offices in K.G.F. area.

Amounts of (1), (2) and (4) will be credited to State Huzur Treasury by the Bank of Mysore by cheque daily accompanied by a list of receipts in duplicate. Amounts of item (3) will be credited by the branches of the Bank by cheques to the treasuries concerned as soon as practicable with the relevant chalans to be received from the remitters. For this purpose, cheques tendered by private parties also will be received at the branches of the Mysore Bank *Direct*, without the intervention of Treasury Officers. The credits will be taken in the treasury accounts to the final heads when the branches send cheques in settlement of cheques realised (along with the relevant chalans). Such cheques (of the Mysore Bank) will be remitted to the State Huzur Treasury for realisation and credit to the head "Remittances by cheques."

In the case of (5) to (7), the Bank will present at the State Huzur Treasury lists of payments made by it or its branches, in duplicate, and obtain reimbursement daily.

The Bank will neither receive nor make payment in any other case on Government account without specific instructions from the Finance Department.

(xii) Cheques on Banks presented at Bangalore in payment of Central or State Government dues or in settlement of other transactions with Government, should be remitted to the Reserve Bank, direct, with effect from 1st August 1953. Such cheques should be endorsed in favour of the Reserve Bank in all cases. Pending realisation of the amounts thereof, a receipt for the actual cheque only will be given in the first instance as is done at present in the case of cheques remitted to the District Treasuries. The preliminary acknowledgment of the receipt of the cheque issued by the Reserve Bank will be in the following form :—

Received Cheque No..... for Rs..... drawn on..... .....on account of..... as per chalan No.....

The final receipt will, if so required, be despatched to the party after the realisation of the amount.

There will be a daily clearance of cheques accepted and the transactions will be included in the daily account rendered to the State Huzur Treasury after the cheques have been cleared.

Note :—(1) The Reserve Bank reserves to itself the right to refuse to accept cheques the collection of which, in its opinion, cannot reasonably be undertaken and which it would not accept on behalf of its own constituents.

Note.—(2) From 1st July to 31st July 1953 the cheques (collected at Bangalore) will all be remitted to the Mysore Bank only (*vide* xi).

Note.—(3) No cheques should be presented for collection on Government Account to the Imperial Bank, Bangalore, on and after 1st July 1953 and to the Bank of Mysore, Bangalore, after 31st July 1953.

(xiii) The system of drawing cheques on Banks by the Treasury Officer, State Huzur Treasury will be discontinued with effect from 1st July 1953. Cheques drawn prior to that date but pending payment on 1st July 1953 will be cashed at the Reserve Bank, if in order.

(xiv) Issue of cheques on the Bank of Mysore, the Imperial Bank, Bangalore, the State Huzur Treasury, and the Bangalore District Treasury by Government Officers should be discontinued with effect from 1st July 1953. Such cheques should be drawn on the Reserve Bank from that date. Cheques issued prior to 1st July 1953 but pending payment on 1st July 1953 will be cashed at the Reserve Bank direct subject to the rules of currency, etc. The information required by the Reserve Bank in this behalf will be furnished by the Banks and the treasuries concerned as indicated at (xvi) below.

(xv) Remittance Transfer Receipts and Treasury Cash Orders on the treasuries in the mofussil, applied for at Bangalore, will be issued by the State Huzur Treasury on presentation of a duplicate copy of the application (chalan) containing the acknowledgment of the Reserve Bank for receipt of money. For this purpose, the applications or chalans for such bills are permitted to be presented in duplicate at the Reserve Bank direct. Such bills will not be issued by the North Taluk Treasury nor any bill should be drawn on that treasury by any other treasury in the State on and after 1st July 1953.

(xvi) The Treasury Officers, State Huzur Treasury and the Bangalore District Treasury, the Manager, Bank of Mysore, and Agent, Imperial Bank of India, Bangalore, are requested to make over to the Reserve Bank, Bangalore, on or before 30th June 1953, the specimen signatures of the Government Officers authorised to operate on the personal deposit and other accounts at their treasuries or Banks. Copies of standing instructions, if any, kept with them and intimation of the outstanding balances, if any, in the assignment or personal deposit accounts together with the correspondence files relating thereto may also be furnished to the Reserve Bank on or before 30th June 1953.

(xvii) The procedure for obtaining Imperial Bank drafts for making payments by Government Departments and Local Bodies outside the State laid down in the Government Orders noted below is modified as follows with effect from 1st July 1953 :—

G. O. No. Fl. (B) 4007-4096—B. & T. 11-52-3, dated 25th July 1952.
O. M. No. Fl. (B) 11722-52—B. & T. 11-52-4, dated 30th December 1952.
G. O. No. Fl. (B) 146-246—B. & T. 11-52-7, dated 3rd April 1953.

(*a*) The payments should be made by Reserve Bank Drafts.

(*b*) The requisitions for drafts should be addressed to the Treasury Officer, State Huzur Treasury and not to the Imperial Bank, Bangalore.

(*c*) The Remittance Transfer Receipts sent to cover the cost of the drafts should include Reserve Bank's commission as noted below for each draft :—

Up to Rs. 5,000	...	... 1/16 per cent (Minimum annas four).
Over Rs. 5,000	—	... 1/32 per cent (Minimum Rs. 3-2-0).

(*d*) The drafts will be despatched to the payees by the State Huzur Treasury, advices thereof being sent to the offices concerned.

NOTE :—Offices which can themselves obtain the drafts (such drafts can be purchased from the Reserve Bank or at the District Treasuries at Mandya, Mysore and Shimoga) should not avail of this arrangement.

(xviii) The Taluk Treasuries in Bangalore District will be transferred to the control of the State Huzur Treasury. The accounts of these treasuries from 26th June 1953 will be incorporated in the accounts of the State Huzur Treasury.

(xix) The old records of the State Huzur Treasury including those of the Civil Station and the Bangalore District Treasury will be located in the Mayo Hall in the space to be released by the Civil Station Treasury, until further instructions.

(xx) To cope with the heavy work devolving on the reconstituted State Huzur Treasury, a Gazetted Treasury Assistant in the grade of Rs. 200-20-300 is sanctioned with effect from 15th June 1953.

To cope with the rush of work relating to audit of pay bills in the first few days, the deputation of six clerks from the Accountant General's Office to the State Huzur Treasury for a period of 15 days from 24th June 1953 is also sanctioned.

(xxi) A sum of Rs. 1,000 is placed at the disposal of the Deputy Commissioner, Bangalore District, to defray the expenses connected with the shifting of records, furniture, stamps, etc., from the abolished treasuries to the State Huzur Treasury or to the Mayo Hall, as the case may be, and to make urgent purchases, if any, in connection with these changes. The expenditure may be drawn by the Treasury Officer, State Huzur Treasury, on abstract contingent bills, subject to submission of detailed bills countersigned by the Deputy Commissioner, subsequently. The expenditure will be debited to the head 'Contingencies' under "25 General Administration—, F. District Administration (*a*) Treasury Establishment".

(xxii) The reconstituted State Huzur Treasury will be under the administrative charge of the Deputy Commissioner, Bangalore District. The reconstituted North Taluk Treasury will be under the Amildar, North Taluk; but separate registers should be kept for the transactions of the South Taluk to facilitate reconciliation with the Taluk accounts.

2. In other respects, the rules laid down in Chapter X, Mysore Treasury Code, will apply.

3. The detailed procedure to be followed by the treasuries on the eve of their abolition and the general procedure to be followed by the State Huzur Treasury from 1st July 1953 as a Bank Treasury linked to the Reserve Bank will also be indicated by the Accountant General.

4. The Bangalore District Treasury and the Bangalore South Taluk Treasury will be closed for public business on 30th June 1953 in connection with these changes.

5. The Deputy Commissioner, Bangalore District, is requested to see that the changes are effected smoothly without hindrance to normal work of the treasuries concerned.

6. The Director of Government Printing, Stationery and Publications in Mysore, is requested to treat all requisitions for forms and stationery of the State Huzur Treasury as urgent and comply with them before the 20th of June 1953.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Accords sanction to the introduction of 'Personal Ledger System' in respect of Civil and Criminal Courts Deposits from 1st July 1953.

READ—

Correspondence ending with letter No. R.O.C.—D.Dis. 883—52-53, dated the 26th February 1953, from the Registrar, High Court of Mysore, conveying the concurrence of the High Court to the introduction of the "Personal Ledger System" in respect of the deposit transactions of Civil and Criminal Courts at the State Treasuries.

2. Letter No. 17–Dep,—D.H.I., dated the 6th May 1953, from the Accountant-General, Mysore, furnishing his remarks on the draft rules proposed by the Finance Department.

ORDER NO. FL. (R) 377-98—B. & T. 5-53-3, DATED BANGALORE, THE 5TH JUNE 1953.

At present, each item of Judicial Deposit (except petty items relating to cash expenses) is separately paid into or drawn from the Treasury upon documents, passed by the presiding officer of the Court and setting forth the particulars necessary for entry into the deposit registers kept at the Treasury. Under this arrangement, the registers of receipts and repayments are kept both at the Courts and in the Treasuries while the monthly and annual returns including the lists of lapsed deposits are forwarded to the Audit Office by the Treasury Officers themselves in the manner prescribed for Revenue Deposits. With a view to eliminate the duplication of work involved under the existing procedure and to ensure quick despatch of work, the following changes will be introduced with effect from the 1st of July 1953.

1. The Civil Courts and the Magistrates will merely bank with the Treasuries *i.e.*, they remit without detail their general deposit receipts for credit in a personal ledger and make repayments by cheques on the Treasury against the balance in the personal ledger account, as is done at present in respect of petty items of deposits (*vide* Article 352, Mysore Financial Code, Volume I). These personal ledgers and the corresponding accounts and returns must be kept by the Treasury Officers in the form prescribed for Personal Deposits (but quite separate from those of Personal Deposits proper) under the designation "Civil" or "Criminal Courts Deposits."

2. The object of the new arrangement is simply to relieve the Treasury Officers of the responsibility for the details of the deposit transactions and confine the detailed record to the Courts in which the registers of receipts and repayments must be kept in the same form and be worked on the same principle as applicable to Revenue Deposits. The Civil Courts or the Magistrates will be responsible for sending to the Account General through the District Judge or the District Magistrate concerned, the monthly detailed returns (the paid cheques are sent by Treasuries), the quarterly certificates and the annual clearance registers and the statements of lapses.

3. The District Judge in the case of Civil Courts and the District Magistrate in the case of Criminal Courts will be responsible to obtain the returns referred to in the Annexure from the subordinate Courts and send them to the Accountant General on or before the due date with an abstract for the whole District in the following form for each kind of return :—

Courts	Opening Balance*	Receipts*	Repayments*	Closing Balance*	Remarks*
District Court—1. General Deposits.					
2. Petty Items.					
Sub-Court—A 1. General Deposits.					
2. Petty Items.					
„ B 1. do ...					
2. do ...					
„ C 1. do ...					
2. do ...					
Total for the District ...					

*Such of the columns as are not required will be struck out. In the case of statements of lapses and clearance registers, the columns should be altered suitably.

4. The detailed procedure to be followed is explained in the Annexure.

5. With effect from 1st July 1953 the Treasuries will keep for each Court two personal ledgers, one for general deposit items under this order and the other for petty items as in the past.

6. A list of the Judicial Deposit items outstanding on 1st July 1953 in respect of each Court will be furnished to the Courts concerned by the District Treasury on 1st July 1953 in the same form as the Register of Receipts of Judicial Deposits (Form 58, Mysore Financial Code, Volume I) after crediting by transfer the aggregate amount thereof to the "Personal Ledger of General Deposits" (to be opened in the name of the Court) by *per contra* debit to "Judicial Deposits". The Courts should with reference to this list arrange refunds of old deposits, *i.e.*, those deposited prior to 1st July 1953 and furnish clearance registers and the statements of lapsed deposits due to the Accountant General after 31st March 1954 as if the detailed accounts of the old deposits had been kept by the Courts themselves.

7. The registers in forms 56 and 58, Mysore Financial Code, Volume I, will replace the register of receipts and payments of general deposits, prescribed in Rule 620 of the Civil Rules of Practice and Circular Orders, from 1st July 1953.

8. Fines creditable to final heads should be credited to the revenue or other head concerned and not to deposits. Refunds of such amounts will be made in the manner prescribed in Article 234, Mysore Financial Code, Volume I.

9. The Treasuries will classify the deposit transactions taken to the personal ledgers of Civil Courts under the minor head "Civil Courts Deposits" and those of Criminal Courts, under the minor head "Criminal Courts Deposits" under the major head "Civil Deposits" in the Treasury Accounts. The transactions should not be classified under the head "Judicial Deposits" as done now.

10. The personal ledger accounts of the Courts in Bangalore City and Civil Station will be kept at the Reserve Bank to facilitate remittances into the Bank and payments on cheques without the intervention of the Treasury Officer in each case.

11. In matters not specifically mentioned in this order, the rules in the Mysore Financial Code, Volume I, and in the Mysore Treasury Code will apply.

12. The Director of Government Printing, Stationery and Publications in Mysore, is requested to supply to each District Judge within a fortnight the following books and forms :—

EACH DISTRICT COURT AND EACH DISTRICT MAGISTRATE'S COURT.

(1)	Register of Receipts of Judicial Deposits—Form	M.F.C. 58 (Jud.)	... 50 Registers
(2)	Register of Repayments of Judicial Deposits	do 56 (Jud.)	... 50 „
(3)	Deposit Repayment Voucher	do 58 (Jud.)	... 50 pads
(4)	Carbon sheets	...	... 10 quires
(5)	Copying pencils	...	... 50 pencils

He is also requested to supply 200 copies of this order to the Registrar, High Court of Mysore, in advance and to comply on an urgent basis with indents for extra books and forms from the District Judges and indents for these books and forms sent by the District Magistrates.

M. SHAMANNA,
Secretary to Government,
Finance Department.

ANNEXURE.

GENERAL DEPOSITS.

Deposits falling under this head may be caused to be remitted to the treasury through the parties themselves as at present. As detailed accounts of deposits will not be maintained at the treasuries, the acknowledgment of the treasury in the Receipt Order will be merely to the effect that the amount specified therein has been received and credited to the "Personal Ledger of General Deposits" of the Court.

N.B.—In Bangalore, the amounts will be remitted to the Reserve Bank, direct, for being credited into the Personal Ledger of General Deposits of the Court kept at the Bank.

2. On the basis of the Receipt Order acknowledged by the treasury or the Bank, each deposit should be entered in the register of receipts of Judicial Deposits (Form 58-M.F.C., Vol. I) kept at the Court furnishing the relevant particulars in the following columns :—

(1) Date of receipt.
(2) Number of each deposit.
(3) From whom received.
(4) Nature of deposit.
(5) Amount of each deposit.

Every entry made in this register shall be attested by the Judge or the Magistrate or by some Government Officer duly authorised in this behalf with reference to the Receipt Order acknowledged by the treasury (or the Bank).

3. Payments to decree holders and others should be made as at present on cheques drawn in favour of the payees. Such cheques will be cashed by the treasuries under the rules applicable to Personal Deposits.

N.B.—At Bangalore, the cheques will be drawn on the Reserve Bank.

4. Before a deposit is repaid by cheque, the payee should fill in a bill in Form 57-M.F.C.—Vol. I, furnishing particulars of the original deposit. After verifying credit in the register of receipts, the presiding officer signs the order of refund if the claim is in order. The payee should then furnish in the form, his acknowledgment, stamped where necessary, for the receipt of the amount. The cheque is then drawn, repayment entered in the register of repayments of deposits, Form 56 M.F.C., Vol I, and the date of repayment and the amount repaid simultaneously noted in the register of receipts (Form M.F.C. 58) against the original entry under the initials of the officer ordering the refund. The vouchers should be filed carefully for transmission to the Accountant General with the monthly accounts.

Note 1.—These two registers (Forms 56 and 58 M.F.C.) will replace the register of receipts and payments of deposits prescribed in Rule 620 of the Civil Rules of Practice and Circular Orders.

Note 2.—The account to which the amounts of Receipt Orders or the amounts of cheques should be credited or debited in the treasury (or Bank) accounts should be prominently indicated by rubber stamp on the documents concerned until revised forms are printed.

PETTY ITEMS OR CASH EXPENSES.

5. Such items will be accounted for as at present. The personal ledger account kept at the treasury (or Bank) for such items will be styled as " Personal Ledger of Petty Items ".

AGREEMENT WITH THE TREASURY ACCOUNTS.

6. Transactions in the personal ledger of general deposits will be intimated to the Court concerned by the treasury (or Bank) weekly by means of a copy of the treasury (or Bank) subsidiary register which will be written with carbon. In respect of the ledger account of petty items, the existing procedure of advising the transactions through the pass book will continue.

7. Each Court should prepare a list of cheques issued but remaining unpaid at the end of the month with the help of the information furnished in the copy of the subsidiary register referred to above in the case of general deposits and the pass book in respect of petty items and show the amount thereof as a deduction below the total of repayments, " Deduct amount of uncashed cheques ", in its extract registers of repayments of general deposits and petty items for the month to be sent to the Accountant General.

ACCOUNTS TO BE RENDERED TO THE ACCOUNTANT GENERAL.

8. (i) *Extract Register of Receipts of Judicial Deposits for each month.*—This is a copy of the register of receipts but contains also monthly columns for note of repayments in the Accountant General's Office and will be prepared by carbon process. The extract after agreement with the credits in the treasury accounts as recorded in the copy of the treasury (or Bank) subsidiary register should be forwarded to the Accountant General through the District Judge or the Magistrate so as to reach him on or before the 10th of the following month.

(ii) *Extract Register of Repayments of Judicial Deposits for the month.*—This is merely a copy of the Register of Repayments (Form 56, M.F.C.) and should be prepared by carbon process. This extract together with the repayment vouchers for the deposit items refunded should be forwarded along with the extract register of receipts for the month.

(iii) *Statement of Receipts and Repayments of Personal Ledger Account of Petty Items.*—Only monthly totals may be furnished in this statement.

(iv) *Plus and minus memo.*—A plus and minus memo showing the opening balance, receipts and repayments of the month and the closing balance should be furnished monthly with the receipt and repayment schedules of each Court. The figures relating to the personal ledger account of petty items also should be furnished in this memo but separately. As the balance shown in this memo should always equal the aggregate of repayable deposit balances upon the registers, it has to be reduced in April return by the amount reported for lapse.

(v) *Quarterly Certificate.*—After the close of each quarter, a certificate should be furnished after necessary scrutiny by the immediate superior officer of each Court that he has examined the deposit registers personally and that the entries are made with the utmost care and regularity.

This examination is not intended to be mechanical and to secure only that all necessary entries are made and initialled without fail at the time of the transaction but also that no moneys are unnecessarily placed in deposit or allowed to remain without good cause (*Vide* Article 338, M.F.C., Vol. I).

(vi) *Clearance Register.*—This will be prepared by the Courts annually in the manner indicated in Article 339, M.F.C., Vol. I and forwarded to the Accountant General through the District Judge or the Magistrate.

(vii) *Statement of Lapses.*—These statements will be prepared by the Courts concerned under the rules prescribed in Article 342, M.F.C., Vol. I, and forwarded to the Accountant General on the due date through the District Judges or Magistrates. A notice of the amount to be lapsed must be sent to the Treasury Officer (or the Bank) by the Court concerned to enable the former to deduct the amount in the Personal Ledgers.

(viii) The District Judge in the case of the Civil Courts and the District Magistrates in the case of Criminal Courts will be responsible to see that the returns due from the subordinate courts are obtained punctually and completely and that they are forwarded to the Accountant General on or before the due dates prescribed as noted below with an abstract for the whole district including figures of the District Court.

1.	Monthly Returns ...	9th of the following month.
2.	Quarterly certificate of examination by the higher authority.	9th of the following month (to be recorded on the extract register of receipts to be sent to the Accountant General for the last month of the quarter then Closing).
3.	Clearance Register ...	15th April.
4.	Statement of Lapses ...	Do

DEVELOPMENT SECRETARIAT

Conversion of the post of Inspector *cum* Investigator to that of a Superintendent of Industries and modified Jurisdiction of the Superintendents of Industries.

READ—

Government Order No. I. 560-1—Ind. 7-52-6, dated 26th [illegible]52, sanctioning among other staff, the post of one Inspector-*cum*-Investigator in grade Rs. 180-[illegible]300 for the Loan Section of the Office of the Director of Industries and Commerce in Mysore, in connection with the administration of the Mysore State Aid to Industries Act, 1951.

2. Correspondence ending with letter No. B. 22—52-53, dated 22nd January 1953 from the Director of Industries and Commerce in Mysore, regarding the conversion of the post of the Inspector-*cum*-Investigator as sanctioned in the Government Order read above to that of a third Superintendent of Industries.

ORDER NO. I. 913-15—IND. 7-52-8, DATED BANGALORE, THE 18TH JUNE 1953.

The Director of Industries and Commerce states that the entire executive work relating to loan applications under the State Aid to Industries Act, involving regular and continuous touring over the entire State, cannot be undertaken by one Inspector-*cum*-Investigator and that it is very necessary to distribute the work on a territorial basis among three officers. He has therefore recommended, as resolved by the Board of Industries, that the sanctioned post of the Inspector-*cum*-Investigator, which carries the same grade pay as that of a Superintendent of Industries, *viz.*, Rs. 180-15-300, may be converted into a post of Superintendent of Industries in addition to the two existing posts of Superintendents of Industries of the Department and that all these three Superintendents of Industries may be entrusted with the work of investigation of loan applications, loan recovery and periodical inspection of the enterprises and concerns run by the loanees on a territorial basis as at present but with their jurisdiction modified as shown below :—

Officers.	*Headquarters.*	*Jurisdiction.*
(1) Superintendent of Industries, Bangalore Division, Bangalore.	Bangalore City ...	Bangalore and Kolar Districts.
(2) Superintendent of Industries, Mysore Division, Mysore.	Mysore City ...	Mysore, Mandya and Tumkur Districts.
(3) Superintendent of Industries, Shimoga Division, Shimoga.	Shimoga ...	Shimoga, Chitaldrug, Chikmagalur and Hassan Districts.

The Director is of the opinion that under the proposed arrangement, the three Superintendents of Industries will be able to devote better attention to the loan work and also to the other Departmental work entrusted to them. He, therefore, requests sanction to the conversion of the post of the Inspector-*cum*-Investigator, sanctioned in the government order read above, to that of a Superintendent of Industries and to the modified jurisdiction of the Superintendents of Industries, suggested above.

The recommendations of the Director of Industries and Commerce in Mysore, are sanctioned.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Issues instructions regarding forwardal of Representations to Government by subordinate Officers by the Heads of Departments.

OFFICIAL MEMORANDUM.

No. Ch.S. 4004-4104—Misc. 32-53-1, dated Bangalore, the 26th June 1953.

The attention of the Heads of Departments is drawn to Rule 156 of the Manual of General Circulars and Standing Orders, Vol. I, which reads as follows:—

> "Petitions from persons in the service of Government relating to any matter affecting their official position should be forwarded only through their official superiors. Appeal petitions addressed to higher authority should always be forwarded by the officer receiving them with his remarks on the appeal grounds urged".

In a recent case, the Head of a Department failed to submit such a representation addressed to Government. Government wish to impress on all Heads of Departments the desirability of strictly conforming to the Rules. It is the duty of every Head of Department to see that, whenever a representation is made

complaining against the order of the Head of the Department himself, such a representation is submitted to Government for their consideration. Failure to forward the representation will have the effect of gagging the subordinates and preventing the aggrieved officer or official from having a wrong redressed.

It is directed that the subordinate officers should be given an opportunity to approach Government through the proper channel and place their grievances before Government and representations from them should be forwarded to Government with the opinion of the Head of the Department.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

FINANCIAL SECRETARIAT

Directs that the existing procedure *re* Mode of Recovery of Advance, *viz.*, one-ninth of the pay in respect of advances for purchase of Motor conveyances be continued until further orders.

2. Government Order No. Fl. 3328-3428—G.F. 75-52-4, dated the 24th June 1952, enhancing with effect from 1st July 1952, the maximum limit of advance admissible to Government Servants desiring to purchase motor cars, to Rs. 10,000.

3. Government Order No. Fl. 1636-1785—G.F. 36-53-1, dated the 27th May 1953, directing the continuance until further orders of the maximum limit of advance to Rs. 2,000 permissible to Government Servants purchasing motor bicycles.

4. Letter No. 51—E.C.A. Gr. 6, dated 16th June 1953, from the Accountant-General, Mysore, Bangalore, seeking clarification as to the period up to which the limit of advance and also the mode of recovery indicated in the Government Order dated the 24th June 1952 read above should be in force.

ORDER NO. FL. 2845-2994—G.F. 71-53-2, DATED BANGALORE,
THE 2ND JULY 1953.

It is directed that the maximum limit of advance permissible to Government Servants for purchase of motor conveyances—(motor car or motor bicycle as the case may be)—Rs. 10,000 (Rupees ten thousand only) in the case of motor car, and Rs. 2,000 (Rupees two thousand only) in the case of motor bicycle be deemed to have continued from 1st July 1952 in the case of motor car and from 1st April 1953 in the case of motor bicycle until further orders.

2. The existing procedure regulating the grant of an advance and mode of recovery, *viz.*, at one-ninth of the pay in respect of advances for purchase of both kinds of motor conveyances, mentioned in the preceding paragraph will also continue until further orders.

3. Necessary amendment to Mysore Financial Code, Volume I, will issue separately.

9. The Department as usual participated in the Dasara Exhibition of 1952 and procured new business of the value of Rs. 5,14,950 for 273 proposals.

10. The annexe to the Insurance Building was constructed and occupied early in February 1953 and this has to some extent relieved the congestion in the main building.

11. The activities of the Department having increased in volume, Government considered it necessary to reorganise the present system of working of the Department, and sanctioned the post of a General Manager in their Order No. Fl. 2738-41—G.F. 52-52-1, dated 31st March 1952. In their Notification Ch.S. 2347—G.E. 44-52-1, dated 22nd May 1952, Sri. J. Appaji Gowda, B.A. (Hons.), was appointed as General Manager of the Department. The powers, functions and duties of the General Manager were approved by Government in their Order No. Fl. 5316-5317—G.F. 52-52-4, dated 30th August 1952.

12. The Insurance Reorganisation Committee consisting of the General Manager as Chairman, Financial Secretary, Excise Commissioner and the Secretary, Mysore Government Insurance Department as Secretary was constituted by Government in their Order No. Fl. 2738-41—G.F. 52-52-1, dated 31st May 1952 for examining the scheme of reorganisation of the Department and to submit suitable proposals. The Reorganisation Committee has already met several times and its report has been released in some parts and action taken. Its full report is expected to be released shortly in printed form.

13. Government were pleased to direct in their Order No. Fl. 1543-44—G.F. 124-52-7, dated 13th May 1953 that the rate of interest payable on the balances of the Insurance Funds be enhanced from 3½ per cent per annum to 4 per cent per annum from 1st July 1948.

14. Consequent on the recommendations of the Insurance Reorganisation Committee and the General Manager for tackling the arrears of accounts in the Department, Government were pleased to accord sanction in their Order No. Fl. 889-892—G.F. 12-53-2, dated 28th April 1953 to an Arrears Clearance Scheme which has been put into effect from 1st April 1953 and the work of the Department is expected to be brought up to date by the end of the current financial year.

15. The proposals of the Insurance Reorganisation Committee on the subject of starting of a Fire Insurance Scheme by the Mysore Government Insurance Department along with the recommendations of the Department have been forwarded to Government and their orders are awaited.

16. The mechanisation of the accounting system of the Department is being expedited. Several parts of the machinery have already been received and work of installing is expected to be taken up in the immediate future.

17. The Central Government have already been moved to grant exemption in favour of this Department under Section 118 of the Indian Insurance Act 1938-50 and their decision is awaited.

Government Order No. Fl. (B) 14971—C.R. 1-52-27, dated the 31st March 1953, regulating the grant of travelling and other allowances to non-official members attending various Committees.

ORDER NO. FL. (B) 4509-20—C.R. 4-53-21, DATED BANGALORE, THE 16TH JULY 1953.

Consequent on the abolition of first class accommodation on certain lines of the railways, the following revised rules shall govern the railway fare admissible to non-official members attending various Committees enumerated in lists A, B and C of Government Order No. Fl. (B) 14971—C.R. 1-52-27, dated the 31st March 1953 :—

(*a*) Non-official members attending Committees enumerated under list 'A' will be entitled to accommodation of the highest class provided on the line by which they travel, if the line does not provide first class accommodation. In such a case, the member will be entitled to a single railway fare of the class in which he actually travels *plus* an allowance for incidental expenses at twelve pies per mile, if the line by which he travels does not provide first class accommodation.

(*b*) In respect of a member attending Committees enumerated under list 'B' he will be entitled to a single fare of the class by which he actually travels *plus* an allowance for incidental expenses at eight pies per mile if the line by which he travels does not provide second class accommodation.

(*c*) In respect of a member attending Committees mentioned under list 'C' he will be entitled to a single fare of the lower class (*viz.*, third class) *plus* an allowance for incidental expenses at four pies per mile if the line by which he travels does not provide inter. class accommodation.

2. The above rules will have effect from 1st May 1953.

OFFICIAL MEMORANDUM.

O.M. No. FL. 3227-3726—G.F. 80-53-2, DATED BANGALORE, THE 10TH JULY 1953.

In accordance with Government Order No. Fl. (B) 10561-660—C.R. 44-52-2, dated 2nd December 1952, the Premium Realisation Statements should hereafter be prepared in the revised forms prescribed therein. The Insurance Department will be mechanising its accounting system shortly, and to work this new scheme successfully it is necessary for the Pay Drawing Offices to furnish the Insurance Department with complete and correct data in respect of premiums deducted out of salary.

2. To this end, the Premium Realisation Statements, which are the sources of information of premium recoveries, should be prepared with the greatest care possible and the Pay Drawing Officers are requested to see that the following instructions are strictly adhered to with immediate effect :—

(*i*) *Separate* statements should be prepared for the Official and Public Branches in the prescribed forms.

(*ii*) Names of *all* the officials insured with the Insurance Department should be noted, whether the premia are recovered or not in any particular month.

(*iii*) Correct policy numbers should *invariably* be noted and there should be no omission of the policy number against any name. To ensure this, a Register called "Insurance Register" may be opened *separately for each Branch* in the manner prescribed in the appended form. Policy numbers may be entered in this Register with reference to the policies held by the insured. Where it is not possible, a reference may be made to the Insurance Department for the correct policy numbers.

(*iv*) In the revised Premium Realisation Statement Forms separate columns have been provided for noting the premiums recovered during the current month and the previous month, and the figures should be noted therein carefully. In case of difference between the figures in the two columns, reasons should be furnished as indicated in the foot-note in the Premium Realisation Statement Forms.

(*v*) In case of transfer, etc., where a Last Pay Certificate has been issued, it should show the policy numbers and monthly premiums of the Official and Public Branches separately.

3. The Heads of Departments are requested to see that the above-mentioned instructions are strictly followed in all the Pay Unit Officers under them.

M. SHAMANNA,
Secretary to Government,
Finance Department.

FOREST AND AGRICULTURE SECRETARIAT

Passes orders regarding issue of Manure Loans to raiyats for the year 1953-54 in connection with the Food Production Drive.

READ—

Government Order No. A.F. 2873-88—Agri. 14-50-3, dated 23rd June 1950, passing orders regarding issue of Manure Loans to raiyats for the year 1950-51 in connection with the Food Production Drive.

2. Government Order No. A.F. 2698-711—F.P. 16-51-5, dated 13th June 1951, approving the proposal of the Food Production Commissioner to issue manures to agriculturists of all the paddy growing areas, on loan, up to a value not exceeding Rs. 25 per acre and to a maximum limit of Rs. 100 in each case subject to the conditions specified in the Government Order dated 23rd June 1950, till the Grow More Food Scheme continues.

3. Letter No. C1.-89—52-3, dated 7th March 1953, from the Food Production Commissioner proposing the extension of the Manure Loan Scheme during the year 1953-54, in areas selected for the Japanese method of paddy cultivation.

4. Further letter No. F.C. 633—C3, dated 29th April 1953/5th May 1953, from the Food Production Commissioner proposing the introduction of the Manure Loan Scheme in the Community Project Area of the State.

5. Correspondence ending with the letter No. S.M. 519-28—53-54, dated 16th May 1953, from the Food Production Commissioner submitting comprehensive proposals for implementing the Manure Loan Scheme for the year 1953-54, under Grow More Food Scheme over the entire State.

6. U.O. Note No. 102 DHI, dated 7th July 1953, from the Accountant General, Mysore, stating that he has no objection to open suitable heads of account to record the transactions in respect of Manure Loans.

ORDER NO. A.F. 4060-77—F.P. 22-53-4, DATED BANGALORE, THE 11TH JULY 1953.

The Commissioner for Food Production states that the Government of India, have allotted large quantities, *viz.*, 20,000 tons of Ammonium Sulphate for the year 1953-54 and in order to enable the State Government to purchase this heavy quantity, the Government of India have recently sanctioned a loan of Rs. 16,75,000. In order to popularise the liberal use of fertilisers in the State, particularly in the areas selected for the Japanese method of paddy cultivation and thus step up food

production, it has become necessary to extend the Manure Loan Scheme to all parts of the State during the current year with immediate effect. He therefore requests that orders of Government may be passed for the operation of the Manure Loan Scheme during the year 1953-54 with the following modifications :—

(i) To grant a maximum limit of loan of Rs. 100 to each applicant (at the rate of Rs. 25 per acre for 4 acres) for all parts of the State exclusive of areas where the Japanese method of paddy cultivation is introduced and to grant Rs. 200 per individual (at the rate of Rs. 50 per acre for an extent of 4 acres) for areas where the Japanese method of paddy cultivation is introduced exclusively ;

(ii) To issue the authorisations of loans by the Amildars against the Agricultural Inspectors of the Ranges concerned who will issue stocks to the raiyats to the extent of the value noted in the authorisation and furnish accounts to the Amildars of taluks ;

(iii) To recover the manure loans issued in cash with interest at 5 per cent per annum as the procedure of recovery of loan in the shape of paddy after harvest, involves complications in the adjustment of accounts ; and

(iv) To open a separate head of account in the treasuries for debits and credits out of the loan sanctioned by the Government of India for this purpose, in order to watch the recovery of the loans.

He also encloses for approval of Government to a revised form of application for Manure Loan and other agreements to be taken in this connection and also a set of draft rules with the modifications proposed above. He adds that he has already put the scheme into operation in the Community Project areas of the State in anticipation of sanction and requests approval of Government thereto.

In the circumstances stated, the proposals of the Commissioner for Food Production to operate the Manure Loan Scheme over the State during the year 1953-54 as detailed above are approved with the following modifications :—

(*a*) The loan from the Government of India for the purchase of fertiliser is to be credited under "N—Public Debt—III Loans from the Central Government".

(*b*) When the fertiliser is purchased by the Government, the amount paid therefor may be debited to a separate head of account styled as "Advances of Manure Loan Scheme" under "R—Loans and Advances by State Government—Loans to Cultivators".

(*c*) When recoveries are effected in cash from the cultivators to whom loans in the shape of manure are sanctioned, the same may be credited to the above head indicated in :

"(b) the interest thereon being taken to Revenue Head "XX Interest" under a suitable detailed head ;

(d) the detailed account of manure loans sanctioned has to be maintained by the Department and recoveries watched ;

(e) when Government of India loan is repaid by Government, the same will be debited under "N—Public Debt—III Loans from Central Government"—irrespective of recoveries effected under "R—Loans".

The Accountant General is requested to open suitable heads of account to record the transactions in respect of Manure Loans.

Rules and Forms to be adopted in implementing the schemes are appended to this Government Order.

Government also direct that personal responsibility will be enforced for the recovery of Government dues in respect of loans sanctioned.

Secretary to Government,
Forest and Agriculture Departments.

APPENDIX B.

Rules to regulate the Grant of Manure Loan to the Raiyats for raising paddy crops.

Manure loans are granted to the raiyats for raising paddy crops during the year 1953-54, in accordance with the following rules :—

1. Applications for manure loans should be addressed to the Amildars of the Taluks in which manure is required for lands for raising paddy crops.

2. The application should be accompanied by an affidavit in the Form 'C' in case the Khatha of the land is not in the name of the applicant.

3. No manure will be granted except in case where Government help is considered absolutely necessary and the amount of manure loan will be limited to such sums as are found essential to enable the applicant after taking into account all other resources for successfully raising the paddy crop. The maximum limit prescribed in the Takavi Loan Rules will not apply for individual manure loans under these Rules. The maximum value of manure loan per acre is limited to Rs. 25 but not exceeding Rs. 100 in aggregate in each case. In the areas selected for the Japanese method of paddy cultivation, the maximum limit of manure loan will be Rs. 200 per individual (at the rate of Rs. 50 per acre for 4 acres). The value of manure loan granted should not also exceed half the prevailing value of lands for which manure is applied.

4. The manure loan should be repaid immediately after harvest of the crop with 5 per cent interest per annum.

5. The Amildar of the Taluk concerned should cause to maintain separate Registers showing the manure loans granted to the applicants and book the demands due from each grantee under the loan.

6. On satisfaction as to the *bona fides* of the applicant, the mildar will issue authorisation slip to the applicant to buy manure equal to the value of loan granted. A copy of such authorisation will be sent by the Amildar to the Agricultural Inspector of the Range concerned, where the applicant proposes to receive manure.

7. The Agricultural Inspector of the Range concerned will maintain separate Register for the issue of manures as per authorisation by the Amildar in the following form :—

Name of the raiyat and address	No. and date of the authorisation slip by the Amildar of the Taluk	The value of manure loan granted	The quantity of manure issued	Signature of the grantee with date	Signature of the person issuing manure	Remarks
1	2	3	4	5	6	7

The Agricultural Inspector of the Range concerned should furnish statements daily to the Amildar of the Taluk with an extract of such Register in respect of the manure issued to the raiyats on authorisation by the Amildar.

8. On receipt of such statements as above, the Taluk Office will enter in the Manure Loan Register referred to in Clause (5) *supra* the value of manure issued to raiyats with other details as in the statement received from the Agricultural Inspector of the Range concerned. Against each case of grant, a separate entry in the said Register should be made indicating the total value of manure loan due from the grantee. The Amildar will collect from the grantees manure loans with interest granted under Manure Loan Rules immediately after harvest. He will arrange to see that the full value of the loan collected is credited to the head " ...."

9. Manure issued to the raiyats as loan should be utilised to the lands specified in the application for raising paddy crops only. Abuse of such manure, in whole or in part, for a purpose other than that for which it is granted, would entail immediate recovery of the manure loan amount granted together with a penalty of Rs. 5 for every Rs. 25 worth of manure obtained, as arrears of Land Revenue. Failure in repayment of the loan amount at the time of harvesting during the year will entail the recovery of the amount with interests as arrears of Land Revenue.

10. To find out whether or not manure so granted as loan has abused, the Amildar will send a copy of the authorisation sent to the Agricultural Inspector of the Range concerned to the Revenue Inspector concerned with a direction that he should watch and report with necessary evidence and Mahajar for further action to be taken as per Clause 9.

11. The Amildar will submit a fortnightly statement to the Deputy Commissioner of the District and to the Commissioner for Food Production in Mysore, before the 5th and 20th of each month, showing the grants of manure loans to raiyats.

12. The Amildar will grant manure loan to the raiyats only during the season when manure is needed for being applied to paddy crop and no such loans will be granted during off-season.

13. IMPORTANT GOVERNMENT ORDERS

FINANCIAL SECRETARIAT

Revises the rates of Travelling Allowance admissible to non-official members of various Committees consequent on the abolition of first class accommodation in certain sections of Railways.

READ—

Government Order No. Fl. (B) 14971—C.R. 1-52-27, dated the 31st March 1953, regulating the grant of travelling and other allowances to non-official members attending various Committees.

ORDER NO. FL. (B) 4509-20—C.R. 4-53-21, DATED BANGALORE, THE 16TH JULY 1953.

Consequent on the abolition of first class accommodation on certain lines of the railways, the following revised rules shall govern the railway fare admissible to non-official members attending various Committees enumerated in lists A, B and C of Government Order No. Fl. (B) 14971—C.R. 1-52-27, dated the 31st March 1953:—

(*a*) Non-official members attending Committees enumerated under list 'A' will be entitled to accommodation of the highest class provided on the line by which they travel, if the line does not provide first class accommodation. In such

a case, the member will be entitled to a single railway fare of the class in which he actually travels *plus* an allowance for incidental expenses at twelve pies per mile, if the line by which he travels does not provide first class accommodation.

(*b*) In respect of a member attending Committees enumerated under list 'B' he will be entitled to a single fare of the class by which he actually travels *plus* an allowance for incidental expenses at eight pies per mile if the line by which he travels does not provide second class accommodation.

(*c*) In respect of a member attending Committees mentioned under list 'C' he will be entitled to a single fare of the lower class (*viz.*, third class) *plus* an allowance for incidental expenses at four pies per mile if the line by which he travels does not provide inter. class accommodation.

2. The above rules will have effect from 1st May 1953.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Issues instructions in regard to preparation of the Premium Realisation Statements.

OFFICIAL MEMORANDUM.

O.M. No. FL. 3227-3726—G.F. 80-53-2, DATED BANGALORE, THE 10TH JULY 1953.

In accordance with Government Order No. Fl. (B) 10561-660—C.R. 44-52-2, dated 2nd December 1952, the Premium Realisation Statements should hereafter be prepared in the revised forms prescribed therein. The Insurance Department will be mechanising its accounting system shortly, and to work this new scheme successfully it is necessary for the Pay Drawing Offices to furnish the Insurance Department with complete and correct data in respect of premiums deducted out of salary.

2. To this end, the Premium Realisation Statements, which are the sources of information of premium recoveries, should be prepared with the greatest care possible and the Pay Drawing Officers are requested to see that the following instructions are strictly adhered to with immediate effect :—

(*i*) *Separate* statements should be prepared for the Official and Public Branches in the prescribed forms.

(*ii*) Names of *all* the officials insured with the Insurance Department should be noted, whether the premia are recovered or not in any particular month.

(*iii*) Correct policy numbers should *invariably* be noted and there should be no omission of the policy number against any name. To ensure this, a Register called "Insurance Register" may be opened *separately for each Branch* in the manner prescribed in the appended form. Policy numbers may be entered in this Register with reference to the policies held by the insured. Where it is not possible, a reference may be made to the Insurance Department for the correct policy numbers.

(*iv*) In the revised Premium Realisation Statement Forms separate columns have been provided for noting the premiums recovered during the current month and the previous month, and the figures should be noted therein carefully. In case of difference between the figures in the two columns, reasons should be furnished as indicated in the foot-note in the Premium Realisation Statement Forms.

(*v*) In case of transfer, etc., where a Last Pay Certificate has been issued, it should show the policy numbers and monthly premiums of the Official and Public Branches separately.

3. The Heads of Departments are requested to see that the above-mentioned instructions are strictly followed in all the Pay Unit Officers under them.

M. SHAMANNA,
Secretary to Government,
Finance Department.

Directs that the hire charges to be recovered from the persons using the Vehicles maintained in Government Offices and in other Government Commercial concerns.

READ—

Official Memorandum No. Fl. 6763-6833—G. F. 210-46-2, dated the 17th March 1947, prescribing rules for regulating the use of the vehicles maintained in Government Commercial Concerns and other Government Offices.

2. Official Memorandum No. Fl. 6608-6758—G, F. 171-51-1, dated 1st November 1952, issuing instructions to all the heads of Departments and others to observe the rules in the matter of using the Government vehicles.

3. Letter No. 298—B/T. M. dated 26th November 1952, from the Accountant-General. suggesting the desirability of fixing the rate of hire charges to be recovered from persons, using the vehicles belonging to Government Commercial Concerns and other Government Offices.

ORDER NO. FL. 3340-3489—G.F. 88-53-2, DATED BANGALORE, THE 21ST JULY 1953.

According to the rules prescribed in Official Memorandum dated 17th March 1947 read above, hire charges should be levied whenever a vehicle is used for private purposes and the hire so charged should include cost of driver, cleaner, petrol, oil and all other incidental charges inclusive of depreciation charges. As considerable difficulty is being experienced in the matter of recovery of hire charges caused on account of not having prescribed a definite rate in this behalf, it is directed that the hire charges to be recovered from persons using vehicles maintained in Government Offices and in other Government Commercial concerns either for journeys performed in private or public (official) capacity, shall be at a rate of annas eight per mile.

2. This rule does not apply to the vehicles maintained by the Mysore Iron and Steel Works, Bhadravati, as separate rules are being framed in respect of those vehicles.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Issues revised calendar for submission and sanction of Budgets of Town Municipal Councils in the State.

READ—

Government Order No. L. 2560-9—Ml. 83-25-6, dated 12th October 1925, issuing instructions for submitting, passing, and printing of the Budgets of Town and Minor Municipal Councils in the State.

2. Notification No. L. 2845—Ml. 121-52-1, dated 2nd June 1952, prescribing the manner of scrutiny and sanction of Budgets of Town Municipalities by the Deputy Commissioners of Districts, Controller, State Accounts Department, Commissioner for Local Self-Government, and Government.

3. Unofficial Note No. R.D.R. 4. C. 465-162—53-4, dated 18th May 1953, from the Commissioner for Local Self-Government in Mysore.

ORDER NO. L. 5032-147—ML. 153-53-1, DATED BANGALORE, THE 25TH JULY 1953.

It is observed that there has been unnecessary delay in the transmission of Budget Estimates of Town Municipalities in the various offices for sanction of Government. In view of the introduction of the Mysore Town Municipalities Act of 1951, creation of the new offices of the Commissioner for Local Self-Government and Controller, State Accounts Department, delegation of the power of scrutiny and sanction of Budgets to the Controller, State Accounts Department, and the Commissioner for Local Self-Government respectively and change of official year

from July to April in each year in Government Order No. L. 7450-7520—Ml. 163-49-1, dated 19th January 1950, the consequential alterations in the Budget Calendar of Town Municipalities referred to under Article 18 of the Municipal Accounts Manual was necessitated. Accordingly the following instructions are issued in the Budget Calendar of Town Municipalities for strict guidance :—

Budget Estimates of Town Municipal Councils to be forwarded to the Deputy Commissioners by the Presidents of Town Municipal Councils not later than	... 5th January in each year.
To be forwarded by the Deputy Commissioners, after scrutiny, with his remarks, to the Controller, State Accounts Department, not later than	... 20th January in each year.
To be forwarded by the Controller, State Accounts Department, after scrutiny, with his remarks to the Commissioner for Local Self-Government, not later than	... 20th February in each year.
To be sanctioned or forwarded to Government for sanction after scrutiny and remarks by the Commissioner, Local Self-Government, not later than	... 15th March in each year.

4. Government Order No. L.S. 628-43—E.C. 3-50-14, dated 24th May 1950, constituting an Inter-Departmental Committee on Planning.

5. Correspondence resting with Unofficial Note No. A1. 377—46-47, dated 19th April 1952, from the Commissioner of Economic Development and Planning, submitting proposals regarding the reorganisation of the Economic Conference and its various Committees and the administrative set up for implementing the Five-Year Plan of the State.

6. Demi-Official letter No. A1. 34—53-54, dated 16th April 1953, from the Deputy Commissioner of Economic Development and Planning, forwarding proposals regarding suitable machinery to be set up for the implementation of the State Five-Year Plan.

ORDER No. L.S. 1897-936—PLNG. 23-53-1, DATED BANGALORE, THE 11TH JULY 1953.

The question of reorganising the Economic Conference and its several Policy Committees to suit the present altered conditions consequent on the launching of the Five-Year Plan has been engaging the consideration of Government for some time past. The Planning Commission of the Government of India have suggested the setting up of suitable machinery for implementing the Five-Year Plan of the State and have also urged that public co-operation and local efforts of the people of the regions concerned should be secured in as large a measure as possible for the implementation of the works under the plan.

2. With these objects in view, it is directed that the several Policy Committees of the Economic Conference, constituted in the Government orders read above, be

abolished and that Taluk Advisory Committees for Planning and Development be constituted for the present, with a view to implement the Five-Year Plan. The Committee will consist of nine to eleven Members as detailed below :—

1. Members of the State Legislative Assembly—of the Taluk.
2. Members of the State Legislative Council, if any, residing in the Taluk.
3. District Board Members of the Taluk.
4. The remaining Members and the Chairman will be nominated by Government.

The Amildar of the Taluk will be the *Ex-officio* Convener of the Committee.

3. The functions of the Committees will be—

(1) to advise on matters relating to development schemes under Five-Year Plan and their implementation so far as their Taluks are concerned ;

(2) to advise in regard to Harijan Welfare and improvement of their conditions of living in the Taluks ;

(3) to render necessary assistance in the matter of implementing Educational reforms ; and

(4) to advise and render necessary assistance in Cultural Development activities in the Taluks.

4. The Taluk Committees will meet at periodical intervals and transact business in accordance with the procedure to be indicated by the Commissioner of Economic Development and Planning. A joint meeting of all the Taluk Committees in the District will be held at least once a year for the purpose of co-ordination of work and exchange of views. The District Officers of all the Departments will attend these joint meetings. The Deputy Commissioner will convene these joint meetings. Either the Deputy Commissioner or any person invited by him will preside over the meetings.

5. The non-official members of the Committees will be entitled to the following rates of Travelling Allowance and Daily Allowance.

Railway fare	...	...	One and a half Inter-Class ;
Mileage	...	...	Three annas ;
Daily Allowance	...	...	Rupees Three per day.

LAW SECRETARIAT

Sanctions the adoption of the Extra-mural Camps in the State to allow prisoners to live with families.

READ—

Letter No. 44-4, dated the 11th July 1951, from the Inspector-General of Prisons, furnishing his remarks on the Bombay Government's Scheme to allow prisoners to live with families in extra-mural camps and recommending that the scheme may be adopted in this State also as a tentative measure to begin with.

2. Unofficial Note No. 47, dated 20th March 1952, of the Special Chief Engineer on this subject.

3. Unofficial Note No. 31, dated 22nd April 1952, by the Chief Engineer of Mysore in the matter.

4. Correspondence ending with the letter No. 643—M., dated the 12th June 1952, from the Special Chief Engineer in the matter.

ORDER No. H.B. 2866-80—PRIS. 103-50-8, DATED BANGALORE, THE 29TH JUNE 1953.

The Government of Bombay have sanctioned two schemes for prisoners who show improvement and a desire to return to normal life on their premature release on certain conditions. One of the schemes is known as "the Swatantrapur Release Scheme" which is open to all prisoners who have remained in jail for a year or more but still have over a year to undergo. The other scheme is based on the lines of "Alco Prison Road Camp System" in California, United States of America, which is open to prisoners who have served one year or more or one-fourth of their sentences but still have more than six months to undergo. In both the schemes the families of the prisoners who are selected, are allowed to stay with them and help them in earning a livelihood and provision is made for accumulating small savings which will be paid to the prisoners on their release. The prisoner who works satisfactorily in the extra-mural camp is allowed one-third remission on the unexpired portion of his sentence. On release from the camp the prisoner is awarded a certificate to the effect that he has satisfactorily worked at the camp. The chief characteristics of the schemes are, that these camps have neither stone walls nor prison bars nor are there guards in the strict sense of the term. The only guarantees are trust, past good behaviour and collective responsibility.

2. The Inspector-General of Prisons who was consulted on the feasibility of implementing similar schemes in this State has now reported that for the present, the "Alco Prison Road Camp System" as adopted by the Government of Bombay State may be adopted in our State subject to certain modifications congenial to the local conditions of our State. He has proposed that, to begin with one camp of 50 selected prisoners may be opened at one of the major irrigation project works at Nugu (Nanjangud Taluk, Mysore District) or Lakkavally, (Tarikere Taluk, Chikmagalur District) in consultation with the Public Works Department.

3. The Special Chief Engineer and the Chief Engineer of Mysore who were consulted in the matter have stated that the scheme cannot be tried on road works as the labourer cannot be employed continuously at one particular place or on building works which need skilled labourers and which are generally executed through Contractors. However they have agreed with the proposal of the Inspector-General of Prisons, that the scheme may be tried in the Nugu Reservoir Works with a small number of prisoners to start with, the entire cost being borne by the Prisons Department in the first instance. The work is to be executed by the prisoners and paid for at the usual schedule of rates, varying according to the nature and quantity of work done, *viz.*, wages varying from Rs. 1-4-0 to Rs. 1-12-0 per head per day for those unskilled manual labourers (employed on excavation, watering, masonry, conveying small stones, mortar, sand and cement) and wages varying from Rs. 2-8-0 to Rs. 3-0-0 per head per day for the skilled labourers such as Masons, Chisellers, Chovalies Fitters and Carpenters.

4. The working details of the scheme are as follows:—

(i) A prisoner shall be eligible for consideration of release on license after he has served at least one year excluding remission or one-fourth of his sentence, whichever is greater.

N.B.—Prisoners sentenced for dacoity or as habitual offenders will not be ordinarily eligible for release under the scheme.

(ii) As far as possible prisoners will be employed in groups of 10 each and the leader of each group will be permitted to select the members of his group. Five such groups, *i.e.*, 50 in all will ordinarily work together on a single work.

(iii) The list will be submitted to the District Superintendent of Police of the District, where the Prisoner was sentenced, who shall communicate his opinion for or against the release of the prisoner through the District Magistrate.

(iv) The Inspector-General of Prisons will then forward the list (nominal roll), together with the opinions of the District Officers and his recommendations to Government, who will, if release is decided on, issue orders, under Section 401, Criminal Procedure Code, releasing them on acceptance of the conditions laid down.

(v) On release, the prisoner will be given his property, cash and earnings and taken to the camp where he is to be employed.

(vi) The Superintendent of the Prison will intimate the date of such release to the District Superintendent of Police and the Inspector of Police where the prisoner's family resides, to the District Magistrate and District Superintendent of Police where the work is in progress and to the Jailor in charge of Camp and transfer to him the warrants, history tickets and other documents.

(vii) The prisoner will be provided with a bamboo matting hut, built on the premises and such equipment as he and what subsequently his family may require and a week's wages in advance to begin with.

(viii) The equipment will be replaced at the cost of the prisoner. The prisoner will be paid at the current market rate, at which free labour is available.

(ix) The wages paid in advance will be deducted from the weekly wages in 3 instalments. After the advance is recovered in full, 1½ days' wages earned in a week by him and his family will be credited to his individual account to be paid to him on his release.

In the event of sickness of the prisoner himself or his dependant, the Jailor in charge of the Camp may allow a prisoner to spend such amount from the balance at his credit, as is reasonably necessary.

(x) After a prisoner has worked well for a month, his family will be allowed to join him and they may, if necessary, be taken on labour on the work. No man whose family has not joined will be permitted to remain in the group, where there are members with their families.

(xi) One-fourth remission will be allowed to all those who are employed in the extra-mural camps, on the unexpired portion of their sentences subject to the maximum limit prescribed under the Mysore Jail Manual.

(xii) When the prisoner completes his unexpired sentence, the warrant will be returned to the Court, through the Superintendent of the Prison, from which the prisoner was released and a report also submitted to Government through the Inspector-General of Prisons.

5. The prisoner will be allowed to go back to his place of residence or if he volunteers to remain in the Camp, he will be allowed to stay on till the work is completed. If he stays on, he will be permitted to use the hutments, kit, utensils, etc., he was given during his sentence.

On quitting the camp, the prisoner will be awarded a certificate by the Public Works Department Officer in charge of the work.

6. On a request from the Inspector-General of Prisons, the Public Works Department will report suitable sites where works are going on and camps can be established and intimate their requirements of prison labour.

7. The financial implication of the Scheme is noted hereunder:

8. The staff will be responsible for—

(i) obtaining foodgrains, provisions, kit, etc., for prisoners who ask for it at the current market rates and for making arrangements for supply of water, etc.,

(ii) ensuring suitable work for the prisoners or his family through liaison with the Public Works Department,

(iii) noting the remission earned in the History sheet,

(iv) collecting and retaining the "Release Fund" contributed by each prisoner under item (IX) of Para 4 above,

(v) granting "Release Funds" on release of the prisoner,

(vi) providing fares to the prisoners, who wish to return home on termination of their terms of imprisonments.

9. The equipment such as pick-axes, spade, ghamellas will be provided by the Public Works Department or the contractor in charge of the work.

10. On approval of the scheme, the Executive Engineer will be contacted and requested to intimate their requirements, which will be reported to Government for sanctioning the Camp establishment and expenditure on equipment.

11. Prisoners will be released on receipt of an intimation that the camp is equipped and ready to receive them.

12. After considering all aspects of the proposal, sanction is accorded to implement the scheme known as "Alco Prison Road Camp System in California — United States of America" in this State, as suggested by the Inspector-General of Prisons and to the opening of one camp of 50 prisoners, at the Lakkavalli Irrigation Project as an experimental measure. The Inspector-General of Prisons is requested to contact the Chief Engineer of Mysore or the Executive Engineers as

the case may be and thereafter to approach Government for the employment of staff for the camp. The cost involved in the implementation of the scheme will be met out of the sanctioned grants in the Budget under "28. Jails and Convict Settlements."

13. A composite set of rules for the working of the scheme and the release of prisoners under it will be issued separately.

By Order and in the name of the Rajpramukh,

C. V. CHANNAPPA,
Secretary to Government,
Law Department.

IMPORTANT GOVERNMENT ORDERS

PUBLIC WORKS SECRETARIAT

Passes orders on the resolutions of the Road Reclassification Committee regarding Reclassification of Roads into State Fund Roads and District Fund Roads in Mysore.

READ—

Government Order No. P.W. 2309-50, dated 22nd September 1943, passing orders on the report of the Committee constituted for examining the classification of roads in Mysore.

2. Government Order No. P.W. 5031-71—R. & B. 9-49-1, dated 8th December 1949 reconstituting the Road Reclassification Committee to go into the question of reclassification of all roads in Mysore State.

3. Government Order No. P.W. 4262-4383—R. & B. 6-50-58, dated 18th August 1951, passing orders on the recommendations of the Road Reclassification Committee regarding reclassification of roads in the State.

4. Government Order No. P.W. 6850-6973—R. & B. 7-51-13, dated 15th November 1951, directing that the roads in Chitaldrug District also be brought within the purview of the Government Order dated 18th August 1951 read above.

5. Government Order No. P.W. 515-632—R. & B. 2-51-1, dated 19th April 1952, directing that the roads in the remaining two Districts of Mysore and Kolar also be brought within the purview of the Government Order dated 18th August 1951, read above.

6. Government Order No. P.W. 2962-3086—R. & B. 8-52-1, dated 9th July 1952, passing orders on the recommendations of the Road Reclassifications Committee relating to Agency for maintaining the roads, levy of Establishment and Tools and Plant charges, etc.

7. Government Order No. P.W. 6548-6668—R. & B. 8-52-4, dated 20th October 1952, according sanction to the Inter-village Communication roads aggregating to a length of 1,942 miles and 4 furlongs being taken up for maintenance against 2,001 miles included on an approximate basis under Class IV in the Government Order dated 18th August 1951 read above.

8. Government Order No. P.W. 9788-89—R. & B. 8-52-7, dated 23rd January 1953, passing orders on the resolution of the Road Reclassification Committee in respect of recovery of Establishment, Tools and Plant charges.

9. Government letter No. P.W. 346, dated 16th April 1953, requesting the Chief Engineer to forward statement of State Fund Roads and District Fund Roads got up in pursuance of the resolutions adopted at the meeting of the Road Reclassification Committee held on 12th and 13th April 1953.

10. Correspondence ending with Unofficial Note No. 2275, dated 16th June 1953, fromt he Chief Engineer forwarding statement of State Fund Roads and District Fund Roads and also depicting the financial implications of the resolutions referred to above.

ORDER THEREON No. P.W. 3648-3768—R. & B. 8-53-2, DATED BANGALORE, THE 8TH AUGUST 1953.

In the Government Order dated 18th August 1951, all the roads were classified according to their importance under four categories, with enhanced annual maintenance grants assigned to them, the cost thereof being shared equally in the case of Classes II, III and IV roads by Government and the District Boards, and the cost in the case of Class I roads being borne by Government entirely. The responsibility for maintaining Class I, II and III roads (in some Districts) was that of Government while those under Class IV and Class III (in some Districts) devolved on the District Boards.

2. It has been found that the division of liability for maintaining certain classes of roads has some inherent disadvantages particularly in regard to improvements and adjustment of quota of cost. The matter was, therefore, brought before the Road Reclassification Committee and the Committee after considering the matter in detail adopted the following resolutions at its meeting held on 12th and 13th April 1953:—

"RESOLVED that the existing classification of roads into 4 classes be abolished from this year and hereafter there will be only two classes of roads, *viz.*, State Fund Roads and District Fund Roads.

The existing Class I and II roads and important Class III roads mentioned in the list enclosed will be classified as State Fund Roads and the entire responsibility of maintaining these roads will be that of Government. The remaining Class III roads and all other roads including Class IV roads will be taken over by the District Boards and it will be the sole responsibility of the District Boards to maintain them.

Hereafter the responsibility of forming and maintaining new roads in rural areas will be that of the District Boards.

The District Boards will be entitled to the full mileage cess (less the collection charges of 10 per cent) in respect of buses plying on these District Board Roads. It may be recommended to Government that this arrangement may come into effect from 1st April 1953."

3. In pursuance of these resolutions of the Road Reclassification Committee, e Chief Engineer has forwarded a statement of State Fund and District Fund ads as scrutinised by him. According to this, the total length and cost of mainnance of the two categories of roads is as noted below resulting in an extra expenditure of Rs. 4,85,552 to Government and a savings of Rs. 4,31,757 to the District Boards as compared to the existing cost. The statements as finalised by the Chief Engineer were sent to the District Board Presidents and their views were obtained.

	Length		*Cost*
	Miles	Fur.	Rs.
State Fund Roads	6,872	7	36,37,919
District Fund Roads	3,976	0 13/24	8,47,817

4. Government are pleased to sanction the proposals of the Road Reclassification Committee and the lists of various classes of roads in the State as finalised by the Chief Engineer are appended to this Government Order. Hereafter the responsibility for forming and maintaining new roads in rural areas will be that of the District Boards concerned. The District Boards will be entitled to the full mileage cess (less collection charges at 10 per cent) in respect of buses using District Board Roads.

5. These arrangements will come into effect from 1st April 1953.

D. K. SRINIVASACHAR,
Secretary to Government,
Public Works Department.

ANNEXURE.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Progress Report on the working of the Public Service Rules in Mysore, during the year 1950-51.

READ—

Government Order No. E. 11757-800—R. & P.S. 5-52-2, dated 27th November 1952, reviewing the progress report on the working of the Public Service Rules in Mysore, during the year 1949-50.

2. Letter No. S. 93—53-54—P.S.C., dated 13th June 1953, from the Secretary, Public Service Commission, Bangalore, forwarding the report on the working of the Public Service Rules for the year 1950-51.

ORDER No. E. 6214-3—R. & P.S. 5-53-2, DATED BANGALORE, THE 18TH JULY 1953.

The revised rules of recruitment issued in Government Order No. 6-105—C.R.B. 1-34-1, dated 3rd July 1934 have been in operation for over eighteen years. No meetings of the Standing Committee for recruitment were held during the year under report.

The communal representation in the subordinate superior services of Government during the year under report was better than that of the previous year.

Appendix II shows the position of candidates for recruitment to services of Government as on 31st March 1951. Appendix III shows the number and percentage of appointments held by the candidates belonging to the Forward and Backward communities in the subordinate superior service in the various Unit

Offices for the year ending 31st March 1951. Appendix IX shows the number and percentage of gazetted appointments held by members of different communities in the State during the year under report.

The percentage of gazetted appointments held on 31st March 1951 by the candidates of the Forward and Backward communities is 42·4 and 57·6, respectively, as against 40·2 and 59·8 during the year 1949-50. The percentage of non-gazetted appointments in superior service held on 31st March 1951 by members of the Forward and Backward communities is 31·9 and 68·1, respectively, as against 33·3 and 66·7 during the year 1949-50.

The working of the Department continued to be satisfactory.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

Issues clarification regarding date of accrual of increments, etc., to Officers in Subordinate Superior Services.

READ—

Government Order No. Fl. 425-92—G.F. 407-39-3, dated the 17th July 1940, directing that in cases where the passing of an examination or test confers on a Government servant the title to any right, benefit or concession, such title be deemed to accrue from the day following the last day of the examination or the test which he passes.

2. Government Order No. E. 2361-440—R. & P.S. 25-48-3, dated 15th June 1951, issuing modification to certain rules of recruitment governing the period of probation, accrual of increment, grant of exemption from passing the departmental tests for purposes of drawal of increments, confirmation and promotion to the subordinate superior services.

3. Letter No. E. 3631—R. & P.S. 25-48-11, dated 25th June 1952, addressed to the Director of Printing, Stationery and Publications, Government Press, Bangalore, issuing certain clarifications in the matter of accrual of increment to persons in service.

4. Letter No. 137-T.K.—R.XV., dated 6th August 1953, from the Accountant-General, Mysore, Bangalore, desiring to have certain clarifications in the matter of accrual of increment and the effect of grant of exemption in regulating the increments of Government servants in subordinate superior services.

ORDER NO. E. 8909-9009—R. & P.S. 17-53-1, DATED BANGALORE, THE 20TH AUGUST 1953.

In accordance with the recommendation of the Committee constituted to go into the question of the rules of recruitment to subordinate services, Government in their order dated 15th June 1951, read above, considered it necessary in the interests of efficiency in service, that Government servants should pass departmental tests before they could become eligible to increments, promotion, etc., in services. For this purpose, a time limit of three years from 15th June 1951, was prescribed and it was laid down that in the case of officials already in service, increments may be allowed during the period of three years referred to.

2. On a reference made by the Director of Government Printing, Stationery and Publications, requesting clarification on certain points relating to the accrual of increments to Government servants in subordinate superior services, it was replied in Government letter dated 25th June 1952 (read above), that increments due on 1st January 1950 and on 1st January 1951, but withheld for not having passed the examination cannot be sanctioned, but since three years' time has been given under Government Order dated 15th June 1951, one increment may be given on 15th June 1952 and the next on 15th June 1953.

After the issue of this letter of clarification, several Heads of Departments, as well as individuals, are repeatedly bringing to the notice of Government that there is certain lacuna in the clarification made by Government in their letter dated 25th June 1952 and that it has caused undue hardship because while under the Government Order dated 15th June 1951 all Government servants in subordinate superior service would have earned title to increments on the dates they would have normally accrued to them under the provisions of the Mysore Service Regulations and drawn all the increments due up to 15th June 1954, the subsequent letter of clarification restricts the number of increments to two and that too making them fall due on 15th June 1952 and on 15th June 1953 only.

3. On a review of the present position regarding the grant of increments to officers in subordinate superior services, not qualified by passing the departmental tests, it is directed that the increments as and when earned by them in their respective grades be granted to them up to 15th June 1954.

4. As regards the effect of grant of exemption to a Government servant from passing the prescribed departmental tests, it is directed that when an increment is withheld for not passing the prescribed examination and exemption is granted subsequently, an increment would be due from the date of the order granting the exemption, if a period of one year required for earning an increment has elapsed on that date.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

Orders the Reservation of 16 2/3 per cent of appointments to the Scheduled Castes and Scheduled Tribes.

7. Notification No. L.D. 1913—Legis. 5-50-16, dated 20th September 1950, publishing in the *Mysore Gazette* for general information the Constitution (Scheduled Tribes) Order, 1950 (C.O. 22), published in the *Gazette of India*, Part II, Section 3, dated the 6th September 1950.

8. Correspondence ending with Un-official Note No. 136—51-52—P.S.C., dated the 21st January 1952, from the Secretary, Mysore Public Service Commission, Bangalore, furnishing the opinion of the Public Service Commission in the marter of reserving a certain percentage of appointments in the State Services to the Scheduled Castes and Scheduled Tribes.

9. Letter No. 42—1-52—N.G.S., dated the 20th March 1952, from the Government of India, Ministry of Home Affairs, suggesting that if there is no objection, the State Government may review the order relating to reservations in the Services so as to provide reservations separately for the Scheduled Castes and Scheduled Tribes in the State Services.

ORDER No. E. 9040-140—R. & P.S. 18-53-1, DATED BANGALORE, THE 21ST AUGUST 1953.

According to the existing rules of recruitment to the Subordinate Public Service, 75 per cent of all vacancies to be filled up by direct recruitment are reserved for candidates belonging to the Backward Communities (including Depressed Classes); while the remaining 25 per cent are treated as general vacancies open to all classes.

As per Article 16 (4) of the Constitution of India, the State Government can make any provision for the reservation of appointments or posts in favour of any backward class of citizens which, in the opinion, of the State, is not adequately represented in the services under the State.

The Public Service Commission is of the opinion that Government Order No. E. 2701-60—R. & P.S. 23-42-9, dated 21st December 1943, read in para 5 above may be taken as basis for determining 'Backward Classes' for purposes of recruitment, that certain Backward Classes are inadequately represented in services, that they are therefore entitled to reservation as contemplated in Article

16 (4) of the Constitution of India, that the Scheduled Castes and Scheduled Tribes in respect of Mysore State, as referred to in Notifications No. L.D. 1661—Legis. 5-50-13, dated 22nd August 1950 and No. L.D. 1913—Legis. 5-50-18, dated 20th September 1950, read in paras 6 and 7 above, may be treated as a separate class or group, that certain communities are not entitled to reservation under Article 16 (4) of the Constitution as they are over-represented in the Services, that the candidates of these communities have to take their chances in general vacancies which are filled up according to qualifications and merit, irrespective of communities or classes and that candidates belonging to Backward Classes and Scheduled Castes and Scheduled Tribes are also eligible for appointment in these vacancies, subject to merit.

The Public Service Commission has further proposed that 16 2/3 (sixteen and two-third's) per cent of the appointments may be reserved for the Scheduled Castes and Scheduled Tribes, that fifty per cent of the appointments may be reserved for 'Backward Classes' and that the remaining 33 1/3 per cent of the appointments may be filled up on general consideration of merit, irrespective of classes or communities.

The Public Service Commission has also proposed that while giving effect to the abovesaid percentage of reservation, a cycle of six appointments under 'Direct Recruitment' may be taken in a Unit and the appointments distributed as follows :—

(1) Backward Classes.
(2) General.
(3) Backward Classes.
(4) Scheduled Castes and Scheduled Tribes.
(5) Backward Classes.
(6) General.

After considering all aspects of the question, the proposal for the reservation of 16 2/3 per cent of all appointments to be filled up by direct recruitment in favour of Scheduled Castes and Scheduled Tribes is approved.

Approval is also accorded to the proposal to adopt a rotation in a Unit of six appointments to give effect to the 16 2/3 per cent reservation to the Scheduled Castes and Scheduled Tribes.

Orders with regard to the inclusion of some of the communities now included under Backward Classes in the category of Forward Classes and the inclusion of certain other communities under Backward Classes will issue separately.

Government Order No. R. 2423-32—L.R. 104-30-6, dated 28th November 1931, directing that all Government lands should invariably be disposed of by public auction.

2. Notification No. R. 2433—L.R. 104-30-7, dated 28th November 1931, issuing an amendment to Rule No. 43 of the Rules under Land Revenue Code, regarding the disposal of Government lands by public auction and the grant of lands at upset price under certain conditions.

3. Government Order No. R. 6580-93—R.M. 65-41-1, dated 11th April 1942, granting certain concessions to induce people to bring unoccupied lands under cultivation for increasing the production of food and fodder crops in the State.

4. Government Order No. R. 7955-70—R.M. 65-41-10, dated 13th June 1942, issuing instructions in regard to the fixation of the upset price of lands to be recovered from the grantees under the terms of the Government Order dated 11th April 1942, read above.

5. Government Order No. R. 8361-71—R.M. 65-41-12, dated 30th June 1942, granting further concessions to the grantee under the Government Orders dated 11th April 1942 and 13th June 1942, read above.

6. Proceedings of the meeting with the Revenue Commissioner and the Revenue Secretary in the chambers of the Minister for Revenue and Public Works, held on 30th December 1952, for revising the policy of Government regarding the disposal of lands under the Darkhast Rules and the Grow More Food Scheme.

7. Un-Official Note No. C1. P.R. 103—52-53, dated 5th January 1953, from the Revenue Commissioner, recommending amendment of Rule No. 43 (1) of the Rules under the Land Revenue Code to legalise the grants of land to be made under the revised policy under contemplation.

ORDER NO. R. 7892-901—L.R. 266-53-3, DATED BANGALORE, THE 10TH AUGUST 1953.

The question of revising the policy of Government in respect of the grant of Government lands under the ordinary Darkhast Rules and under the Grow More Food Scheme has been engaging the attention of Government for some time past. Repeated representations have also been made to Government that the present Darkhast Rules for grant of lands may be amended so that the landless and those that own small extent of lands which are insufficient for their maintenance are able to get agricultural land from Government for cultivation quickly and for a reasonable price.

The Grow More Food Scheme although introduced some eleven years ago has not produced the desired results. It was expected that not only the landless would be able to get lands easily but also that all available Government land for cultivation would be taken up and cultivated quickly. So far, the result has been that the landless classes have not been able to get land easily and on the other hand this scheme has led to unnecessary speculation in land and litigation.

So, having considered all the aspects of the problem, Government have come to the conclusion that the grant of land under the Grow More Food Scheme as laid down in G.O. No. R. 6518-93—R.M. 65-41-1, dated 11th April 1942, has to be revoked. It is, therefore, ordered that this aforesaid Government Order and the consequential instructions issued from time to time in conformity with the aforesaid Government Order be revoked forthwith. Regarding the lands already granted under the Grow More Food Scheme but not yet confirmed to the grantees, the lands may be confirmed to the grantees provided they are landless and have cultivated the land continuously for three years out of five years. This concession will also apply to those who own less than five acres of dry land or two acres of wet land.

Where a grantee is cultivating both dry and wet lands, for purposes of calculation whether he is eligible for confirmation of the grant or not, two acres of wet land will be considered to be equivalent to five acres of dry land. In other cases, grant of land can be confirmed only if the grantee has cultivated the entire extent continuously for five years.

According to Rule 43 of the Land Revenue Rules, all unoccupied lands which are the property of Government will have to be normally disposed of by sale. But now, in view of the need to see that the landless agriculturists are able to obtain easily Government land for cultivation, a change in the policy as laid down in Rule 43 of the Land Revenue Rules is called for. It is, therefore, decided as follows :—

(*a*) Government land in future will ordinarily be granted for cultivation for an upset price only to those who are landless or who own less than five acres of dry or two acres of wet land. The grantees should either be *bona fide* agriculturists or should undertake to cultivate lands themselves. No grant will be made to those who are absentees or who are likely to speculate in land. For purposes of calculation when granting, two acres of wet land shall be deemed to be equal to five acres of dry land.

(*b*) Sanction of Government will have to be obtained in all cases where land has to be sold in public auction or where it has to be granted for upset price for persons who own more than five acres of dry land or two acres of wet land. Government, however, reserve the power to delegate these powers to subordinate officers.

(*c*) For the guidance of the local officers, the Revenue Commissioner will fix a table of upset prices in consultation with the Deputy Commissioners in respect of each taluk or hobli and report the fact to Government for information.

(*d*) These orders and rules will not affect grants already made in conformity with the Rules and Standing Orders in force.

Necessary amendments to Land Revenue Rules incorporating the above Orders and Rules is being issued separately.

Government Order No. Fl. 2501-4—G.F. 28-51-5, dated the 27th July 1951, directing that the Taluk Treasury Accounts be closed by the 25th of each month except in March as in Part 'A' State.

2. Government Order No. Fl. (B) 12271-97—L.F.A. 74-52-2, dated 13th January 1953, directing *inter alia* that the accounts of the Local Bodies and the Muzrai Funds banking with Taluk Treasuries be also closed on the 25th of each month except in March and issuing certain instructions in the matter.

3. Correspondence ending with D.O. letter No. 128—Wm—G.C., dated 4th July 1953, from the Accountant-General, Mysore, regarding discontinuance of the system of writing Pass Books by the treasuries in respect of the transactions of the Local Bodies and Public Works Department.

ORDER NO. FL. (R) 1950-75—B. & Y. 24-53-3, DATED BANGALORE, THE 27TH AUGUST 1953.

The question of dispensing with the system of writing up of the Pass Books by the treasuries of transactions of Local Bodies and Public Works Department, and of furnishing copies of treasury subsidiary register itself to the Local Bodies or departmental officers concerned, was engaging the attention of Government for some time past.

The Accountant-General, Mysore, who was consulted in the matter, has agreed to the above proposal and made the following suggestions :—

(i) The treasury schedule used for charging the Public Works cheques should be in Form No. T.R. 51.

(ii) The District Treasury should be required to record a certificate on the individual Taluk Treasury schedules that the entries therein have been checked with the paid cheques and are correct, or in the alternative to incorporate fully the transactions of the Taluk Treasuries daily in regard to Public Works cheques paid also, as in the case of other transactions in which case the above certificate will not be necessary.

(iii) The District Treasuries should furnish the certificate of issues and copies of the schedules to the Division Office not later than the 2nd of the month following, to enable the Public Works Divisions to prepare and send the schedule of settlement with the treasuries along with the monthly accounts to the Audit Office by the 8th.

The above procedure suggested by the Accountant-General, Mysore, is approved may be tried as an experimental measure for six months in the first instance, the position being reviewed thereafter.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Administration Report of the Civil Supplies Department during the year 1952-53.

READ—

Report on the Administration of the Civil Supplies Department for the year 1952-53 received with letter No. T. 3492, dated 18th July 1953, from the Controller of Civil Supplies in Mysore.

ORDER No. S.D. 4746-47—Co. 28-53-2, DATED BANGALORE, THE 9TH SEPTEMBER 1953.

Recorded.

Sri M. K. Appajappa, I.A.S., continued to be in charge of the Civil Supplies Department as Controller of Civil Supplies till 5th February 1953, when Sri K. P. Ramanathaiya, I.A.S., Director of Food Supplies, was appointed as *Ex-officio* Controller of Civil Supplies.

Textiles.—The Department of Civil Supplies continued to administer the following control orders during the year :—

1. The Cotton Textiles (Control) Order, 1948.
2. The Cotton Textiles (Control of Movement) Order, 1948.
3. The Cotton Textiles (Export Control) Order, 1949.
4. The Mysore Cotton Cloth Dealers' Licensing Order, 1948.
5. The Mysore Cotton Yarn (Control of Distribution) Order, 1948.

Cloth was distributed through the three agencies, *viz.*, nominees, wholesale cloth dealers and retail dealers to the consumers as in the previous years. Licenses were freely issued to Circle Multi-purpose Co-operative Societies and other Co-operative Institutions. There were 25 nominees, 480 wholesalers and more than 10,000 retail dealers including Co-operative Societies during the year.

Procurement.—The mills who were offering for controlled distribution two-thirds of their monthly packings of cloth till 1st April 1952 reduced the quota to 20 per cent as a result of the permission granted by the Government of India to the mills to dispose of 80 per cent of their production to the dealers of their choice in view of increased production and slump in the market. This free sale quota was enhanced to 85 per cent with effect from 1st March 1953. From 1st March 1953, superfine cloth was exempted from controlled distirbution and from 1st October 1952 all the categories of cloth except long cloth, shirtings and bed-sheets were also exempted from distribution control. The State nominees procured 8,438 bales of cloth out of monthly allotments during the year as against 40,290 bales during the previous year consequent on the relaxation of distribution control. As a result of this reduction the number of cloth bales available were allotted by the Department to only wholesale Co-operative Societies all over the State for distribution in their areas.

Yarn.—There were 43 wholesale dealers and 240 retail dealers excluding the Primary Weavers' Co-operative Societies doing yarn business during the year. Consequent on the Government of India permitting 50 per cent of the mills production under free sale, the State received an allotment of 10,369 bales including *ad hoc* quota of yarn allotted by the Textile Commissioner, Bombay as against 14,104 bales received during the previous year for controlled distribution. On an average the State received about 865 bales of yarn per month (inclusive of *ad hoc* quotas), of which 450 were allotted to about 27,000 handlooms, 350 bales to 1,200 powerlooms and 65 bales to minor Industries, Druggets, Hosieries, etc. Distribution of yarn to Handloom Weavers was continued through the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, as in the previous year.

Cement.—The Mysore Cement Rationing and Licensing Order, 1948 continued to be in force during the year under report. The Government of India allotted 74,100 tons of cement during the year 1952-53 or 6,175 tons per month. Out of this quantity, about 4,000 tons of cement were being earmarked by the Civil Supplies Department for civilian use. With the satisfactory position of cement supply the licensed dealers in Bangalore City and Civil Station including Bangalore North and South Taluks were permitted to sell cement without permits to the extent of 100 bags per consumer, per month, and the licensed dealers in the remaining parts of the State up to 50 bags per consumer, per month.

With a view to bringing the price of cement in the State in line with the prices obtaining in other parts of India, the price of all brand of cement in the State except Shankar Brand was fixed at Rs. 71 per ton loose in full wagon loads f.o.r. any Railway Station with effect from 21st June 1952 with periodic variation in the packing charges as and when announced by the Government of India. There were 175 dealers licensed to deal in cement at the commencement of the year and 18 new licenses were issued during the year bringing the total to 193. Of these, 16 licenses were cancelled, leaving 177 licensees at the close of the year. The distribution of cement was decentralised empowering the Deputy Commissioners, Revenue Sub-Division Officers and the Amildars to issue permits. Even the Presidents of the Multi-purpose Co-operative Societies have been authorised to issue permits for cement up to five bags. Distribution and supply position of cement was satisfactory throughout the year.

Cotton.—The Cotton Control Order, 1950 continued to be in force and the new system of licensing formulated by the Government of India for 1952-53 season was made applicable to the State also and 62 'C' licenses were issued by the State during the year.

Drugs.—The Drugs Control Act, 1950 continued to be in force during the year under report. Certain new and important drugs like Cortisone, Adrenacorticotropia Harmone, Isonicotine Acid Hydrazine with its preparations were brought under the purview of the Act.

The Hoarding and Profiteering Prevention Act, 1948 and the Supply and Prices of Goods Act, 1950 continued to be in force and the Department of Civil Supplies availed of the provisions of these Acts to check the rise in prices of the articles coming under the respective Acts.

Enforcement.—During the year 1952-53, the Department of Civil Supplies detected 92 cases of violation of the Cotton Textile Control Order, 1948 and according to the merits of each case the licenses of the dealers were either suspended or cancelled and in cases where the offence committed was of serious nature prosecution proceedings have been taken.

General.—As a measure of economy consequent on relaxation of certain controls, several posts both Gazetted and non-Gazetted were retrenched with effect from 5th February 1953 and the Control of Civil Supplies Department was transferred to the Director of Food Supplies. One of the Assistant Directors of Food Supplies was appointed as *Ex-officio* Assistant Controller of Civil Supplies for attending to the work relating to the Civil Supplies Department.

The work of the Department during the year under report was on the whole satisfactory.

Chief Secretary to Government.

FINANCIAL SECRETARIAT

Directs the Change of Head of Account under which the advances to contractors of Public Works in Special Divisions are accounted for.

READ—

Government Order No. Fl. (B) 12713-25—C. R. 51-52-2, dated the 19th January 1953 ordering the abolition of grant of cash advances to contractors in the Public Works Divisions except in Special Divisions executing projects of big magnitude in which cases the advances being accounted for under "R. Loans and Advances by State Government—Miscellaneous Loans and Advances—Advances to Contractors".

2. Letter No. 207—WM-Comp. dated the 5th August 1953 from the Accountant General Mysore, Bangalore, suggesting for the reasons explained, change of head of account under which the advances, to contractors are accounted for.

ORDER NO. FL. (B) 6331-43—BUD. 30-53-2, DATED BANGALORE, THE 4TH SEPTEMBER 1953.

The advances granted to Public Works contractors in special divisions executing project works of big magnitude do not bear interest. As such, such interest free advances should appropriately be accounted for under the head "P. Deposits and Advances" instead of under "R. Loans and Advances". It is therefore, directed that the advances granted to Public Works Contractors in special divisions be accounted for under the head "P. Deposits and Advances—Part III Advances not bearing interest—Advances Repayable—Civil Advances—Advances of the Public Works Department—Advances to Piece Work Contractors" instead of under "R. Loans and Advances" as per the Government Order dated the 19th January 1953.

DEVELOPMENT SECRETARIAT

Sanctions the introduction of the Retiring Gratuity Scheme in the Mysore Iron and Steel Works, Bhadravati.

READ—

Correspondence ending with letter No. B. 131, dated 1st—2nd June 1953, from the Secretary, Board of Management, Mysore Iron and Steel Works, forwarding for sanction the resolution of the Board regarding the introduction of a scheme for payment of Retiring Gratuity to the employees of the Mysore Iron and Steel Works.

ORDER No. I. 1782-86—I.W. 33-51-12, DATED BANGALORE, THE 7TH SEPTEMBER 1953.

The question of introducing a scheme for the payment of Retiring Gratuity to the employees of the Mysore Iron and Steel Works was under consideration of the Works for some time past and the Board of Management after examining the same in detail recommended in their resolution dated 12th November 1950 that the scheme might be introduced for the benefit of the Works-employees both monthly and daily rated. It was also brought to notice that such a concession besides provident fund was being allowed in other important commercial concerns like Messrs. Tata Iron and Steel Company, Ltd., Messrs. Standard Vacuum Oil Company, Ltd., and Government Departments like the Electrical Department and the former Mysore State Railways. The scheme was also got examined by the Board of Management of Industrial Concerns who generally agreed with it and recommended its extension to all Government Industrial Concerns in the interest of uniformity of service benefits. The Convener, Board of Management of Industrial Concerns, has been asked to work out the details in respect of each concern under its control. Separate orders would be passed on receipt of these details. Questions and resolutions regarding the grant of this benefit to the employees of the Mysore Iron and Steel Works have also been raised on the floor of Legislature. The Board of Management of Mysore Iron and Steel Works and the Works Labour Association have been urging for its early sanction for some time. The chief features of the scheme as recommended by the Board of Management, Mysore Iron and Steel Works, are as under:—

(1) The scheme to be introduced in the Mysore Iron and Steel Works and made applicable to all employees including monthly and daily rated staff.

(2) The gratuity is payable in addition to provident fund benefit.

(3) The gratuity is to be calculated at half a month's salary or wages (substantive) based on the rate of salary or wages drawn by the employee at the time of his retirement, for every completed year of service, subject to a maximum of 15 months' salary or wages and limited to a maximum of Rs. 10,000 in each case.

(4) The scheme will be administered under a set of rules to be framed on the lines of the rules adopted by the former Mysore State Railways in this behalf.

(5) The scheme is to apply to all employees, early and future entrants, both monthly salaried and daily rated staff.

(6) The total cost of the scheme in respect of the Mysore Iron and Steel Works would be about Rs. 22·94 lakhs, payable on the retirement of the entire existing permanent employees for a period of 20 to 25 years including an approximate amount of 2·25 lakhs for payment during the period from 1950 to 1953.

(7) The average cost is estimated at Rs. 1 lakh per annum.

(8) The entire expenditure is to be met from "Operations", suitable provision being made in the annual budget of the Mysore Iron and Steel Works under "Salaries to Establishment and Labour."

This is one of the demands strongly urged by the Mysore Iron and Steel Works Labour Association and agreed to in the recent Industrial Truce entered into between the Management and the Labour Association for a period of three years.

Government consider that the proposed scheme is acceptable and it is expected that its introduction, while conferring substantial retirement benefits to the employees, will also prove an incentive to good work resulting in better production.

The introduction of the above scheme in the Mysore Iron and Steel Works, as recommended by the Board with effect from 12th November 1950 (the date of the original resolution of the Board), is accordingly sanctioned, suitable provisions for the purpose being made by the Works in their Budget for the current and future years.

The Secretary to the Board of Management, Mysore Iron and Steel Works, is requested to forward draft rules referred to at item 4 above for approval of Government.

R. J. REGO,
Secretary to Government,
Development Department.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Approves the Rules for the levy and collection of duty on transfers of immoveable property in Tiptur Town Municipality.

READ—

Letter No. H.C. 52—52-53, dated 2nd July 1953, from the President, Town Municipal Council, Tiptur, requesting sanction to the draft rules for regulating the levy and collection of the duty at one per centum on transfers of immoveable property situated within the Municipal limits of Tiptur Town under Section 61 (b) (xiii) read with Section 65 of the Mysore Town Municipalities Act, 1951, as resolved by the Town Municipal Council, Tiptur, in its meetings held on 22nd January 1953 and 29th June 1953, and stating that the prescribed formalities have been observed and no objections have been received in this behalf.

ORDER No. L. 6037-44—ML. 83-53-162, DATED BANGALORE, THE 22ND AUGUST 1953.

The rules framed by the Town Municipal Council, Tiptur, for regulating the levy and collection of duty on transfers of immoveable property as appended hereto are approved.

The above levy shall come into effect from 1st October 1953.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and
Planning Departments.

APPENDIX.

Rules framed by the Tiptur Town Municipal Council under Sections 46 (1) (h) and 61 (xiii) read with Section 65 (1) and (3) of the Mysore Town Municipalities Act, 1951, for regulating the levy and collection of the duty on transfers of immoveable property in the form of a surcharge to be levied by the Tiptur Town Municipal Council.

1. (i) The transfer duty imposed under sub-clause (xiii) of clause (b) of Section 61 and Section 65 of the Mysore Town Municipalities Act, 1951, on the instruments of sale, gift and mortgage of immoveable property situated within the limits of the Tiptur Town Municipality where the levy of surcharge has been sanctioned by Government, executed after the introduction of the above duty, shall be paid and recovered in the same manner and under the same procedure as the ordinary duty imposed on such instruments by the Mysore Stamp Act, 1900.

(ii) A rate of one per cent on the amount of consideration, the value of the property or the amount secured by the mortgage as set forth in the instruments, shall be levied.

2. (i) Whenever any instrument referred to in Rule 1 is presented before the Registering Officer, he shall see whether the particulars referred to in Section 27 of the Mysore Stamp Act, 1900, are set forth separately in the instrument in respect of the property situated within the limits of the Tiptur Town Municipality as required by Section 65 of the Mysore Town Municipalities Act, 1951.

(ii) If the said particulars be not so separately set forth in any such instruments, the said officer must impound it and forward it to the nearest officer exercising powers of a Deputy Commissioner under Section 40 of the Mysore Stamp Act, 1900, calling his attention to Section 64 of the Mysore Stamp Act, 1900, as extended by Section 65 of the Mysore Town Municipalities Act, 1951.

3. (i) Every Registering Officer who registers any instrument referred to in Rule 1 shall keep an account of the duty paid in respect of each such instrument, showing separately the duty imposed by the Mysore Stamp Act, 1900, and the transfer duty imposed by the Mysore Town Municipalities Act, 1951. If the Registering Officer has jurisdiction over more than one Municipality, separate account shall be maintained for each Municipality. In these accounts, the duty recovered by other Registering Officers in respect of properties situated in this Municipality, shall also be included.

(ii) The said accounts shall be consolidated quarterly, under the orders of the Inspector-General of Registration and each quarterly consolidated account shall be sent by him to the Accountant-General, Mysore, Bangalore, within two months after the close of the quarter.

4. If, in any case, it be impossible to recover the full duty payable on any instrument referred to in Rule 1, then only such portion of the duty realised on such instrument as is in excess of duty imposed by the Mysore Stamp Act, 1900, shall be treated in the said accounts as duty imposed by Section 65 of the Mysore Town Municipalities Act, 1951.

5. The Accountant-General, Mysore, Bangalore, shall, within three months after the close of each quarter, arrange to pay the President of this Municipal Council so much of the duty shown in the said consolidated accounts as represents the transfer duty imposed by Section 65 of the Mysore Town Municipalities Act, 1951.

6. A commission of one per cent shall be paid to the State Government for the collection of transfer duty and the same shall be deducted before the payment of the amount due under these Rules to this Municipal Council.

Letter No. 104-WM. GC., dated the 24th April 1952 from the Accountant General, Mysore, Bangalore, suggesting, for the reasons explained, adoption of revised procedure in respect of works of Civil Departments executed by the Public Works Department and accounted for under non-P.W. heads of account.

2. Letter No. 1229—S., dated the 21st June 1952 from the Chief Engineer of Mysore, Bangalore, in the matter.

ORDER No. FL. (B) 6904-7004—C.R. 9-53-2, DATED BANGALORE, THE 15TH SEPTEMBER 1953.

Under paragraph 483 of the Mysore Public Works Account Code, no work of construction or repair other than those for which provision has been made in the Public Works Budget may be undertaken by the Public Works Department on behalf of other departments except with the special sanction of Government. In such special cases, the outlay should still be recorded as public works expenditure in the accounts and transfer of funds arranged under sanction of competent authority from the grant of the Civil Department concerned to the Public Works grant.

It is reperted that expenditure is, at present being incurred under non-P. W. heads in the Public Works Department and accounted for in the divisional accounts under the Civil Heads of account direct. This procedure is contrary to rules. The following procedure is, therefore, ordered to be adopted in future in such cases :—

(i) When any standing arrangements for execution of works of certain specified departments by Public Works Department exist, *i. e.*, when there is a sanctioned estimate and the Major, Minor and detailed heads of account to which expenditure is to be charged are definitely known and when grant therefor is allotted and placed at the disposal of the Divisional Officer, such expenditure in the Audit Office will be booked directly under the final heads concerned on the authority of the schedules along with vouchers received from the Division in the monthly accounts.

(ii) When there is no such standing arrangement and when the works of other departments are executed by the Public Works Department occasionally, the expenditure will be passed on every month to the department concerned through the Remittance head under "P.W. Remittances—III other Remittances—Payments on account of Civil." The department concerned is responsible for watching the expenditure against the grant provided for the purpose.

In both the cases centage charges towards establishment and tools and plant are leviable on the work outlay on a percentage basis and are recoverable from the departments concerned, at the rates fixed by Government from time to time, unless waived in specific cases.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Directs the issue of wheat at reduced rate of Rs. 14 per maund retail to the extent of 20,000 tons in the affected areas of the State, subject to certain conditions.

READ—

Telegram No. P.Y. III-1/17/Mysore/53, dated 28th September 1953 from the Secretary to the Government of India, Ministry of Food and Agriculture, New Delhi, regarding supply of imported wheat at the reduced price of Rs. 14 per maund for issue in scarcity areas.

ORDER No. S.D. 5562-4—C. 112-52-19, DATED BANGALORE, THE 10TH OCTOBER 1953.

The Government of India have decided to supply 20,000 tons of imported wheat to the Government of Mysore at Rs. 14 (Rupees fourteen) per maund, subject to the following conditions:—

(i) This wheat should be sold in scarcity areas at Rs. 14 per maund retail;

(ii) This concession should be restricted to poorer classes of population in affected areas;

(iii) All incidental charges should be borne by the Mysore Government;

(iv) This quantity of wheat cannot be utilised for conversion into flour.

2. The Government of India have advised that the Deputy Accountant-General (Food and Rehabilitation), New Delhi, will be advised to debit Rs. 14 (Rupees fourteen) per maund for 20,000 tons of wheat on receipt of a Certificate

from the Government of Mysore to the effect that the wheat has been issued in accordance with the above conditions.

3. The supply of imported wheat at the reduced price of Rs. 14 (Rupees fourteen) per maund offered by the Government of India, subject to the conditions noted above, is accepted. The Director of Food Supplies is requested to take necessary action to arrange for issue of wheat to the extent of twenty thousand tons, in accordance with the conditions agreed to above, in the affected areas of the State.

4. The Director of Food Supplies is requested to furnish an immediate report regarding action taken in the matter, so that a Certificate may be sent to the Government of India as required, regarding the issue of wheat in accordance with the conditions stipulated by them.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

FINANCIAL SECRETARIAT

Reviews the Administration Report of the Motor Spirit (Taxation on Sales) Act, 1949, for the year 1952-53.

Report on the administration of the Motor Spirit (Taxation on Sales) Act, 1949, for the year 1952-53, received from the Commissioner of Sales-Tax with his letter No. C5.—M. 162-53-54, dated 1st August 1953.

ORDER NO. FL. 4987-90—S.T. 51-53-2, DATED BANGALORE, THE 6TH OCTOBER 1953.

1. *Administration.*—This is the fourth year of the introduction of the Motor Spirit (Taxation on Sales) Act in Mysore. The Commissioner of Sales Tax in Mysore and the Sales-Tax Officers under him continued to administer the Act.

2. *Working of the Act—Assessment.*—The number of monthly assessments of dealers in petrol, made during the year under report was 1,713 and that under Motor Spirit other than petrol was 959.

It is observed that 204 cases of dealers in petrol and 145 in Motor Spirit other than petrol were pending at the end of the year under report. The pending cases should be disposed of promptly.

3. *Demand, Collection and Balance.*—Out of the total demand of Rs. 23,74,438 inclusive of compounding fees of Rs. 135, a sum of Rs. 22,17,372 was collected leaving a balance of Rs. 1,57,066. The arrears of outstanding recovery are on the increase. They should be collected early.

N. MADHAVA RAO,
Secretary to Government,
Finance Department.

DEVELOPMENT SECRETARIAT

Prescribes the period for repayment of and the rate of interest to be levied on the Industrial Loans granted under Mysore State Aid to Industries Act, 1951.

READ—

Correspondence ending with letter No. E1-S.A. (Int.) 331—53-54, dated 5th September 1953, from the Director of Industries and Commerce forwarding the undermentioned Resolution of the Board of Industries regarding the period of repayment of loans granted under the Mysore State Aid to Industries Act, 1951 and suggesting that a uniform rate of interest of 5 per cent ordinary and 9 per cent penal per annum may be levied on all such loans, a concession, however, being shown by

way of exemption from penal interest in the case of loans for Cottage Industries involving an outlay of not more than Rs. 2,000 in each case:

The Board *resolved* that the total period of repayment may be fixed, in every case, at ten years by half-yearly instalments, the rate of interest chargeable being left to the discretion of Government.

ORDER No. I. 2148-50—IND. 14-53-3, DATED BANGALORE, THE 14TH OCTOBER 1953.

All loans granted under the Act shall generally be made repayable in 10 years in half-yearly instalments as resolved by the Board of Industries. The rates of interest suggested by the Director of Industries and Commerce are also approved, with the modification that penal interest shall be levied at 6 per cent per annum in respect of loans below Rs. 2,000 granted for Cottage Industries.

IMPORTANT GOVERNMENT ORDERS

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Issues the Rules framed by the Krishnarajanagar Town Municipal Council for the levy and collection of duty on transfers of Immoveable Property.

READ—

Notification No. L. 10749—Ml. 82-51-12, dated 4th January 1952, issuing model Rules for regulating the levy and collection of the duty on transfers of immoveable property in Town Municipalities.

2. Letter No. R2. C. 257-74—53-54, dated 27th August 1953, from the Commissioner for Local Self-Government forwarding for sanction the draft rules framed by Krishnarajanagar Town Municipal Council for the levy and collection of duty at 1 per cent on the transfer of immoveable property and ad[illegible]that no objections are received in this behalf.

ORDER No. L. 7936-43—ML. 88-53-232, DATED BANGALORE, THE 12TH OCTOBER 1953.

The rules framed for the levy and collection of duty on transfers of immoveable property by Krishnarajanagar Town Municipal Council are approved and appended to this order.

The above levy will come into force with effect from 15th October 1953.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and
Planning Departments.

APPENDIX.

Rules framed by the Krishnarajanagar Town Municipal Council under Sections 46 (1) (*h*) and 61 (xiii) read with Section 65 (1) and (3) of the Mysore Town Municipalities Act, 1951, for regulating the levy and collection of the duty on transfers of immoveable property in the form of a surcharge to be levied by the Krishnarajanagar Town Municipal Council.

1. (i) The transfer duty imposed under sub-clause (xiii) of clause (*b*) of Section 61 and Section 65 of the Mysore Town Municipalities Act, 1951, on the instruments of sale, gift and mortgage of immoveable property situated within the limits of the Krishnarajanagar Town Municipality where the levy of surcharge has been sanctioned by Government, executed after the introduction of the above duty, shall be paid and recovered in the same manner and under the same procedure as the ordinary duty imposed on such instruments by the Mysore Stamp Act, 1900.

(ii) A rate of one per cent on the amount of consideration, the value of the property or the amount secured by the mortgage as set forth in the instruments, shall be levied.

2. (i) Whenever any instrument referred to in Rule 1 is presented before the Registering Officer, he shall see whether the particulars referred to in Section 27 of the Mysore Stamp Act, 1900, are set forth separately in the instrument in respect of the property situated within the limits of the Krishnarajanagar Town Municipality as required by Section 65 of the Mysore Town Municipalities Act, 1951.

(ii) If the said particulars be not so separately set forth in any such instruments, the said officer must impound it and forward it to the nearest officer exercising powers of a Deputy Commissioner under Section 40 of the Mysore Stamp Act, 1900, calling his attention to Section 64 of the Mysore Stamp Act, 1900, as extended by Section 65 of the Mysore Town Municipalities Act, 1951.

3. (i) Every Registering Officer who registers any instrument referred to in Rule 1 shall keep an account of the duty paid in respect of each such instrument, showing separately the duty imposed by the Mysore Stamp Act, 1900, and the transfer duty imposed by the Mysore Town Municipalities Act, 1951. If the Registering Officer has jurisdiction over more than one Municipality, separate account shall be maintained for each Municipality. In these accounts, the duty recovered by other Registering Officers in respect of properties situated in this Municipality, shall also be included.

(ii) The said accounts shall be consolidated quarterly, under the orders of the Inspector-General of Registration and each quarterly consolidated account shall be sent by him to the Accountant General, Mysore, Bangalore, within two months after the close of the quarter.

4. If, in any case, it be impossible to recover the full duty payable on any instrument referred to in Rule 1, then only such portion of the duty realised on such instrument as is in excess of duty imposed by the Mysore Stamp Act, 1900, shall be treated in the said accounts as duty imposed by Section 65 of the Mysore Town Municipalities Act, 1951.

5. The Accountant General, Mysore, Bangalore, shall, within three months after the close of each quarter, arrange to pay the President of this Municipal Council so much of the duty shown in the said consolidated accounts as represents the transfer duty imposed by Section 65 of the Mysore Town Municipalities Act, 1951.

6. A commission of one per cent shall be paid to the State Government for the collection of transfer duty and the same shall be deducted before the payment of the amount due under these Rules to this Municipal Council.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and
Planning Departments.

ELECTRICAL SECRETARIAT

Directs that a Gross Return of five per cent on capital outlay in Malnad areas and seven and a half per cent in the case of Maidan areas be insisted upon in respect of Rural Electrification Schemes.

READ—

G. O. No. E.D.S. 850-61, dated the 17th September 1935, directing that a minimum gross return of 15 per cent as detailed below be fixed for Interior Power and Lighting and Rural Electrification Schemes for a period of two years in the first instance.

Interest on capital	...	5 per cent.
Depreciation	...	4 ,,
Maintenance charges including indirect charges	...	6 ,,
		15 ,,

2. G.O. No. E.D.S. 453-55, dated the 12th August 1936, directing that a gross return of 10 per cent on the capital outlay might be insisted upon in the case of Interior Power and Lighting Works and Rural Electrification Schemes and that a gross return of even 8 per cent might be accepted in special cases where there was a good prospect of power development in the course of say 3 or 4 years.

3. G.O. No. E.D.S. 431-48, dated the 17th August 1939 and G.O. No. E.D.S. 1354-73, dated the 11th December 1939, prescribing the procedure to be adopted for initiating Rural Electrification Schemes.

4. G.O. No. E.D.S. 2975-93—Elecl. 82-49-3, dated the 9—13th January 1950, directing that there might be no insistence on a gross return of 10 per cent in the case of Rural Electrification Schemes and that schemes which would yield not less than 2 per cent on the capital invested be taken up provided priority was given to those which yield higher returns.

5. G.O. No. Fl. 9128-30—G.F. 190-50-4, dated the 14th January 1951, constituting a Committee consisting of the undermentioned members to consider retrenchment and other measures in the Electrical Department :—

1. Prof. M. S. Thacker, B.Sc. (Eng.) ... *Chairman.*
2. Janab M. Hayath, B.E., B.S. M.E. ... *Member.*
3. Sri R. Ramakrishna, M.Sc. ... *Member.*
4. The Secretary, Public Works and Electrical Departments ... *Member.*

ORDER NO. E.D.S. 2902-19—ELECL. 192-53-2, DATED BANGALORE, THE 22ND OCTOBER 1953.

The question of fixing a suitable return on the capital invested on Rural Electrification Schemes has been engaging the consideration of Government for some time past. Representations have been received for the supply of electricity to every part of the State and it has become necessary to prescribe the minimum returns which such schemes should fetch in order not only that the revenues of the Department may be safeguarded but also that estimates need not be prepared in unremunerative cases involving unnecessary labour. The present rule of not insisting on any return from these schemes has made it difficult to meet the increased working expenses of the Department.

2. It is accordingly ordered that a gross return of five per cent on the capital outlay of electrification schemes in Malnad areas and of seven and a half per cent in the case of the schemes of the Maidan areas be insisted on, and that these percentages be adopted as the basis for consideration of rural electrification schemes henceforward.

D. K. SRINIVASACHAR,
Secretary to Government,
Electrical Department.

Chief Secretary to Government.

REVENUE SECRETARIAT

Reviews the Administration Report of the Department of Public Health for the Calendar year 1952.

READ—

Correspondence ending with letter No. V.S. 382—53-54, dated 17th September 1953, from the Director of Public Health in Mysore, Bangalore, forwarding the Annual Report of the Administration of the Public Health Department for the Calendar year 1952.

ORDER No. M. 11598-697—P.H. 8-53-3, DATED BANGALORE, THE 31ST OCTOBER 1953.

1. Recorded.

2. The state of Public Health was satisfactory during the year under report. With a view to achieving the objectives laid down in Part IV of the Constitution of India, the Department of Public Health, as part of development Policy, has been organised on modern lines and through this agency, efforts are being made to raise the health standards of the people.

The incidence of communicable diseases like Plague, Small-pox and Cholera was low and as a preventive measure 55,999 anti-plague inoculations, 992,560 anti-smallpox vaccinations and 87,292 anti-cholera inoculations were performed. A total of 1,737 houses and 5,073 burrows were fumigated and 21,578 houses were sprayed with D.D.T. as a plague control measure. During the year under report, 518 deaths from Plague, 1,421 deaths from smallpox and 1,106 deaths from Cholera were reported giving a specific death rate of (1) 6 per 100,000 (12 per 100,000), (2) 15 per 100,000 (35 per 100,000) and (3) 12 per 100,000 (35 per 100,000) of population respectively. In the year under report, a total of 11,820 deaths from Malaria were reported giving a specific death rate of 127 per 100,000 of population as compared with 147 in the previous year. A total of 175 (one hundred and seventy-five only) Health Units were working during the year under report in the Malnad Areas and in the malarious irrigated areas.

3. *Vital Statistics.*—During the year under report, 153,254 (138,038) live-births and 66,447 (67,003) deaths from all causes were reported giving a birth rate of 16·5 and a death-rate of 7·1 per mille of population. The excess of births over deaths during the year under report was 86,807 (71,035).

4. *Public Health Institute.*—A total of 16,974 (18,951) samples were examined in the Bacteriological Section and 1,828 (1,374) samples were analysed in the chemical section. A total of 422 (431) medico-legal cases with 2,195 (1,831) articles were examined in the Medico-legal Section. 178,120 (255,400) doses of anti-plague vaccine, 619,430 (16,41,420) doses of anti-cholera vaccine and 27,405 (21,750) doses of T.A.B. vaccine were issued during the year.

5. *Vaccine Institute.*—During the year, a total quantity of vaccine lymph issued was 13,57,040 (15,67,190) cases. Only streptomycin treated vaccine lymph was issued for general use. The cost of vaccine lymph produced during the year worked out to less than Re. 0-0-3 (pies three only) per case.

Bureau of Epidemiology.—During the year under report, spraying endemic villages of Plague with D.D.T. as an experimental measure was undertaken during the months of August, September and October. 6 towns, and 158 villages reported infection of Plague during the year as against 51 towns and 323 villages during 1951. A gradual decline in the incidence of Plague was apparent in the year under report.

7. *Bureau of Malariology.*—The Health Unit activities in the State were quite satisfactory during the year. As the use of Pyrethrum extract was completely replaced by D.D.T. in all the units in the State, no extract was prepared during the year. The entire programme of spraying was restored to a dosage of 100 mgs. per sq. ft. Malaria in areas where spraying operations were in progress was well under control during the year. With the withdrawal of the foreign team and the transfer of parallel teams to Saklespur, the same programme as was initiated by World Health Organisation Team, was continued during the year and the results

were reported to be satisfactory. During the year under report a Malaria Training Centre at Mandya was started to give training to all Health Officers and Health Inspectors utilising the equipment and services of the experts of the Rockefeller Foundation offered in this behalf. A general policy for taking up D.D.T. spraying in the Municipal and other areas was enunciated by Government during the year under report. Health Unit activities were extended during the year by starting new Health Units at Thyavangi and Kulambi and at Sri Ramadevaru Channel Area. In the year under report, the conversion of "walking units" for D.D.T. spraying in Mysore and Mandya Districts into "Motorised Units" and the extension of anti-malaria work into the 44 Pockets of the three Malnad Districts of Shimoga, Chikmagalur and Hassan were sanctioned. The National Malaria Control Scheme sponsored by the Government of India for taking up a State-wide Control of Malaria was under consideration of Government.

General.—The administrative control of the B.C.G Scheme was transferred from the Medical Department to the Public Health Department and the vaccination scheme on a mass scale throughout the State was sanctioned. As many as 66,287 were B.C.G. vaccinated. Along with the multi-phase health survey undertaken in the State, nutrition survey was also conducted in the year under report. A total quantity of 13,160 lbs. of milk powder offered by the Swiss Government, 50,000 multi-vitamin tablets donated by the United States of America and 100,000 Decamin tablets donated by the Danish Indian Relief Committee were distributed in famine areas during the year. The Panchalinga Darsana Jatra at Talkad held once in 12 years came off during the year. The Department in addition to preventive measures against infectious diseases, undertook also the supply of pure drinking water to the pilgrims at the Jatra. Elaborate arrangements were made to maintain the sanitation of this small town at a fairly high level. Three Health Officers and two Public Health Nurses were deputed abroad on T.C.A. Fellowship during the year under report. Several distinguished visitors looked into the working of the Department.

The work of the Department was satisfactory.

FINANCIAL SECRETARIAT

Lays down Measures to reduce clerical labour in Public Works Divisions.

READ—

Letter No. 217—WM. GC., dated the 9th September 1953 from the Accountant General, Mysore, Bangalore, suggesting measures to reduce clerical labour in Public Works Divisions.

ORDER No. FL. (B) 8936-9—C. R. 13-53-2, DATED BANGALORE, THE 21ST OCTOBER 1953.

Under the existing system, public works divisions are sending with the monthly accounts a schedule docket for each individual work irrespective of the estimated amount of the work and similarly particulars of each work, for which a schedule docket is sent, are being entered in the schedule of works expenditure. This system is laborious and takes much of the time of the divisional staff. It is considered desirable to devise ways of saving clerical labour in compiling the monthly accounts in the divisions so that the divisional staff can devote greater attention to the preparation of other schedules, returns, etc., to be sent to the Audit Office. The following procedure is, therefore, laid down for the guidance of the Public Works Officers.

The system of sending with the monthly accounts a schedule docket for each individual work may be dispensed with in the case of works of small magnitude whose estimated cost does not exceed Rs. 1,000 (with the exception of works

relating to residential buildings, under all fund heads, Deposit Works, estimate for losses on stock and works of other departments) and they may be treated as petty works and the Divisional Accountant, as Primary Auditor, will be responsible for the issue of necessary objections. The expenditure on such works may be shown in the schedule of works expenditure as "Petty Works" under each detailed head separately supported by a single schedule docket.

Necessary amendments to the Mysore Public Works Account Code will issue separately.

Secretary to Government,

Reviews the Administration Report of the Sales-Tax Department for the year 1952-53.

READ—

Report on the working of the Department of Sales-Tax for the year, 1952-53 received with letter No. C. 4-M. 161—53-54, dated the 1st August 1953 from the Commissioner of Sales-Tax in Mysore, Bangalore.

ORDER No. FL. 4992-94—S. T. 50-53-2, DATED BANGALORE, THE 6TH OCTOBER 1953.

1. Recorded.

2. *Administrative Charges.*—The Commissioner of Excise continued to be the *Ex-Officio* Commissioner of Sales-Tax.

3. Sri Mir Safdar Hussain, B.A., I.A.S., was in charge of the Department till 31st July 1952. On 1st August 1952, Sri A. C. Nirvani Gowda, B.A., I.A.S., took charge and continued to the end of the year.

4. The Deputy Commissioners' Divisions remained at two and Sales-Tax Officers' Circles at eleven.

5. For speeding up collection of arrears of Sales-Tax, nine Special Revenue Inspectors—4 for Bangalore City, 3 for Mysore City, 1 for Davanagere and 1 for Kolar Gold Field—were taken on deputation basis from the Revenue Department for a period of one year.

6. To suit the convenience of the assesses, the Headquarters of the following officers were shifted to the important business towns as indicated against each:—

Officers.	*Headquarters Shifted.*
1. Sales-Tax Officer, Chitaldrug District	From Chitaldrug to Davangere.
2. Assistant Sales-Tax Officer, Kolar District No. 2 Sub-Cirle.	From Kolar to Kolar Gold Field.
3. Assistant Sales-Tax Officer, Tumkur District, No. 2 Sub-Cirle.	From Tumkur to Tiptur.
4. Assistant Sales-Tax Officer, Shimoga District, No. 2 Sub-Circle.	From Shimoga to Sagar.

7. *Amendments to Sales-Tax Act and Rules.*—During the year under review some important changes were made in the Rules regarding the computation of the turnover and other items. These changes were notified from time to time.

8. *Registration of Dealers.*—At the end of the year there were 21,155 dealers (21,175). Of these 12,954 (12,648) were assessed to tax, 6,437 (5,419) were treated as having a turnover below Rs. 10,000 and the cases of 1,764 (3,108) were pending assessment. The amount of registration fees collected was Rs. 1,22,057 (1,16,829). As observed in the review on the report of the previous year, the cases pending assessment are still large. Pending cases should be assessed early.

9. Though there has been an increase of about Rs. 5,000 in the collection of registration fees over that of the previous year, it is seen from the total amount of

registration fees collected, that the renewal fees have not been collected in about 812 cases. Prompt action is necessary to recover the entire amount due under this head without undue delay.

10. *License Fees.*—The number of licenses issued or renewed during the year was 1,496 (1,498). The amount of license fees collected was Rs. 2,95,984-7-2 (3,27,648-9-3). These figures show that there has been a fall both in the number of licenses issued and the amount of fees collected. It is hoped that the Department will take all possible care to see that wherever licenses are not taken or renewed, such cases are detected and tax levied according to law.

11. *Demand, Collection and Balance.*—The total demand under sales tax including miscellaneous items of revenue was Rs. 167·89 lakhs. Of this, a sum of Rs. 125·20 lakhs was collected leaving a balance of Rs. 42·69 lakhs. The arrears are heavy. Sustained efforts are therefore necessary to collect the entire arrears without the least delay.

12. *Appeal and Revision Petitions.*—There were 1,793 (2,089) appeals and 906 (740) Revision Petitions to be dealt with during the year. Of these, 1,251 (1,928) appeals and 787 (492) Revision petitions were disposed of leaving a balance of 542 (161) appeal petitions and 199 (248) revision petitions at the close of the year. The pendency both under appeals and revision petitions is very heavy and should be brought down quickly.

13. *Rebate under Section 8.*—A sum of Rs. 1,04,012 (Rs. 6,62,875-14-0) was allowed as rebate under section 8 of the Act and the claim in pending cases amounted to Rs. 1,97,251-1-0 (Rs. 4,46,403-13-11).

Early auction may be taken to settle the pending cases also.

14. *General.*—The working of the Department was on the whole satisfactory.

APPENDIX.

THE MYSORE IRON AND STEEL WORKS, BHADRAVATI.

Rules regulating the use of Motor vehicles attached to the Guests Entertainment Section of the Mysore Iron and Steel Works.

The following rules regulating the use of motor vehicles attached to the Guests Entertainment Section of the Works are issued for guidance of all concerned :—

1. Whenever a car, van or jeep maintained at the expense of the Works is to be used, the permission of the Director or the Guest Entertainment Officer should invariably be obtained.

2. The vehicle should be used in the interest of the Works. When it is used for private purposes, the prescribed mileage till its return to the garage should be recovered.

3. The vehicle may be used by the officers permitted in this behalf by the Director to move about on inspection and other duties, provided ordinary Travelling Allowance in respect of these journeys is not drawn and the officer is also not in receipt of a conveyance allowance. If he is in receipt of a conveyance allowance, he should surrender the same for the day.

4. When the vehicle is used for a Works' Guest, the cost may be debited to the Entertainment of Guests.

5. Bills may be preferred to Government in respect of the use of Works' vehicles by State Guests.

6. Foreign experts employed by the Works may be allowed the use of the Works' vehicle free of charges with the approval of the Director and the charges will be debited to the Works.

7. Whenever a vehicle is used by the Departments of the Works, the charges will be debited to the Department concerned.

8. The vehicles of the Works and the Mysore Paper Mills may be requisitioned by the respective officers in charge of the vehicles and used by the concern, by putting the required petrol and oil or paying for the actual consumption of petrol and oil. The respective concerns will meet the Travelling Allowance and other charges, if any, of its Drivers.

9. The following schedule of charge may be levied for the use of the vehicles.

(*a*) Rs. 1 8 0 per local trip, *i.e* , Guest House to Railway Station and back or Guest House to Works and back.

(*b*) Rs. 2 4 0 per trip from Guest House to Mysore Paper Mills and back or Railway Station to Mysore Paper Mills and back.

(*c*) Re. 0 12 0 per running mile for journeys other than local trips and trips to Paper Mills and back.

(*d*) Re. 0 6 0 per running mile for journeys when requisitioned by the employees of the Works and Government guests.

10. It shall be within the discretion of the Director or the Guest Entertainment Officer to spare the use of the vehicles in such cases as are not specified above either free or by recovery of mileage.

11. The movements of the vehicles should be recorded in a Log Book which should contain the details indicated in the Annexure to Government Order No. Fl. 6763-6833—G.F. 210-46-2, dated 18th March 1947.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Assignment of Duties connected with the conduct of elections to Local Bodies

OFFICIAL MEMORANDUM.

No. CH.S. 10158-257—G.E. 150-53-1, DATED BANGALORE, THE 14TH OCTOBER 1953.

At present the duties connected with the conduct of elections to Village Panchayets and District Boards in the State are being attended to by the Commissioner for Local Self-Government and the Secretary to Government concerned with this item of work is the Secretary to Government, Local Self-Government and Planning Departments. It is proposed to make use of the expert knowledge of the Chief Electoral Officer for the conduct of elections to the local bodies also. The duties in this behalf are therefore entrusted to him with immediate effect. It is also directed that at the Secretariat level the Joint Secretary to Government, Elections, will be directly in charge of this item of work.

2. The Chief Electoral Officer and *Ex-Officio* Joint Secretary to Government, Elections, will consult the Commissioner for Local Self-Government and the

Secretary to Government, Local Self-Government and Planning Departments, on all important questions relating to conduct of elections to the local bodies.

3. The Commissioner for Local Self-Government, the Deputy Commissioners of Districts and other officers connected with the local bodies are requested to extend their full co-operation to the Chief Electoral Officer and Joint Secretary to Government, Elections, in the discharge of his new duties.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

Directs that Procurement of Paddy by Government during 1953-54 harvest season may be made on a voluntary basis from growers only at a fixed price.

READ—

Correspondence ending with letter No. Camp 1/53-54, dated the 18th October 1953, from the Director of Food Supplies in Mysore, forwarding the proceedings of the Meeting of the Deputy Commissioners of Districts held on 18th October 1953 at Mysore under the Chairmanship of the Minister for Home and Industries, regarding the policy of procurement of paddy for 1953-54 in the Mysore State.

ORDER No. S.D. 6446-57—C. 96-53-15, DATED BANGALORE, THE 9TH NOVEMBER 1953.

The policy of procurement of foodgrains for 1953-54 in the Mysore State was liscussed at the meeting of the Deputy Commissioners of Districts held on 18th October 1953 at Mysore under the Chairmanship of the Minister for Home and ndustries. The Deputy Commissioners of Districts stated that in view of the avourable seasonal conditions, the harvest of paddy this year will be a good one, nd there were already indications of a possible steep fall in the price at which addy may be transacted in the open market after the harvest. In the context of failure of crops in the previous years, it would not be desirable to allow the open narket prices to go down to uneconomic levels. In the peculiar circumstances of his year, it is considered necessary that a minimum economic price is guaranteed o the producer. With this end in view, Government consider it necessary to rocure paddy during 1953-54 harvest season and the purpose of a minimum uaranteed price would be best served by a system of voluntary purchase of paddy y Government at a fixed price. Government have therefore decided—

(1) that there would be no procurement of millets,
(2) that purchase of paddy may be on a voluntary basis from growers only, and
(3) that the price of I variety of paddy be reduced to Rs. 22 (Rupees twenty-two) per palla, and that of II variety of paddy to Rs. 20 (Rupees twenty) per palla.

The Government of India have approved the above procurement scheme and rocurement prices of paddy.

The Director of Food Supplies in Mysore is requested to make immediate ecessary arrangements to give effect to the above decision.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

FINANCIAL SECRETARIAT

Orders deletion of Provisions pertaining to District Funds and Village Panchayet Funds contained in Articles 366 to 375 of the Mysore Financial Code.

EAD—

Letter No. 234—C.S.A., dated the 14th September 1953, from the Controller, State Accounts epartment, Bangalore, stating that the rules relating to finance and accounts contained in the ysore Village Panchayets and District Boards Act, 1952, will be incorporated in the revised lition of the Mysore District Board Accounts Manual when the same is issued in print, by the sue of correction slips thereto.

G.O. No. FL. (B) 10232-45—C.R. 17-53-2, DATED BANGALORE, THE 2ND NOVEMBER 1953.

As the rules relating to finance and accounts contained in the Mysore Village anchayets and District Boards Act, 1952, are to be incorporated in the District oard Accounts and Village Panchayet Manuals, the existing provisions pertaining

to District Funds and Village Panchayet Funds contained in Articles 366 to 375 of the Mysore Financial Code, Volume I, and Appendix XVII referred to thereunder, are deleted.

Necessary amendments to the Mysore Financial Code, Volume I, will issue separately.

N. MADHAVA RAO,
Secretary to Government,
Finance Department.

Issues certain instructions regarding verification of Proposition Statements by the Accountant General, Mysore.

OFFICIAL MEMORANDUM.

No. FL. (B). 10325-425—C.R. 19-53-2, DATED BANGALORE, THE 4TH NOVEMBER 1953.

As per Article 154 of the Mysore Financial Code, Volume I, the proposition statement (in duplicate) on the proposal for revision should be forwarded to Government through the Accountant General, who will verify the present scale or state the present cost as the case may be, according to his audit register.

In future, verification of the proposition statement by the Accountant General will be confined to cases of very complicated establishments. The Accountant General will check only such proposition statements which have been forwarded to him for verification either by the Department or by Government in view of their complicated nature.

The work of verification of the correctness of the facts regarding the "present establishment" is the function of the executive authority, and if a sanctioning authority is to exercise its functions satisfactorily, he should maintain adequate records and statistics of his own sanctions and be in possession of a full picture of the present establishment.

In respect of proposition statements not sent to the Accountant General, Mysore, for his verification, they will be verified in the concerned Administrative Secretariats.

N. MADHAVA RAO,
Secretary to Government
Finance Department.

Revised rates of Centage Charges towards Establishment and Tools and Plant in respect of the works of several departments and also of the Local Bodies executed by the Public Works Department.

ORDER NO. FL. (B) 10430-530—C.R. 20-53-1, DATED BANGALORE, THE 4TH NOVEMBER 1953.

At present, centage charges towards Establishment and Tools and Plant in respect of the works of several departments and also of the Local Bodies executed by the Public Works Department are being recovered at different rates in respect of different departments or Local Bodies. While under the District Boards and Village Panchayet Act, Corporation Act and City Municipalities Act the charges leviable are those determined by Government, they are subject to a maximum of 3 per cent under the Town Municipalities Act.

It is considered desirable that there should be a uniform rate applicable to all the departments. It is, therefore, directed that in cases in which a Public Works Division executes works on behalf of Government and non-Governmental

nstitutions, the cost of which is met from sources other than grants from '50. Civil Works", recovery of the cost of Establishment and Tools and Plant harges should be effected in all cases on a percentage basis unless Government pecifically direct otherwise. These should be levied separately for Establishment nd Tools and Plant.

The rates fixed with effect from 1953-54 are :—

(*a*) Establishment ... 15½ per cent.
(*b*) Tools and Plant .... 1½ per cent.

But in the case of works executed by the Public Works Department, on behalf of the marginally noted local bodies and institutions, a concession of 4½ per cent *in respect of Establishment charges only*, will be allowed and the actual Establishment and Tools and Plant charges payable will be 12½ per cent. This concession of 4½ per cent in the rates is, however, only a form of Grant-in-aid and the Public Works Department should receive the full credit for these charges.

(*a*) Corporation of Bangalore.
(*b*) City Municipalities.
(*c*) District Boards and Village Panchayets or Sanitary Boards.
(*d*) Managements of Municipal and District Board High Schools.
(*e*) The Muzrai Department.

Necessary amendments to the Mysore Public Works Account Code will issue n due course.

Orders relating to centage chargeable on works relating to Town Municipalies will issue separately.

N. MADHAVA RAO,
Secretary to Government,
Finance Department.

Accords Sanction for the formation of a Treasury Cadre for the non-gazetted treasury staff in the State.

EAD—

Government Order No. Fl.(B)3733-44—B. & T. 1-51-2, dated the 10th January 1952, according anction for the separation of the Treasury Cadre and training of treasury staff, and calling for letailed proposals in this behalf.

2. D. O. letter No. C. 10-479—51-52, dated the 29th October 1952, from the Revenue Commissioner, furnishing his remarks on the proposals for the formation of a separate cadre for the staff of he State Treasuries.

3. Letter No. 2579—C.S.A., dated the 2nd September 1952, from the Controller, State ccounts Department, furnishing his views on the proposals.

4. Correspondence ending with U.O. Note No. 178—52-53—P.S.C., dated the 23rd December 952, from the Secretary, Public Service Commission, specifying, among other things, the conditions o be followed for recruitment and promotion in the new Treasury Cadre.

ORDER NO. FL. (R) 4684-4704—B. & T. 35-53-4, DATED BANGALORE, THE 21ST NOVEMBER 1953.

The working of the treasuries has come in for criticism in recent years and he question of ensuring a reasonable standard of efficiency in their working as been engaging the attention of Government for some time past. The manner n which the treasuries function has a vital bearing on the work of the several Government Departments of the State as well as of the Centre functioning in the State, inasmuch as receipts and disbursements relating to them have largely to pass through the treasuries and be accounted for by them. Owing to various easons, however, the efficiency of treasuries has been at a low ebb in recent years nd this has led to considerable inconvenience to the public and delay in the lespatch of public business.

2. There has been a considerable increase of work devolving on treasuries ince 1950, mainly on account of Federal Financial Integration and of the rising empo of Governmental activities under the Five-Year Plan, etc. Further, after he appointment of the Reserve Bank of India as Banker to the Government, the

treasuries have to shoulder greater responsibilities such as the management of currency chests, provision of remittance facilities to the public, etc. Government, therefore, consider that the time has come when the treasury establishment has to be reorganised to enable it to cope with the increased work and responsibilities to be shouldered by it in the new set-up.

3. At present, treasuries are manned mostly by staff borne on the Revenue Cadre and its recruitment, training, promotion, etc., are regulated more with reference to the needs of the Revenue Department as a whole than with an eye to the efficient functioning of the treasuries. Transfers of officials between Revenue and Treasury Sections, which in the existing conditions are un-avoidable, are also not conducive to continuity of work in the treasuries. As treasury work is different from and more technical than revenue work, the formation of a separate cadre for the non-gazetted staff of the treasuries recruited and trained for securing greater efficiency in their work, has become necessary and can no longer be postponed. The Public Accounts Committee have in their report on the State Audit and Appropriation Accounts for 1949-50 stressed the importance and urgency of the reform and the same has also been urged by the Reserve Bank and the Indian Audit Department.

4. In the above circumstances, Government are pleased to accord sanction to the formation of a separate cadre for the staff of the treasuries in the State with effect from 1st January 1954. Since the District Treasury Officers belong to the Revenue Cadre and all of them except those in charge of the State Huzur Treasury and the Mysore District Treasury can attend to revenue work also without prejudice to treasury work, they will continue to be borne on the Revenue Cadre. Similarly in the case of Taluk Treasuries except those where the treasury work requires a wholetime Sheristedar, Taluk Sheristedars will continue to discharge both revenue and treasury functions and be borne on the Revenue Cadre as hitherto.

(i) *Constitution of the new Treasury Cadre.*—The other non-gazetted staff in the treasuries will be separated from the Revenue Cadre and formed into the new Treasury Cadre with the designations and scales of pay as detailed hereunder :—

1.	District Treasury Head Accountants ...	Rs. 150—10—200/E.B. 10—250.
2.	District Treasurers, Deputy Accountants and Sheristedars attending to Taluk Treasury work exclusively... ...	Rs. 130—10—180.
3.	First Division Clerks	Rs. 60—5—90—8—130/E.B. 10—180.
4.	Second Division Clerks	Rs. 45—3—60/E.B. 4—100.
5.	Shroffs—District Treasury	Rs. 40—3—70.
6.	Shroffs—Taluk Treasury	Rs. 30—3—60.
7.	Gollars—District Treasury	Rs. 30—2—50.
8.	Gollars—Taluk Treasury	Rs. 25—2—45.

NOTE.—The remaining personnel including the menial staff will be transferred to the new cadre on their present scales of pay.

A leave and training reserve of 10 per cent of the clerical strength will be created in the new cadre to enable trained men being posted for treasury work in future.

It is also considered necessary to raise the proportion of First Division Clerks in the Treasury Cadre to 50 per cent in the interest of efficiency ; but this will be effected gradually on the occurrence of vacancies in future.

In all Taluk Treasuries where transactions are not heavy, the posts of gollars will be abolished. In lieu thereof, a peon will be allowed. Taluk Treasuries having heavy transactions will be allowed one gollar and one peon instead of two gollars as at present.

The Head Accountant will be the ministerial head of the District Treasury and be responsible, under the orders of the District Treasury Officer, for keeping complete records of cash and book transactions of the District and Taluk Treasuries and for the compilation of the prescribed accounts and returns strictly in accordance with the directions and orders in force. He will be required to see

that rules and orders in force are observed in respect of all transactions of the treasury and to bring all cases of irregularity to the notice of the District Treasury Officer.

The Head Accountant may, under the orders of the District Treasury Officer, be required to inspect the account records of Taluk Treasuries and check a percentage of the initial accounts.

The Deputy Accountants, under the guidance of the Head Accountant, will be entrusted with supervisory work including the passing of bills, etc., on behalf of the Head Accountant. Deputy Accountants will be allowed only for the State Huzur Treasury and the Mysore District Treasury.

A "BLACK REGISTER" will be kept at every District and Taluk Treasury to prevent effectively delays and other irregularities in the conduct of treasury work. Officials, including the ministerial heads, found guilty of a delay of more than three days in the despatch of any return, or of a mistake more than three times will be awarded a black mark under the signature of the District Treasury Officer or the Amildar and six such black marks will automatically operate to postpone their increment or promotion by one year. The stoppage will not affect future increments. In cases where no increments or promotions are admissible, the fact will be noted in their Character Book. This will not apply to serious irregularities or frauds which will be dealt with on their merits in each case. This register should be kept in the personal custody of the District Treasury Officer or the Amildar and be consulted invariably before recommending increments or promotions to treasury officials. A certificate in a suitable form should be furnished in the increment rolls of treasury officials to ensure that these instructions are strictly adhered to.

The new cadre will be directly under the control and supervision of the Revenue Commissioner and will be quite separate from the REVENUE CADRE.

A number of questions relating to treasury administration, complaints, etc., are being referred to the Revenue Commissioner by State Departments, Central Departments, the Reserve Bank of India, and the Government almost daily. After integration and advent of the Reserve Bank of India, his responsibilities in treasury matters have increased considerably. As the direct management of the Treasury Cadre will further add to his work and responsibility, it is considered necessary that he should be given an Assistant exclusively for treasury work so that the appointments, postings, training, etc., of treasury hands after the Treasury Cadre is formed and the investigation and disposal of treasury questions including inspections of treasuries to be done on his behalf may be attended to promptly and satisfactorily. The post of a Treasury Assistant to the Revenue Commissioner is accordingly sanctioned, who will, in addition to treasury work, also attend to the more important items of the accounts work of the Department requiring the personal attention of the Revenue Commissioner, such as reconciliation of departmental figures, Budget, etc. The Assistant will be an Officer of the State Accounts Department of the status of a Chief Accounts Officer in grade Rs. 500—50/2—750 or a Senior Assistant Commissioner who has had treasury experience for not less than two years and is well conversant with treasury rules and procedure. He will under the guidance of the Revenue Commissioner deal with all matters relating to treasuries and particularly watch that no treasury gives room for arrears or complaints of any kind.

In the interest of efficiency, officers in charge of District Treasuries will not be disturbed normally within a period of two years. Further postings of incumbents will be made with the concurrence of the Finance Department.

In consideration of the arduous nature of the duties devolving on them, District Treasury Officers will be paid a Duty Allowance of Rs. 50 per month each and the Assistant Treasury Officer, State Huzur Treasury, a Duty Allowance of Rs. 30 per month.

Taluk Sheristedars attending to treasury work along with revenue work will, in consideration of the arduous nature of the duties devolving on them under the new arrangement, be paid a Duty Allowance of Rs. 10 per month.

These allowances will have effect only from 1st July 1954.

The responsibility of the officers of the Revenue Department for the management and inspection of treasuries under the Mysore Treasury Code will continue unchanged.

(ii) *Recruitment and promotion in the new cadre.*—(1) Vacancies of shroffs in grade Rs. 30—3—60 and of gollars in Rs. 25—2—45 should be filled up by direct recruitment after advertisement, vacancies in the higher grades of Rs. 40—3—70 and Rs. 30—2—50, respectively, being filled up by promotion from the lower grades.

(2) Shroffs in grade Rs. 40—3—70 and gollars in grade Rs. 30—2—50 may be promoted to 25 per cent of the vacancies (*i.e.*, one in every fourth vacancy) in the Second Division clerical grade, the remaining vacancies, *i.e.*, 75 per cent in the Second Division clerical cadre being filled up by direct recruitment as per rules of recruitment.

(3) Vacancies in the First Division should be registered, classified in the ratio of 2 direct recruitment to 1 promotion and filled up as per rules of recruitment.

(4) Posts of Taluk Sheristedars attending to treasury work exclusively, Deputy Accountants and Treasurers should be filled up by promoting suitable officials working as First Division Clerks in the order of seniority, and

(5) Promotion to the posts of District Treasury Head Accountants will be from among the suitable and senior Taluk Sheristedars (Treasury Cadre), Deputy Accountants and Treasurers.

(iii) *Examinations to be passed to cross the efficiency bar in the new Cadre.*—Second Division Clerks will be required to pass the Accounts Lower Examination before drawing increments. To cross the efficiency bar at Rs. 66 or to get promotion to the First Division they must pass Accounts Higher Examination.

First Division Clerks should pass Accounts Higher Examination before drawing increments. A pass in the Subordinate Accounts Service Examination—Part I, is necessary before crossing the efficiency bar at Rs. 130.

District Treasury Head Accountants should pass Subordinate Accounts Service Examination—Part II, before crossing efficiency bar at Rs. 200.

(iv) *Manner of bifurcation.*—The staff working in the treasuries as on 31st December 1953 should be treated as taken over to the new Treasury Cadre in the relative posts provisionally with a corresponding reduction in the number of posts in the Revenue or State Accounts Cadre as the case may be. In March 1954, a Committee consisting of a member of the Public Service Commission (Chairman), the Revenue Commissioner and a representative of the Finance Department will interview the officials and fix them up in the new cadre with reference to their past record, qualifications and suitability for the Treasury Cadre. Other things being equal, the record of the officials during the period intervening the date of this Government Order and the date of interview will be a determining factor for final selection. In the place of those found unsuitable for retention in the treasury after screening as above, other hands of the Revenue Department may be selected by the Committee. A period of three years will be allowed to the absorbed staff to pass the examinations prescribed for their grades.

The new Treasury Cadre will come into force from 1st January 1954 but consequential increases in pay in the new scales will be payable only from 1st July 1954. The allocation in the cadre will be made strictly according to Mysore Services Regulations.

5. After the date of this order, treasury staff should not be transferred to non-treasury sections without the sanction of Government in the Finance Department.

6. Interchanges of officials between the Revenue and the Treasury Cadres will not be permissible after the bifurcation except in deserving cases and with the previous sanction of Government in the Finance Department and of the Public Service Commission and on grounds of administrative convenience only.

7. Separate orders will issue fixing the non-gazetted strength of the several District and Taluk Treasuries under this order.

2. The Industrial concerns generally maintained their production, in spite of competition and lower price levels which industry and trade in general, and the hand-loom and silk industry in particular, had to face during the year.

3. The development schemes of the Mysore Iron and Steel Works, Bhadravati, were pushed through during the year. The scheme for the expansion of the Government Porcelain Factory, Bangalore, and proposals for the establishment of a raw-film manufacturing industry and a fruit canning and tin-can making industry in the State were also actively pursued during the year.

4. On the Cottage Industries side, some of the unproductive centres were closed. At the same time, the expansion of important industries like Rattan work, Mat-weaving, Hand-made paper, Palm Gur, etc., was taken up with assistance from the Centre.

5. The Rural Industrialisation Scheme was extended to Mandya District during the year.

6. The administration of the Department continued to be satisfactory during the year under report.

Passes Orders regarding the issue of New Tractors to ryots on Hire Purchase System under Grow More Food Campaign.

READ—

Letter No. F.C. 6662—C 3-52-53, dated 9th February 1953, from the Commissioner for Food Production submitting proposals regarding issue of new tractors to ryots under Hire Purchase System and requesting the obtaining of financial assistance from the Government of India for the Scheme.

2. Letter No. F. 14-7/52—GME(S), dated 30th May 1953, from the Under Secretary to the Government of India, Ministry of Food and Agriculture (Agri.), New Delhi, sanctioning a loan of Rs. 2,50,000 for the scheme of issue of tractors to ryots under Hire Purchase System, among other schemes.

3. Further Letter No. F.C. 1576, dated 12—15th June 1953, from the Commissioner for Food Production requesting sanction to the scheme of sale of new tractors on Hire Purchase System in view of the financial assistance sanctioned by the Government of India for the same.

4. U. O. Note No. 207—D.H.I., dated 22nd August 1953, from the Accountant General, Mysore, in the matter.

ORDER No. A.F. 7349-62—F.P. 9-53-20, DATED BANGALORE, THE 28TH OCTOBER 1953.

A scheme of selling used tractors of the Agricultural Department to ryots under the Hire Purchase System at a depreciated cost, has been in operation since 1950-51. But this facility under the Grow More Food Drive, has not met the demand in this direction adequately as a large number of ryots owning bigger estates have expressed a desire to own new tractors which will be trouble-free and useful for their agricultural operations. The Commissioner for Food Production reports that repeated representations are being made to him by ryots holding large extents of lands for extending mechanised agriculture by providing new tractors under Hire Purchase System.

In the State, there are good number of ryots owning large extents of lands, who are unable to bring their entire fallow areas under cultivation due to inadequacy and the increasing cost of bullock power and they are anxious to purchase new tractors, if financial assistance is extended to them by Government. There is an extent of roughly 1.7 lakhs of acres under "Current fallows" in the State. A considerable portion of this is expected to be brought under cultivation if new tractors are given under the Hire Purchase System to the owners of large estates. It is considered that this measure will not only enable the expansion of mechanised agriculture in the State but will also help the drive for additional production of food besides improving the agricultural economy of the State. Apart from helping the ryots in bringing large tracts of their own fallow lands under cultivation, the holders of small fallow plots in the neighbourhood, who for any reason may not be able to secure the services of departmental tractors, are also likely to be benefited by hiring the machines from their owners.

With this object in view, the Commissioner for Food Production proposes for consideration of Government a scheme for the issue of new tractors to ryots under the Hire Purchase System on the analogy of the procedure in vogue in the Department for issuing the pumpsets under Hire Purchase System.

Under this scheme, the applicant will be allowed the choice of selecting any machine suitable to his needs in any of the firms dealing in tractors. As and when, sanction is accorded by the Department, release orders will be issued in favour of the firm where the party makes the selection and payment will be arranged by the Department thereafter through the Accountant General. A medium type of tractor with the plough and other implements is estimated to cost about Rs. 12,000. Hence the maximum amount proposed to be issued by way of loan to any applicant for tractors with implements under the Hire Purchase System is fixed at Rs. 12,000 on the following conditions :—

(1) One-sixth of cost of the tractor and implements will be paid by the intending purchaser in advance, the balance of 5/6th being paid in five equal annual instalments with 5 per cent interest, the total amount advanced being recovered with interest in five years.

(2) The applicant will be required to furnish sufficient security in the shape of immovable properties to cover one and half times the value of tractor to be taken by him and two sureties guaranteeing the payment of the loan in case of default by the hire-purchaser.

The Government of India, who considered this scheme and its utility in the field of Grow More Food Campaign, have sanctioned a loan of Rs. 2·50 lakhs in their letter No. F. 14-7/52—G.M.F.(S)., dated 30th May 1953, read above for 1953-54 as financial assistance for the scheme.

With a view to implement the scheme out of the funds sanctioned by the Government of India, the Commissioner for Food Production requests approval to the following proposals:—

(i) to draw the loan of Rs. 2,50,000 sanctioned by the Government of India for implementation of the scheme;

(ii) to open a separate Treasury Head to account for the transactions under the scheme;

(iii) to adopt the application form, agreement form and the requisition to the Amildars as detailed in the enclosures appended;

(iv) to adopt the draft set of rules indicating the procedure relating to operation of the scheme as detailed in enclosure;

(v) to get the agreement on a stamp paper, the value of which would be half of what it would be in ordinary cases of mortgage deeds, with an extra duty of Re. 0-10-0 as in the case of issue of pumpsets; and

(vi) also to issue authorisations to the Sub-Registrars to collect only half the usual registration fees from the hirers of tractors.

The Accountant General who was consulted, has opined that the expenditure on the proposed scheme of giving loans to agriculturists, has not been so far provided for in the State Budget, that this scheme will have to be treated as an item of 'New Service' and that specific sanction of the legislature may be obtained for incurring the expenditure from the consolidated Fund of the State, and that he has no objection to open a new head "Loans to Agriculturists for purchase of tractors" under the minor head "Advances to Cultivators" to account for the transactions of the scheme.

After careful consideration, Government are pleased to approve the above proposals of the Commissioner for Food Production with the following modifications:—

(1) The solvency certificate, the encumberance certificate, the Khate extracts and the treasury challans should be enclosed to the application form and the burden of getting these certificates from intending hire purchase applicants need not be thrown on the Amildar, as this would ensure speedier disposal by Amildars in Taluk and avoid complaints of delay on the part of the Taluk Staff.

(2) A sum of rupees two lakhs only would be drawn for this scheme during the current year out of the loan sanctioned by the Government of India.

(3) An advance of rupees two lakhs required for the scheme will be provided from the Contingency Fund, subject to recoupment out of the demand to be placed before the Legislature at its next session.

(4) The security to be obtained by the applicant shall be one and a half times the value of the loan in addition to the mortgage of the tractors and implements.

The application form, agreement form, requisition to the Amildars and rules to be adopted in respect of the scheme approved by Government are appended herewith.

The Principal Information Officer is requested to arrange for issue of a Press Note on the scheme, separately.

Secretary to Government,

RULES RELATING TO THE SUPPLY OF NEW TRACTORS ON HIRE PURCHASE SYSTEM FROM THE FOOD PRODUCTION DEPARTMENT.

1. The Agriculturists intending to take New Tractors for agricultural purposes under Hire Purchase System shall apply in the prescribed form to the Commissioner for Food Production in Mysore, Bangalore. The selection of the make of the Tractors and the connected implements is left to the choice of the applicant from among the makes noted below:—

(*a*) Ferguson Tractors and implements.
(*b*) Massy Harris do
(*c*) International do
(*d*) John Deere do

2. The applicant should enclose a quotation obtained from the firm dealing in the tractor selected by the applicant, specifying the type of the tractor and details of the connected implements with the value of each item.

3. The maximum limit of the loan permissible for the purchase of the tractor and implements will be limited to Rs. 12,000 (including sales-tax), the extra cost, if any, being payable by the party directly to the firm from his own resources.

4. In the event of the applicant qualifying himself for the issue of tractor and implements, one-sixth of the value of the tractor and implements is to be paid by him to the Department in advance, the balance amount being payable in 5 equal annual instalments with interest at 5 per cent per annum.

5. The tractor and implements will be given against the security of landed and other immovable properties in the case of individual farmers and the capital resources in the case of Co-operative Societies to the extent of one and half times the value of the loan as per valuation made by the revenue authorities in the case of individual agriculturists. In the case of Co-operative Societies the Registrar of Co-operative Societies should certify about the sufficiency of the capital resources.

6. The ownership of the tractors will remain with the Government until the entire amount of loan and interest are paid up by the applicant.

7. Nil.

8. The responsibility to maintain the tractor and implements in good working order will be that of the hirer during the term of the contract.

9. The tractor should be insured under comprehensive risk and registered with the Inspector General of Police as a Departmental Tractor till the entire loan with interest is repaid to Government, and the insurance and registration charges will be payable by the applicant.

10. The applicant may plough his own land and that of his neighbours, if he chooses, with the tractor supplied to him under the Scheme.

11. The application together with the quotation will be referred to the Amildar of the Taluk concerned by the Commissioner for Food Production. The Amildar will then examine the solvency of the applicant and the value of the securities offered. If the solvency of the applicant and the value of the landed properties offered as security are not less than 1½ times the value of the loan to be advanced, the Amildar will send up his recommendation (with the following documents) to the Commissioner for Food Production through the Deputy Commissioner of his District who will also furnish his opinion about the grant of loan :—

(*a*) Solvency certificate of the applicant countersigned by the Deputy Commissioner.
(*b*) Encumbrance certificate in respect of the properties to be mortgaged for the tractor and implements.
(*c*) Khate or the index of lands extract of the lands offered as security duly attested by the Amildar.
(*d*) Statement showing the valuation of the properties to be mortgaged as valued by the Amildar, showing the correct boundaries of the same.
(*e*) The documents of title relating to the property proposed to be mortgaged.

12. On receipt of the entire records from the Deputy Commissioner, the Commissioner for Food Production will examine each case and will instruct the applicant to deposit 1/6th of the cost of the tractor and implements in a Government Treasury and obtain a Hire Purchase Agreement in the prescribed form executed on a stamp paper of the prescribed value with copy of application and two sureties of known status and solvency and have the same registered. The hirer will be subject to the terms and conditions contained in the hire purchase agreement. He will then issue a release order to the concerned firm and arrange payment through the Accountant General.

13. The Commissioner for Food Production reserves the right for periodical inspection of the tractor and implements either in person or by the departmental officers deputed by him. He will also arrange for recovery of the instalments, amounts, etc., due through the Deputy Commissioner of the District and in case of default as arrears of Land Revenue through the Revenue Department.

FORM OF HIRE PURCHASE AGREEMENT FOR TRACTOR AND IMPLEMENTS.

Agreement made this.....day of.....One thousand nine hundred and fifty..... in favour of the Rajpramukh His Highness the Maharaja of Mysore acting in the exercise of the executive authority of the State of Mysore, herein after called the 'Supplier' of the first part and.....hereinafter called the 'Hirer' of the second part and (2).....(3)..... .....(sureties) hereinafter referred to as the sureties witnesseth and the parties have agreed as follows :—

1. The supplier agrees to let on hire to the Hirer and the Hirer agrees to take from the Supplier on Hire Purchase System, the tractor and implements referred to in the schedule hereto.

2. The Supplier agrees to let on hire the tractor and implements to the Hirer on the following terms and conditions to which the Hirer hereby agrees.

3. The Hirer shall in the first instance pay an initial deposit of Rs.....being one-sixth cost of tractor and implements, required, *viz.*, Rs. .....which will be adjusted by crediting the sum towards the total sum due by him. In case of failure to take the tractor and implements the deposit so paid shall be liable to be forfeited to the Suppliers.

(i) That the Hirer of the tractor and implements shall use them only for irrigation purposes.

(ii) That the Hirer shall grow at least one food crop (paddy, ragi, jola or wheat) each year in the entire extent of land on which the tractor is to be employed.

4. So long as the Hirer thinks fit to continue the hiring, he shall pay to the Supplier, without demand, the balance amount in five equal annual instalments for each tractor and implements at the end of each year, with 5 per cent interest or any other rate of interest as may be prescribed by Government from time to time on the balance due, the first instalment of such payments being payable immediately on the expiry of one year from the date of taking delivery of the tractor and implements by the Hirer and the subsequent instalments on the corresponding date of each succeeding year.

(*a*) The Hirer has understood the contents of the Government Order No. A.F. 7349-62—F.P. 9-53-20, dated 28th October 1953 relating to issue of tractors and implements under Hire-Purchase System and the rules framed thereunder and agrees to abide by the same.

5. It shall be lawful for the Supplier and all persons authorised by him, to enter upon any premises in which the tractor and implements may be for the time being to inspect the same.

6. The Hirer doth hereby agree with the Supplier :—

(*a*) That during the hiring the said tractor and implements shall be kept in good serviceable order and condition (damage by fire not being excused) and no alteration or addition shall be made thereto without the previous written consent of the Supplier.

(*b*) That the tractor and implements shall be kept in possession of the Hirer and upon trust for the Supplier free from distress, execution or other legal process, and shall not on any account be sold, assigned or dealt with or the possession thereof parted with; and the Hirer shall fix a name plate on the tractor that it belongs to the Supplier.

(*c*) That all rents, rates, taxes and outgoing payable in respect of the premises shall be duly and punctually paid and discharged by the Hirer.

7. It is hereby declared that the Supplier has entered into this agreement upon the express declaration by the Hirer, and the Hirer hereby expressly warrants that the premises on which the tractor and implements shall be kept belongs to the buyer and is free from any mortgage encumbrance or charge or claim given or created by the Hirer or any persons through whom he claims.

8. If the Hirer at any time during the hiring shall be desirous of executing or creating any mortgage, encumbrance or charge in respect of such premises he shall give to the Supplier one month's previous notice in writing of his intention to do so, and upon the receipt of any such notice it shall be lawful for the Supplier to put an end to the hiring in the manner provided in clauses 9 and 10.

9. If the Hirer:—

(*a*) shall make default in punctually paying any hire instalment or

(*b*) shall be adjudicated bankrupt or shall file a petition in bankruptcy or have a receiving order made against him or enter into any arrangement or composition with his creditors,

(*c*) shall execute or create any mortgage encumbrance or charge of or upon the premises which have been mortgaged to Government or given notice of his intention to do so, as provided by the last preceding clause, or

(*d*) shall fail to observe and perform any of the undertakings and conditions contained in this agreement and on his part to be observed and performed:

then and in any such case it shall be lawful for the Supplier to put an end to the hiring immediately and remove the tractor and implements and any other materials supplied to the Hirer by the Supplier, and for that purpose, the Hirer thereby authorises the Supplier, his servants and agents to enter upon the premises in which the said tractor and implements may be for the time being and to seize and take them away and all Government materials.

10. No allowance, return credit or payment shall be allowed or paid to the Hirer in the event of hiring being determined by the Supplier, as provided by clause 8 thereof, but the Hirer shall pay to the supplier all arrears of hire and damages for the breach of this agreement up to the date of such determination.

11. Notwithstanding any loss or accident to the tractor and implements during the term of contract, the Hirer will continue the payment to be made by him and shall not be entitled to any extension of time or reduction of the amounts due.

12. The Supplier doth hereby agree that the Hirer shall have the option of purchasing the tractor and implement at any time during the subsistence of this Agreement by paying the balance of the hire and also that if the Hirer shall exercise such option, the supplier will give to the Hirer credit against such purchase price for all payments which shall have been made by him for hire and also for the sum paid in advance under clause 3 hereof. But until then and until such purchase price shall have been paid in full, the said tractor shall remain the absolute property of the supplier.

13. If the supplier shall seize and take possession of the said tractor and implements under clause 8 thereof; the Hirer may within 30 days after such seizure, purchase the tractor and implements by making the payment to the supplier of the price as per terms of clause 2 together with costs and expenses incidental to such seizure. If the hirer shall not exercise such option and make such payments within the time aforesaid, the option given to the Hirer by this clause shall cease and the Hirer shall not be entitled to any credit allowance of return for or on account of any payments made by him previously.

14. If the Hirer is in arrears in respect of any instalment, one month's time will be given for payment and in case of failure to pay the amount within this time, the Deputy Commissioner, on intimation of the default will take measures for the recovery of the amount due as arrears of Land Revenue together with interest at ten per cent per annum on instalments overdue for a period of three months a penal interest of 10 per cent being levied on instalments overdue for longer periods up to the date of payment; without prejudice to and in addition to the remedies for the recovery of the same. The Supplier shall be entitled to recover amounts due under this agreement and from the Hirer and from the Sureties as if they were all arrears of land revenue and a revenue demand, without prejudice to the other remedies of the Supplier.

14 (*a*) As security for the payment of all the sums of money and interest due from and payable by the Hirer to the Supplier under this agreement, the Hirer does hereby mortgage to and in favour of the Supplier all the property more fully described in the schedule hereunder by way of a first hypothecation, and the hirer doth hereby agree to hold the property hereby mortgaged unto and to the use of the supplier for securing payment of all sums of money due hereunder and under this agreement or which may hereafter become due. The Hirer hereby covenants with the Supplier (*a*) that he the Hirer has a good and perfect title to mortgage the property to the Supplier and that there are no encumbrances, charges, claims, demands, etc., of any description or in respect of the same; (*b*) that all improvements and accessions to the mortgaged property shall form part of the security and be governed by

these presents (*c*) that in the event of the supplier deciding that the security hereunder given is insufficient, the Hirer shall give such additional security as the Supplier shall demand and (*d*) that the rights of the supplier as mortgagee under this clause shall be in addition to and without prejudice to the rights of the Supplier under clause 13 and the other clauses of this agreement and that it shall be open to the Supplier to recover the moneys due from the Hirer or any portion thereof in any manner under any of the other clauses of this agreement and from any of the persons liable for their payment without being obliged to proceed against the mortgaged properties in the first instance.

15. If the Supplier shall grant to the hirer any time or shows any indulgence either in regard to payment of any instalment or in any other way the same shall not affect or prejudice the Supplier's right under the Agreement against the Sureties and the liability of the Sureties shall not be affected, altered or discharged by or on account of such grant of concessions or time or any alterations in the terms of this Agreement with the hirer.

16. In the event of any dispute or difference arising as to the construction, meaning and effect of this Agreement or of any clause herein contained or as to the rights or liabilities of either of the parties under this agreement, the matter in dispute or difference shall be first submitted to the Commissioner for Food Production to the Government of Mysore, for decision. If the Consumer is not satisfied with the decision of the Commissioner for Food Production, the matter shall be referred to the Government, whose orders shall be final and not liable to be questioned in any court of law.

17. The sureties hereby agree and covenant that they and the Hirer shall be jointly and severally liable to the Supplier for the due performance by the Hirer of the terms and conditions of this agreement and that they will pay all monies due by the Hirer for hire nterests, costs or damages under this Agreement and that all such amounts without prejudice o the suppliers' other remedies, may be recovered by the Supplier as if they were arrears of of Land Revenue and a Revenue Demand.

Sanctions the creation of the post of a Joint Secretary in the Mysore Government Insurance Department.

EAD—

Government Order No. Fl. 2738-41—G.F. 52-52-1, dated 31st May 1952, constituting a ommittee for examining in detail the Scheme of Reorganisation of the Mysore Government Insurance epartment.

2. Correspondence ending with U.O. Note No. G.M. 9—53-54, dated 28th October 1953, from he General Manager, Mysore Government Insurance Department, furnishing his views on the roposal for the creation of the post of a Joint Secretary in the Mysore Government Insurance epartment.

ORDER NO. FL. 5259-63—G.F. 136-53-2, DATED BANGALORE, THE 4TH NOVEMBER 1953.

The Reorganisation Committee has sent a comprehensive report giving suggesons for placing the Insurance Department on up-to-date lines in all its various ctivities. One of the important aspects of the departmental activities stressed by he Committee is the development of field organisation. The department has no oubt reached big dimensions in its business activities, but it has potentialities to ake itself bigger in the insurance world.

2. The Insurance Reorganisation Committee has also suggested that Pilot Schemes under Agriculture and Cattle Insurance should be initiated in co-operation with the Departments of Agriculture and Animal Husbandry of the State and Meteorological Department of the Centre. Propaganda and advertisement is an essential part of insurance business and the Reorganisation Committee has therefore suggested that the present state of propaganda and advertisement obtaining in the Department should be bettered and improved. There is great scope for improvement in the field of Official Branch Insurance also by conducting systematic and wide-spread inspection of the unit offices with a view to seeing that all officials who have to insure under the rules have received adequate coverage.

3. There is, therefore, an imperative need to reorganise the field work of the Department on the lines suggested above and to entrust this work to a separate officer holding a senior duty post, who may be designated as Joint Secretary, Mysore Government Insurance Department. It is accordingly directed that the post of a Joint Secretary, Mysore Government Insurance Department be created and the officer holding it entrusted with the following items of work :—

(1) Sole charge of new business activities.
(2) Agency organisation.
(3) Preliminary work for initiating Pilot Schemes under Agriculture and Cattle Insurance.
(4) Field work connected with the insurance of lives of Government Servants including wide-spread inspection of unit offices.
(5) Propaganda and advertisement of the business of the Insurance Department.
(6) Any other work to be entrusted by the General Manager, from time to time.

4. Orders will issue separately regarding the posting of an officer.

5. Sanction is also accorded for additional posts of a Daffedar and two Dalayets on the usual scales of pay in the Department for the Joint Secretary.

The value of issues to several Offices during the year amounted to Rs. 10,59,108 as against Rs. 8,30,933 in the previous year leaving a balance of Rs. 3,42,507 at the end of the year as against Rs. 3,14,848 in the previous year.

4. *Realisation from Paying Departments.*—The total demand for the cost of stationery and paper supplied to several paying departments during the year including half the cost of paper supplied for printing the forms and registers of Municipalities and Local Bodies amounted to Rs. 5,62,842 as against Rs. 5,88,455 in the previous year. Against this demand a sum of Rs. 3,09,109 was realised and the recovery of a sum of Rs. 388 was waived as per Government Order No. M. 21585-7—P. & S. 68-51-2, dated 18th March 1952, leaving a balance of Rs. 2,52,957 yet to be realised. The balance outstanding is very heavy and efforts should be made to realise the balance amount early.

5. *Purchase.*—The purchase of stationery articles, printing and writing papers and mill boards was made through the Stores Purchase Committee as usual. The value of purchases made in respect of both stationery articles and printing and writing papers, through the Stores Purchase Committee amounted to Rs. 10,85,199 as against Rs. 9,85,028 in the previous year.

6. The expenditure on establishment, etc., during the year was Rs. 28,021 as against Rs. 23,516 in the previous year.

The submission of annual stock verification report as on 1st April 1953 should be expedited.

7. *Important Measures.*—The restoration of economy cut in respect of seven items of writing and duplicating paper was continued during the year.

The work of the Stationery Depot continued to be satisfactory.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT.

Issuing general instructions for the utilisation of A. D. C. Funds on works other than housing with a view to enlarge the scope of work of the uplift of Depressed Classes.

READ—

Government Order No. L.B. 425-46—A.D.C. 25-47-78, dated 16th July 1948, specifying the purposes for which the grants for the amelioration of the Depressed Classes may be used.

2. Correspondence ending with letter No. R6. C. 27—53-54, dated 16th June 1953, from the Commissioner for Local Self-Government in Mysore, Bangalore, suggesting a revision of the orders.

3. G.O. No. L.B. 7105-17—A.D.C. 16-53-14, dated 14th September 1953, making available a sum of Rs. 1·50 lakhs for utilisation for the construction and payment of grant-in-aid for Depressed Class hostels in the State.

ORDER No. L.B. 9674-9693—A.D.C. 16-53-20, DATED BANGALORE, THE 30TH OCTOBER 1953.

The Commissioner for Local Self-Government has reported that the restriction imposed in the order of 16th July 1948 that the grants for the amelioration of Depressed Classes should be spent only on the acquisition of Lands for grant of free house sites and grants towards construction of houses by members of these classes, has retarded the progress of the members of these classes in other fields notably in education, agriculture and cottage industries, and that there is a great need to make more rapid progress in these fields also, as the percentage of general literacy among these classes is poor, as also the number of persons taking to independent avocations. He suggests that sufficiently large grants be provided for undertaking uplift work in the fields of education, agriculture, veterinary and animal husbandry and cottage industries. The proposals of the Commissioner for Local Self-Government were referred to the Central Depressed Class Policy Committee who are in general agreement with them, except that some members felt that provision should be made for building hostels for students of Depressed Classes in District and Taluk headquarters.

Government agree that there is a need now to enlarge the scope of work of the uplift of the Depressed Classes. The following general instructions are issued about the work to be undertaken.

Education :—The amount provided for expenditure under this head for 1953-54 will be Rupees two lakhs (including the sum provided for construction of hostel buildings). Out of this a sum of Rs. 30,000 may be set apart for the grant of scholarships for technical training in industrial institutions and for training in the Occupational and Technological Institutes to students. The grants may be made by a small committee consisting of non-official gentlemen belonging to the Depressed Classes with one or two officers belonging to the institutions concerned. The Committee may be constituted by the Commissioner for Local Self-Government.

A sum of Rs. 10,000 is allotted for expenditure to give training in advance to the required personnel after ascertaining the possibilities of their employment in big industrial concerns like the Hindustan Aircraft, the Machine Tool Factory, the Indian Telephone Industry, big textile mills and Mysore Iron and Steel Works and other big concerns. The Commissioner for Local Self-Government will send proposals for granting assistance from this allotment for the approval of Government.

A sum of Rs. 10,000 is allotted for expenditure on extensive propaganda in all parts of the State, to eradicate the evil of untouchability by bringing about a change of outlook on the part of the general public.

Agriculture :—A sum of Rs. one lakh will be provided under the scheme of assistance to the members of the Depressed Classes in the field of agriculture. The members of these classes may be provided with bullocks, carts, agricultural implements, manure and seeds to the extent possible. In each case a loan of about Rs. 250 per family may be made for these purposes. The loan will be granted free of interest and be repayable within a period of 10 years. In cases where the loan is repaid regularly and where good progress is shown by the grantee, a rebate of 25 per cent of the original loan may be allowed to such grantees, at the termination of the period of such loan. The amount may be distributed to the Deputy Commissioners who will redistribute it among the taluks. The Amildars of the Taluks will collect the applications for loans and the grants will be made by them. The grants are to be given only in the shape of bullocks and implements and cash is not to be disbursed. The implements and bullocks, etc., should be purchased with the aid of the officers of the Agriculture and Animal Husbandry Departments. They should be marked by a brand to be devised by the Commissioner for Local Self-Government. The possibility of giving these loans through co-operative societies may also be pursued by the commissioner for Local Self-Government.

The Revenue Inspector or the Special Revenue Inspector will check up the animals and equipment purchased once a year and make a report to the Amildar. The Commissioner for Local Self-Government will prescribe suitable forms and registers for the purpose.

Animal Husbandry :—A sum of Rs. 50,000 will be made available for grant of loans not exceeding Rs. 300 in each case for the purchase of cows, sheep and poultry and for purchasing breeding bulls. The assistance of the local officers of the Animal Husbandry department may be taken and disbursement of these loans made as in the case of the agricultural loans.

Cottage Industries :—A sum of Rs. 50,000 will be provided under the scheme of assistance in cottage industries. Loans up to Rs. 100 may be granted wherever necessary to craftsmen and artisans to enable them to secure the necessary equipment and raw materials. The grants may be made by the Amildar after necessary investigation as to the *bona fides* of the applicants. The loan will be repayable in five years free of interest and will be secured by bonds executed by the Loanee. In the districts where the Rural Industrialisation Scheme is in operation, such help will be administered through the Industrial Co-operatives organised by that department.

Accounting Arrangements :—Of the sum of Rs. 19,00,000 provided during the current year under "40-A. Rural Development, 5 Works Outlay, (iii) Depressed Class Housing", a sum of Rs. 15 lakhs is distributed in Government Order No. L.B. 1831-45—A.D.C. 16-53-2, dated 25th May 1953, a sum of Rs. 1·50 lakhs has already been made available for construction of hostel buildings and a sum of Rs. 2·50 lakhs is now available. Out of this amount a sum of Rs. 50,000 is reappropriated under the head "40 A. Rural Development, 6 Schemes for the Uplift of Scheduled Castes and Scheduled Tribes, Educational Advancement" (in addition to Rs. 1·50 lakhs referred to in the order of 14th September 1953), to meet the expenditure under Education as directed in this order. The remaining Rs. 2 lakhs is surrendered under Depressed Class housing and a special grant of Rs. 2 lakhs is provided under Deposits and Advances, (iii) Advances not bearing

interest—advances repayable—special advances to meet the loan scheme under Agriculture, Animal Husbandry and Cottage Industries referred to in this order. The Accountant General may indicate suitable detailed heads to be opened.

PUBLIC WORKS SECRETARIAT.

Approves the appointment of thirty-five Probationary Assistant Engineers in the Public Works Department.

READ—

Government Order No. P.W. 5695-5716, dated 25th February 1944, laying down rules governing the Mysore Public Works Service.

2. Government Order No. P.W. 970-73—Est. 7-49-58, dated 12th May 1950, constituting a Committee to call for applications for Probationerships in the Public Works Department from among those in service and those outside and to submit a panel of names for selection.

3. Letter dated 16th November 1950, from the Secretary to the Committee constituted for the selection of Probationers in the P.W.D., forwarding the recommendations of the Committee.

4. Correspondence ending with letter No. 11444—51-52—P.S.C., dated 29th March 1952, from the Secretary to the Mysore Public Service Commission in the matter.

ORDER THEREON No. P.W. 7029-32—EST. 73-53-1, DATED BANGALORE, THE 9TH NOVEMBER 1953.

According to the principles laid down in the Government Order dated 25th February 1944 in regard to the recruitment of candidates for the cadre of Assistant Engineers in the Public Works Department, not less than 50 per cent of the vacancies in the cadre shall be filled up by direct recruitment and the remaining 50 per cent by promotion from among the Supervisors according to seniority and merit. Since the issue of the abovementioned Government order, appointments have been made partly by direct recruitment and partly by promotion, though not in the proportion referred to in the Government order. With a view to securing close conformity with the principles laid down already, it was decided by Government in 1949 that vacancies arising for the time being should be filled up by direct recruitment.

2. A Committee was accordingly constituted in May 1950 to call for applications for Probationerships and to forward proposals to Government. The recommendations of the Committee having been received in November 1950, the matter was referred to the Public Service Commission in July 1951. The Commission have since forwarded proposals for recruiting thirty-five candidates as Probationary Assistant Engineers against existing and prospective vacancies.

3. Government agree with the recommendations of the Public Service Commission and are pleased to accord approval to the appointment of thirty-five Probationary Assistant Engineers in the Public Works Department against existing vacancies and vacancies which are expected to arise within the next two years. The names of the persons appointed will be notified separately.

4. The period of probation for the officers is fixed at two years. During the period of probation, they will be paid a stipend of Rs. 150 (Rupees one hundred and fifty) per mensem. Those who by virtue of their present appointments are already drawing above Rs. 150 in their scales of pay are permitted to draw such higher pay as personal to them.

5. The question of absorption of the Probationers in the available vacancies of the Public Works Department will be considered after the satisfactory completion of the period of training by each of the candidates. Such of the Probationers as are already holding substantive appointments will continue to hold their lien on such appointments until they are permanently absorbed.

6. It is directed that in future the principles of recruitment to the cadre of Assistant Engineers enunciated in the Government order dated 25th February 1944 be strictly enforced. The promotional vacancies may be filled up from the eligibility list of officers prepared on the basis of seniority and merit in accordance with rules.

ORDER NO. CH.S. 12619-718—G.E. 179-53-1, DATED BANGALORE, THE 23RD NOVEMBER 1953.

In modification of powers conferred in the Government order dated 22nd August 1950, read above, Sri J. Appaji Gowda, Special Officer, Efficiency Audit, is authorised to conduct inspections—surprise as well as regular—of all Mysore Government Offices except those of Heads of Major Departments who are in receipt of a pay of Rs. 1,400 per mensem and above. He is also empowered to conduct inspections of the Offices so excepted with the prior approval of the Minister in charge of the Department concerned.

2. These powers are personal to Sri J. Appaji Gowda, and are subject to review when he relinquishes the office of Special Officer, Efficiency Audit.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

PUBLIC WORKS SECRETARIAT

Sanctions the creation of the post of a Special Chief Engineer in the Public Works Department.

ORDER No. P.W. 7721-7732—EST. 75-53-1, DATED BANGALORE, THE 24TH NOVEMBER 1953.

A number of major irrigation projects have been taken up in the State in recent years. Most of them had been started prior to the advent of the Five Year Plan, but with their inclusion in the Plan, it has been possible to secure more rapid progress in regard to their execution. Among the projects which have been so included are the Tunga Anicut, the Nugu Reservoir and the Bhadra Reservoir Projects. These are works which together cost about Rs. 22 crores and are expected to irrigate a total extent of about 2,70,000 acres. The existing financial provisions of the Five Year Plan having been found inadequate, the Government of India were being urged to make available additional resources for speeding up these projects. They have accordingly indicated their approval to the grant of a loan of Rs. 3 crores for the Bhadra Reservoir Project and Rs. 50 lakhs for the Nugu Reservoir Project for the rest of the Plan Period.

With this assistance it is now possible, and even necessary, to increase the pace of work on these projects. A sum of Rs. 505 lakhs is expected to be spent on the Bhadra Reservoir Project alone during the rest of the plan period, and a sum of Rs. 208 lakhs on the balance of works on the Nugu and Tunga Anicut Projects. Besides these, there are other important works like the Ambligola Project, the Dandavathi Reservoir, etc., which are either under execution or under consideration. Recently, a Special Public Works Division for dealing with irrigation under the Tungabhadra Project in Mysore area has been constituted, and has been placed temporarily under the control of the Superintending Engineer, Shimoga Circle. Work in this connection is likely to increase and need special attention.

Government consider that in order to secure undivided attention for the execution of major irrigation works in the State, it is necessary to have an additional Chief Engineer to be in exclusive charge of such projects. They are accordingly pleased to create the post of a Special Chief Engineer on a pay of Rs. 1,400 for a period of one year in the first instance. The Special Chief Engineer will be in charge of the Bhadra Reservoir, the Tunga Anicut, the Nugu Reservoir, irrigation under the Tungabhadra Project in Mysore area, and other works now attached to the Tungabhadra Valley Circle. He will have his headquarters at Bangalore and correspond direct with Government in matters falling within his jurisdiction. Orders posting an officer as Special Chief Engineer will be issued separately. The Chief Engineer of Mysore will cease to have control and jurisdiction over major irrigation works specified above from the date the Special Chief Engineer assumes charge.

Secretary to Government,
Public Works Department.

Approves the rules for the conversion of the Maintenance Establishment of the Water Supply Division and the Sanitary Bureau into Pensionable Establishment.

READ—

Government Order No. P.W. 803-809—Est. 25-47-63, dated 4th August 1948, directing that the service of the maintenance staff attached to the Water Supply Division and the Bureau of Sanitary Engineering be treated as pensionable and requesting the Chief Engineer to forward a set of rules for approval of Government.

2. Letter No. 8857-60—E., dated 27th March 1950, from the Chief Engineer forwarding proposals for converting the maintenance establishment of the Water Supply Division and the Bureau of Sanitary Engineering into a pensionable establishment.

3. U. O. Note No. 180—W. I. dated 15th May 1951, from the Deputy Controller, Works Audit Department, in the matter.

4. U. O. Note No. 5201—E, dated 13th September 1951, from the Chief Engineer on the subject

5. Letter No. M3. C. 609—51-52, dated 22nd February 1952, from the President, Kolar Gold Fields Sanitary Board stating that the Board are agreeable to meet their share of pension and leave contribution in respect of the work charged establishment (maintenance staff) of the K.G.F. Water Works.

6. Letter No. C2. P.R. 79—52-53, dated 10th October 1953, from the Municipal Commissioner, Mysore City Municipality, stating that the Mysore City Municipal Council is agreeable to pay its share of pension and leave contribution in respect of the work-charged establishment (maintenance staff) of the Vani Vilas Water Works, Mysore.

ORDER THEREON No. P. W. 7699-7706—EST. 6-53-52, DATED BANGALORE, THE 24TH NOVEMBER 1953.

The rules for the conversion of the maintenance establishment of the Water Supply Division and the Sanitary Bureau into pensionable establishment, as appended to this order, are approved.

D. K. SRINIVASACHAR,
Secretary to Government,
Public Works Department.

APPENDIX.

Rules for the conversion of Maintenance Establishment of Water Supply and Sanitary Bureau into pensionable one.

1. All members of the work-charged establishment of Water Supply and Sanitary Bureau who were in service on 1st January 1947 be treated as in pensionable service and the rules of the Mysore Service Regulations will be applicable to them equally as in the case of other Government officials, in regard to pay and allowances, leave, travelling allowances, retirement pension etc.

2. The Special Provident Fund Scheme which was exclusively constituted for the benefit of the temporary work-charged establishment of the Water Supply Works will cease to be in force from 1st January 1947 and the amount subscribed by the employees till 31st December 1946 will be refunded to the employees with interest, but without the Government contributions. These employees may, if they desire, become optional subscribers to the State Provident Fund under the existing rules.

3. Service rendered under maintenance establishment prior to 1st January 1947, will count for purpose of pension. The benefits contemplated in Article 232 of the Mysore Service Regulations are extended to the maintenance staff.

4. Leave and pensionary contributions will have to be paid by the K. G. F. Sanitary Board, Mysore City Municipality and all other local bodies in respect of maintenance staff attached to the respective Water Works with effect from 1st January 1947.

5. The pension scheme will not be applicable to those whose services were terminated before 1st January 1947.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Orders that the Maximum age limit for women candidates be fixed at twenty-eight years for purposes of recruitment to Government Service.

READ—

Government Order No. E. 4757-842—R. & P.S. 57-47-5, dated 25th November 1948, directing that in the case of women candidates seeking appointments in Government service, the age limit be fixed at 40 years as a general rule.

2. Government Order No. E. 4375-470—R. & P.S. 34-50-2, dated 7th July 1952 issuing instructions in the matter of giving equal opportunities to women for appointments to the Public Services in the State.

3. Letter No. 8730—52-53—P.S.C. 60-52-1, dated 8th January 1953, from the Secretary, Public Service Commission, Bangalore, recommending that the maximum age limit fixed at 40 years in respect of women candidates seeking appointments in Government service may be lowered to 28 years due to the altered conditions.

4. Correspondence ending with letter No. P. 89—50, dated 22nd February 1953, from the Vice-Chancellor, University of Mysore, Mysore, furnishing his views in the matter.

5. Correspondence ending with letter No. G.C. 629-1, dated 19th March 1953, from the Director of Medical Services furnishing his views in the matter.

6. Correspondence ending with [redacted] No. L. Dis. 5846-535 of 52-53, dated the 6th May 1953, from the Director of Public Instruction, furnishing his views in the matter.

ORDER NO. E. 12943-13043—R.& P.S. 20-53-2, DATED BANGALORE, THE 4TH DECEMBER 1953.

Under Article 46 of the Mysore Services Regulations the maximum age limit is fixed at 40 years in the case of Nurses in Hospitals, Sewing Mistresses and Mistresses of Kannada and Hindustani Girls' Schools. In Government Order No. E. 4757-842—R. & P.S. 57-47-5, dated 25th November 1948 read

above, it was directed that in the case of women candidates seeking appointments in Government service, the age limit be fixed at 40 years as a general rule, in order to encourage them to take up Government service as there was dearth of qualified women candidates. But now the conditions have improved and younger women are coming forward in sufficient numbers to take up Government service as soon as they leave their schools and colleges. Further in Government Order No. E. 4375-470—R. & P.S. 34-50-2, dated 7th June 1952 read above, it is considered necessary to delete all references to and provisions for the reservation of posts for either sex and the prohibition of appointment of members of either sex from the service rules and to amalgamate men's and women's cadres into one cadre, making no reservation of any percentage or proportion of posts in any service, class or grade in favour of either sex, subject to the provision of Article 15 (3) of the Constitution of India. This removal of the distinction has thrown open all State services to women candidates also. The Public Service Commission is, therefore, of opinion that there is no need to retain the maximum age limit of 40 years under the altered conditions and recommends that the maximum age limit fixed at 40 years in respect of women candidates seeking appointments in Government service may be lowered to 28 years and that this does not, however, prevent Government from (1) making any special provision under Article 15 (3) of the Constitution for relaxing the age limit in respect of certain appointments in the Girls' Institutions and in the Women's hospitals, if such relaxation is necessitated by circumstances, and (2) examining other individual and hard cases on merits for age exemption as is being done at present.

2. The Vice-Chancellor, University of Mysore, the Director of Medical Services in Mysore and the Director of Public Instruction in Mysore have been consulted in the matter. The Vice-Chancellor is of opinion that he is strongly in favour of relaxing the rules where women are concerned, as otherwise it would amount to putting a barrier against one source of qualified personnel needed. The Director of Medical Services is of opinion that the age limit to women candidates for purposes of recuritment to the State Services may be fixed at 28 years. The Director of Public Instruction is of opinion that the maximum age limit for the recruitment of women to the teaching profession and other services may be fixed at 27 years instead of the limit of 28 years proposed by the Public Service Commission.

3. After careful consideration of all aspects of the question, and the practice prevailing in the neighbouring States like Madras, Bombay, Travancore-Cochin and Hyderabad, it is ordered that the maximum age limit for women candidates be fixed at Twenty-eight years uniformly, for purposes of recruitment to Government Service.

Chief Secretary to Government.

Government Order No. Fl. 2845-2994—G.F. 71-53-2, dated 2nd July 1953, directing the continuance of the maximum limits of advance in the case of motor cars and motor bicycles, as also the recovery of the advance so granted at 1/9th of the pay.

2. Letter No. 252—O.C.A.—D.H.I., dated 5th January 1953 from the Accountant General, suggesting the desirability of (1) of reducing the period of recovery suitably, or in the alternative, taking collateral security along with the mortgaging of the car to Government, and (2) of framing rules providing for the compulsory insurance of motor cars purchased, against loss by fire, theft or accident.

3. Unofficial Note No. M.B. 2295, dated 25th July 1953 from the Secretary, Mysore Government Insurance Department, furnishing his remarks in the matter.

ORDER No. FL. 5766-5916—G.F. 161-53-2, DATED BANGALORE, THE 8TH DECEMBER 1953.

After considering all aspects of the question, it is directed that the rules relating to grant of advance to Government servants for the purchase of motor cars and motor bicycles be modified as under :—

(1) No collateral security of another Government servant is necessary as the motor car or the motor bicycle and the insurance amounts of the borrowers form the security to the advance in case the borrower has insured his life in the Official or Public Branch of the Mysore Government Insurance Department.

(2) The advance be recovered by deduction in monthly instalments of a sum equal to 1/6th part of the pay (as against 1/9th as hitherto) from the salary bill of the Government servant concerned.

(3) The vehicle so purchased must be insured in the Mysore Government Insurance Department against loss by fire, theft or accident, in accordance with the procedure laid down below :—

(*a*) Where the vehicle is not more than 10 years' old, it should be covered by a comprehensive risk policy.

(*b*) In case the vehicle is not eligible for comprehensive risk cover on account of its age, it should be insured against fire and theft in addition to third party insurance.

(*c*) Insurance policies at a reduced rate of premium may, however, be accepted as adequate in the case of motor cars or bicycles where—

(i) the owner of the vehicle undertakes to meet the first Rs. 50 of a claim preferred against the Insurance Department in the event of an accident or,

(ii) where the vehicle is not insured against accident for any season of the year during which it is not in use but is stored in a garage.

(*d*) Such insurance should be effected within one month from the date of purchase of the conveyance, and the fact intimated to the Accountant General who will obtain from the Government servant drawing the advance a letter (*in the form hereinafter prescribed*) addressed to the Insurance Department with which the vehicle is insured to notify the fact that Government is interested in the insurance policy secured. He will then forward the letter to the Department and obtain its acknowledgment. In the case of insurance effected on annual basis, the process should be repeated every year until the advance is fully repaid to Government.

(*e*) Contravention of these rules will render the Government servant liable to refund the whole of advance drawn with interest accrued thereon unless satisfactory reason is shown to the contrary. The amount for which the conveyance is insured during any period should not be less than the outstanding balance of the advance with interest accrued at the beginning of that period and the insurance should be renewed from time to time until the amount so due is completely repaid. If at any time and for any reason, the amount insured under a current policy is less than the outstanding balance of the advance, including interest already accrued, the Government servant should refund the difference to Government. The amount to be refunded must be recovered in not more than three monthly instalments.

The foregoing rules will apply to cases of advances sanctioned hereafter.

Necessary amendment to Mysore Financial Code, Volume I, will issue separately.

Amendment to Land Grant Rules.

READ—

Government Order No. G. 5292-348—Mily. 53-30-2, dated 17th November 1930, issuing revised rules for regulating the grant of lands as a reward for military service.

2. Government Order No. H. B. 2230-43—Mily. 8-53-11, dated 16th June 1953, laying down of a time limit of three years for individuals, who are awarded lands under the Military Concession rules, to apply to the Revenue Commissioner in Mysore, Bangalore, for the actual allotment of lands and directing that this rule be incorporated as Rule 7(*b*) in the rules issued in the Government Order dated 17th November 1930 read above.

3. Letter No. C4. Mily. 1451—53-4, dated 6—12th October 1953, from the Revenue Commissioner in Mysore, Bangalore, stating that, for reasons given, the period of three years referred to above be reduced to one year.

ORDER No. H.B. 6924-40—MILY. 8-53-41, DATED BANGALORE, THE 4TH DECEMBER 1953.

The Revenue Commissioner in Mysore, Bangalore, has brought to the notice of Government that the period of three years laid down in the Government Order dated 16th June 1953 read above is a long period and it is not also helpful to dispose of old cases. He has suggested that the period of time limit of three years be reduced to one year.

Government agree with the views of the Revenue Commissioner and direct that "(*a*) Sub-Para 7(*b*) as added in the Government Order dated 16th June 1953 read above be *deleted*" and the following be incorporated as rule 7(*b*) to the rules issued in Government Order dated 17th November 1930 read above.

> "Applications for actual allotment of land sanctioned to awardees under the M. C. rules should reach the Revenue Commissioner in Mysore, Bangalore, within a period of one year from the date of this Government Order in respect of all old cases and within one year from the date of the Government Order awarding the land in respect of awards passed hereafter, failing which the award will be treated as inoperative, with the proviso that Government will, however, reserve the right to relax the rule for any genuine cases of hardship."

OFFICIAL MEMORANDUM.

O.M. No. FL. (B) 12392-492—C.R. 30-53-1 DATED BANGALORE, THE 9TH DECEMBER 1953.

According to Article 478 (c) of the Mysore Services Regulations, the concessional rates allowed by Railways should be availed of by Government servants and the claims for railway fare should be reduced accordingly.

2. Government Order No. L. 14654-770—M.L. 163-52-2, dated 26th November 1952, delegating certain powers to the Commissioner for Local Self-Government in Mysore, in respect of Town Municipalities in the State.

ORDER No. L. 11289-407—M.L. 193-53-1, DATED BANGALORE, THE 9TH DECEMBER 1953.

Government, in their Notification No. L. 5087—M.L. 185-33-2 dated 8-10th January 1934 read above, regulated that no original work shall be commenced by the Municipal Council or in its behalf by the Public Works or other Department or the Sanitary Engineer, Health Department, without the previous sanction of :—

(*i*) The Deputy Commissioner, when the estimated cost exceeds Rs. 3,000 but does not exceed Rs. 5,000

(*ii*) the Government when the estimated cost exceeds Rs. 5,000

2. While Government delegated certain powers to the Commissioner for Local Self-Government in respect of Town Municipalities in the State in Government Order No. L. 14654-770—M.L. 163-53-2 dated 26th November 1952, the powers of sanction of estimates in respect of original works in Town Municipalities are limited to Rs. 5,000. Thus the powers exercised by the Deputy Commissioner and the Commissioner for Local Self-Government in Mysore became identical. With a view to avoiding the overlapping of powers, it is considered desirable that enlarged powers may be conferred on the Commissioner for Local Self-Government in this behalf.

3. Accordingly in supersession of the Notification No. L. 5086—M.L. 185-33-2 dated 10th January 1934 and in partial modification of the Government Order dated 26th November 1952 in regard to the sanction of estimates of works in Town Municipalities in the State, Government are pleased to direct that no original work shall be commenced by the Municipal Council or in its behalf by the Public Works Department, without the previous sanction of :—

(*i*) the Deputy Commissioner when the estimated cost exceeds Rs. 3,000 but does not exceed Rs. 5,000 ;

(*ii*) the Commissioner for Local Self-Government in Mysore when the estimated cost exceeds Rs. 5,000 but does not exceed Rs. 10,000

(*iii*) the Government when the cost exceeds Rs. 10,000 ,

4. The Municipal Councils may sanction within budget limits all repair works and original works not exceeding Rs. 3,000 in that of Town Municipal Council under Rule 241 (*i*) of the Municipal Accounts Manual, Part II.

5. The Controller, State Accounts Department, is requested to issue necessary amendments to Rule 250 (*c*) of the Municipal Accounts Manual, Part II.

Sanctions the Constitution of a Special Committee for examining the matters regarding the continuance of the District Boards, etc.

ORDER No. L.B. 11133-48—L.B. 71-53-2, DATED BANGALORE, THE 14TH DECEMBER 1953.

A Committee was constituted by Government in September 1949 under the Chairmanship of Sri V. Venkatappa, M.L.A. to examine the question of co-ordinating the work of the local bodies and other authorities in the field of rural development and integrating the activities of these bodies and placing them on a statutory footing. The Committee reported on the 12th June 1950 and recommended the constitution of Group Panchayets and District Boards indirectly elected by members of the Panchayets. The recommendations were accepted by Government, and Mysore Village Panchayets and District Boards Act was passed in January 1952.

When the question of the formation of Group Panchayets was taken up and objections were called for to the establishment of these panchayets according to the procedure laid down, it was found that there was a large measure of opposition to doing away with the system of single village panchayets, and to the formation of group panchayets. The Act was, therefore, amended in August 1952 to enable the formation of single village panchayets on a larger scale.

Government have been trying for over a year to constitute the District Boards under the new Act. It has been found that there is considerable opinion against the District Boards being constituted on the basis of indirect elections provided in the Act. It has also been pressed upon the attention of Government that Mysore would be well advised to establish Taluk Boards. The Planning Commission also contemplated the appointment of regional boards for framing and watching the execution of development programmes in each region. The opinion appears to be divided and it is necessary that any action taken by the Government in constituting these bodies, which have an important role to play in the rural development programme and the execution of the Five-Year Plan, should have a wide measure of public support.

In these circumstances Government think that it is necessary that this matter should be thoroughly examined by a fully representative Committee which can make proposals acceptable to as large a body of opinion as possible. They accordingly direct that a Committee be constituted to go into this matter. The terms of reference to the Committee will be :—

(1) To examine the question of the desirability or otherwise of continuing the District Boards as envisaged in the Mysore Village Panchayets and District Boards Act, 1952;

(2) In the alternative to examine the desirability of constituting Taluk Boards in the State;

(3) The method of election to these bodies, their functions, finances and powers as also their relationship with Village Panchayets und other cognate matters.

The personnel of the Committee will be as follows :—

Chairman.

Sri D. H. Chandrasekharaiah, B.A., LL.B

Members.

Sri N. C. Nagaiah Reddy, M.L.A.
Sri B. C. Nanjundaiah, M.L.A.

Sri Boranna Gowda, M.L.A.
Sri N. P. Govinda Gowda, M.L.C.
Srimathi Lakshmidevi Ramanna, M.L.A.
Sri M. Madaiah, M.L.A.
Sri Abdul Razaack, Bellary.
Sri N. S. Hirannayya, Commissioner for Local Self-Government.

Secretary.

Sri B. Venkataramia, Assistant Secretary to Government, Local Boards Branch.

The Committee will draw Travelling Allowance and Daily Allowance admissible to the members of the Committees in List A of Government Order No. Fl. (B) 14971—C.R. 1-52-27, dated 31st March 1953.

The Committee is requested to start work immediately and to furnish a report as early as possible.

Government Order No. P.W. 3857-69—K.R.S. 11-49-7, dated 4th November 1949, according sanction to the formation of a Committee with the personnel noted therein for submitting porposals for administering the Sugarcane Cess expenditure for various purposes in the Visvesvaraya Canal area.

2. Government Order No. P.W. 5217-49—K.R.S. 11-49-18, dated 14th December 1949 reconstituting the K.R.S. Working Committee, Health Committee and Irrigation Development Committee with the personnel noted therein to deal with questions relating to irrigation, public health and communications in the Visvesvaraya Canal area.

3. Government Order No. P.W. 7462-71—K.R.S. 11-50-24, dated 12th December 1950 consituting an *Ad hoc* Committee with the personnel noted therein to examine in detail the functions of the various Committees now functioning in the Visvesvaraya Canal area and to suggest the formation of a Standing Committee to take over all the functions and avoid overlapping, suggesting at the same time the personnel of the new Committee.

4. Letter No. 1668, dated 30th May 1952, from the Secretary, Krishnarajasagar *Ad hoc* Committee forwarding the report of the Committee.

5. Government Order No. P.W. 8578-87—K.R.S. 11-52-1, dated 19th December 1952 constituting a Co-ordination Committee to review the storage position of Krishnarajasagara Reservoir from time to time and suggest suitable measures for the economical use of water.

6. Government Order No. P.W. 11252-62—K.R.S. 11-52-2, dated the 7th March 1953, constituting a Committee to evolve a suitable permanent planting programme for Visvesvaraya Canal area.

ORDER THEREON No. P.W. 9426-9525—K.R.S. 11-53-9, DATED BANGALORE, THE 26TH DECEMBER 1953.

The question of co-ordinating the activities of the several committees now functioning in the Visvesvaraya Canal area came up for consideration before the 36th meeting of the Krishnarajasagar Working Committee held on 4th November 1950, which recommended the constitution of an *Ad hoc* Committee for the purpose. Accordingly the Krishnarajasagar *Ad hoc* Committee was constituted in the Government Order read in para 3 of the preamble. The *Ad hoc* Committee has recommended the abolition of all the existing Committees and the constitution of a Statutory Board with two Sub-Committees, with independent powers to frame its own budget and sanction works relating to the development of the area. These recommendations of the *Ad hoc* Committee were concurred in by the Krishnarajasagar Working Committee at its 40th meeting held on 3rd August 1952.

2. The report of the *Ad hoc* Committee and its recommendations have been examined by Government carefully in all its aspects. The Committee's suggestion to constitute a Statutory Board with authority and control over the entire area is found to be beset with complications for the reason that the storage in Krishnarajasagar reservoir serves both irrigation and power requirements and the regulation of waters thereof is governed by agreements entered into with Madras. Irrigation in the Visvesvaraya Canal area has not yet stabilised and the Krishnarajasagar Special Committee appointed in the Government Order No. P.W. 3191-16, dated 22nd May 1950 have made certain suggestions to evolve a satisfactory system of control and distribution of water with suitable crop planning in the area and action is being taken to implement them. Any attempt at this stage to appoint a Board with an over-all control over the area might interfere with the work already undertaken to systematise the mode of irrigation.

3. Government are therefore unable to accept the recommendation regarding the formation of a Statutory Board. They nevertheless consider that it is necessary to secure close co-ordination of the activities of the several existing Committees as recommended by the Krishnarajasagar *Ad hoc* Committee and to avoid the multiplicity of committees now functioning, and are therefore pleased to direct that an

advisory body called the "Visvesvaraya Canal Area Board" with two Standing Committees be constituted for a period of 3 years from 1st January 1954 in the first instance with the personnel and functions as noted below :—

VISVESVARAYA CANAL AREA BOARD.

1 The Minister for Revenue and Public Works (*Chairman*).
2 The Chief Engineer of Mysore.
3 The Director of Agriculture in Mysore.
4 The Chief Electrical Engineer in Mysore.
5 The Director of Public Health in Mysore.

12 The President, District Board, Mandya.
13 Sri M. Narasimhaiya, B.A., C.E., M.I.E., Chief Engineer (Retired).
14 Sri K. Chikkalingaiah, B.A., LL.B., Advocate, Mandya
15 Sri P. Thirumale Gowda, M.L.C., Shivapura, Maddur Town.
16 Sri K. V. Veeregowda, Vice-President, District Board, Mandya.
17 Sri K. Puttaswamy, B.A. (Hons.), LL.B., M.L.A., Mysore.
18 Sri S. M. Lingappa, B.A., LL.B., M.L.A., Krishnarajapet.
19 Sri M. Chikkalingiah, B.A., M.L.A., Malavalli.
20 Sri K. V. Veerappa, Malavalli.
21 Sri S. Srinivasa Iyengar, B.E., M.L.A., T.-Narsipur.
22 Sri Shivananje Gowda, M.L.A., Naganahalli, Mysore Taluk.
23 Sri B. P. Nagaraja Murthy, B.A., LL.B., M.L.A., and Advocate, Mandya.
24 Sri B. Y. Neelegowda, B.A., LL.B., M.L.A., Advocate, Mandya.
The Assistant Secretary to Government, Public Works Department, (*Ex-Officio* Secretary)

The functions of the Board will be advisory in character and will include the following:—

(*i*) Consideration of the general policies about the development of the Visvesvaraya Canal Area, and of such areas as are inevitable associated with it, and of the measures for the development in the matter of irrigation, health, communications, etc., in the area.
(*ii*) Crop planning programme in conformity with storage conditions and regulations in the reservoir and with a view to the economic utilisation of the waters.
(*iii*) Arrangements for the co-ordination of the activities of the different agencies functioning in the Visvesvaraya Canal area.
(*iv*) Review of the activities of the Standing Committees.
(*v*) Such subjects or classes of subjects as may be referred to it by Government from time to time.

The Board will meet once in six months, or oftener if necessary.

The Board will have two Standing Committees called the Health Standing Committee and the Development Standing Committee with the personnel and functions noted below :—

I. HEALTH STANDING COMMITTEE.

1. The Director of Public Health (CHAIRMAN)
2. The Deputy Commissioner, Mandya District
3. The Superintending Engineer, Cauvery Circle
4. The General Manager, the Mysore Sugar Co., Ltd.
5. The Deputy Commissioner, Mysore District
6. The President, District Board Mandya
7. to 11. (Five non-official members of the Board to be named by it)
The Superintendent, Bureau of Malariology. (*Ex-Officio* Secretary)

The functions of this Committee will be :—

(1) To examine all questions relating to anti-malaria engineering works, such as, creating dry belts, canalising valleys, village shifting, etc., and other works calculated to improve the general health conditions in the area, and to make recommendations to the Board ;

(2) To examine questions placed before it by Departmental Officers in the area and investigate the necessity for health measures that may be suggested by the members of the Committee ;

(3) To review the progress of health measures in the area taken by the Public Works and Health Departments and offer their views ; and

(4) To advise the Public Works and Health Departments, through the Board, regarding the provisions to be made in the budget for health measures and regarding the programme of works for spending the sanctioned grants.

II. DEVELOPMENT STANDING COMMITTEE.

1. A non-official Chairman (to be appointed by Government)
2. The Director of Agriculture
3. The Superintending Engineer, Cauvery Circle
4. The Deputy Commissioner, Mandya District
5. The General Manager, the Mysore Sugar Co. Ltd.
6. The President, District Board, Mandya
7. to 12. (The six non-official members of Board to be named by it)
   The Executive Engineer, Mandya Division, (*Ex-officio* Secretary).

This committee will deal generally with questions relating to the extension of irrigation, development of communications and improvement of agriculture in the Visvesvaraya Canal area and its other functions will be as follows :—

(*i*) To advise the concerned departments through the Board regarding the provisions to be made in the annual budget for the above works and to offer suggestions regarding the programme of works against lump-sum provisions made in the budget

(*ii*) To offer to the Board its views regarding crop-planning, economic utilisation of water and possibilities of extending irrigation with reference to the local conditions, including original major works ;

(*iii*) To take over all the functions of the Sugarcane Cess Fund Committee and to advise regarding the priority for taking up road works. The Committee will also draw up a programme of expenditure for the formation and maintenance of the roads taken up under the Sugarcane Cess Fund. It will also advise on the necessity for the formation of new roads and improvement of existing tract roads. The existing State Fund and District Fund Roads in the Visvesvaraya Canal Area will not, however, come within the purview of this Committee. The Committee will review the progress on road works and offer its views to the Board ; and

(*iv*) To examine the possibility of introduction of improved implements and machinery for cultivation and securing for the ryots good seeds and manure for agricultural purposes.

The standing committees will function under the general superintendence of the Board and the proceedings of the Committees will be subject to ratification by the Board.

4. The expenditure relating to the Board and the Standing Committees will be met from the maintenance grants of the Krishnarajasagara Works.
